

Royal Sissy

Chapter 8

by Madafakir

Mmh...

Mmm...

Mmmh!

TREMBLE!

TREMBLE!

TREMBLE!

Mmmm!

Oh, poor thing...
Bad dream?

Mmmh...
Mistress...

P-please,
I...

Shhhh! You'd better not talk too much. Your pleas won't help, and you know that very well.

I know your needs are unbearable right now, but you chose this path.

Remember, I can still cut
you off. Just one word
from you is enough...

No, please...

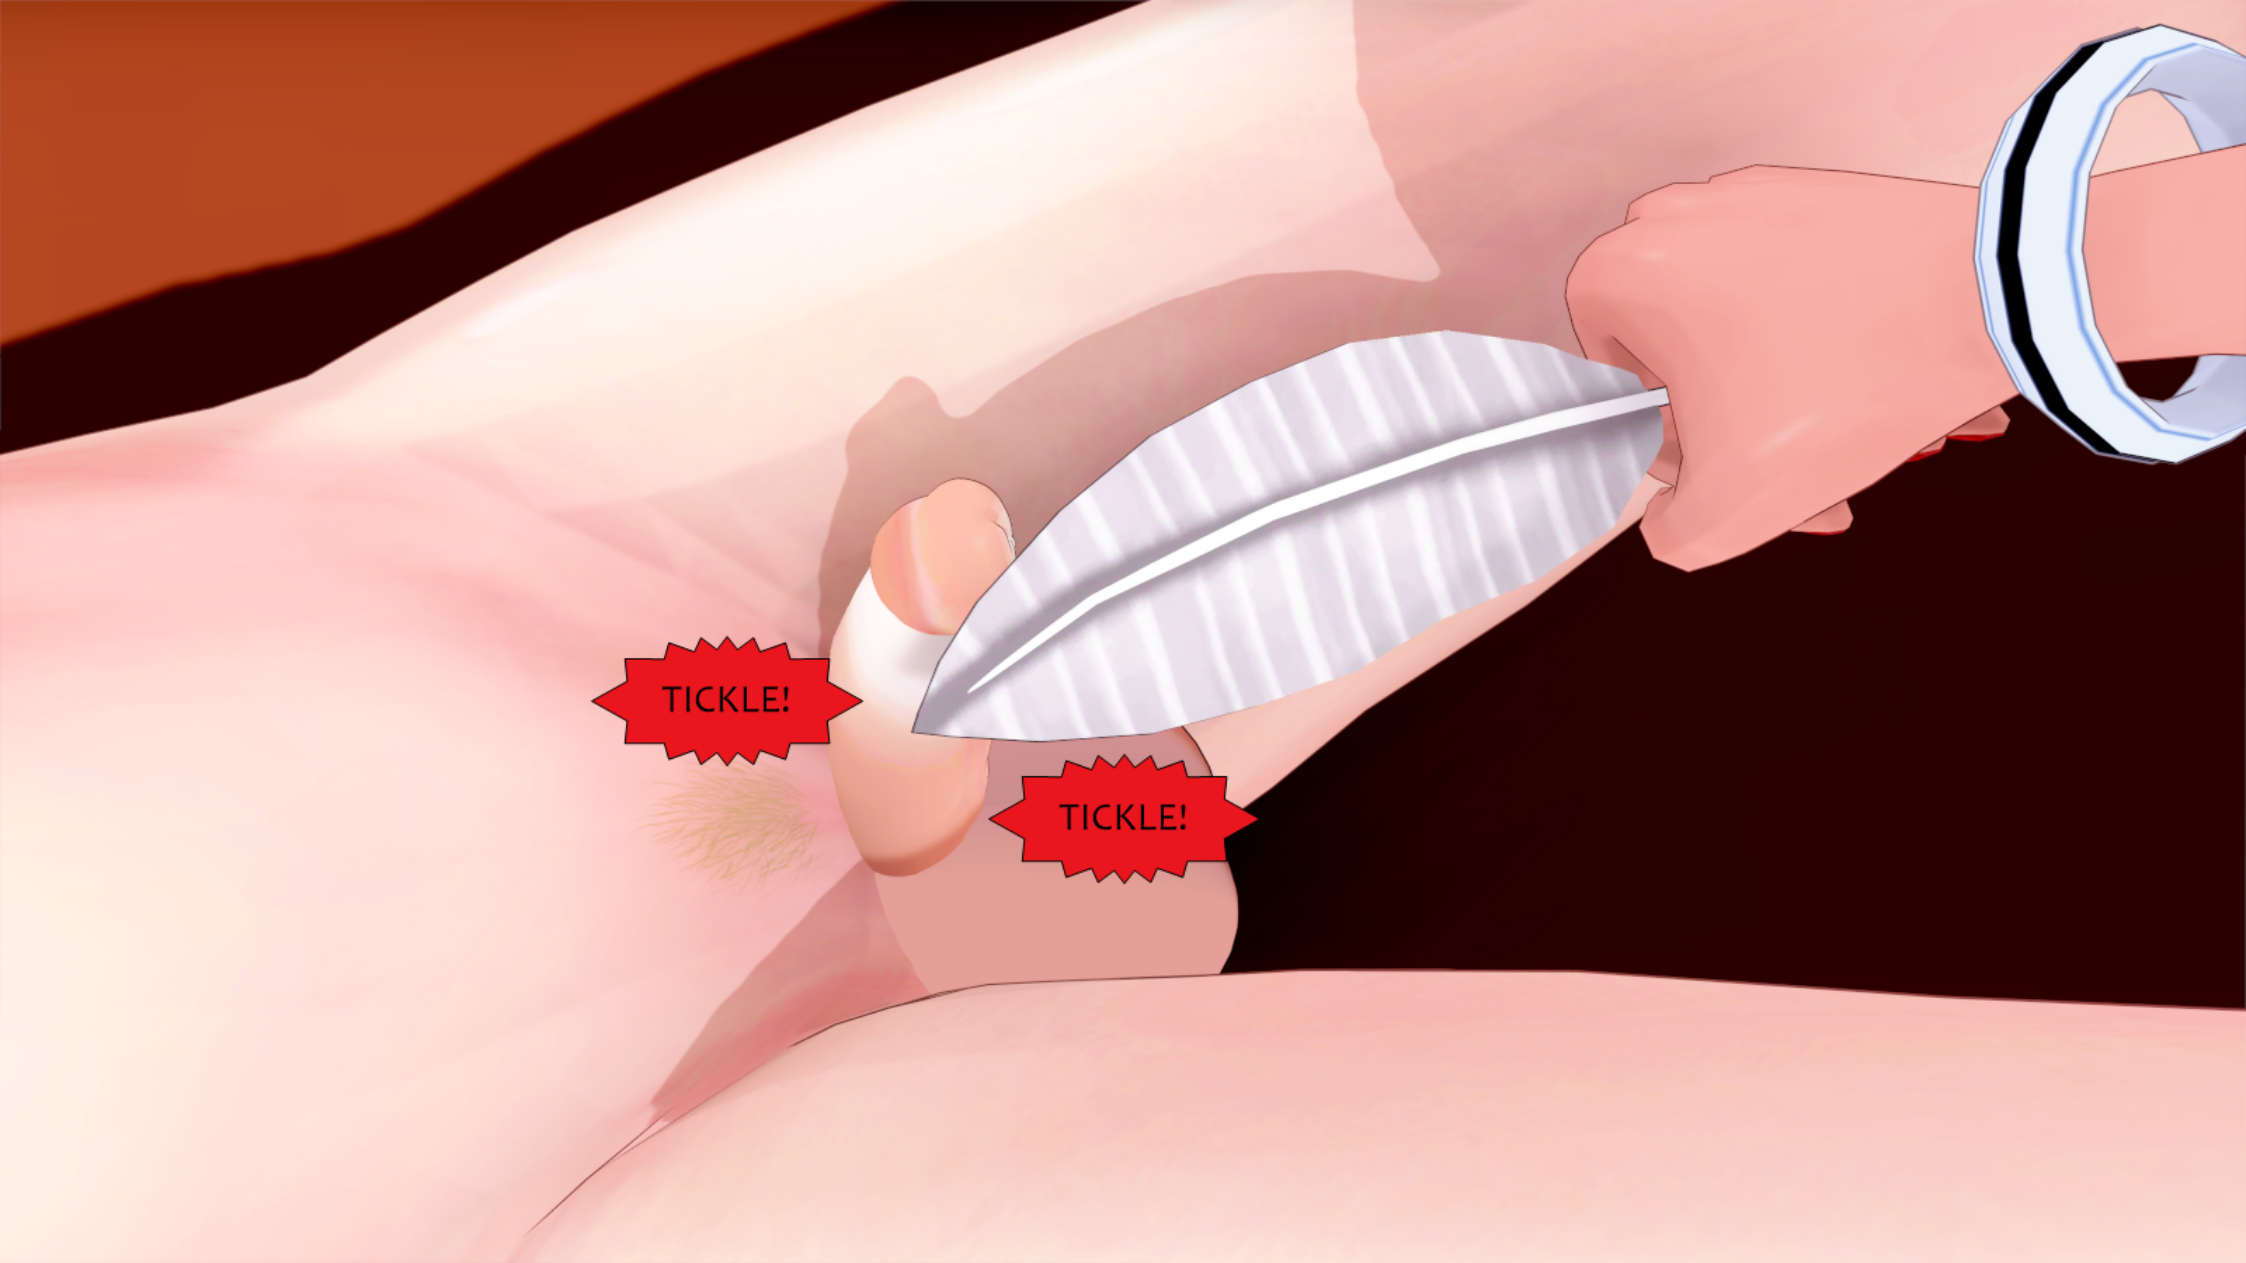

Well then... If that's
the case, let us
continue...

I know you didn't get
much rest. Your swollen
balls didn't let you sleep,
but trust me...

...it will get worse!

Oh!

