

Leslie at the Free Use Convention

As you walk into the gigantic hall in which TwitchCon was held a few weeks ago you can't believe how many people are walking around, especially with clothes.

Never having visited a FUConvention, or as the celebrities call it 'Fuck Me Convention' you imagined much more naked action going on, but most people here in the entrance hall are completely clothed.

You walk past the long line right up to the security guard and show him your VIP badge.

That thing was expensive as heck, I hope it's all fine...

The large black man checks it, nods, hands it back to you without a smile and holds up his fingers like a checklist to remind you of the rules.

"Okay remember: You have access to the entire YouTube and Twitch area, not anything else. If some creator from another area walks in, you can't fuck them or you will be kicked out."

"Second, not everyone is Free Use. Only the girls with a golden badge around their neck."

He shows you an example. It kind of looks like a rectangular condom package.

"Third, if you want to upgrade you can do so at the entrance to each separate hall. Have fun" she waves you through completely emotionlessly.

I guess I understand his attitude. Some of the hottest woman in the world are getting railed by their fans behind this gate and he has to play guard. Definitely sucks, and not in the good way.

It is almost noon as you walk through the primarily white hall with the glass ceiling. There is a lot of empty space up in the air, no sponsor signs or anything are hanging from the roof, yet the floor is pretty packed with booths. They all look pretty much the same: A somewhat tall table adjusted to the girl's height against which she is leaning, bending over comfortably. Two wooden rods are making a window around her smiling face and right above is a huge banner with her online handle, either red or purple, depending on her platform.

Since they share so many creators, Twitch and YouTube are sharing one hall.

You regret coming here so late, but your flight was delayed and well, let's just say you can certainly use the stress relief the advertisement promised.

You make a beeline straight to where OTV & Friends announced they would be, hoping that you wouldn't have to wait too long in line.

Quickly turning a corner, you are greeted by a fabulous naked ass. The bent over girl with the shiny brown hair is wearing a sweater that gives her identity away even without you reading the sign above her.

Without wasting any time you yank your pants down and quickly insert yourself into your favorite streamer. She was masturbating and just looking into the crowd, not even noticing you approach behind her.

“Oh~oh! Oh my god!” she moans surprised and looks behind her.

“Hiii!!!” she cheers and gives you a cute little wave.

“Hi!” you laugh, unbelieving that this is real. “How is there no line???” you blurt out.

“Oh well, I kind of messed up and missed my flight... I just got here” she shrugs her shoulders. “I think no one waited because I didn’t exactly say when I would arrive so they all waited in other lines, you’re the first one to fuck me today!” she explains and sounds and looks quite happy about your arrival.

“Oh wow! That’s awesome!” you let out as you adjust your hands on her womanly lips and continue to thrust into her wet pussy.

Since no one else is really here, Leslie tries to make some conversation with you.

“So, how long ha--~ oh my” she lets out a moan. “You really know what you’re doing back there huh?” she giggles, throwing you a flirtatious smile.

“Thanks” you reply gleaming. *OH MY GOD FUCKING LESLIE COMPLIMENTED MY SEX GAME?!?!? AND I’M THE FIRST TO FUCK HER?! THIS IS THE BEST DAY EVER!*

“How long have you been here?” she manages to ask her questions after a couple tries.

“Just arrived myself too, my flight was delayed”

“Oh lol! What a coincidence!” she giggles. “And do you come here every year?”

“My first time too”

“Damn! You certainly don’t fuck like a First Timer” she looks back and offers you another sexy wink. *OH MY GOD!*

“Well you are one of the hottest streamers, out there, I wanna make a good impression!” you try to sound cool as your hands reach below her iconic sweater to grab her tits, and to your delight you find that she isn’t wearing a bra, and her full squishy boobs feel just as good as you always imagined. Her erect nipples brush against your palm as you glide your palm over her fun balls.

“Awwwww! So cute!” she smiles.

“To be honest, I am super surprised you are even here! I didn’t see you on the official floor plan?” you question, trying to distract yourself from cumming. Her pussy feels incredible and makes exactly the kind of sounds that you know so well from porn, so your brain is sending all the signals to fill her up with your seed right here.

