

Shallow Sleep

V. Let Me Follow

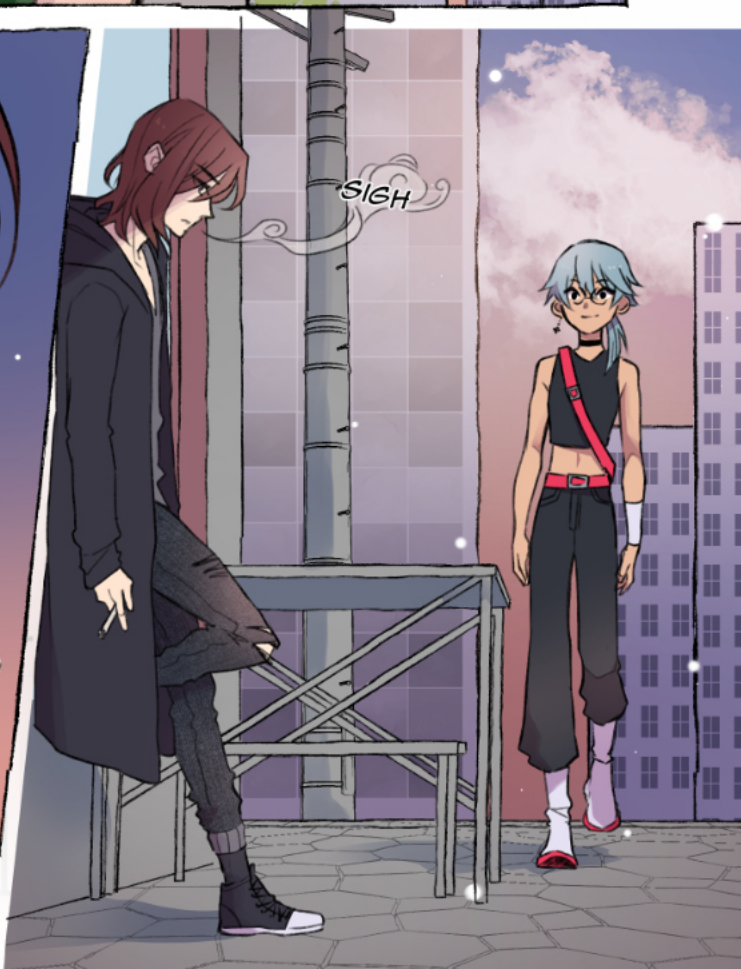