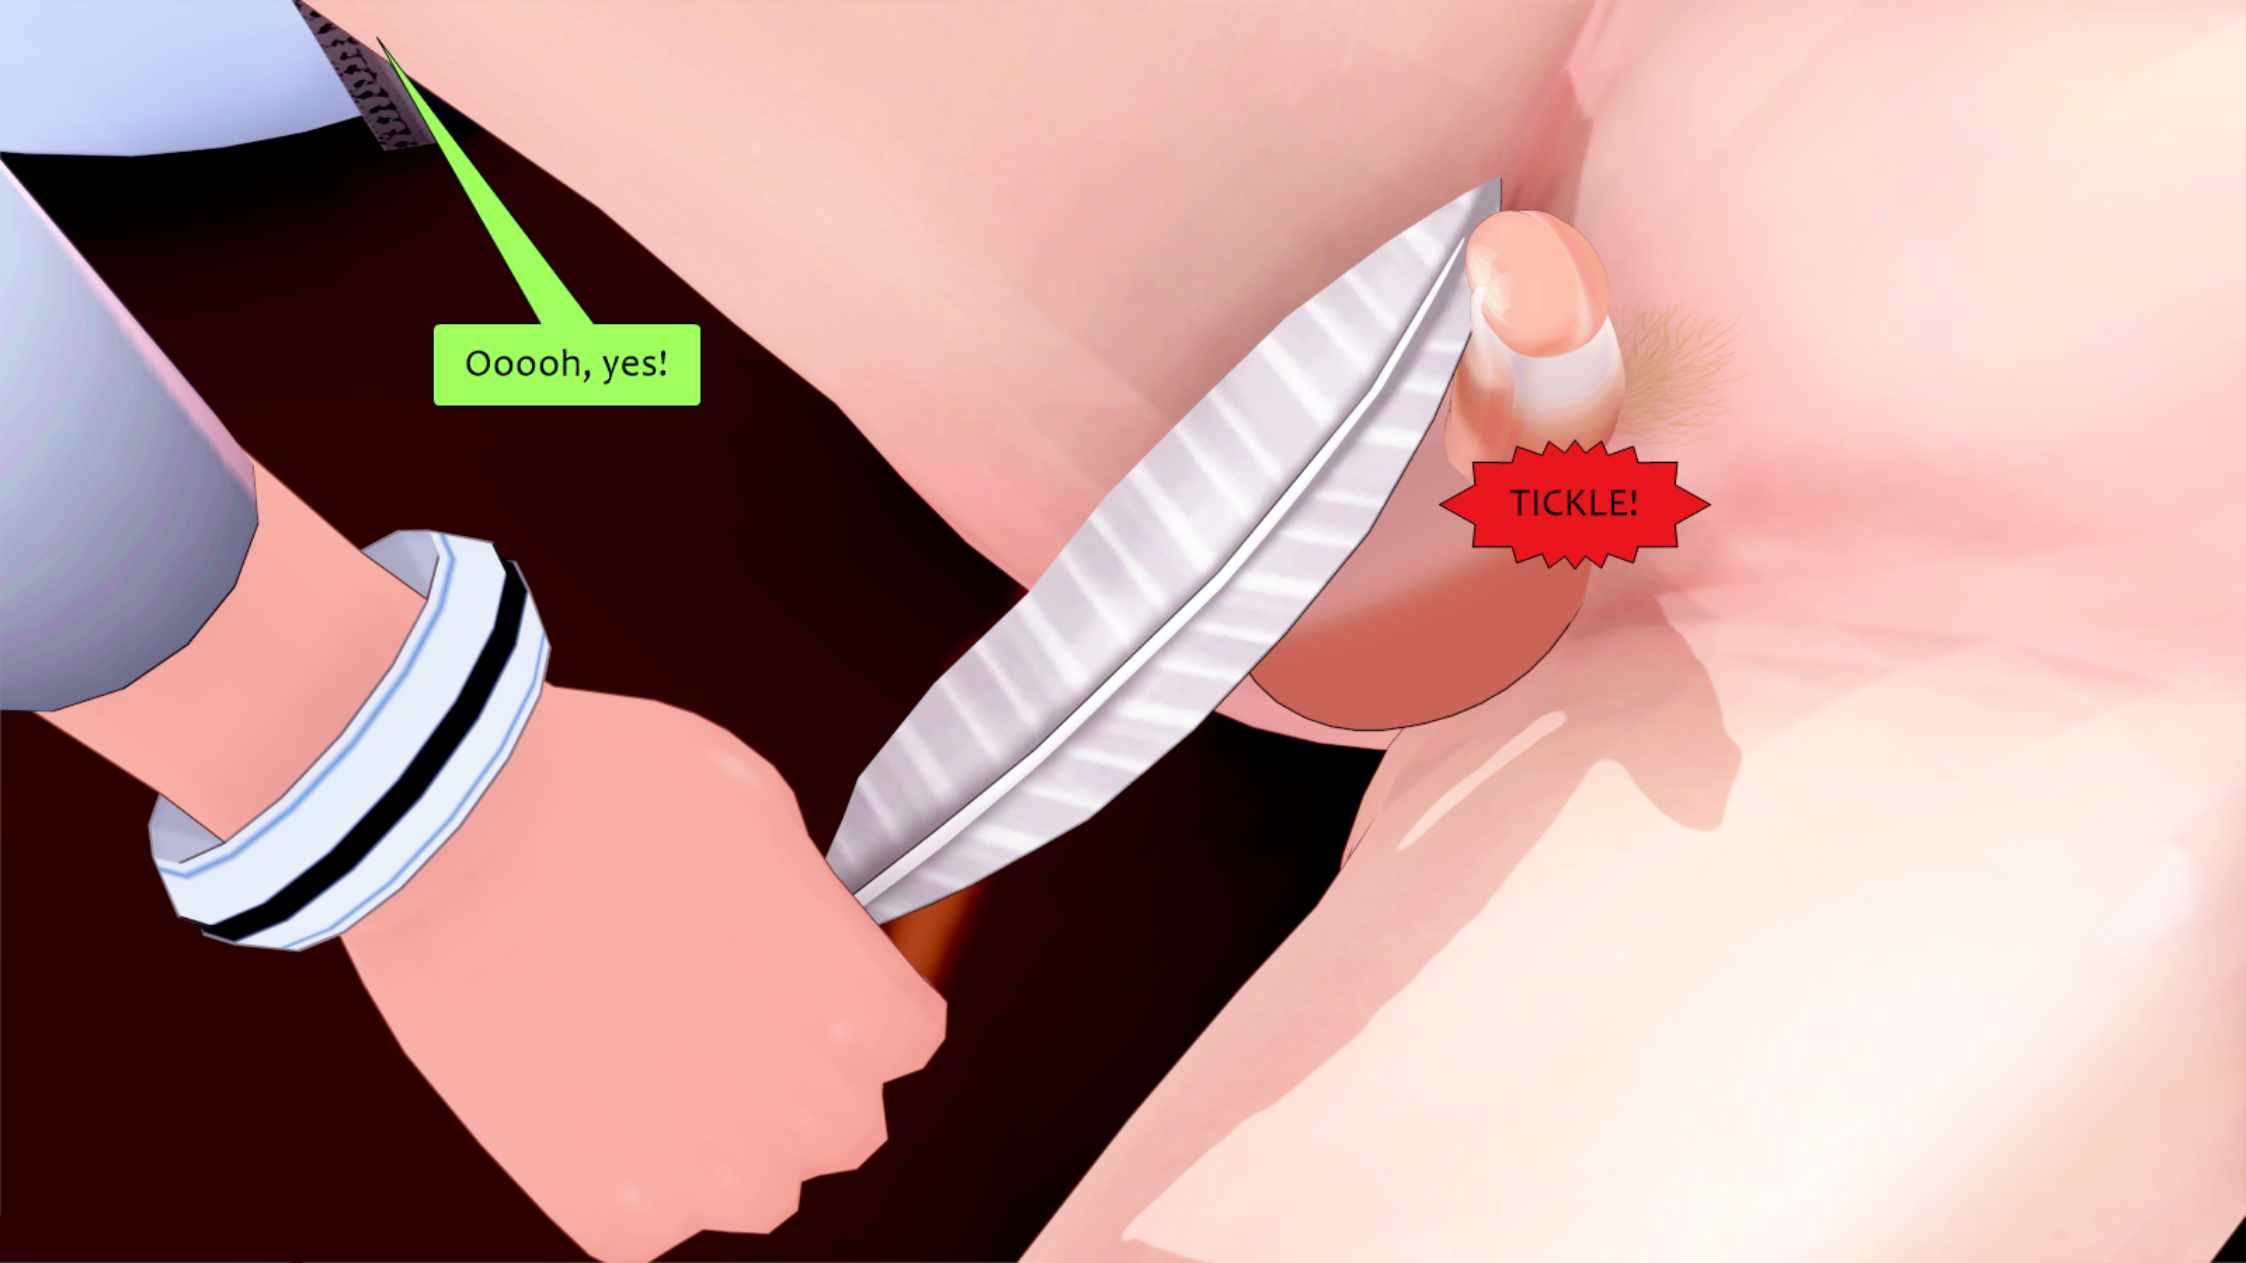

TICKLE!

TICKLE!

