Laymee: Oh, I can do that. I know *exactly* what we want.

Jack: What? I thought... Why would *you* get to pick what I look like? This is supposed to be a punishment, right?

Laymee: The right kind of punishment can be fun, especially with a cock like that...

Laymee: ...and our Master wants everyone to make this choice having the best experience they can. He's not a bad guy once you-

Jack: Are you talking about that *psychopath* with the knives?
The guy who's currently fucking my girlfriend while-

Laymee: Enough talking already! We like our partners to be big, dumb, and silent, remember? Get to it!

Laymee: Well, you heard the lady, Jack. No use arguing with a Princess, right?

Jack: No, you just can't... um... you can't... uh... uh...

Jack: Words... Jack can't... make words... talk good... just...

Jack: Uhhh...
Laymee: Ah, that's better.

Laymee: I bet he, or should I say *she*, didn't see that coming!
Now finish her up so we can have some fun, sis!

Laymee: Don't worry, I know exactly what we like:

Laymee: Fucking hell! She's perfect!

Laymee: Like an anime character come to life!

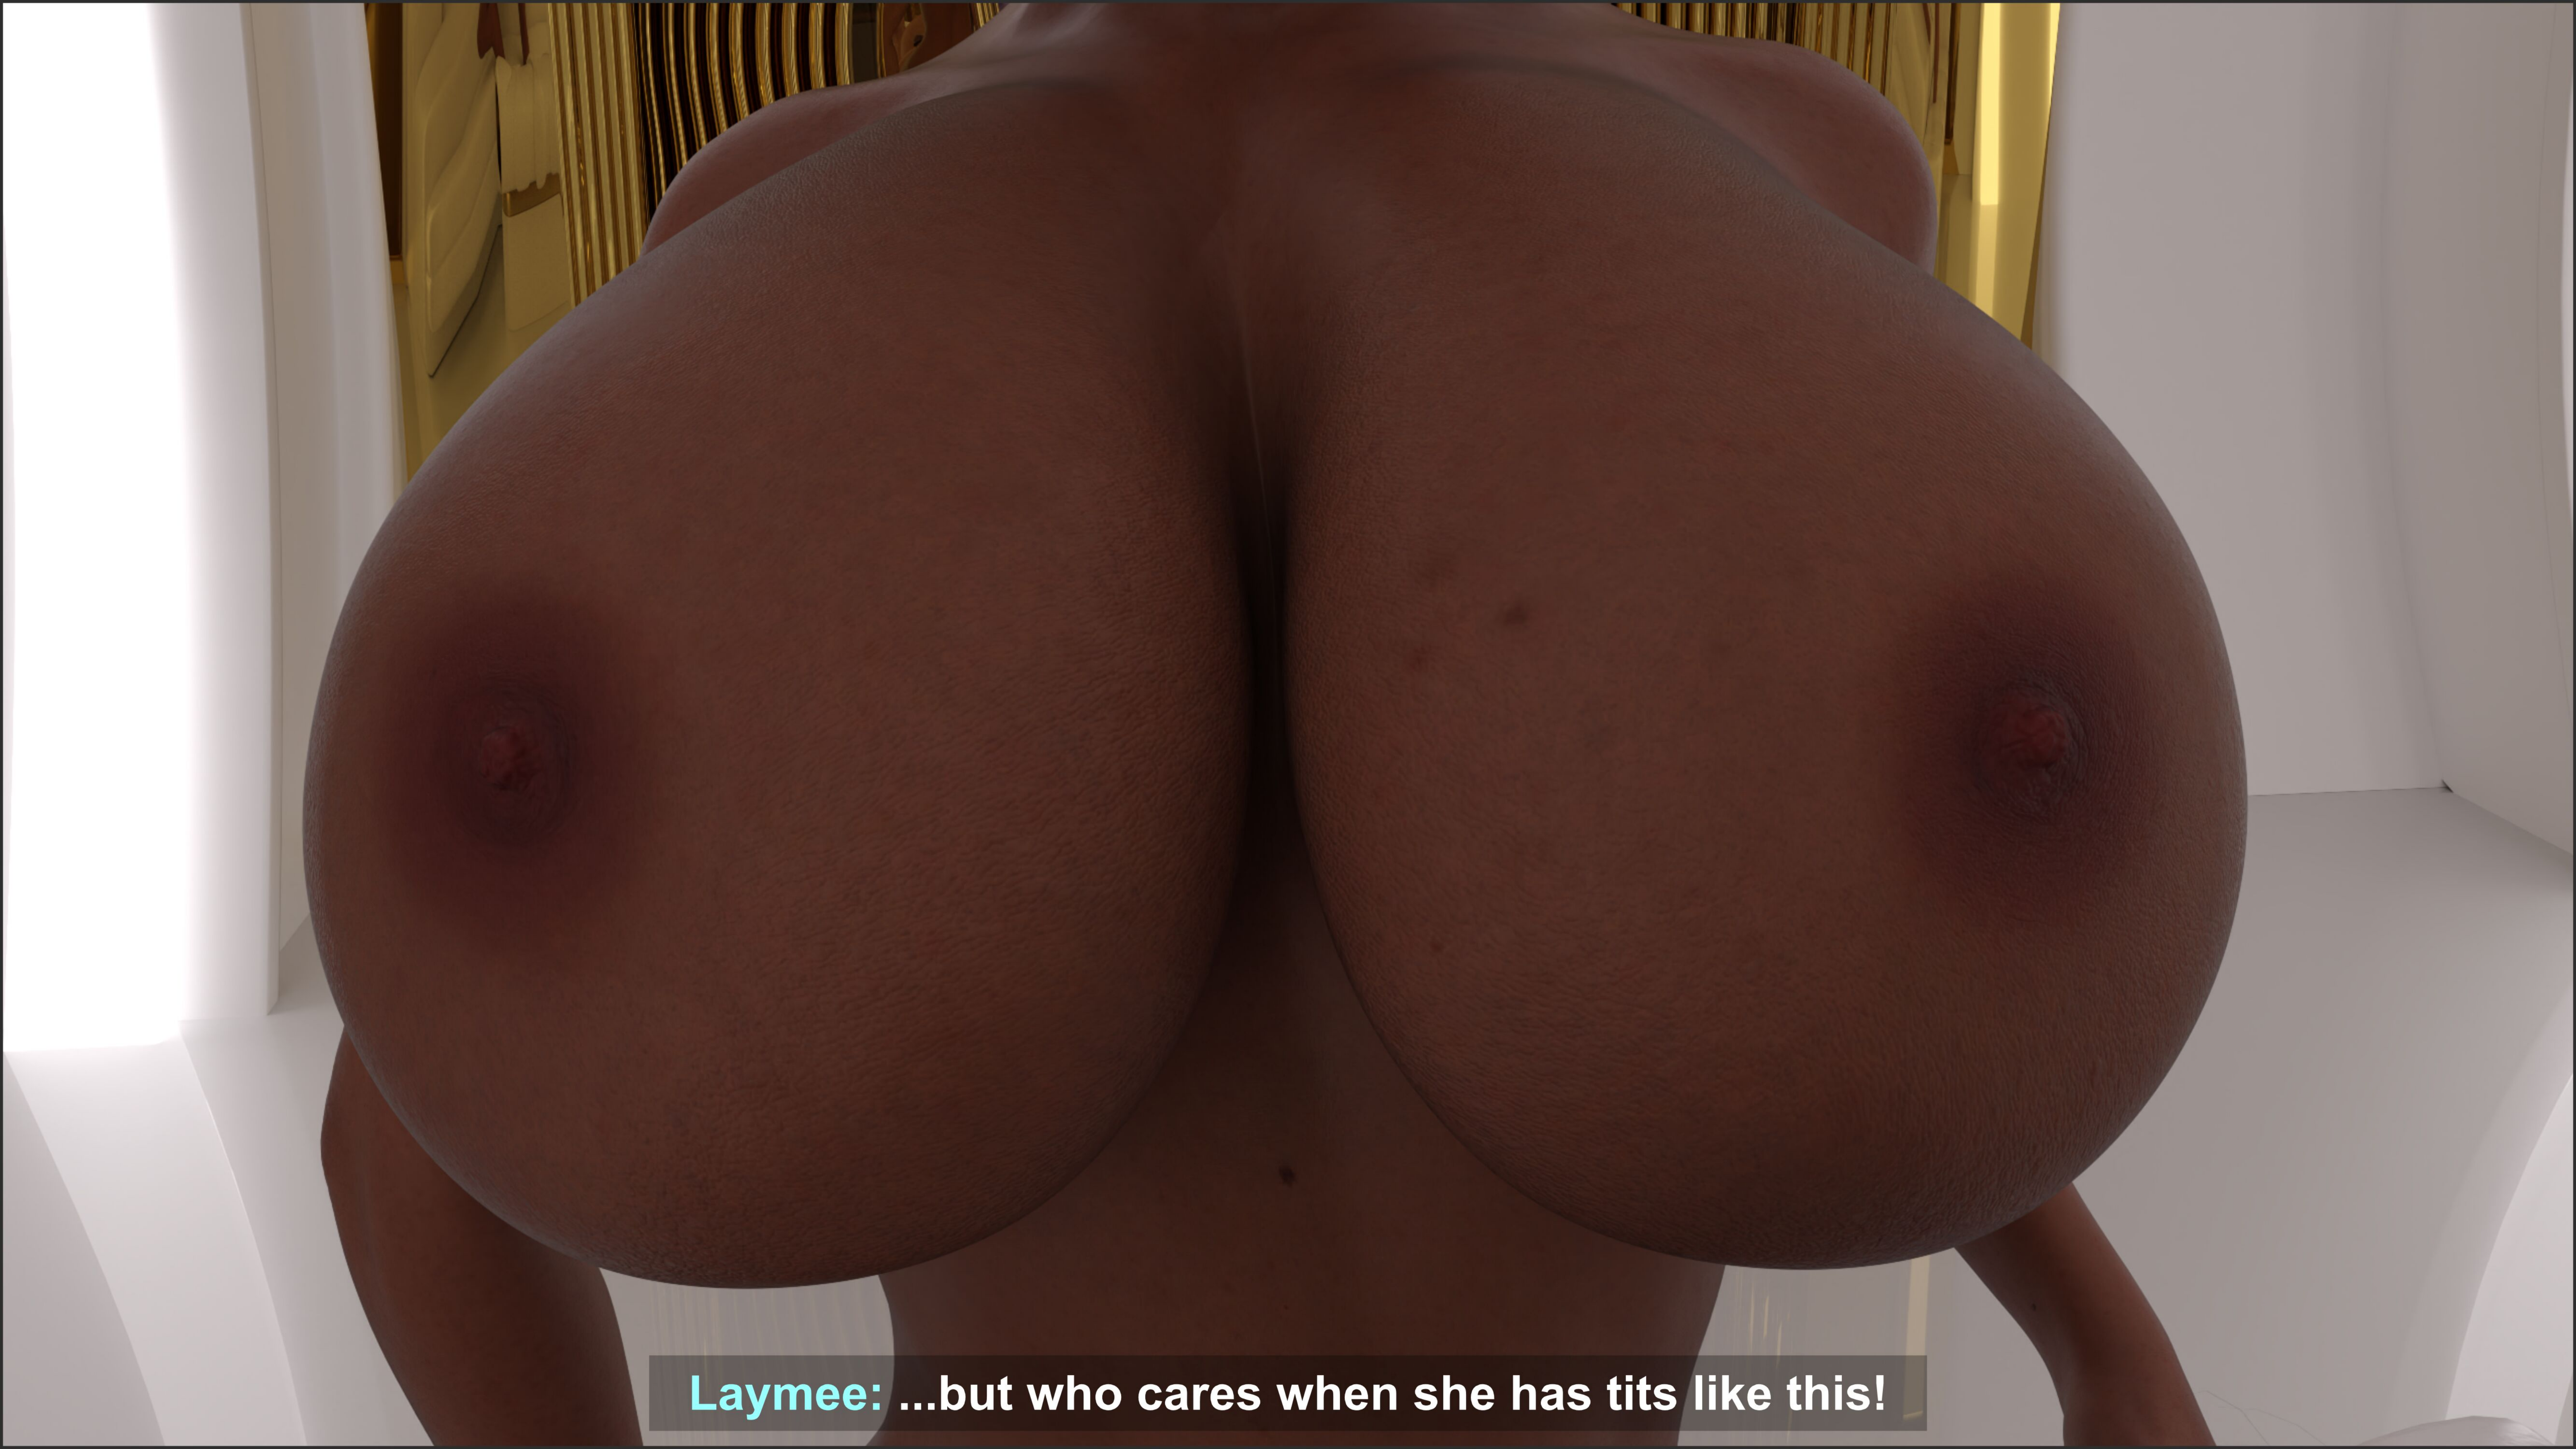

Laymee: But, if I'm being honest...

Laymee: ...she's a little *creepy*, right? Like a doll that's real, but-

Laymee: Will you cut out the goddamn play-by-play, sis? Of course, she's a little creepy...

Laymee: ...but who cares when she has tits like this!

Laymee: They are incredible.

Laymee: Right? And their cock is equally incredible, so what are you waiting for!?