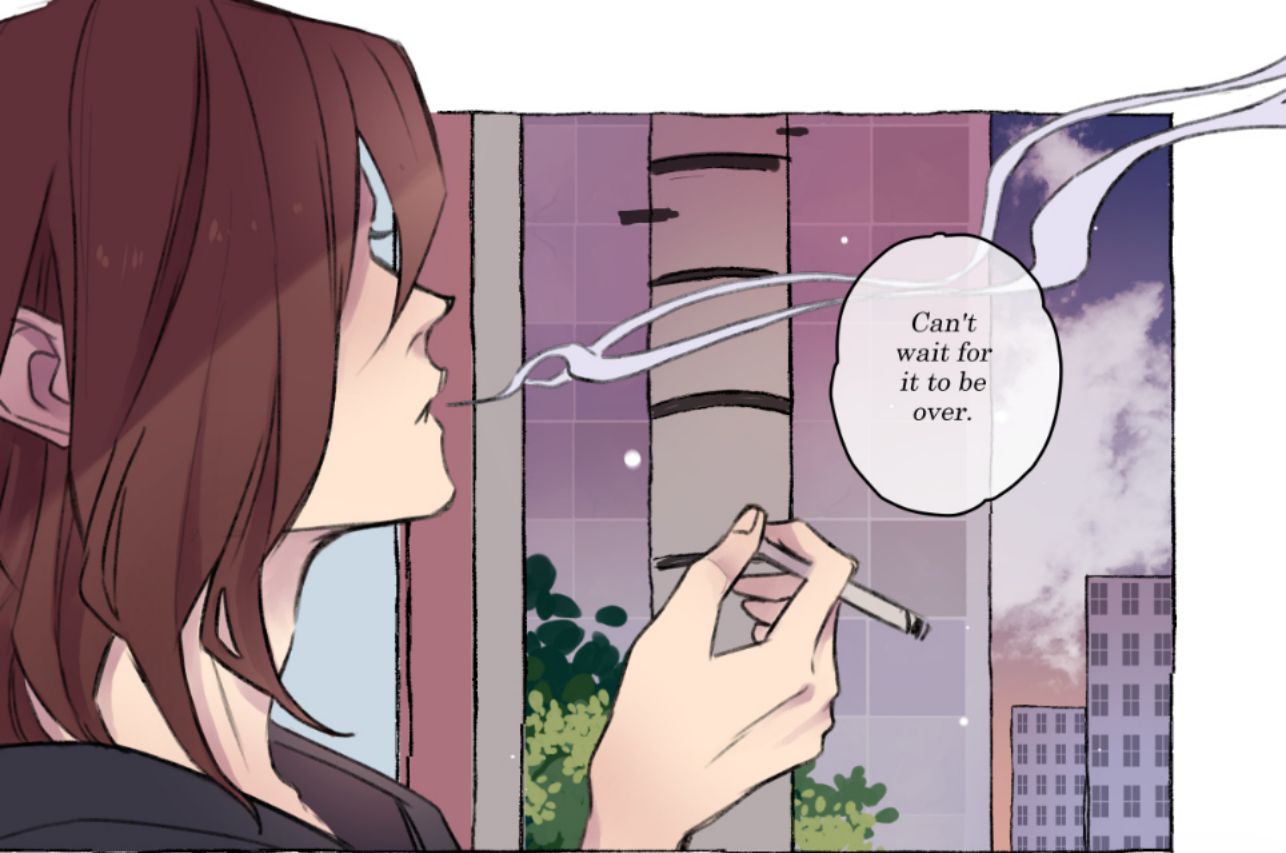

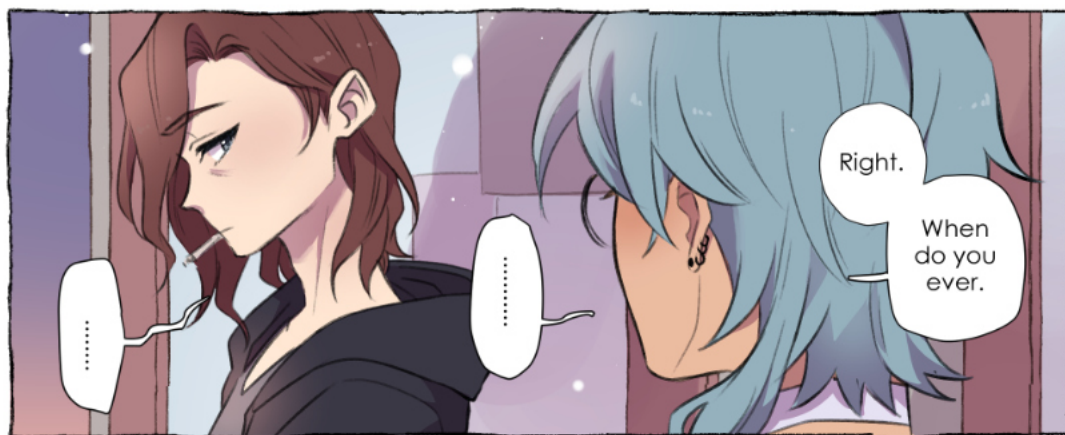

This day
fucking
sucks.