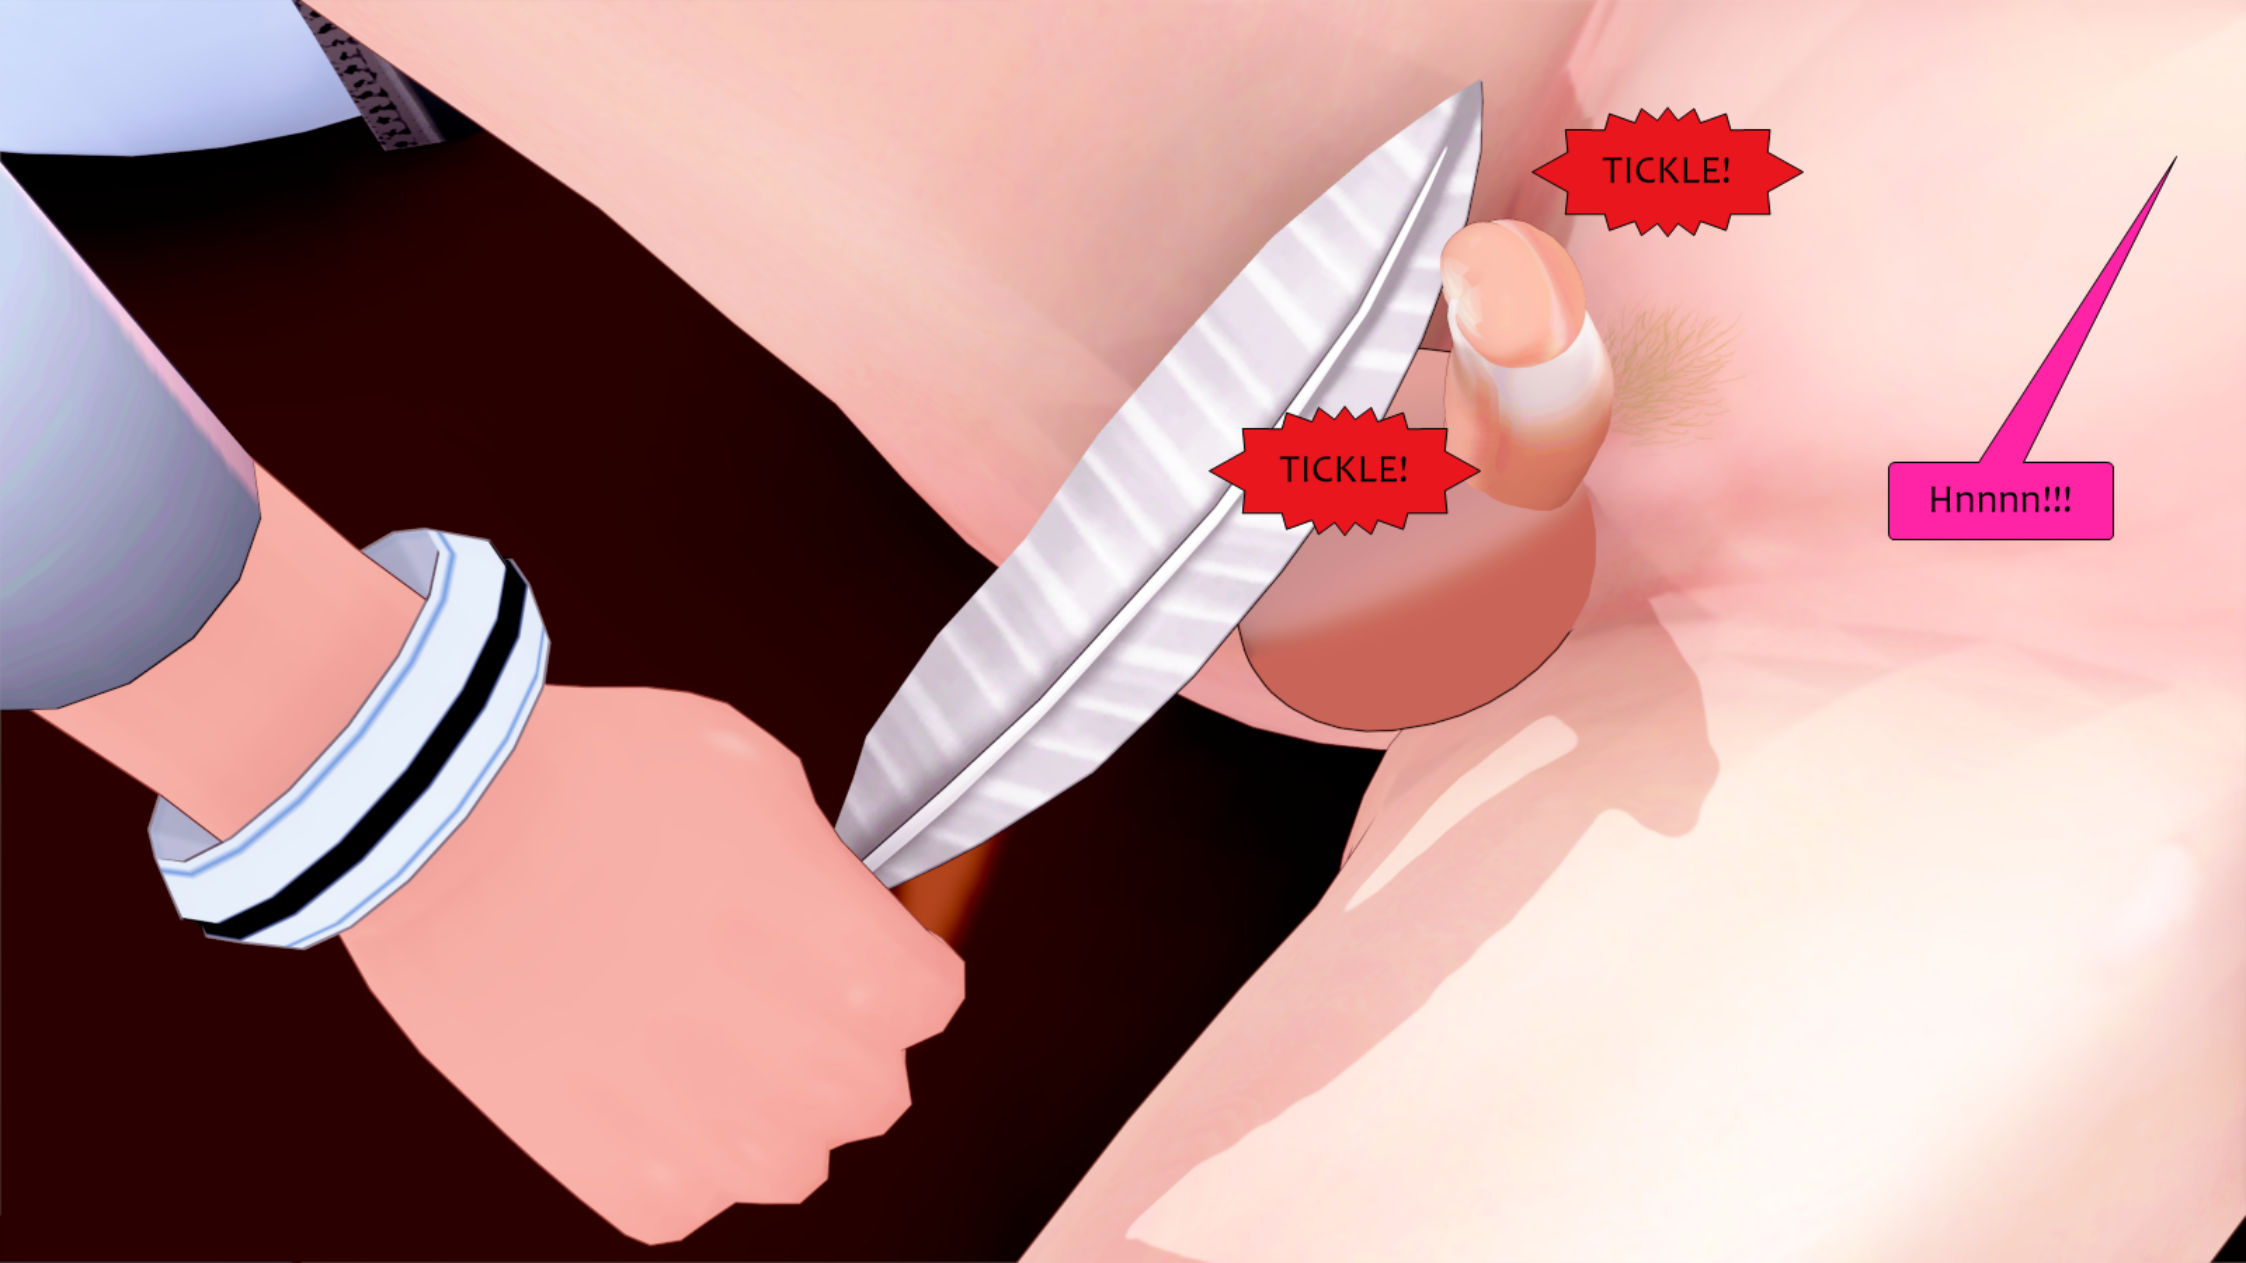

Hnnnn! No!

Ooooh, yes!

TICKLE!

TICKLE!

TICKLE!

Hnnnn!!!

Ooooooh...
Please...

Please, stop...
It's so
sensitive...

Should I stop? Is that really what you want?

Your penis is open and I'm caressing it. Every man would like that...

I'm begging you... I...
can't do it anymore...

Well... If that's the
case, you need to go
back to the cage...

A close-up of a hand with red-painted fingernails holding a large, purple, heart-shaped object. The hand is wearing a white sleeve with a blue cuff. The background is dark with some mechanical parts visible. A bright green beam of light points towards the heart from the left.

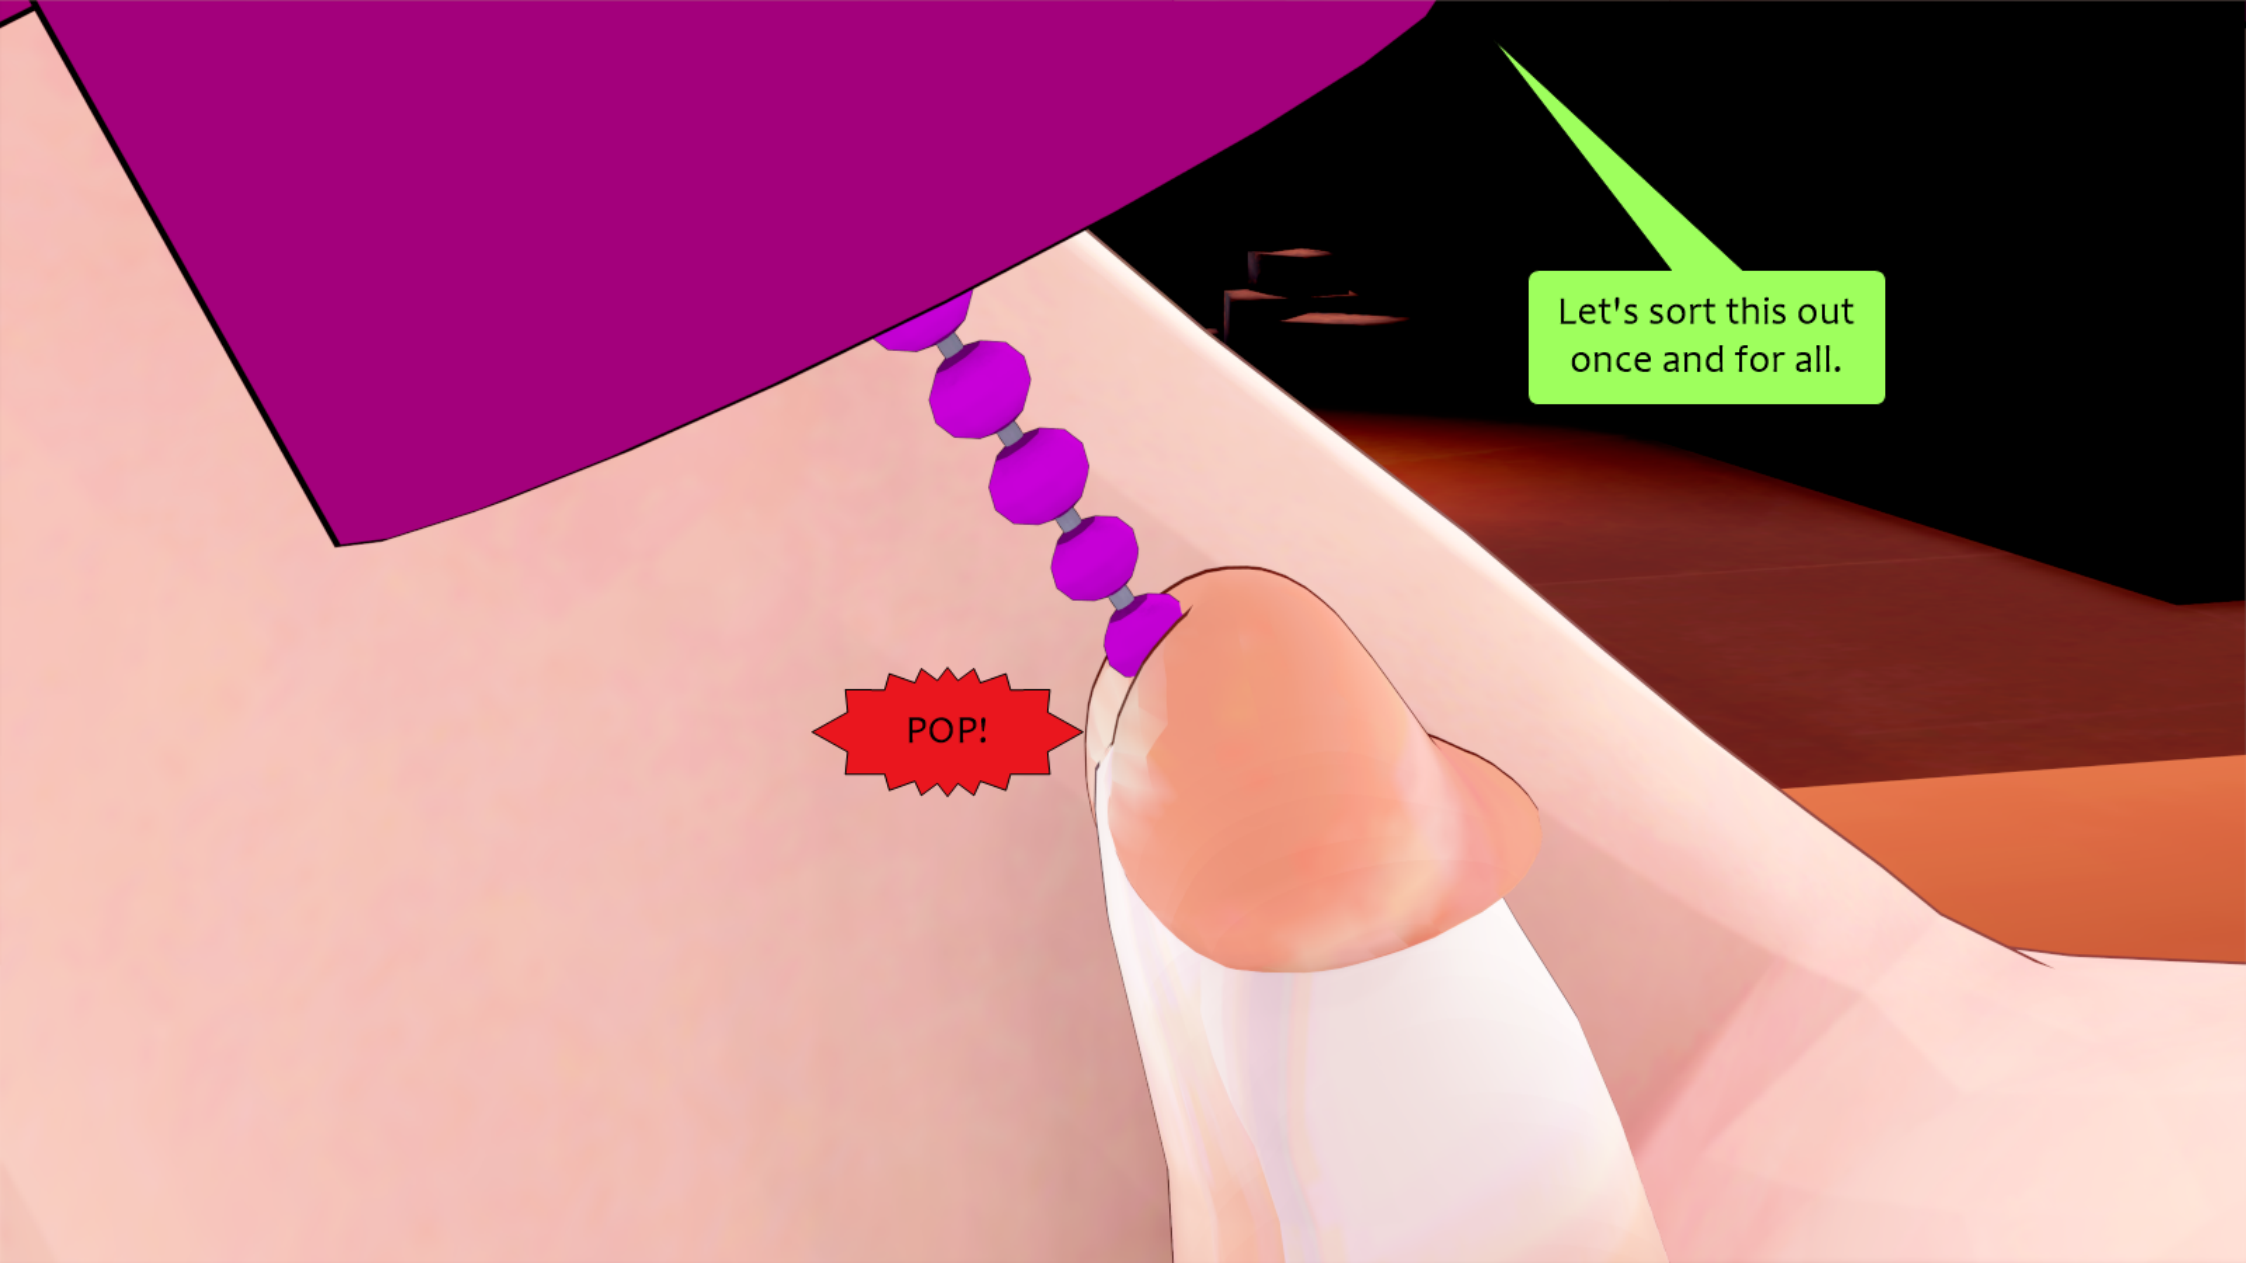

But the previous cage is
completely unsuitable for the
bride. We need something
more appropriate.

