

**I'm tired of the hustle and bustle of the city  
and I'm looking for stress relief and a new experience.  
I signed up for a milking tour at a milk farm.**

**I had no way of knowing at this time  
that this tour would turn out like that...**

**When I arrived at a quiet ranch in the countryside,  
a beautiful cowgirl greeted me.**

**Hello!  
Are you the one  
on the milking tour?**

**This is a special milk,  
you must drink it**

**A special milk?  
Feeling a bit suspicious,  
I couldn't help but accept it.**

A young man with short, wavy blonde hair and large, expressive blue eyes is the central figure. He is wearing a light blue button-down shirt and is captured in the middle of drinking from a white carton of milk. His face is flushed with a bright pink blush, and his mouth is wide open in a happy, surprised expression. Several small droplets of milk are visible on his chin and neck. In the background, a lush green field stretches out under a bright blue sky with scattered white clouds. A black and white cow is grazing in the distance to the left, and another cow is partially visible on the right. The overall style is that of a vibrant anime illustration.

**With a puzzled expression,  
I take a sip.**

**It's surprisingly delicious,  
and before I know it,  
I've drunk it all.**

**At that moment  
my body began to feel unusually hot.**

**The first thing  
I felt was heat running  
through my entire body.  
Sweat pouring down my forehead,  
my breath ragged.**

**I feel a gentle tingling in my limbs  
as my muscles relax. My shoulders  
narrow, arms slim down.**

**Palms shrink, fingers elongate. I  
catch my breath as my chest begins  
to soften and swell.**

**Next I had the sensation that my hair was slowly starting to grow. My hair keeps getting longer, reaching down to my neck.**

**The softness of the hair entwining around my fingertips and its rapid growth make me catch my breath.**

**My hair continues to grow, sliding  
down past my shoulders and  
cascading down my back.**

**Long hair sways softly whenever  
the wind blows**

**The next thing I knew, I began to notice something strange happening to my chest. At first it was slight discomfort, but suddenly my chest began to swell under my shirt.**

**I am amazed at its softness and elasticity. The sensation of something changing inside is a mixture of surprise and excitement.**

**The bulge does not stop, but grows with such force that it seems as if it will explode.  
My nipples become erect and are pressed against the fabric of my shirt.**

**The shirt becomes tight and cleavage peeks through the gap.**

**Buttons fly off unbearably, and the momentum of my chest continues to swell is overwhelming.**

**I finally swelled up so much that I tore my shirt.**

**A strong sensation runs through my groin, and my male genitals start to shrink. I panic and touch my groin, but the transformation doesn't stop.**

