**A/N: Amelia uses her Endbringer Toy on Jason for sexy fun times~**

**-x-X-x-**

“This is how you want to celebrate then?”

Jason’s amused tone makes Amelia blush, even as she nods.

“Y-Yes... so just sit down and... let us work.”

“Alright then.”

Admittedly, Amelia knew that she didn’t have to use the success of the Demon Fruits as an excuse to make this happen. Jason would have gladly agreed to a threesome with her and the Simurgh if she just asked for it.

But it did make her feel a little better to use the Demon Fruits as an excuse. With Miss Militia taking to it right away and everyone else who ate one also enjoying the benefits of her creation, Amelia felt like she’d earned the right to do something this perverse... and so here they were.

Jason sits down and Amelia glances over at the Endbringer that she’s connected to. Once one of the scariest things in the entire world, the Simurgh couldn’t be more different now. Gone is her inhuman angelic appearance, that of an asymmetrical monster that struck fear into the hearts of all humanity. In its place is what seems to be a blonde, big breasted woman, just one with white wings and even a halo atop her head.

Of course, the truth was... none of it was real. Not the monster nor the angel nor the woman. Amelia knew better than most now that the Simurgh was just a construct at the end of the day, one driven by Eidolon’s instincts and subconscious to fight and attack humanity so he could have worthy opponents.

However, that was no longer the case. Now, the Simurgh was a 'weapon' that was under Amelia's control... and she never intended to use it for anything as despicable as its previous purpose, ever again. Really... this was much better.

With a simple command through her connection to the Endbringer, Amelia orders the Simurgh to strip at the same time she herself does. Soon, they stand there in front of Jason completely naked, blonde and brunette, both big breasted with their chests on full display.

Then, they move forward in lockstep, completely synchronized as they descend to their knees in front of Jason together. Amelia reaches out and frees his cock from its confines as he watches on... and in turn, the Simurgh lifts her breasts up to wrap them around his dick.

Amelia is quick to join her, resulting in their large pillowy chests squishing against Jason's shaft on either side, resulting in his cock being completely captured between four breasts. Amelia's breath hitches as she feels her nipples slide across the Simurgh's nipples and visa versa. The former Endbringer's body is much softer these days, even if it still contains volumes of power beyond human reckoning.

Together, they stroke Jason's cocks with their tits, Amelia getting wetter and wetter all the while. At the same time, she has to manually stimulate the Simurgh through their connection, like a sex doll that has to be lubricated ahead of time. It's not difficult to do, but it is a little mentally taxing.

It's all worth it though when Amelia looks up and sees the expression of rapturous pleasure on Jason's face. After all, if anyone deserves her best efforts... it's him. Funny to think just a few short weeks ago, he'd been nobody to her. Just a guy who had been hired on to tutor Vicky for an exam that the blonde never intended on taking or passing.

He'd become so much more than that though. He'd gone from a brand new cape that she was sponsoring, to the source of her experimentation and broadening of her horizons. Amelia hadn't even realized how... stagnant she

was feeling until she started branching out with the Demon Blood, until she started playing around with plants and making new things.

So yes, she's all too happy to pleasure Jason right now, even if it means basically puppeting the Simurgh's body alongside her own actions. Together, the two of them are making his cock harder and harder, leaving it throbbing between their breasts, getting him thick and having him pulse and-

Amelia gasps as Jason suddenly grunts, the only warning he gives before he cums a moment later. His seed explodes out of the top of his cock like a geyser, falling back down on their faces and breasts, covering Amelia and her blonde counterpart in sticky hot jizz.

Amelia blushes as this happens... because the instant he's done, she doesn't hesitate to reach out and grab the Simurgh by the back of her head, pulling that angelic face in for a lip lock and subsequent tongue bath. The blonde reciprocates with a command of course, and even though Amelia knows she's just making out with the equivalent of a robot, she still fantasizes for a split second about a different blonde altogether.

Of course, the additional reason for licking Jason's cum off of one another and making out like a pair of sluts is to make sure he gets nice and hard again as fast as possible. Putting on a show... that's all this is. They're putting on a show.

Amelia moans into the Simurgh's mouth as she also reaches down and checks the blonde's wetness. Finding her to be nice and sopping, she decides its time... and orders the Simurgh forward.

They pull apart in unison and the Simurgh rises to her feet before pushing Jason onto his back. He grunts at this but doesn't try to stop the subsequent climbing and impaling as the former Endbringer proceeds to slide herself down his cock and start riding him.

Amelia rises as well and climbs onto the bed behind the construct, reaching around to grope her breasts and fantasize just a bit more. The Simurgh's wings

flare out of the way so that she can press her tits into the construct's back, all while Jason groans.

"Fuck... Amelia..."