Oh, that...
What's that?

This is something that will
make sure your excuse of
a penis won't bother
anyone anymore.

POP!

Let's sort this out
once and for all.

Uuuuh!

It's amazing that this
little sausage is still
resisting...

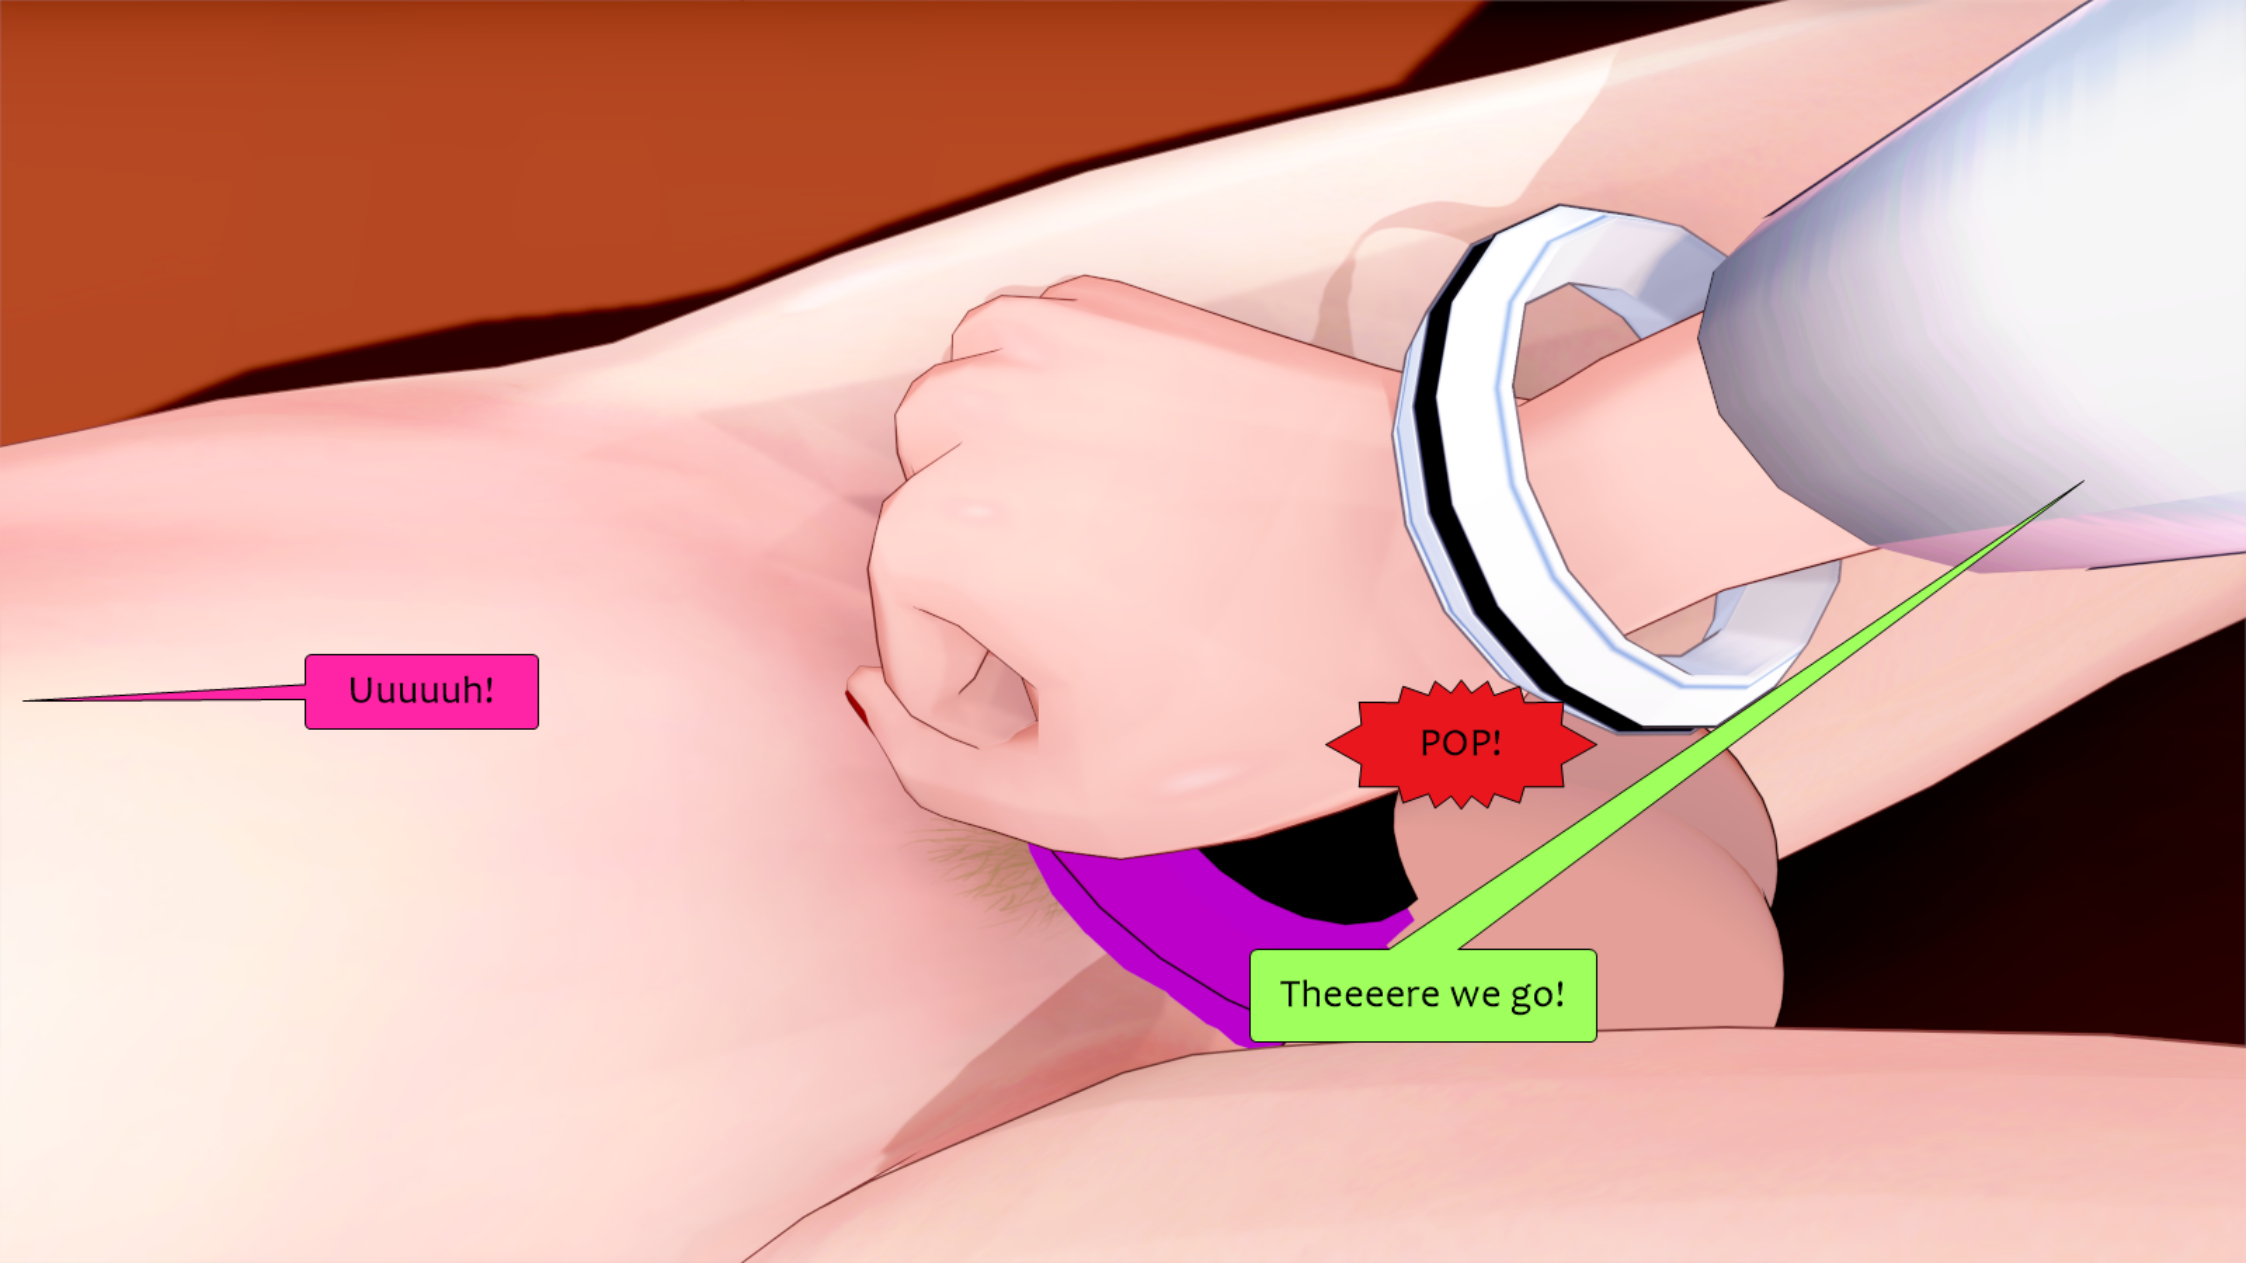

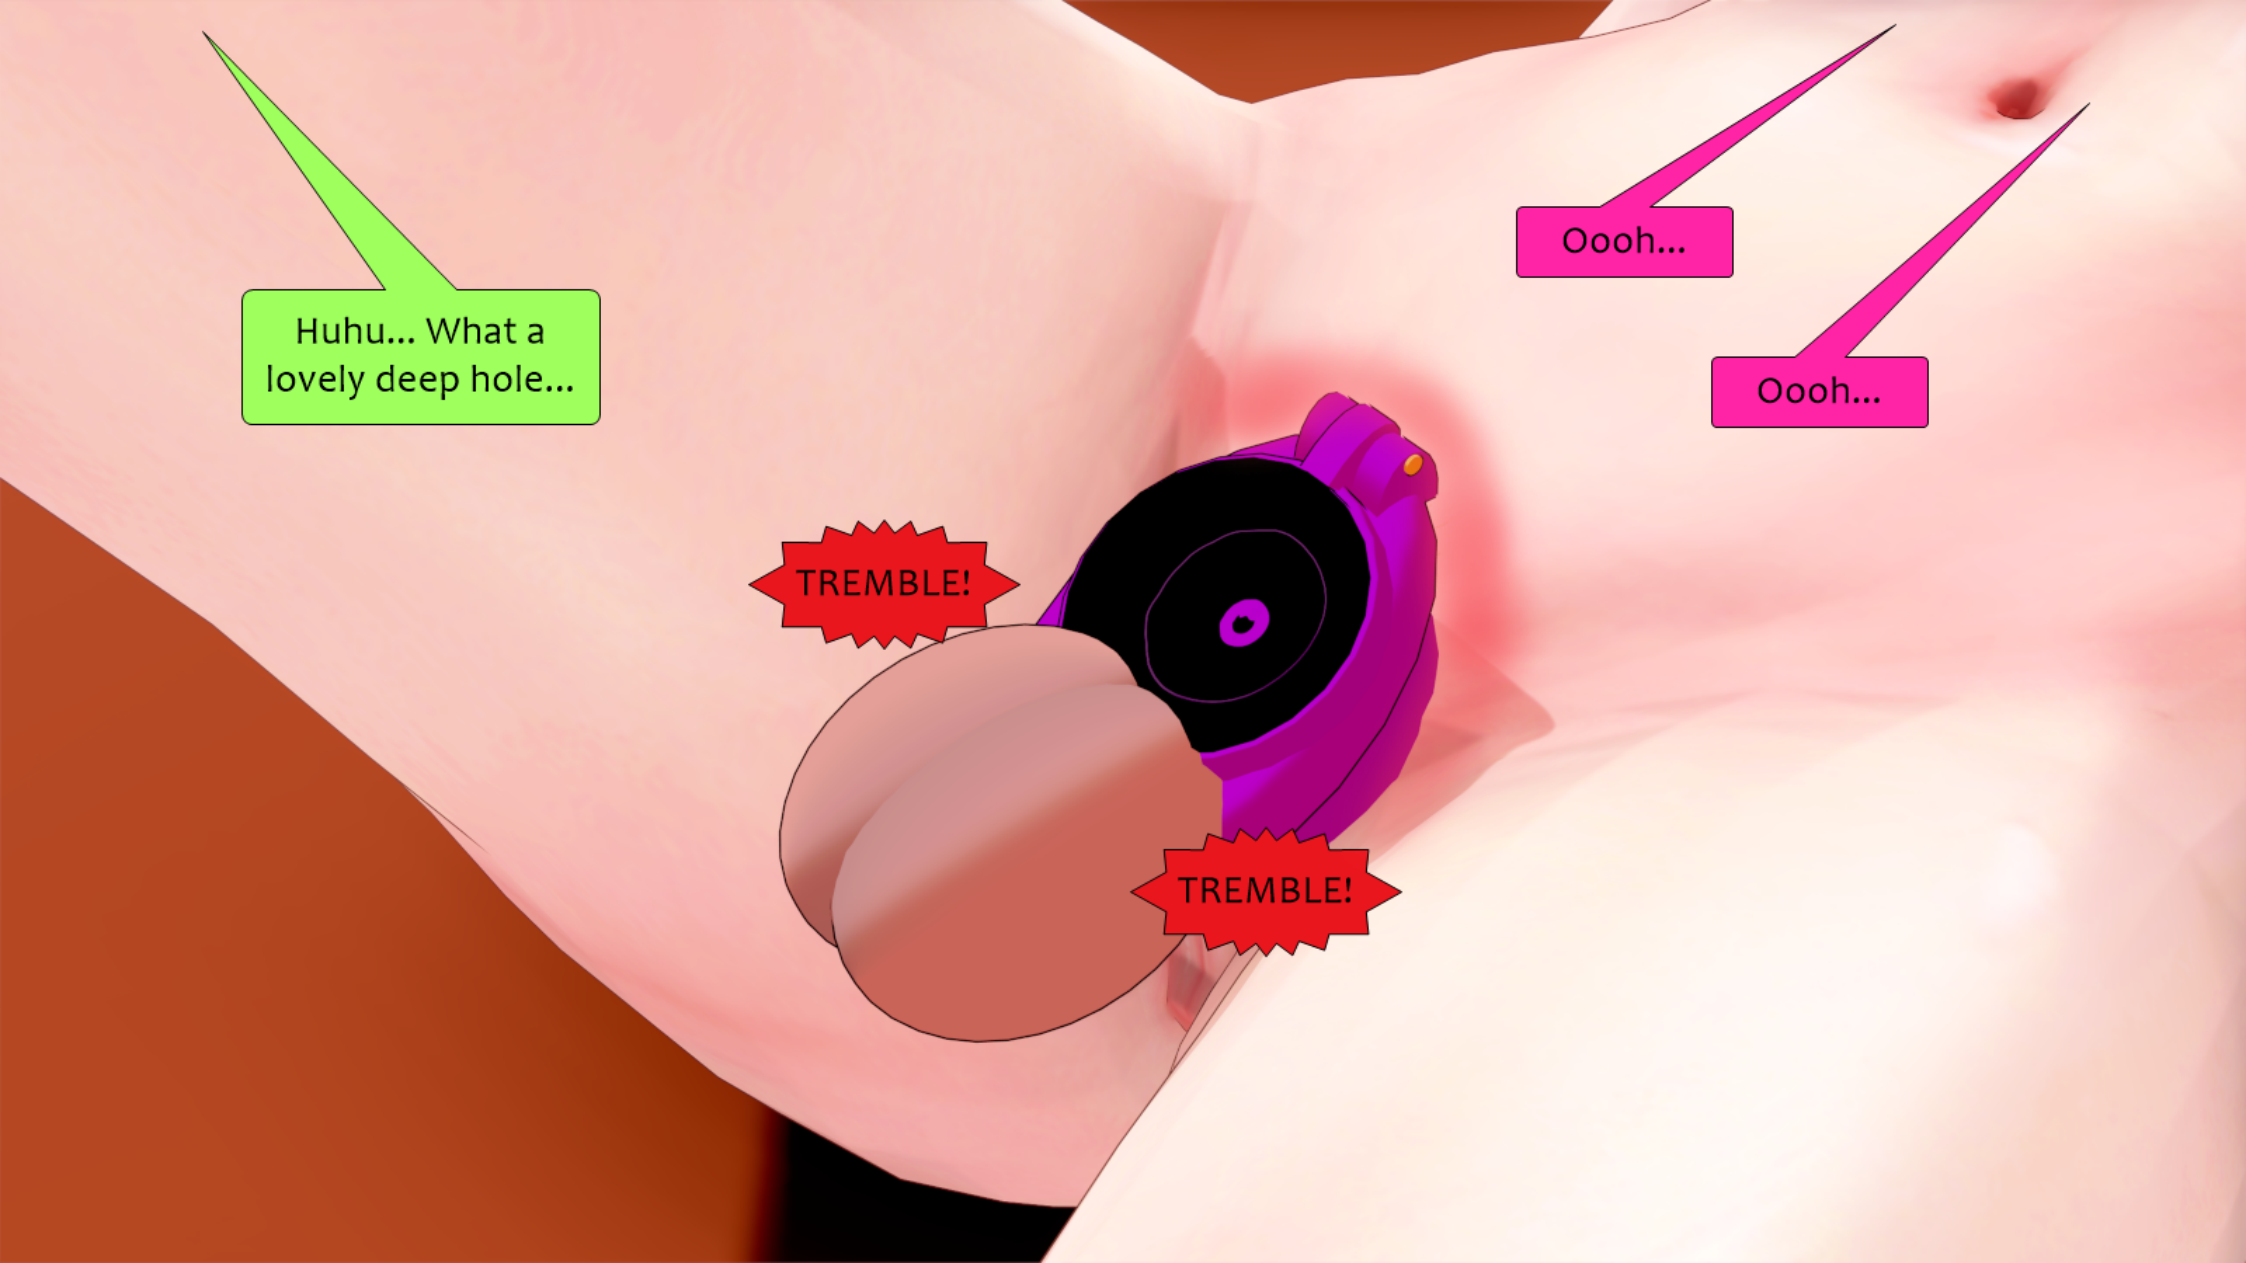

Aaaah! It hurts!
It hurts!

Uuuuuh!

POP!

Theeere we go!

Huhu... What a lovely deep hole...

Oooh...

Oooh...

TREMBLE!

TREMBLE!

Oooh, is it...?

Ooooh... It hurts...
It's so tight...

RUB!

RUB!

Oh, poor thing... You're shaking... Is that from fear or excitement? Hehe...

Oooh... M-mistress
Layla...

You like it when I touch you,
don't you? Oh yes, when you
exclude the penis, the sensations
of the body can change.

But this is just the beginning
of your journey to becoming
the perfect bride.