**Eventually, my male genitals disappear, and female genitals form in their place.**

**A strange sensation runs through my head and I involuntarily reach for my head.**

**When I put my hand on it, it was a hard horn. In addition, ears like a cow had sprouted on the side of its head.**

**My buttocks slowly swelled and my pants tore. As soon as the fabric rips, a cow's tail grows out.**

**The transformation finally subsides,  
and I'm on all fours, stunned.**

**Is this...  
me?**

**I was so overwhelmed by my new  
self that I forgot to even catch my  
breath.**

**With this,  
you're also  
a splendid  
cowgirl.**

**Congratulations!**

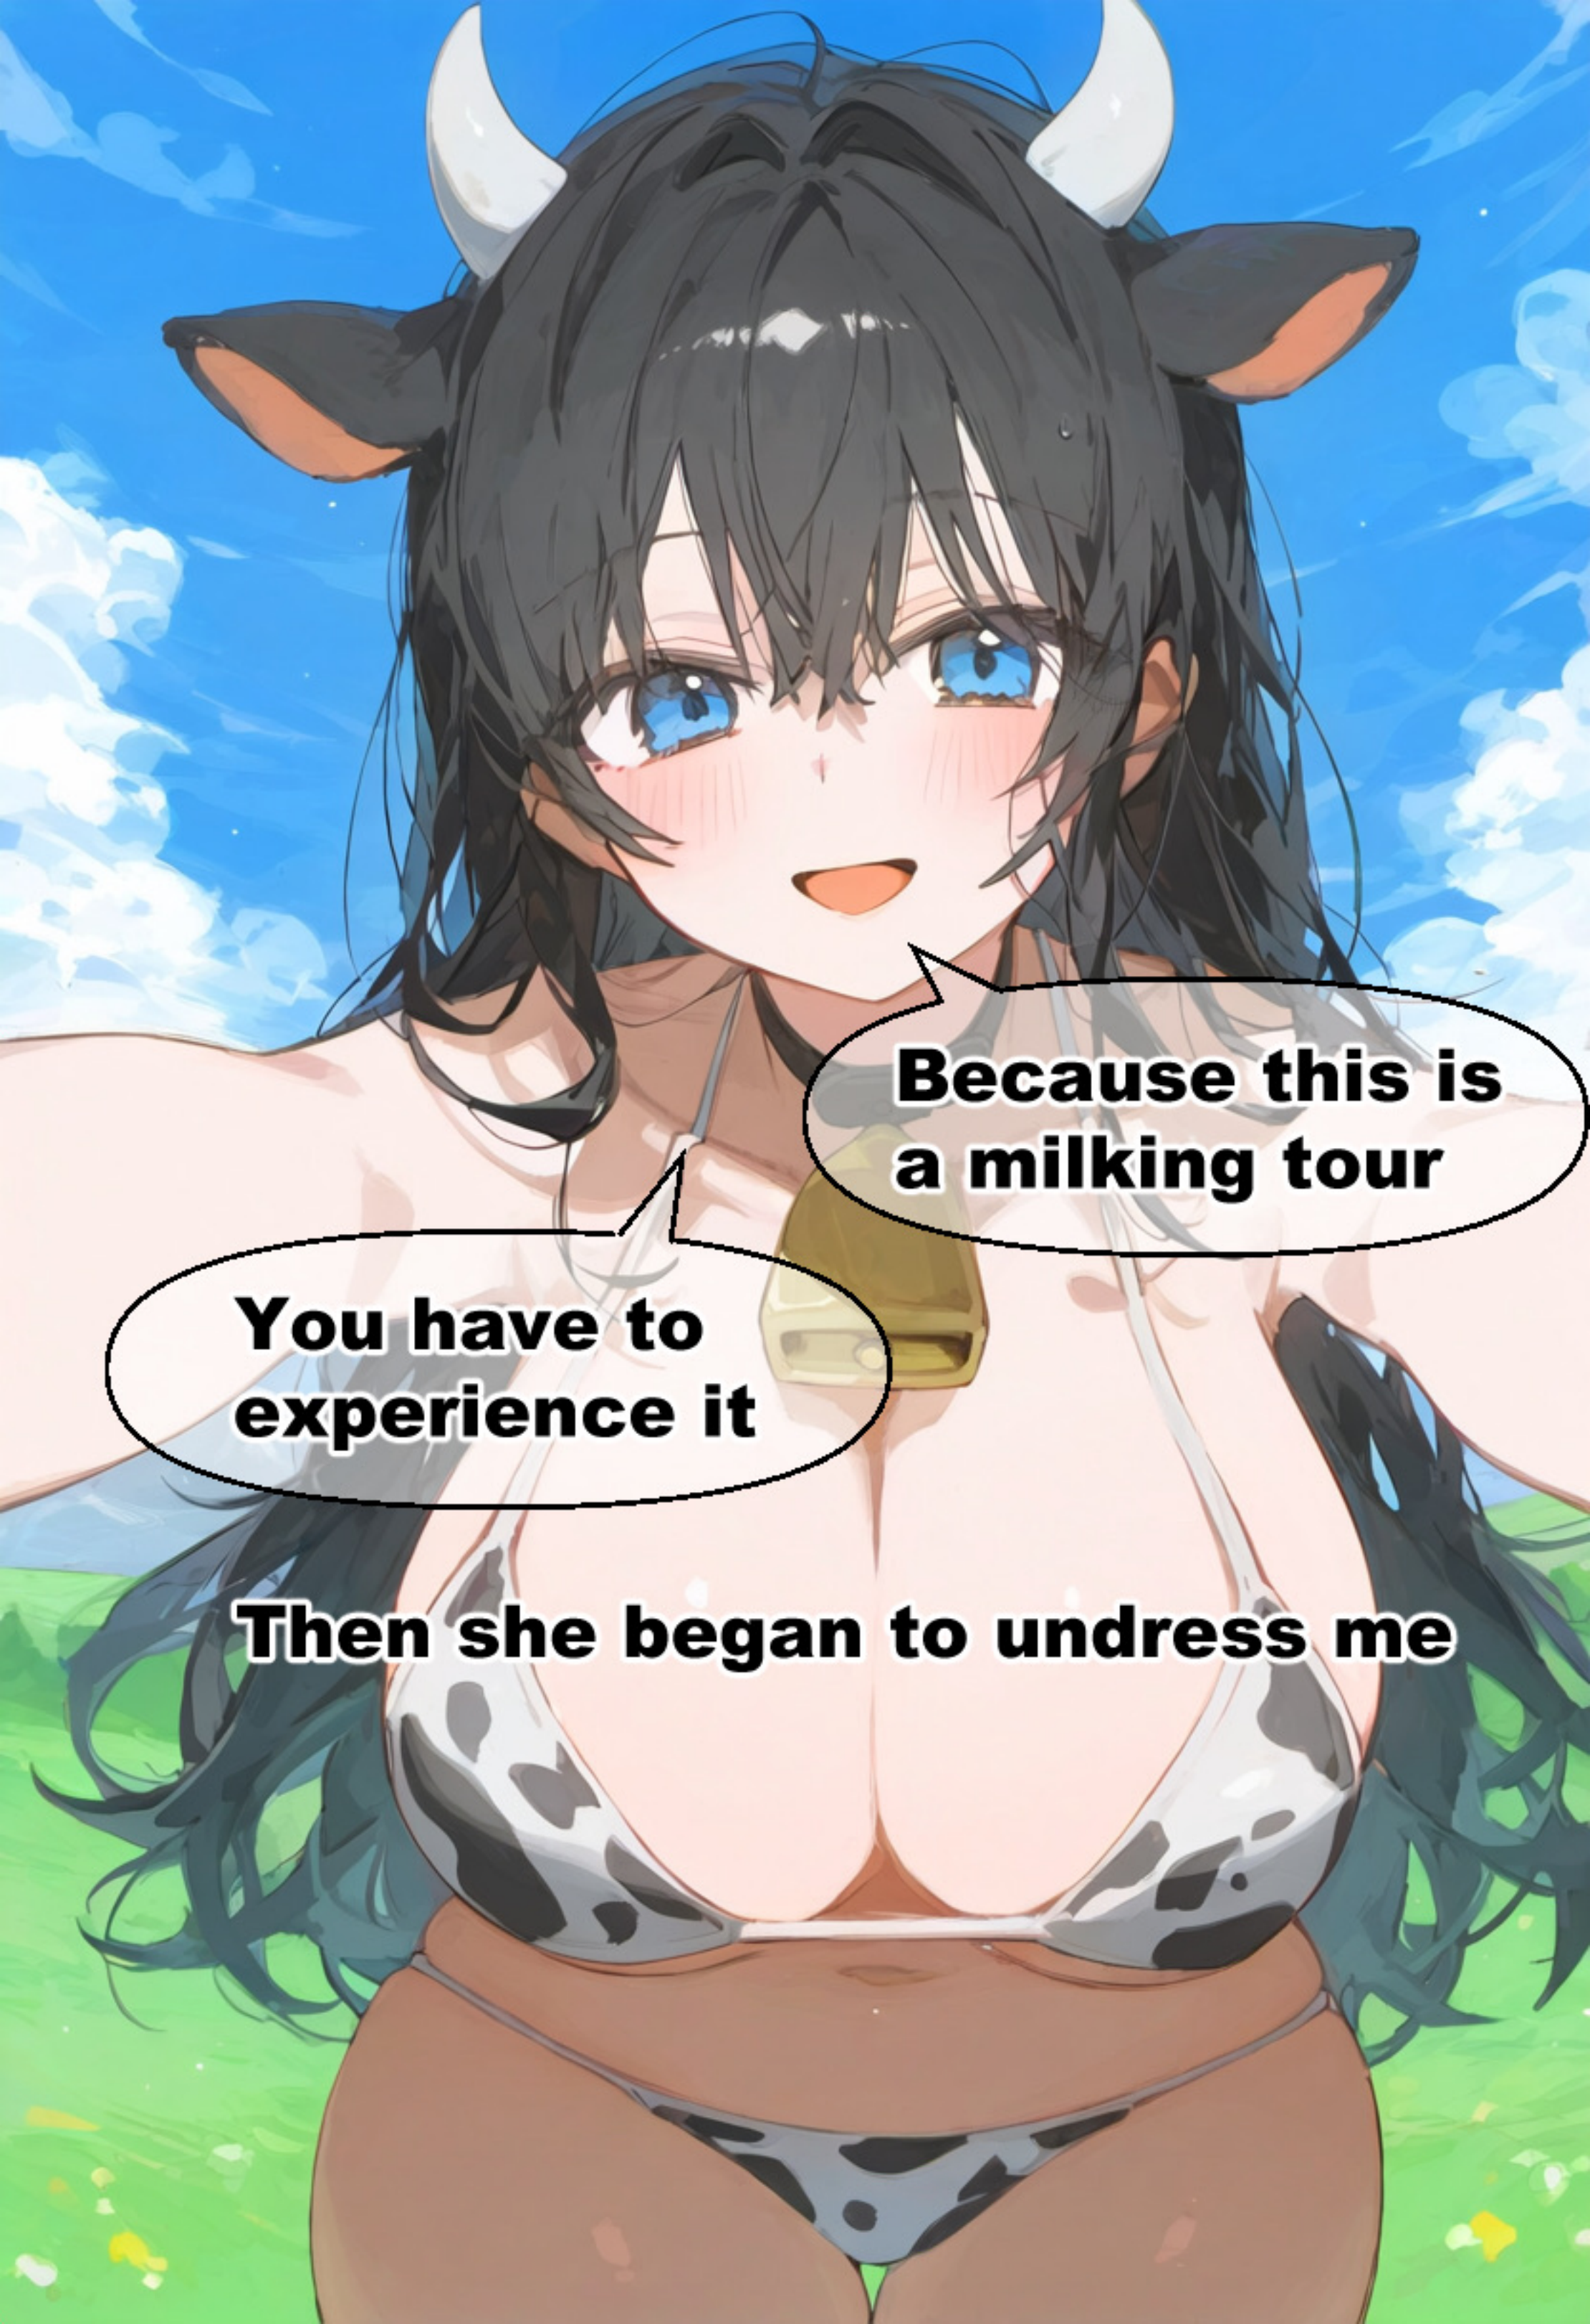

**Change me back!**

**Congratulations?  
Screw you!**

**Because this is  
a milking tour**

**You have to  
experience it**

**Then she began to undress me**

A blonde anime girl with long hair, blue eyes, and a red face is shown from the chest up. She has small white horns and a long black tail. She is looking down with a distressed expression, sweating profusely. A speech bubble is positioned over her chest.