“Well...” she sheepishly begins. “Can I confess something?” she looks back at you with big eyes. Her hands are gripping the desk in front of her while her body is rocked back and forth. You are holding her up by both breasts, even if you wanted you couldn’t stop playing with them as you continuously hit against Leslie’s g-spot. Her moans and pants very clearly reflect the effect your movements are having on her.

“Yeah sure” you state in the most casual voice you can muster.

"I'm not technically allowed to be here... I forgot to sign up" she shrugs while giggling.

"Huh?"

Looking up, you see that the banner over her booth is purple, not red like it should be.

"Yeah I still had that from when I was on Twitch..." she answers the question on your mind. "I took it home with me and just brought it... this is actually Brooke's booth but at the last minute her boyfriend changes his mind and said he wasn't cool with 100 guys fucking and cumming in his girlfriend" she pants, your thrusts now really getting to her.

"So I... I. just.. oh my god~... I just took her banner down and HH-HuNG MYINE **UPP!!!!!!!**" she shrieks as her pussy contracts around your cock sending jolts of pleasure down your spine.

"Oh my god Leslie" you groan feeling your seed rush up to your tip. Your grip on her body tightens as you prepare to fire your load inside her.

"Please don't cum yet!" the shaking girl moans.

"Hm???"

"I want you to keep fucking me!!" she shrieks trying to stay verbal during her intense eruption, her ass is twerking on your cock making it incredibly difficult not to blow.

"Leslie I don't know if I ca—" you lean forward completely against her body, tightening your grip and trying your best not to burst in her violently contracting pussy. She feels like a world class sex doll with an integrated milking system. Like a hot sexy spiral is moving upwards around your shaft and trying to extract all of your cum like minerals from a mine.

"If you hold out I~ I'll give you my number later!~" she promises before grabbing your hand to bite it, desperately trying not to fill the entire hall up with her ear shattering screams.

"OH my god Leslie!!" you groan and by using an entire year's worth of willpower you somehow manage to stay composed until her violent orgasm eventually subsides.

Both of you are hanging over the desk heavily panting while you continue to slowly thrust into her wet ass pussy.

"Oh my god... I can't believe you didn't blow your load.." she giggles after a while. You crack a weak smile. "I promised my number to so many guys over the years, you're the first to actually resist it" she jokes.

"I don't doubt it, holy fuck your pussy feels crazy good!"

"Hihihi! Thanks!" she cracks her classic happy Leslie smile.

Setting it as your goal to make her cum at least one more time, you try to resume your earlier conversation so that your mind would have something other to think about than how good it would feel to just lay into her wet folds like no tomorrow, grab her chin and kiss her tongue into submission while erupting inside her warm pleasure cove and filling her entire womb up with your white hot fertile sperm.

"So if you didn't sign up.. how did you get in here? Did you buy a ticket?"

“What? No! Of course not! I just blew like.. twelve security guys until they left me alone! After the five at the entrance only two saw me as I was working on this booth, and honestly I think they told the other’s because there is no way this many came to check here if the right girl is serving at the booth!” she laughs while reaching her hand back to grab your thigh and moaning as she lets her head fall back against your shoulder. She smells amazing, and her soft hair feels incredible against your skin.

“And none of them fucked you?” you ask inquisitively.

“No, security isn’t allowed to fuck the talent, sadly”

“You really like being fucked huh?” you tease her.

“Of course! Who doesn’t?!” she playfully responds. “Every year me, Rae and Poki compare how many guys fucked us, and also see whose fans have the bigger cocks! So you understand why I couldn’t sit this year out!” she giggles.

“Damn that’s hot” you let out, not planning to say verbalize your thoughts. Leslie just laughs.

Beginning to thrust her thick ass back against your hips she flirts: “And I started out really well with your dick” she blows you a kiss over her shoulder.

Damn how I wish I could kiss her...

“Can you do me a favor?” she girlishly asks making big eyes back at you.