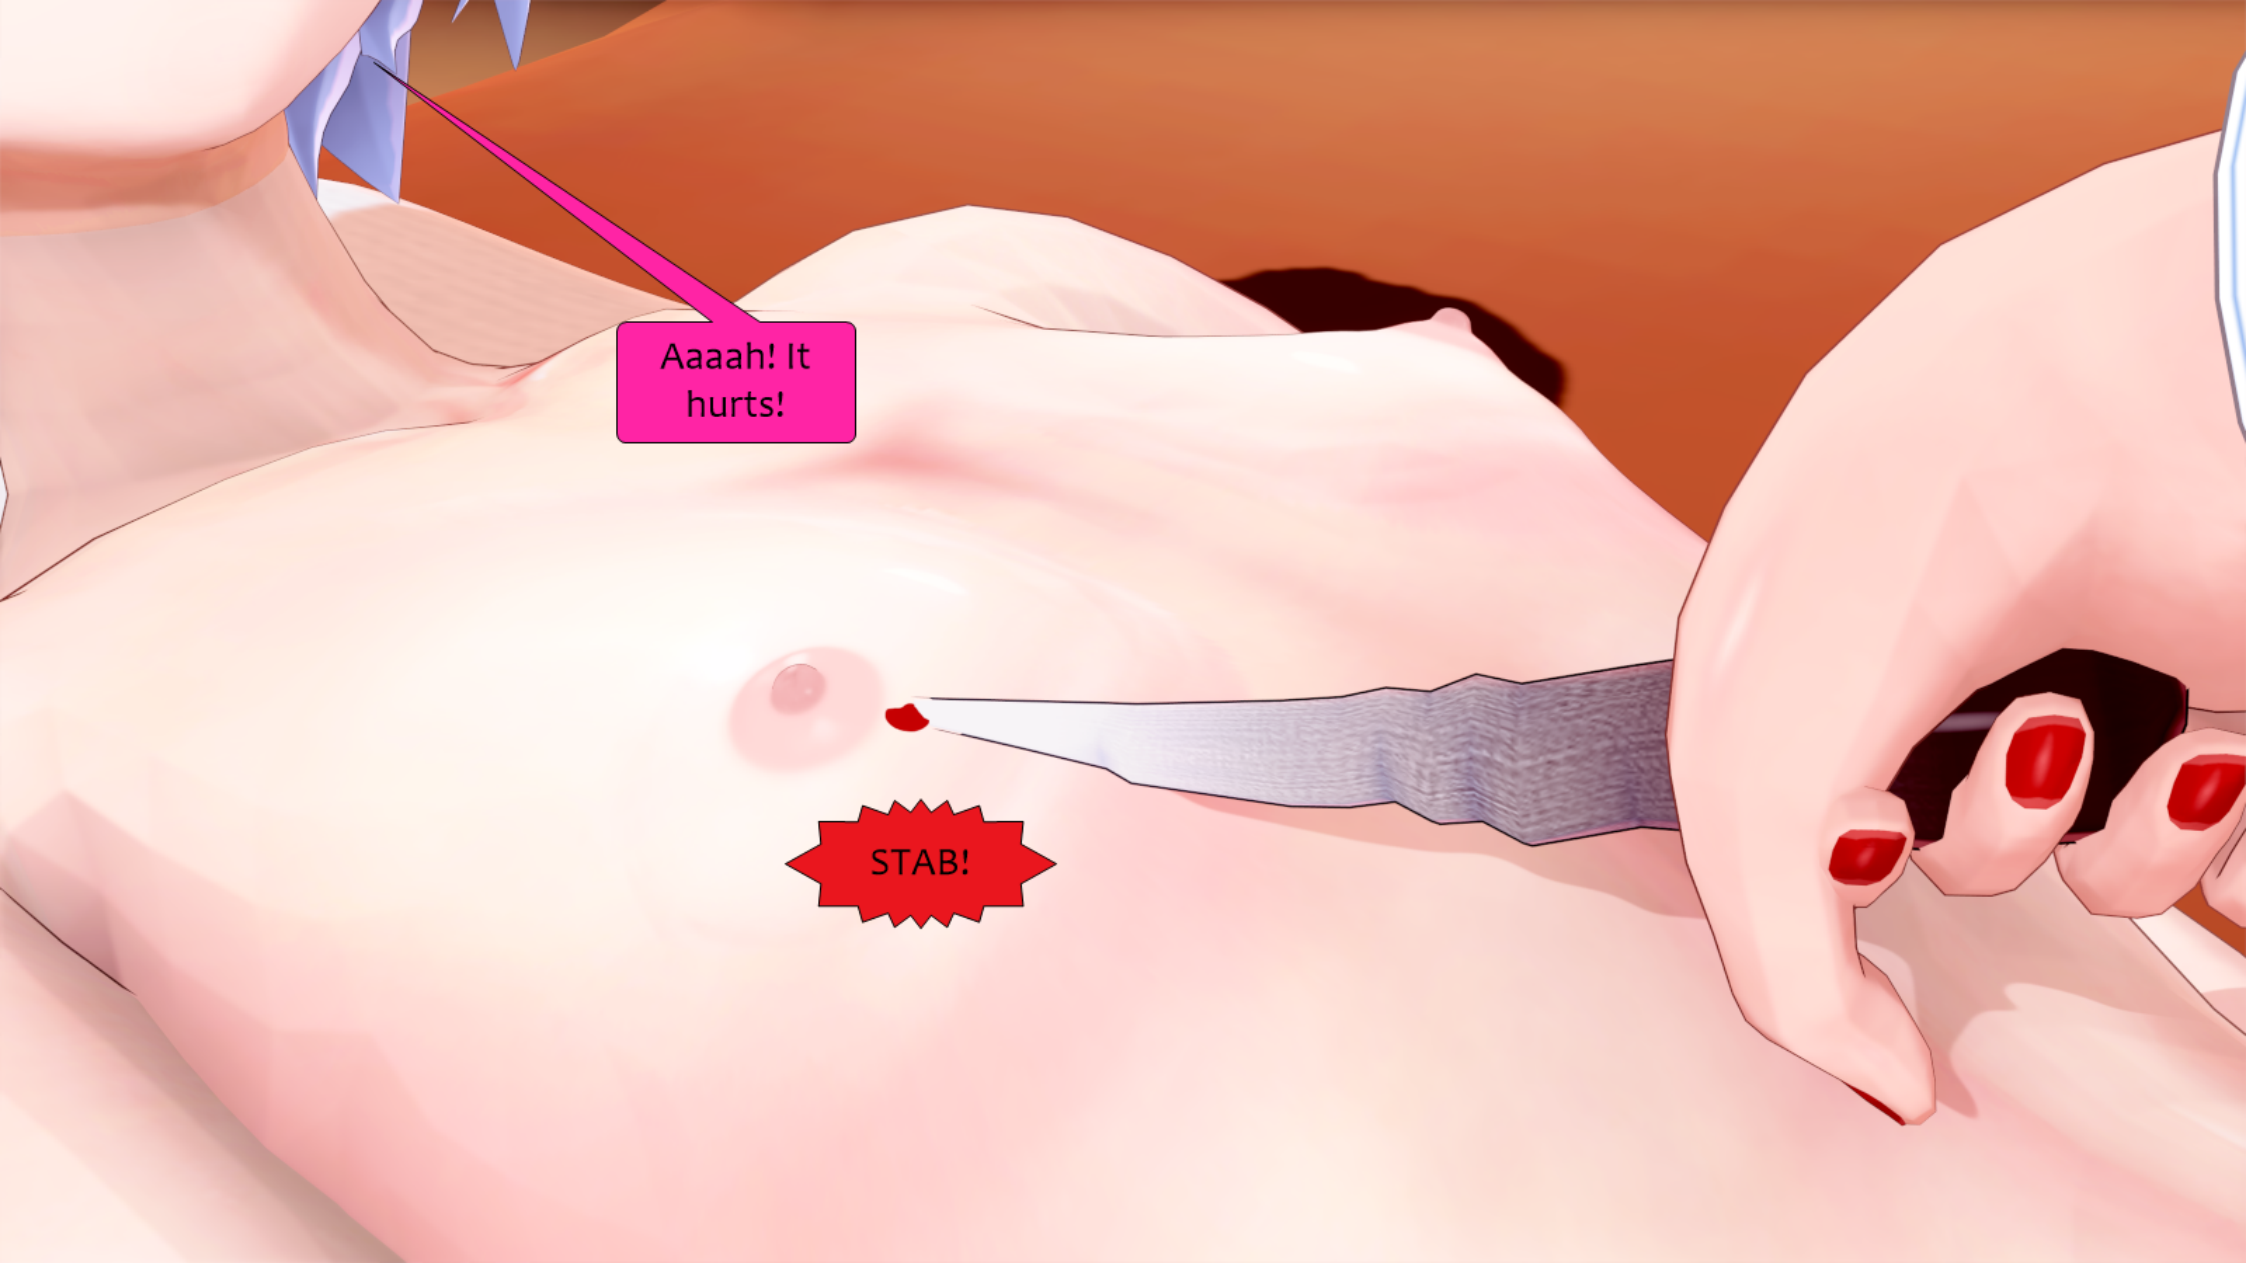

Your body needs to
change and I will help
you do that.

Hoh!?

This blade is filled with
bee venom. It's a great
way to get the right
amount of swelling!

A close-up illustration of a hand with red nail polish holding a knife, stabbing it into a person's chest. A small pool of blood is visible at the point of impact. A pink speech bubble points to the person's chest, and a red starburst contains the word 'STAB!'.

Aaaah! It
hurts!

STAB!

Hnnnnnn!!!

Oh stop smacking
yourself... It's just a
gentle jab...

THROB!

THROB!

THROB!

Wow! Just look how
big they've gotten!

Yes, I know... Bee venom
stings terribly. But just
look at the effects! Beauty
has its price!

Ooooh...

Okay, now it's time
for the lips!

Mmmmmh!!!

STAB!

Oh my, you are
becoming truly
beautiful, my dear!

Mmmmm...

A character with dark skin, wearing a black short-sleeved shirt and a blue skirt with a white waistband, is shown from the waist down. They are holding a knife with a silver handle and a dark blade, which is embedded in the side of a person lying on a white sheet. The person lying down has a purple mechanical device on their back. The background is a solid orange color.

And of course here
too, hehe!

STAB!

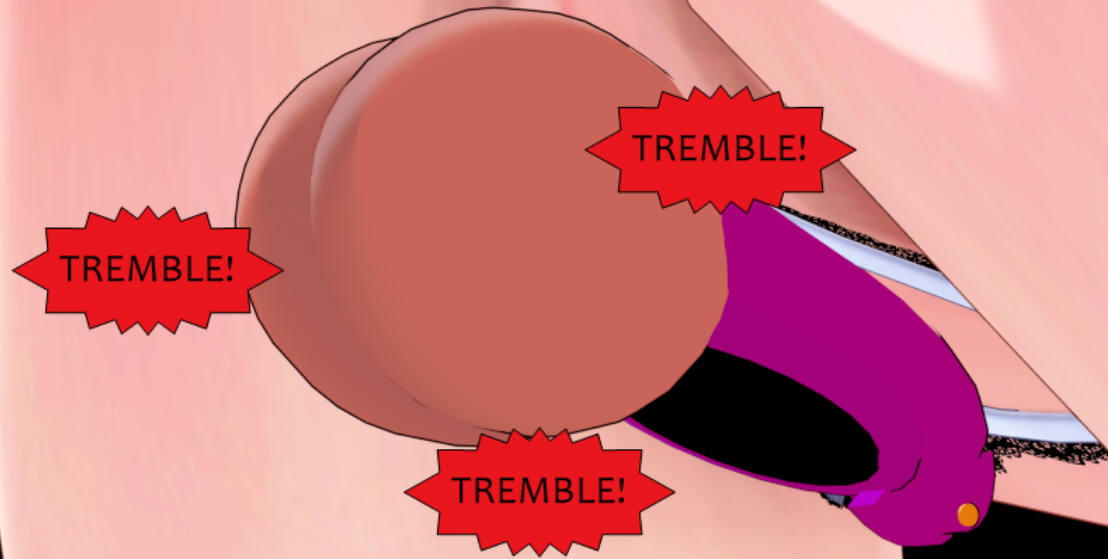

Ooooooooooh!!!

Relax, it's all over. Now
rest for a while to let the
swelling settle down.

There's one more little
transformation process
waiting for you...

A little later...

Uuu...

Uuuh...

Bend over properly!
That's right!

Your butt is already big, but it still needs to get firmer.

SMACK!

Oooooooh!!! Please!
Not so hard, Mistress!
It's so sensitive!

That's exactly the
point, silly.

It is about to
become even more
sensitive!

SMACK!

Uuuuuuu!!!

Well, it's getting soft
and pleasant to the
touch!

Now... we need to
fill it out properly.

Ooooh, please,
Mistress... Don't
hurt me anymore...