**Why are you stripping me naked!**

**Against my protest, she responded with a gentle smile, saying, 'This is the real milking experience from now on'.**

**She suddenly started rubbing my breasts. A sensation like an electric current ran through my entire body.**

**Aaaaah!**

ビクッ

**I gasp at the sensation that seems to overflow from the depths of my chest. My body reacts on its own, and I feel my nipples harden and become erect.**

**Oh... mmm...**

**The next moment, the mother's milk spurted out from the tip of the nipple with great force. I was astonished.**

**Wow!  
What the...**

**However, her hands don't stop. With even more force and intensity, each time she vigorously massages my chest, milk keeps overflowing, one after another.**

**Despite my reluctance and screams,  
I reach climax. The milk doesn't stop,  
and while wearing a vacant expressi-  
on, my body trembles, overwhelmed  
by waves of pleasure.**

**Aaahhh!**

**Gasping for breath, I lay sprawled in the field.**

**My whole body is exhausted and all I can do is regulate my breathing.**

**This concludes  
our experience tour.**

**Thank you for  
your hard work.**

**So, are you going  
to change me back  
to my original form?**

**Huh?  
The end?**

**Of course, I can return you  
to your original form. After all,  
it's just an experience tour.**

**I was relieved by this answer, but  
deep down inside I was a little  
disappointed.  
You play with my body like this,  
and now you're done?**

**Perhaps you don't want to go back?  
Then don't worry, I actually felt  
the same way.**

**Surprised by those words, I looked  
at her. Could it be that she, too...?**

**I'm so happy here, I don't want to go back. If you want to work here with us too, you're welcome.**

**Me pondering what to do.  
I can go back to the way I was,  
or I can start a new life like this...**

**After a short pause, I willingly  
opened my mouth.**

**And one year later...**

**I'm leading a new milking tour.  
I welcome the male visitors and  
begin guiding them with a smile.**

**Now I am the symbol of this ranch.**

**This is our special milk, and you should try it.**

**Fin**