SPÄTI

Monday
7:37am
25 June

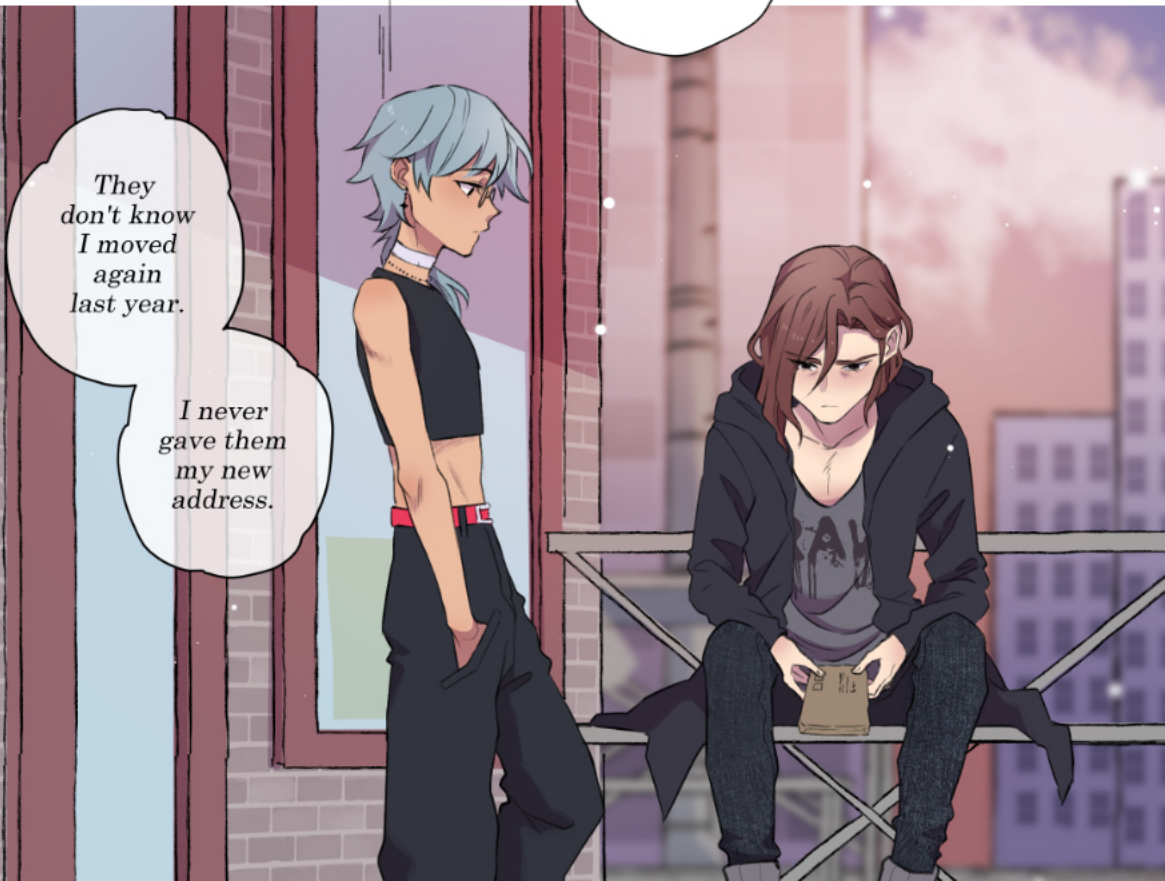

It's from my parents...

