

TENDERIZER

Weapon (Light Hammer), Uncommon

ARIPOCKILY

Even the legendary weapon of the pit fiend Ramm'sh can be reduced to a simple cooking utensil, true name long-erased. Such is the power of the master chef.

When you hit a creature that has flesh with an attack roll using this weapon, you soften it until the end of the current turn. Whenever you deal Piercing or Slashing damage to that softened creature, you deal an extra **1d4** damage of that type.

Rare Variant. The Rare version of this weapon gives you a **+1 bonus** to attack rolls and damage rolls made with it.
