How to read the 2D guide - Instructions

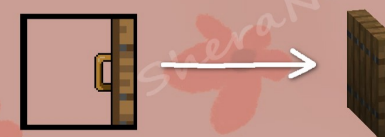

This block represents a stair! (half bright, half dark)

The "lower" text means it's a lower slab, like shown here!

When you see a handle it means it's a standing trapdoor!

The arrows mean it's upside down!

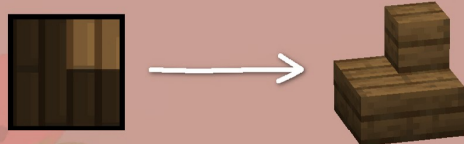

The "upper" text means it's an upper slab, like shown here!

When you see a door knob it means it's a door!
Careful to not mix it with trapdoors!

This represents an outside corner block.
It can also show up with the upside down symbol!

Trapdoors can also have the "lower" text, so be careful to not mix them up with slabs since they might look similar!

This represents an inside corner block.
It can also show up with the upside down symbol!

The "upper" text means it's an upper slab, like shown here!