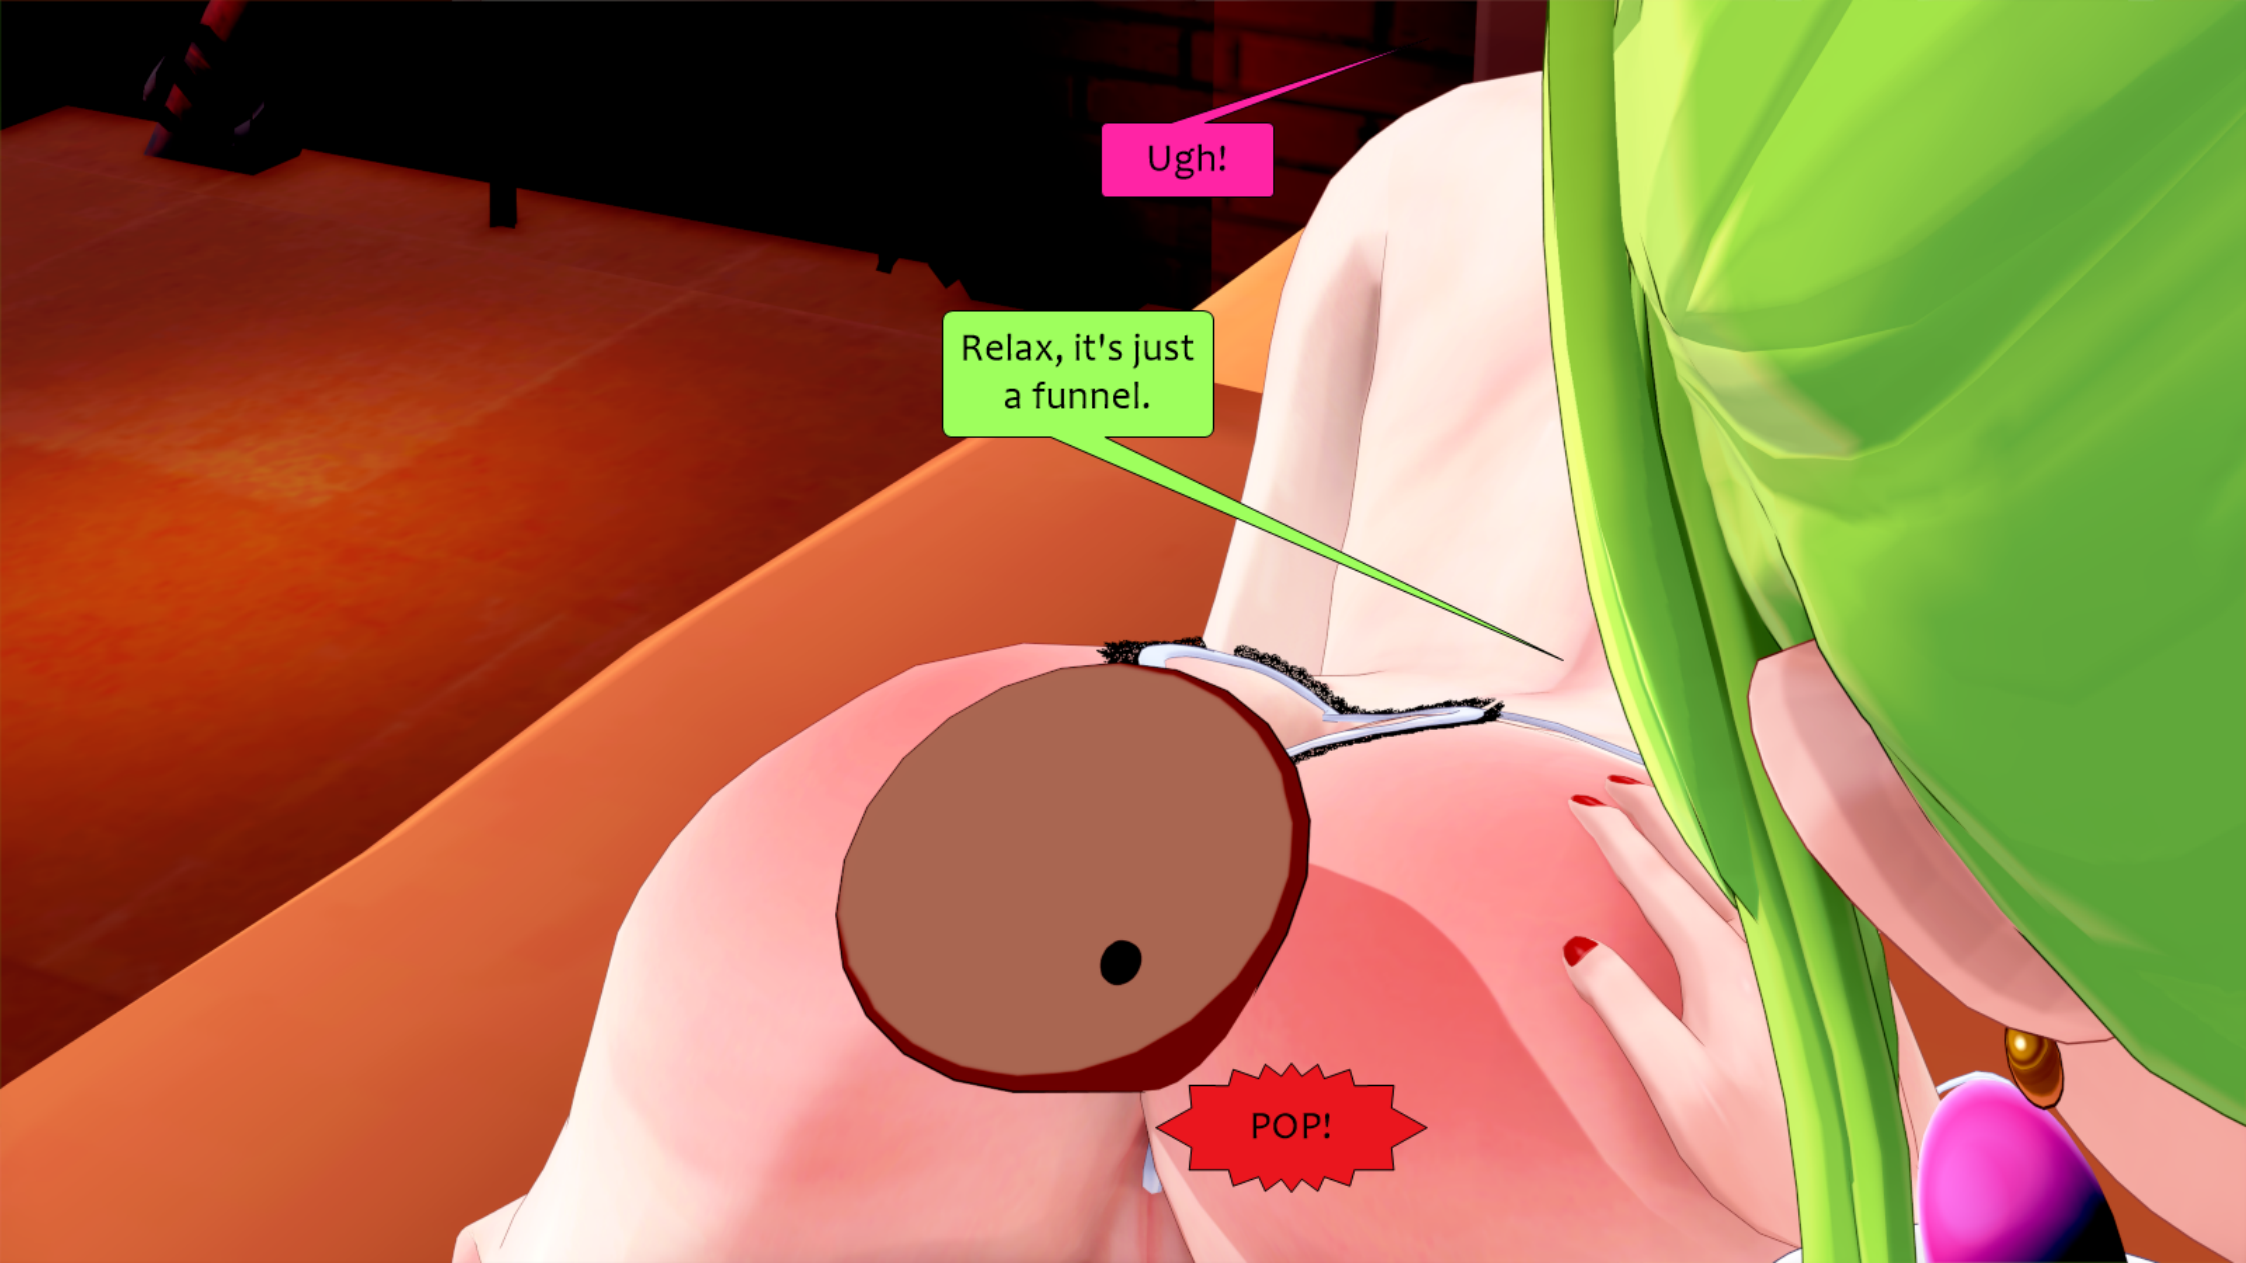

Don't worry. Now
things will be a little
more fun...

Ugh!

Relax, it's just
a funnel.

POP!

The concoction I've prepared for you is truly extraordinary! Be warned, it may be a bit cold...

HUH!?!?

It is a special blend of aphrodisiacs and female secretions. When absorbed from the inside, it will make your body even more beautiful.

GLUB!

GLUB!

GLUB!

Uh...

Uh...