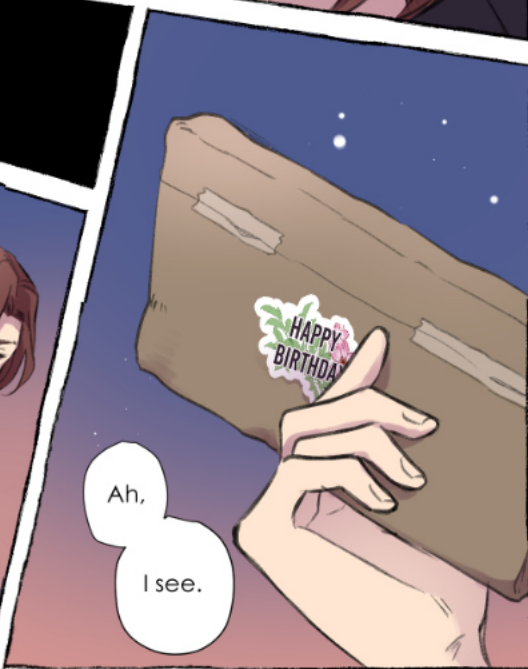

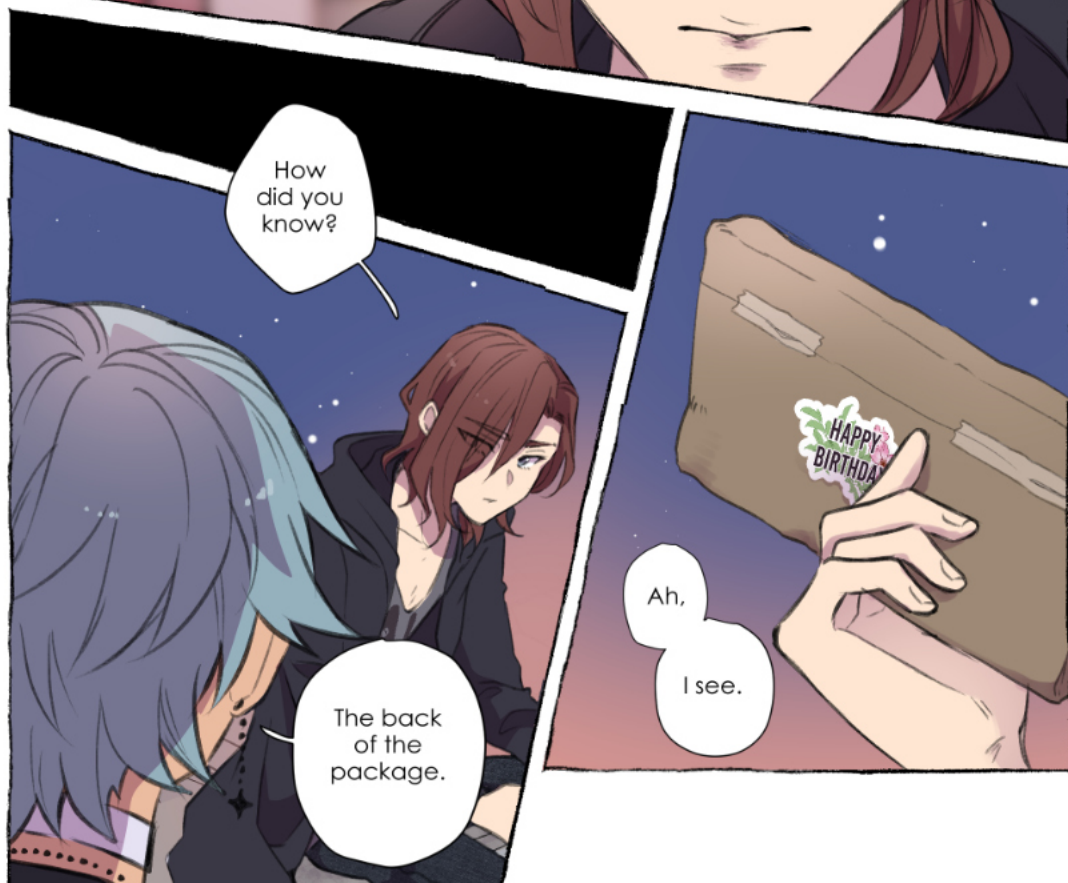

Yeah, I figured.

Why are they sending stuff for you to the store?

They don't know I moved again last year.

I never gave them my new address.

