

Unintended Influence Part 14

Contains bursting and various expansion types such as breast, butt, belly, cum, cock, giantess, and throat fucking

STRRRTCH!!!

STRRRRRRRTCH!!

“MMPH!! R-RAMPHY!!”

Shelly couldn't speak or yell as stimulation ravaged her body on all fronts. She could barely manage to breathe given the monstrous cock ramming in and out of her throat.

“Nnnnngh!!! This is it!! THIS IS WHAT I'M MEANT TO DO!!” Randy heaved. Every beat of his heart pulsed his shaft thick and dense within her mouth, visibly stretching her neck. If she weren't standing over fifteen feet tall, such a massive member never would have made it past her lips. *“It feels... GOD IT FEELS SO GOOD TO LET GO!!!”*

STRRRRRRRTCH!!!!

“MMPH?!”

Shelly wanted to look and inspect herself but couldn't turn away. Her head was locked in place.

SHRRIIIP!!!

BOOM!!!!

BOOM!!!!

Rupturing seams echoed through the park. She was far too big for her clothes. Their lasting strength was becoming hazardous as tight pants refused to let her legs fully extend to support her weight. Paired with the poor balance of a growing giantess, Shelly feared she may stumble.

“Take it!!! Nnngh take my massive cock, Shelly!!!!”

It was indeed massive. The largest Shelly had ever encountered, by far. And still getting bigger.

STRRRTCH!!

“M-Mmmm!!”

An orgasm shot through her body like lightning. The growth was too much. Too much and too fast. Her loins ached with building heat and pressure from coursing stimulation.

CREEEAAAAA--BOOM!!!!

“MGH!! MMM!!!!”

Randy smiled wide, taking in the jiggling sight all around him from atop Shelly's bust. Her breasts trembled in her arms begging for freedom from a shirt too stretchy for its own good.

“Finally outgrow your pants??”

STRRRTCH!!!

“Mmm!”

“That’s what you wanted, right??”

STRRRRTCH!!!

“M-Mmm! ACK!!!”

Shelly gagged on his girth. Saliva poured out of her mouth before running over his balls and seeping into her cleavage below.

“You wanted to be bigger and bigger and bigger!! That was it!!”

The unbridled lust in Randy’s eyes burned in the moonlight. Shelly had lost control of the situation. But, as her pussy coated her colliding inner thighs with every lumbering step searching for balance, she didn’t want him to stop.

The growth was incredible. Wild. Untamed. Her body didn’t know what to do with itself. Everything was changing too fast for her mind to keep up. Her arms would not have been able to contain her breasts if not for the steadfast shirt.

SHRRRIIPP!!!

“M-MMM!!!”

A tear opened down a seam. Pressure pushed her breasts into the hole, the ridges sinking and cutting into one of her areolas. Intense friction made her head swim in pleased agony.

STRRRRTCH!!!

“Mmmm!!! MMMMM!!!!”

SPLRRRRRTCH!!!!

“Huh?!”

Randy looked behind him when her breasts started to heave. The ground was far below, roughly twenty feet. Milk was showering the path from a pair of soda can-sized nipples.

“Are you spraying milk...?” he asked. His eyes brightened then and Shelly panicked, feeling pressure rise within her bosom. *“Ha... Ha!! Of course you are!!”* Park lights betrayed the madness on his face. *“Why wouldn’t such bloated tits be loaded with milk!!”*

GUUUUURGLE!!!

SPLRRRRRTCH!!

SPLRRRRRTCH!!!!

“MMMGGH!!!”

Shelly’s eyes watered at his neck-strength cock. The intensity of milk suddenly flooding her breasts made her want to collapse into a quivering heap of desperation.

STRRTCH!!!

“Nnnngh!!! Nnnnnngh!!! I just... Want to make you... HUGE...” Randy moaned, grabbing the sides of her head.

His rapid jackhammering was slowing down. Shelly had a chance to breathe as Randy began thrusting his cock in slower, more planned motions. She took the opportunity to peek to her sides. The sight of her body made her heart race.

SHRRRIIP!!!

The demise of her shirt sealed the deal. She was larger than life. Everything was monumental and gargantuan. Stumbling around at a ground-shaking twenty-five feet tall, Shelly's body was an unrecognizable swaying collection of curves. Her ass could have crushed a large pickup truck with its girth. Although she stood tall, its weight sagged her engorged cheeks against quaking thighs until it nearly touched the ground. It would have pulled her backward immediately if her breasts hadn't been there to equalize her body. Their sizes, having erupted from a shirt too stretchy for its own good, swung below her hips like fleshy wrecking balls.