Amelia smirks, because even though he has his hands on the Simurgh's plush hips and is fucking up into the angelic figure from below, he only has her name on his lips. To be fair, at the end of the day... the former Endbringer is nothing but an advanced sex toy at this point. The 'weapon' will never be used to hurt anyone innocent ever again. It will never drive another person insane. It will never cause another city to be quarantined.

So it makes sense for Jason to focus on Amelia when in reality, Amelia is simply using the Simurgh as a hyper-advanced fleshlight of sorts, bouncing it up and down on Jason's cock and making it moan and squeal and make all the right sorts of noises to cause him to groan and get closer and closer to his next release.

Until finally... he grips harder at the Simurgh's hips and drives her down his entire length, filling her from below with first his cock and then obviously his seed. Amelia immediately moves a hand down from the blonde's breasts to the abdomen, pressing her palm flat so she can feel the outline of Jason's member as well as how he pulses and delivers his load into her.

She exults in that feeling, still a bit lost in fantasy. This is the closest she'll ever get though... the closest she'll ever allow her to get.

When it's finally done, when Jason is finally done cumming, Amelia orders the Simurgh off of him, having her lay down on her back on the bed perpendicular from him. Then, she moves into position herself, getting on her hands and knees facing away from Jason... and facing towards the former Endbringer's well fucked pussy.

The Simurgh's hand comes up on Amelia's orders, the instruction sent through the connection between them like everyone else. Fingers curl in brown hair,

gripping down and guiding Amelia's head forward... right to a creampie, leaking cunt.

Amelia doesn't hesitate to open wide and loll out her tongue, beginning to eat out the pussy in front of her. At the same time, she's offering up her ass, arching her back and presenting her own cunt to the man behind her, the man she wants to take her.

Jason doesn't leave her waiting long, of course.

"You're a kinky one, Amelia."

Amelia blushes... but there's no judgment in Jason's voice. No disdain or disgust or disappointment. He says it offhandedly, casually almost... and with some fondness as well. Then, his hands fall upon her hips and his cock thrusts into her from behind a moment later and Amelia sees stars.

Her vision whites out for a moment as her eyes threaten to roll back in her head. Jason's cock inside of her, a blonde's creampie pussy in front of her... Amelia gurgles happily and cums in record time around Jason's big fat dick. Her pussy walls clench and flex and squeeze down on his member, milking him for all they're worth... though obviously it's not quite enough.

He's already cum twice after all, so Amelia isn't surprised when he just begins to fuck her, pounding into her climaxing pussy from behind and making her whimper and squeal out into the Simurgh's still leaking quim. They quickly set a rather rough rhythm, something Amelia quite enjoys as she's jarred forward into the pussy in front of her, fucked from behind with quite a lot of vigor.

For the next while, the brunette just loses herself in the pleasure, tongue diving as deep into the cunt in front of her as it can go, sucking and slurping out all of Jason's seed that she can reach. All the while, the cock continues to pound her insides, hitting all of her most sensitive spots and driving Amelia wild with pleasure. She cums more times than she can count from the experience, eyes rolling all the way back in her head and gurgling moans muffled by the Simurgh's messy twat.

Eventually though... it comes to an end. Jason grips Amelia's hips as tightly as he did the Simurgh's and thrusts into her from behind one last time. He fills her with his seed, causing Amelia to shudder at the sensation of fulfillment, one last orgasm rippling through her as she moans.

Then, Jason pulls out of her... and pulls her back, dragging her free of the Simurgh's relaxed grip and tugging her backwards with him as he lays back on the bed. Amelia blushes as she finds herself cuddled up against his chest a moment later, tucked into his side. He holds her to him and smiles down at her; his arms wrapped around her warm.

"Did you enjoy yourself, Amelia?"

Blushing, Amelia nods.

"Was it everything you wanted it to be?"

Blushing even harder, Amelia hesitates... before glancing to the Simurgh. The construct is awaiting further instructions... so she sends the angel-like sex doll down between Jason's legs, having her crawl over and begin to suck him clean. Then and only then does she fully relax into his chest.

"It was. Thank you, Jason. Thank you for everything."

He scoffs at that.

"I couldn't have done it without you, Amelia. You or any of the others. Don't forget that alright?"

Privately, she wasn't so sure. His powers were utter bullshit, his growth rate had been exponential, and he had basically out scaled everyone on Earth Bet in less than a month.

But... maybe he meant that he needed them for emotional anchors. Maybe he meant that he couldn't have made all the right decisions without them. Amelia

likes the sound of that, so she doesn't bother arguing the point. Instead, she just smiles and snuggles all the closer while watching the blonde head of hair bob up and down on Jason's cock betwixt his thighs.

Content. That's what she's feeling in this instant. She's feeling... content.