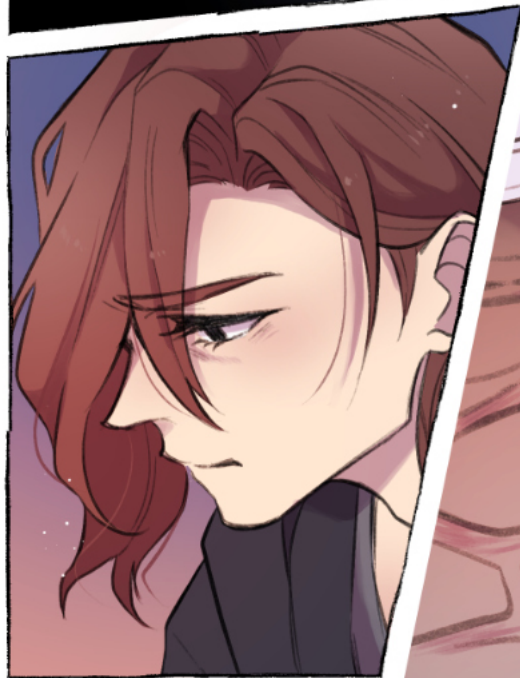

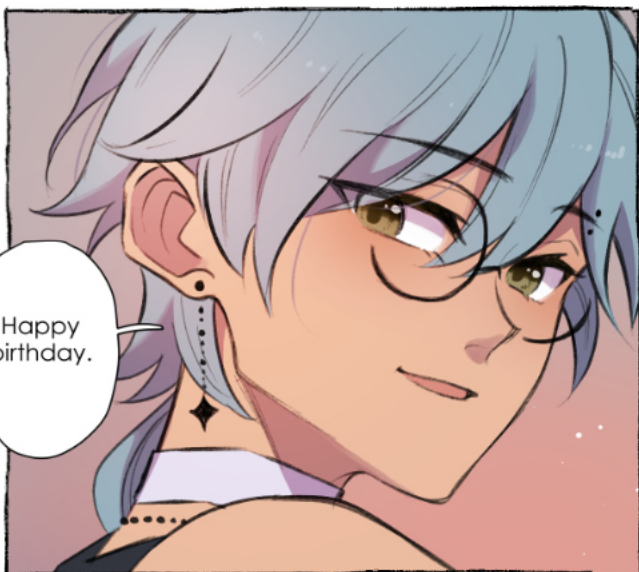

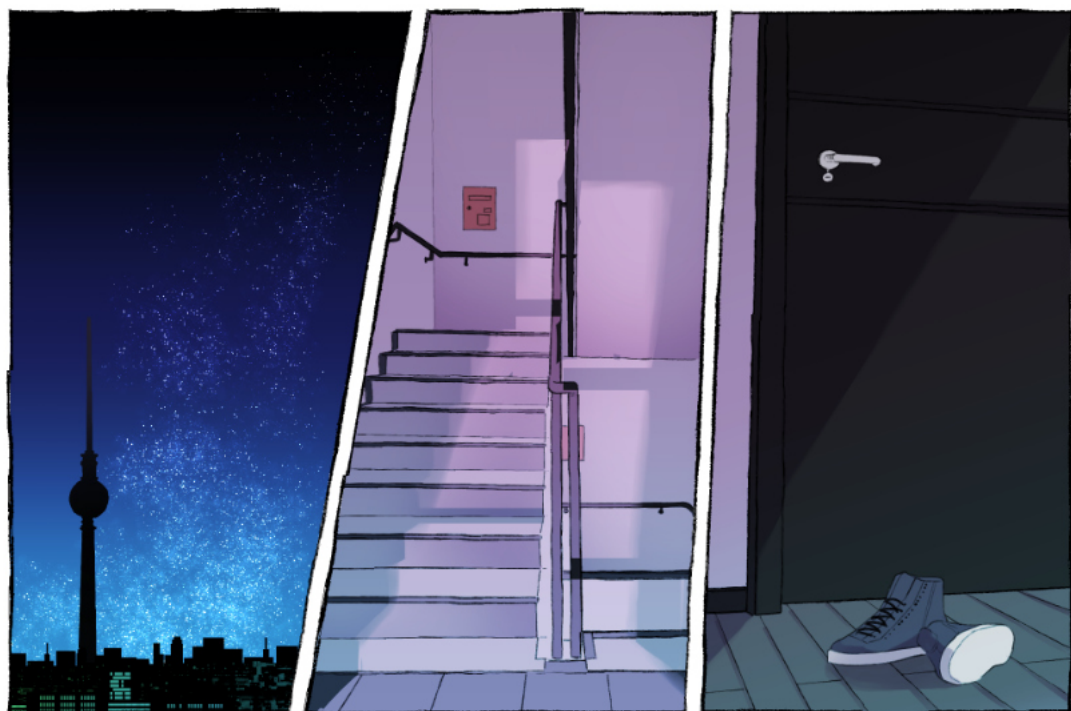

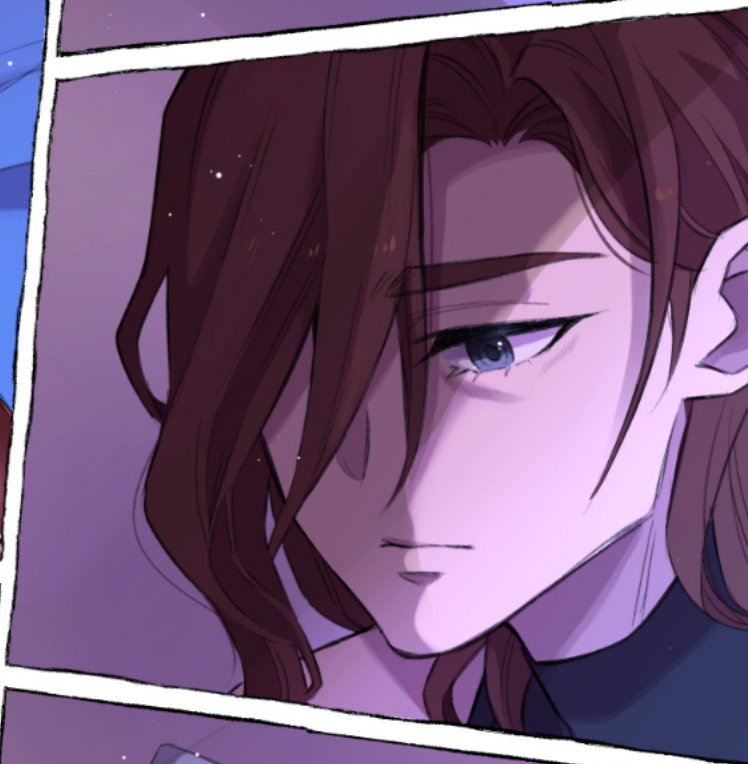

Happy birthday.