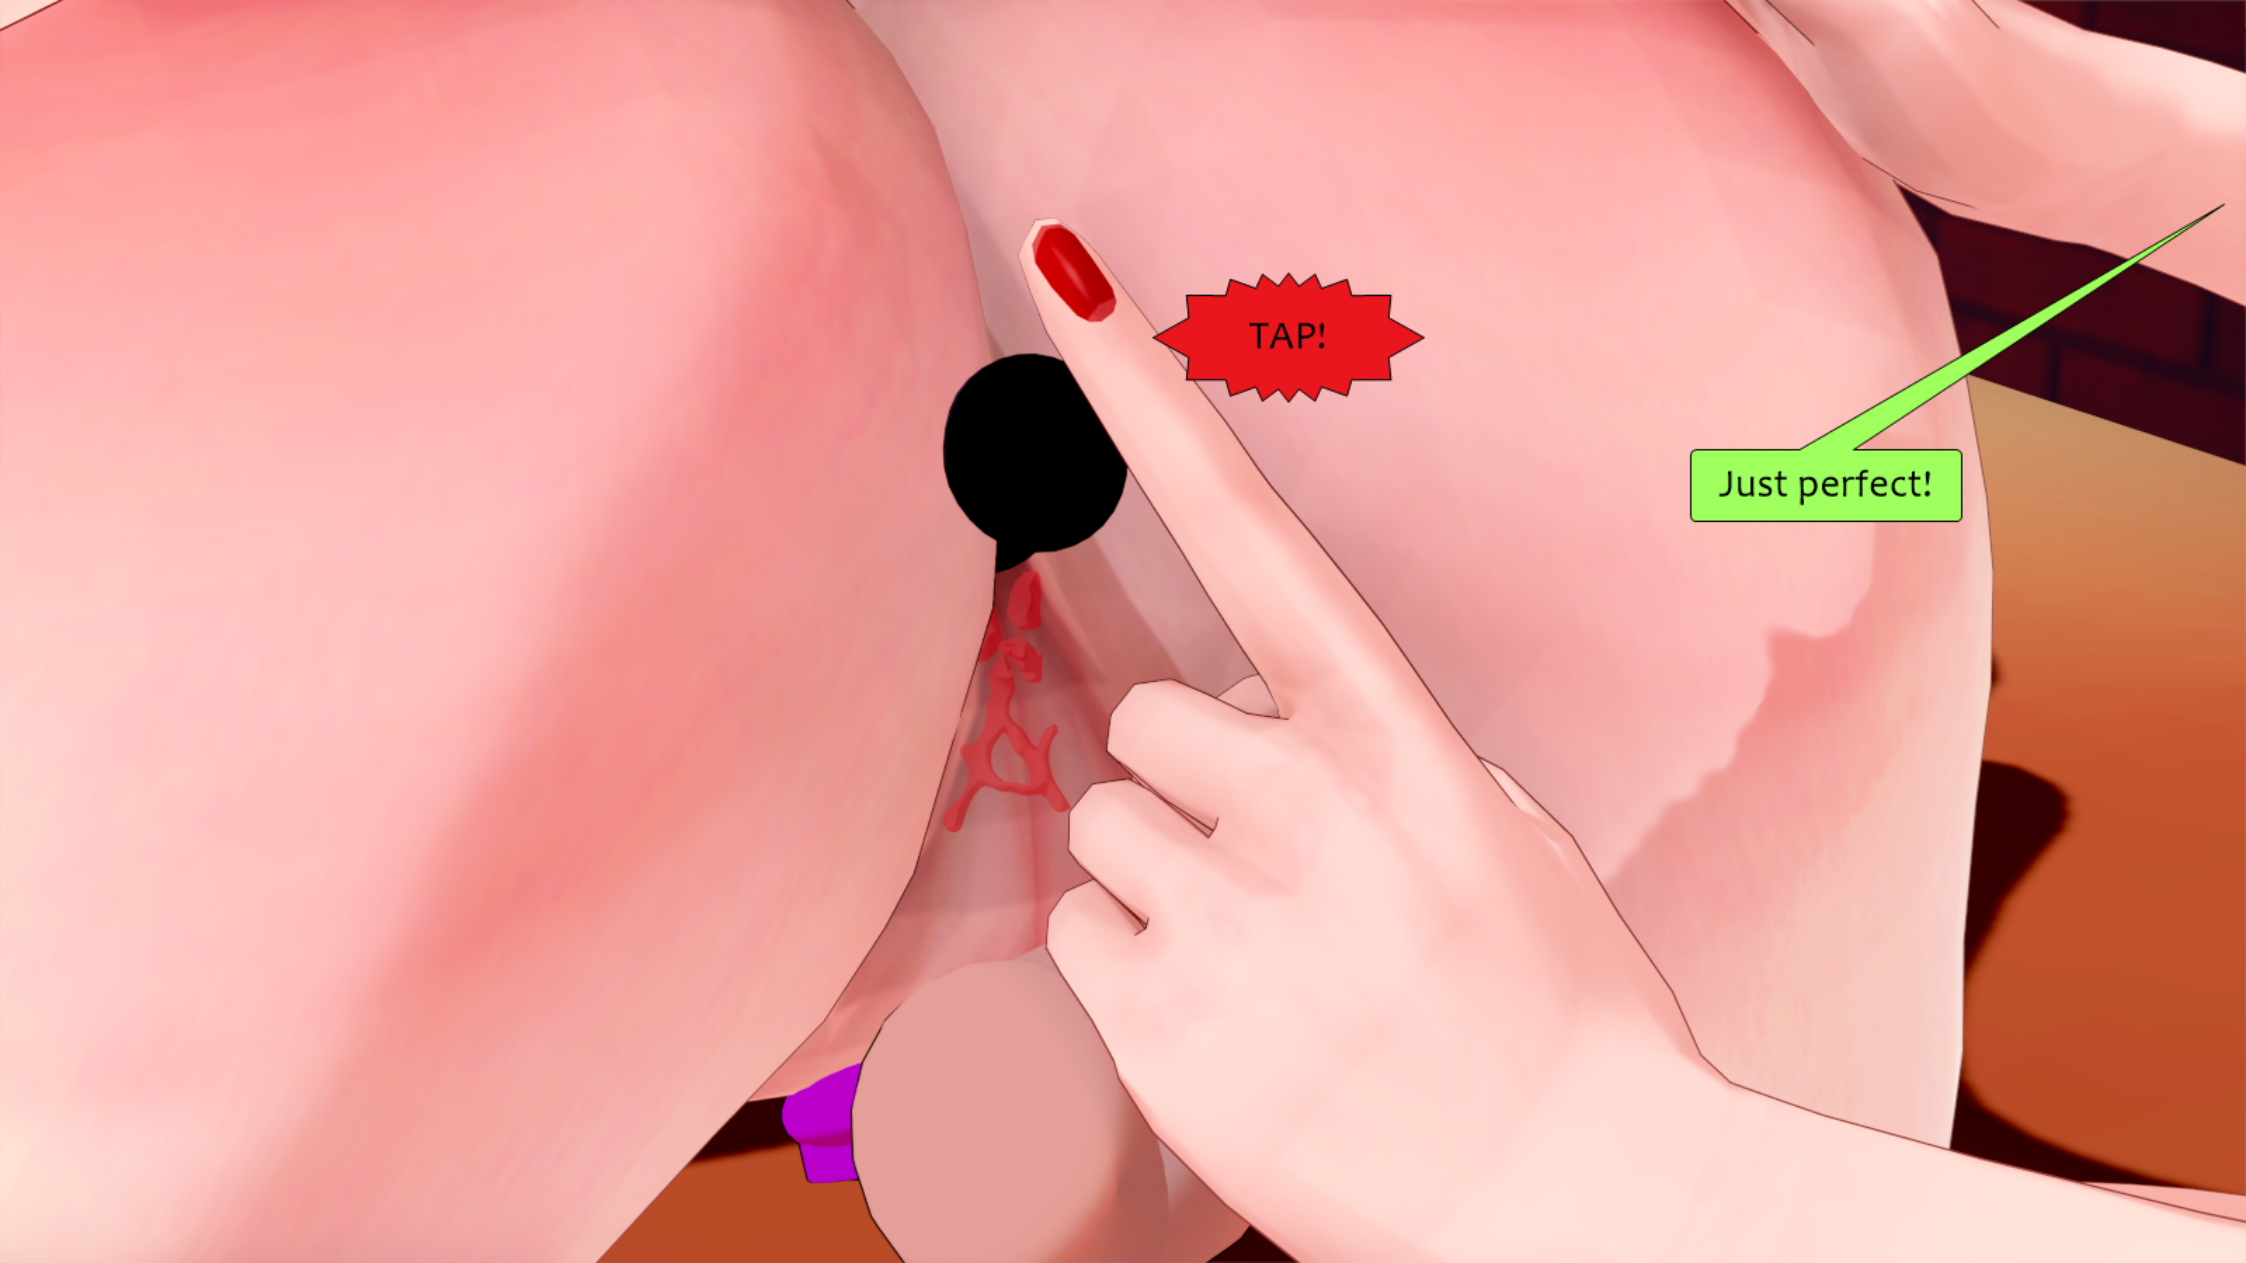

Uuuuuh!

GLUB!

GLUB!

Wonderful. Just need
to secure the exit.

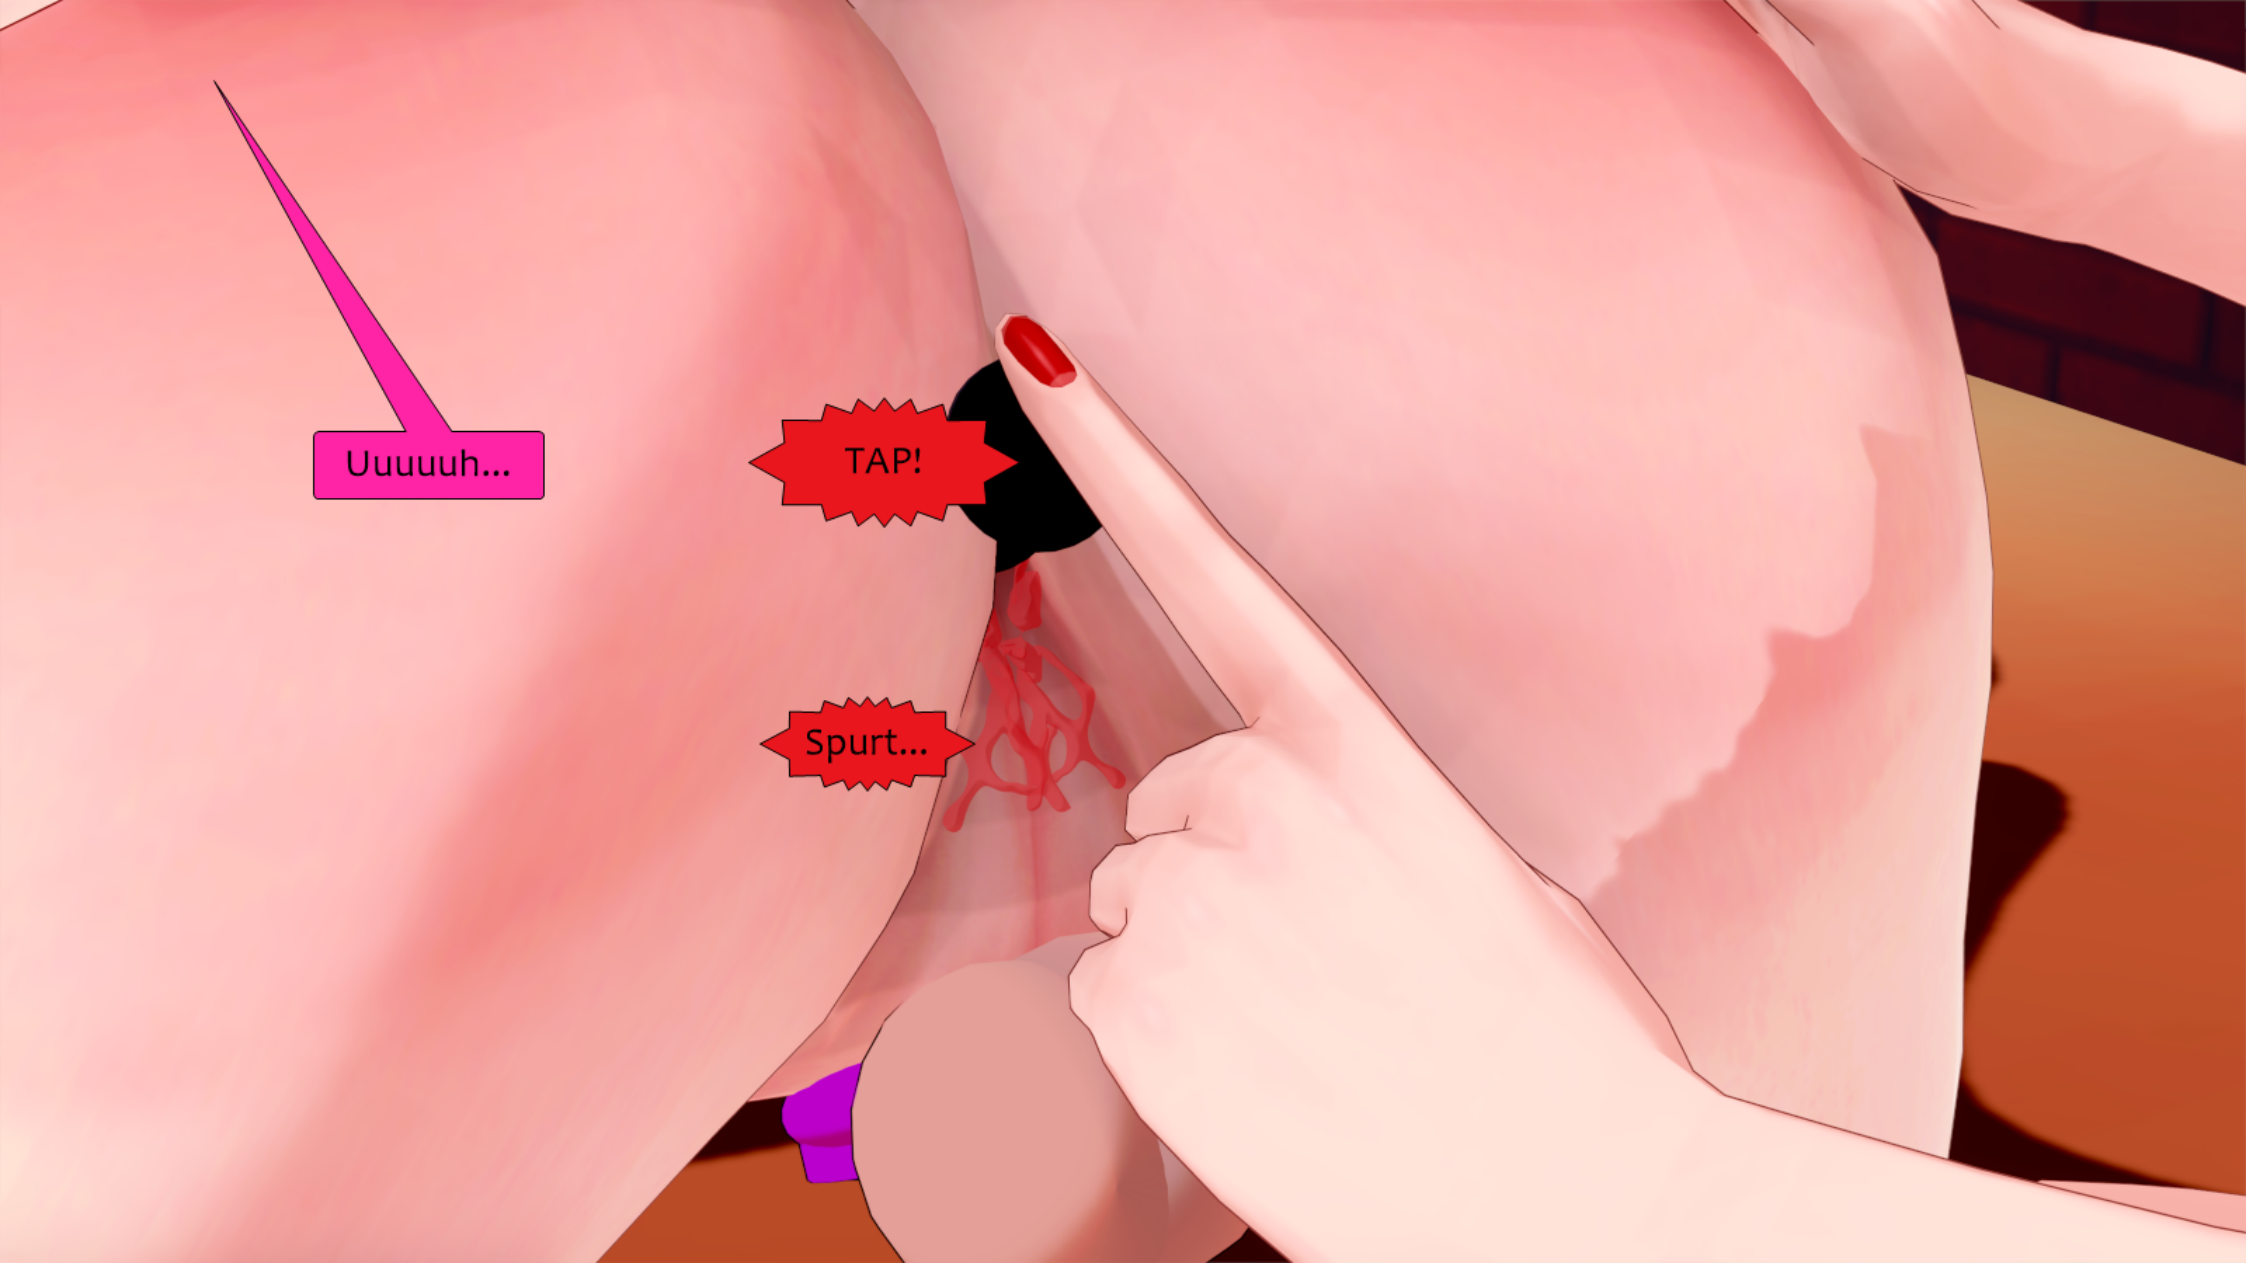

TAP!

Just perfect!

Uuuuuh...

TAP!

Spurt...

It's over now. It
wasn't that bad,
was it?

Now rest. I know you have a
hard night ahead of you, but
try to get some sleep. We'll
resume training tomorrow.

...sob...
...sob...

CHAPTER END