"Nnngh... Nnnnnggh... God I just...want to fill you up..." Randy growled. He stood up, standing over Shelly's face as her jaw ached with his shaft. *"Fill you up...until you can't take anymore!!"*

STRRRRTCH!!

"M-Mmph??"

Her growth was accelerating. Randy's lustful gift knew no limits. One of her hands flung to her rear when she felt it distend, stretching and wobbling until its bloated mass pressed into the cold dewy grass below. Flesh mashed in all directions from the settling weight. Somewhere within its bulk and her thighs, her crotch was begging for a tree-sized dick to stretch her walls.

SPLRRRRRTCH!!!!

"MMMMMMMMPH!!!"

"What's the matter, too much milk for you?" Randy's manhood throbbed with delight between her cheeks. *"How about we push those tits even bigger??"*

STRRRRRRTCH!!!!

Shelly wanted to scream when milk surged, pushing her chest to gargantuan proportions. The park trembled when they struck the ground with dense, fluid-filled skin. Two competing walls of flesh pressed on her from each side then, sandwiching Shelly in place. Her feet tried to find purchase in the grass, but they only dug deep gouges. Even at a height tall enough to see over the park's trees, her body was not big enough to handle the curves Randy was forcing onto her.

She'd never felt so incredible.

"MMMM!!! MMMMMMMMM!!!"

Her eyes pleaded with him, begging for more. She wanted to be his puppet. His plaything. This human balloon. Her breasts ached with milk for him, pleading to be filled to their breaking point.

CRA-ACK!!!

Tree branches snapped when her curves ballooned into a nearby tree. She was less girl and more blob now, with even her arms coming to be trapped between her ass and tits. Her outline loomed over the darkened park. The strange sight was visible to anyone willing to look.

GUUUUURGLE

A strange weight caused her stomach to do flips. Rubbing her waist, Shelly realized she'd been swallowing this entire time. Her mouth and throat were coated in Randy's eager pre-cum.

Every thrust filled her cheeks with more, forcing its way into her belly. After so long, it was beginning to take a toll. Anxious, she was beginning to wonder if Randy's power had a limit to just how big it could let her body survive. Eventually, something had to give.

GUUUUUUURGLE

"N-Nnngh...!"

"What's the matter? Feeling a little bloated??"

GUUUUUUURGLE

Shelly felt like she'd eaten three large dinners. Doming flesh tented her stomach against the backs of her breasts, enough to fill her hands like a beach ball.

"Nnnnngh!!! NNNNNGH!!!"

Her eyes widened. Randy was thickening in her throat. Hardening. His balls engulfed her chin and neck like massive throbbing pillows. Anxiety gripped Shelly, her belly already full as it was.

"Mmph!!! M-MMPH!"

"NNNNGH SHELLY I THINK I'M GONNA--"

He thrust hard and deep, making Shelly gag.

SLLLLMMMCH!!!

GULP

GULP

GULP

Cum pumped into her like a fire hydrant. Every throb was an unholy amount of steaming, thick goo forcing its way into her belly.

STRRRRTCH!!!

"Nnnnggh!!! NNNNNGH!!!! Pump you full!!! I want to...pump you full!!!!"

Her entire body was swelling. Reacting to his load. Shelly closed her eyes as she felt her breasts strain with milk and cum. Her rear tightened, squeezing against her back. But her belly was beginning to balloon. Cum stretched it larger with every pump. Her hands trembled at its size, feeling it bloat and tighten and widen into a creaking mound hidden under her breasts.

STRRRRTCH!!!

Her body was getting tense. No longer were her curves soft, pliable mounds of jiggling sex. She was beginning to stretch.

"NNNNNGH!!!! A-AGAIN!!!"

SLLLLMMMCH!!!

GULP

GULP

GULP

Shelly arched her back, trembling when Randy exploded in her mouth once more.

"NNNGH! MMMPH!!!"

STRRRRTCH!!!

She was running out of room. Her body couldn't take anymore. Milk and cum brought streaking stretch marks across her chest. Slowly it was beginning to rise up, lifted by an aching stomach ballooning with Randy's cream. Shelly was forced to spread her legs as it bloated to the point of discomfort. She saw a shadow falling over Randy as he trembled, and quickly realized it was the curve of her ass blocking the moonlight behind her.