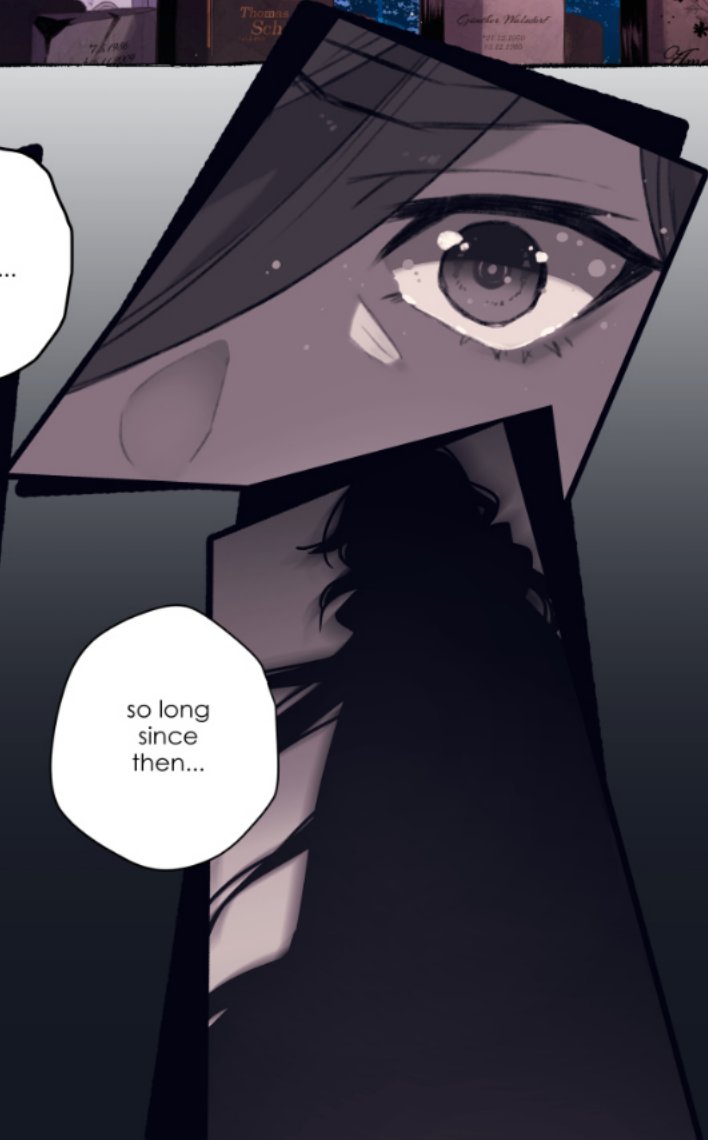

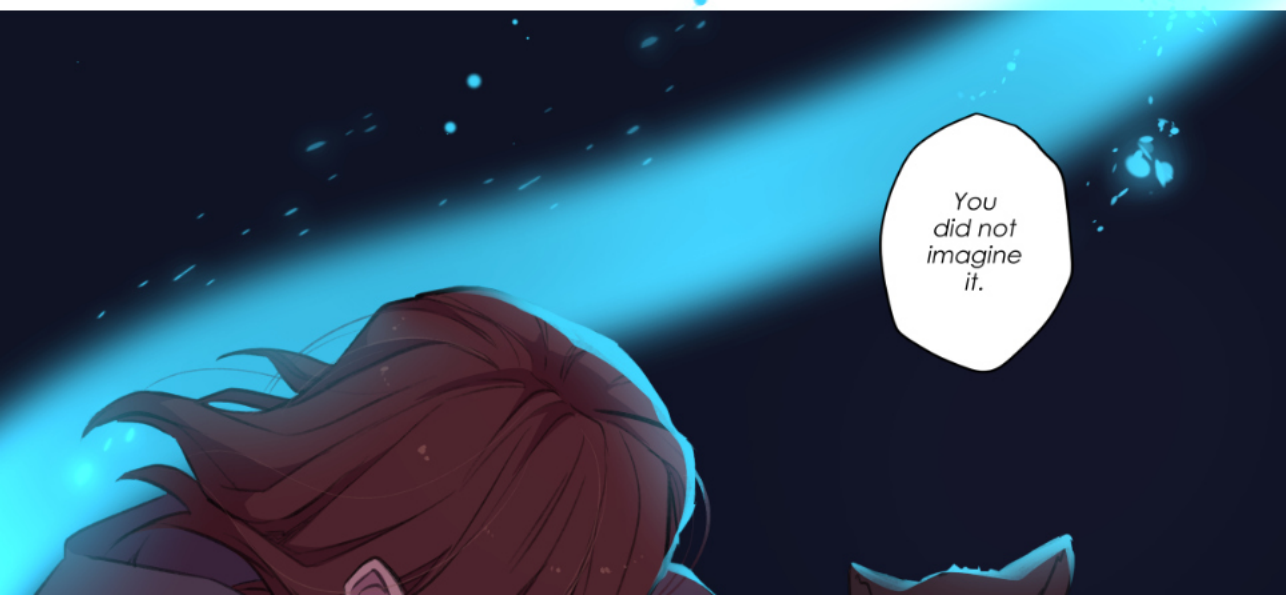

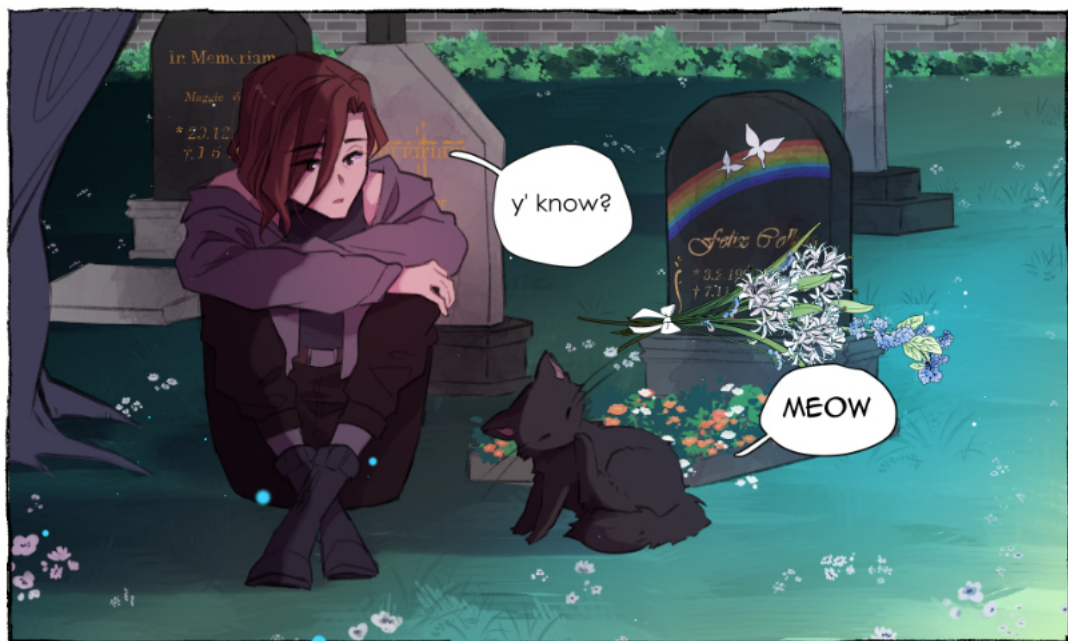

It's
been...

so long
since
then...

My name
is Charon.

Charon...

Guiding
souls...

Does
that
mean...

Are you
here
for me?

Is it my
time?

W-what?

That's not
what I...

I'm ready
to go
with you!

Will you
guide my
soul, too?
