# PROLOGUE

Say yes to the girls you want to see in the game.  
You won't see the characters you said no to in the game...

Did you have a threesome with Kelly and Andrea?

**Yes** = Opens a few scenes in Free Roam for Kelly and Andrea.

Did you have threesome with Kelly and her friend?

**Yes** = Opens a scene in Free Roam with Kelly's friend.

Did you have sex with Avery?

**Yes** = Opens Avery's Free Roam scenes.

## Uncle's episode

How did you deal with it?

**Menu:**

Private investigator = It will open Diana scenes in Free Roam.

Vanna and I made a Plan = Vanna will call you in Free Roam.

I blackmailed my uncle:

Orgy = It will open scenes with Angelica and Cherry.

V.I.P = It will open scenes with Angelica, Cait, and Cherry, and you'll also earn the right to enter the V.I.P section in the nightclub.

As for **NTR** stuff, the choice is up to you.

Most characters have **NTR** scenes. If you turn this off, none of these will happen and no one will try to take the girls from you. Even if you turn it on, if you make the right choices, the **NTR** paths will close.

**Yes** = **NTR** scenes will open.

**No** = Lana's Free Roam scenes will close, and the characters' NTR paths will close.

## Brianna paths

For Brianna's paths, choose the one that suits your taste.

If you choose '[Love path](#)', it will open love scenes.

If you choose '[Femdom path](#)' or 'Female Domination', she will exhibit a more dominant attitude towards you.

If you choose '[Maledom path](#)' or 'Male Domination', you will be the dominant one.

## Ash paths

If you choose the [corruption path](#), Ash will become increasingly corrupt. This path leads to corruption endings or [NTR](#) endings.

Did you have sex with [Layla](#)? If you answer '[Yes](#)', it will unlock [Layla's](#) scenes and [the yoga class](#). Remember, you can only access [Layla's](#) and [yoga scenes](#) through this path.

If the [love path](#) is more your style, Ash will fall in love with you and become a loyal girlfriend or wife. This path leads to [love endings](#) or [art class ending](#).

## Important choice: Futa/Trans Content

If you don't like Futa or trans characters, you can turn off this option, but be warned, turning off this option will also close the Strip Club scenes that Aubrey can provide for you. Also, even if you choose this option, you're not forced to have sex with Futa or Trans characters. Nothing is forced in The Agency game.

## How do you typically spend your time at school?

Choose the girl you like, and her Free Roam scenes will open in the game. Some girls' **Love** or **Corruption** paths intersect with other characters. For example, on Ayse's **corruption** path, if you're a nightclub V.I.P member, you can spend a night with **Caitlyn**.

Ayse:

**Corruption path** = If you choose the Corruption path, this leads to Ayse's NTR and Corruption endings. It opens scenes with Caitlyn, Kelly, Mina, Ashley, and Nadia.

**Love path** = If you choose the Love path, this leads to Ayse's Love and Swinger endings.

Reagan:

**Corruption path** = If you choose the Corruption path, this leads to a Pool Party Event, and Reagan's NTR, Whore, and Slave endings.

**Love path** = If you choose the Love path, this leads to a Pool Party Event and Love endings.

Zlata:

**Corruption path** = If you choose the Corruption path, this leads to the Cum Dumpster ending.

**Love path** = If you choose the Love path, this leads to the Coach ending.

## Did you help her punish the Student?

**Yes** = If you choose 'Yes', Carol likes you and calls you to punish the student in Free Roam.

**No** = If you choose 'No', Carol likes you less and doesn't call you to punish the student in Free Roam.

## Did you have sex with Jean?

**Yes** = If you choose 'Yes', Jean visits you in Free Roam and Carol finds out.

**No** = If you choose 'No', Jean doesn't visit you in Free Roam.

## Did you have sex with Nathaly?

**Yes** = If you choose 'Yes', Nathaly visits you after giving birth and Carol finds out.

**No** = If you choose 'No', Nathaly doesn't visit you in Free Roam.

## Are you in a sexual relationship with Evelyn?

**Yes** = If you choose 'Yes', Eve's scenes and endings are open in Free Roam.

**No** = If you choose 'No', Evelyn's scenes are closed.

## Phone part

You pick up your phone and there are a bunch of messages; respond positively to the girls you like. Or you can say '**gotta catch 'em all**' and give them all a **positive** response. Who doesn't enjoy a bit of cheating?

# FREE ROAM

In this part of the game, you have the freedom to choose who you want to interact with. You're essentially in an endless loop, until you grow old and perish! But don't worry, that's just a joke - there's no ageing or dying in this game because, after all, it's just a game.

In Free Roam, there are two distinct menus: the Weekday menu and the Weekend menu. What you can do varies depending on whether it's a weekday or a weekend. For instance, after participating in an activity in the Weekday menu, you're predominantly shifted over to the Weekday Afternoon menu. The only difference here is that you aren't able to choose a girl to hang out with.

Moreover, your options for companions and locations to visit will fluctuate between weekdays and weekends. It's also important to note that you select the game's endings from the Weekday Menu. Since you're tasked with navigating your own path in the Free Roam menu, you will need to consult the individual pages of the characters whenever you find yourself at a standstill.

Beyond this, there's not much more I can share about the Free Roam menu. So go ahead and make the most of your gaming experience!

# ZACKIE

Zackie is one of the rich and horny girls at school. You can see her in the background at many events, for example, at Ayse's **Charity Event**, where she comes with her father. As for Zackie's sex scenes, she's quite easy to get because you're exactly her type. Sleep during the school activities during the week until you see her scene in the school dormitory. After that, Zackie will appear in the "**Spend a Day with?**" menu.

- After she appears, select the option "**Teach her a lesson she won't forget for her actions.**" Ta-da!

This is not Zackie's only scene, you can see her at **Reagan's Pool Party event** and in Ayse's **Corrupted Harem ending**.

# EPISODE 3 ENDING

I want to start by expressing my sincere thanks to all of you who have supported me and played my game. It's you who have made this journey possible.

As I start working on the 4th chapter, I'll be drawing on everything I've learned from creating the first three chapters. My goal is to take a step forward and make this new chapter more unique.

I envision the 4th chapter as a more open, freer game that explores the world of business in depth. It's a big ambition, but with your continued support, I believe it's fully achievable.

Thank you all for being part of this journey!