STRRRRTCH!!!!

"MMMMPH!!! M-M-MMMMPH!!!"

Shelly tried to get his attention as her body groaned. She looked like a human bouncy house as fluid sloshed within tight skin. Cum had clogged her nipples, refusing to allow any more pressure to escape.

"Nnngh... Nnnngh..." Randy paused to catch his breath. *"You're... So big... I don't even know...how big..."*

"Mmph!!!"

"I want... You bigger... I can pump...you bigger!! Just like you wanted!!"

Shelly wanted to shake her head but he held her steady and started to thrust again. Her throat was sore and stretched from his size. Unable to sink her hands into her stomach, Shelly feared another eruption would be the end. She couldn't take any more. Her body would burst.

"Nnngh!!! Here...it comes!!!" Randy moaned while summoning another load.

"Mmph!!! M-Mmmmph!!!" Pussy gushing with anxious arousal, she whimpered when he thickened once again, his balls swelling into impossible load-bearing orbs.

"Nnnnnnngh!!!!!!!!!"

SLLLLMMMCH!!!

GULP

STRRRRTCH

GULP

STRRRRRRTCH

GULP

STRRRRRRRRRRRRTCH!!!

"MMMMPH!!!!!"

Shelly closed her eyes as cum launched down her throat. Trembling pressure assaulted her stomach. Her breasts looked twice as big because of the hidden ocean of cum filling her abdomen. They puffed and lifted in anger, resenting all the fluid building within.

RRRMMMMBBBBLLLL

Cum filled her mouth. Shelly was afraid to swallow as her cheeks stretched. Her stomach was at its limit. Her hands didn't dare apply any pressure to her creaking skin.

"Nnngh!!!"

Whimpering, she forced the mouthful down her gullet.

G...G...Gulp

STRRRRRRRRRRRRRRRRRRRRRRRRRRRRRRRRRRRRR--THUMPH!!!!!!

“MMMMMMMM!!!!!!”

Shelly’s heart skipped a beat when her entire being jolted. Somewhere under her bulk, her belly button had just jutted outward into a massive protruding mound of pressure.

She was full.

“Mmmmmph... M-mmmph...”

Wheezing around Randy’s cock, Shelly settled into her quivering drum-tight mass. She’d made it. Under a storm of orgasms and body-stretching ultimate pleasure, she was dominating the park with her size. Her body stood over the trees in a creaking, gurgling hulk of fleshy expansion. The size of her stomach left her dizzy as cum swirled around the titanic sphere stretching her skin to the point of bursting.

“Hah... Hah...” Randy knelt before her head, gasping for air. *“That... That was... Ngh--”*

He throbbed in her throat. Shelly’s eyes widened in fear. He was thickening. Rapidly.

“Ngh!!” He grabbed the side of her head, trembling with a final release.

Shelly panicked, knowing she couldn’t take any more cum. Her throat was ready to geyser. *“Mph!! MMMPH!!! M-M-MMPH!!!!!!”*

“NNNNNGH!!! LAST OOOONE!!!!”

“MMMMMM--”

SLLLLMMMCH!!!

GULP--KABLOOOOOOOSH!!!!!!!!!!

Milk and cum exploded at the park’s center in a firework display of steaming white fluid. Shelly’s body was blown to the limit, pushed to the breaking point by Randy’s overwhelming lust.

The world turned white for the two of them as they were swept away in the creamy torrent. They only managed to stay together because Randy held Shelly so tightly in his arms. Sopping wet grass cradled them when the flood spread out into the park and surrounding streets.

Staring through milk-blurred eyes, Randy found a gasping Shelly hugged against his body. He took at her naked figure, relieved to find her back to her old, curveless self. She was as flat as the day they met in the supply closet.

Randy sat up, holding her in his arms as she was yet to wake up from orgasm-induced exhaustion. The last half hour was a blur. He felt sore and spent, struggling to recall how they’d ended up in this mess. For a moment he wondered what he was going to do with an unconscious naked girl in the middle of the park.

THUMP

Something struck a nearby tree in the flow of milk. Randy squinted, coming to realize it was the bag of spare clothes Shelly had bought from the mall.

They would be wet but had arrived just in time.

To be concluded
