

After school...

I see,  
hey, isn't that  
the idol?

I don't know,  
but if I could, I'd  
f\*\*\* her.

Hey, man,  
check out that  
chick.

Indeed,  
I wonder who she's  
waiting for?

Me too.

Gosh, is that  
what people really  
think about me?

**\*embarrassed\***

And to say it in  
public, almost right in  
front of me.

And I thought such  
comments were just jokes  
on the internet.

What do they  
think, that I can't hear  
them from this  
distance?

Boys are  
really hopeless.

The plus is that at least I'm already quite famous.

Presumably, my disappearance would cause a lot of confusion now if I decided to give up being a girl.

I have no idea how I'll fix this later.

The minus is that I'm famous, unfortunately.

Hiro's disappearance would certainly raise fewer questions.

Oh, where is he? I'll just go home.

I thought  
you'd forgotten  
about me.

Honey,  
what a surprise to  
see you here.

I'm here!

Sorry  
I'm late.

How  
could I?

Sweetheart,  
is that you?!

Flashback...

You want  
us to ruin your  
friend's date?

*\*Surprised\**

But why?  
Shouldn't you want to  
help her since she's  
your friend?

That's not  
like you.

*\*Surprised\**

That's  
how it looks. Sure,  
we'll help you.

She doesn't want  
to go on this date, I have  
to help her find a reason  
to get out of it.

What exactly  
are we supposed  
to do?

Well...

You like  
cute boys.

**\*confused\***

You want to  
be happy with him.  
You want him to be  
happy with you.

All so that he  
feels as good as possible  
with you.

You want to  
be with a cute boy.  
You want to be his  
girlfriend.

You want to be the  
perfect girlfriend.

I have to do  
something.

*\*happy\**

Sure.

Wow, this is  
really happening.

For  
a moment, I doubted  
if she was my girlfriend,  
but now I'm sure.

Let's finally go on  
our date, there are so many  
places I want to visit.

At the aquarium...

Wow, look  
how big it is.

And this one here  
is all pumped up.

Did you say  
something?

Not  
just her.

No, nothing.  
Hehe.

At the  
cinema...

First the  
aquarium, now  
the cinema.

*\*happy\**

There's no  
question about  
it, this is a  
real date.

I wonder  
if she would  
mind... Well, it's  
worth a try.

She is  
not angry

I just  
can't believe  
this is really  
happening!

Hiro, you  
bastard. I'll never forgive  
you for hiding your cousin  
from me.

Although,  
he didn't know about  
it himself.

You want  
him to be happy  
with you.

You want to be  
happy with him.

At the restaurant...

Say Aaa...

Gosh, this date couldn't be going any better.

*\*happy\**

I must have died and gone to heaven.

The guys won't believe me.

After a moment...

Now  
they'll definitely  
believe it.

Although I can't  
quite believe it's  
really happening  
myself.

Cheese...

In the morning...

What?  
Where am I?

**\*Shocked\***

Is this  
my room?

Phew~

It was just  
a dream.

Why am I suddenly having such a strange dream?

Well... I won't say that Goro isn't handsome as a guy.

I wonder if she'll be up for it after school?

*\*confused\**

Is it because I've started to question whether I'm really a guy?

But I definitely prefer Zero Two, especially considering her abilities in these areas.

In the kitchen...

Finally,  
the end of the  
school year.

*\*happy\**

I've been  
waiting so long  
for this day.

So, starting  
tomorrow, you'll stop  
pretending to be a girl, as  
per our agreement?

Not exactly.  
Actually...

Would you mind if  
I pretended to be your  
daughter for a little longer?

Yes, that will  
only happen after the  
series is filmed.

**\*embarrassed\***

Thanks. Gosh,  
I've caused quite  
a commotion.

Because of my  
own carelessness, I'll have to  
pretend to be a girl longer  
than I expected.

Do you have to  
wait until your contract  
expires?

Sure,  
we've already talked  
about it.

I see that  
Hina-chan is acting  
normal again today.

I wonder  
what yesterday was  
all about.

During the end-of-year ceremony...

If I had to name one place where I should never be, it would be this place.

What am I doing at the end-of-year ceremony at a girls' school?

Should I really be here?

Come on, not again.

Actually, in a sense, I am a girl now and I have graduated, so I guess everything is fine?

I definitely don't see myself as a boy in a normal school right now.

I wonder if it will pass with time when I stop pretending to be a girl?

I guess?

Somehow, I can't.

Because right now, I don't think I know how to behave like a boy at all.

Hello everyone  
gathered here for the official  
end of the school year for  
third-year students.

Most of us will  
see each other again after  
the summer vacation.

However, I wish  
those who have decided to  
continue their education  
further success.

In most schools, this moment  
is a farewell, but since our school is  
both a high school and a university, we  
don't have to say goodbye yet.

Nevertheless, there  
are probably students who will  
not want to continue their education.  
I wish those students luck in  
their future endeavors.

Some time later...

How did  
you block my  
access?

But there's one  
photo there.

Actually...

Normally, this morning.  
After what you did last time, I decided  
I needed to have more control over what  
you write on official websites.

You're talking  
about the one with your  
boyfriend. Don't worry,  
I won't delete it.

Oh, you're  
probably worried about  
that consent. I got it.

Naomi,  
listen, I have to  
delete that photo  
as soon as possible,  
before anyone  
sees it!

But...

There's no reason  
to delete it. You look great in  
it and all the formalities have  
been taken care of.

A lot of people  
have already seen it.

Besides, your boyfriend  
agreed to it, and from what I've  
seen, the photo itself is popular  
and, most importantly, liked.

Plus, it confirms that  
you have a boyfriend, so great  
job with that photo. You don't  
have to worry about  
anything.

\*disconnected\*

Although  
it's a little strange,  
I thought Hina-chan was  
with Zero Two.

Or maybe Hina-chan  
wants to experiment  
a little.

Hina-chan is  
worrying unnecessarily.  
Maybe it's because I  
scolded her so much back  
then, but I had to.

Maybe it's because  
of Aunt Mayumi's hypnosis  
that her preferences  
changed so quickly?

You can never  
rule anything out.

Meanwhile...

No, that's just impossible.

**\*Shocked\***

But how?  
How did a chick like  
she fall for someone  
like you?

Maybe she was  
drunk or something.  
She definitely  
wasn't aware of what  
she was doing.

And yet.  
I said she is my  
girlfriend.

Apparently, I have  
that something.  
Hehe

You're just  
jealous, admit it.

Who wouldn't be, man, you got a girl who's out of this world. You probably only had a chance because you're Hiro's friend.

What are your plans now?

Maybe you should go to college closer to her. Then you'll have more opportunities to see her, and you'll be able to visit Hiro sometimes.

I guess so.

Honestly, I don't know yet.

That sounds great, but how do I know which school she'll go to?