“Anything” you honestly reply. Right now, you really would do anything for her.

She briefly giggles at your tone before voicing her wish: “Don’t go fucking Rae or Poki after this! I don’t want you to increase their average of the cocks they’ve taken! I know you probably heard rumors about how Poki lets the really big ones fuck her ass and... oh yes... yes you certainly qualify for that treatment but... *please?*” She knows she has nothing to offer you, so she just asks as cutely as she can.

Grinding your teeth and squeezing her tits you think about it for a moment. You don’t want to agree to that, but the way she’s looking at you... begging with her magical eyes...

“Okay” you let out without even consciously making a decision.

“YEEEEYYY!!!!” she cheers jumping up and down, the movement driving her unexpectedly over the edge. **“HOLY SHIT!!!”**

Leslie grips onto your arms and explodes way more violently than the first time. Her entire body is shaking so much that you get scared she is gonna hurt herself by flinging her head against something, so you just grip her as tightly as you can and pull her closely against you.

This new angle and her quick movements cause your dick to feel like its in paradise, and this time there is nothing you can do to delay your inevitable climax.

“Oh hey Leslie! Having fun?” you hear a female voice, and as you just barely manage to open your eyes you see Bella Poarch looking at the two of you. She is wearing a kind of overall looking thing that only consists of some black stripes going around her thighs and up over her shoulders, encircling her delicious looking boobs, pussy and ass – but leaving like 99% of her skin completely exposed.

“Need me to make a face for you?” Bella seductively teases seeing your eyes on her and your clear struggle not to cum, but when she so happily sticks her tongue out and makes her best ahgao face, there is not a force in the world that could stop you from filling up Leslie.

Your eyes close due to the immense pleasure and your whole-body twitches as spurt after spurt of your hot sperm are shot up into Leslie’s willing body.

“Oohhh my god yeeees~~~” the girl in your arms moans relishing in the delightful feeling of your seed inside her, and when Bella giggles and drops down to her knees to suck on her clit Leslie truly transcends into another realm, her scream being so loud that some of the other girls are licking their lips and hoping that whoever’s responsible will come and visit their booth as well, and causing you to think that you might wanna make an appointment with an ear doctor.

Eventually you both calm down and Bella gets up as well after having licked up all your cum that has flown out of Leslie’s hot pussy.

“That was hot to watch” she giggles and the girls enthusiastically hug, clearly excited to see each other.

“Hiii Bella!!! What a surprise! What are you doing here? Shouldn’t you be in the TikTok hall??” Leslie asks confused but happy to see her friend.

“Yeah I already had like fifty loads in my pussy and wanted to take a break while I’m warming up my ass” she turns around and gives herself a little spank while showing off the silver butt plug she is wearing, a light bluish crystal covering her entrance.

“Speaking of warming up” she turns to you. “You wanna be the first to blow my ass out? If you made Leslie cum like that I can’t wait to feel what you’ll do to me! She is waaaay more experienced at whoring herself out than me!” she giggles.

“Hey! You’re not so bad yourself! Remember the gangbang we had at Halloween?” Leslie chimes in.

You laugh nervously while scratching the back of your head. “Wow that is a great offer Bella, I’d love to... but I only got a badge for the YouTube/Twitch area and the rules are pretty strict...”

“Oh come on, Leslie, swap badges with me!” Bella quickly takes charge and exchanges the golden Twitch Badge Leslie is wearing, still from last year, with her TikTok one.

Bending herself over the desk, taking out her plug and throwing it to the ground before you can say anything else she reaches her hand back, slides into her backdoor with two fingers and spreads herself open for you.

Looking back she devilishly smiles: “I won’t tell if you won’t”

“What do you say stud?” Leslie cheerily asks while placing her soft hand right above your ass. “Ready for another round? I’ll even suck your balls while you fuck her brains out!”

“Well I can’t say no to that” you joke with a chuckle, making the two woman laugh happily that you agreed.

“Oh my god” you and Bella both moan as your tip touches her anal entrance, carefully guided there by Leslie’s wet hand, still covered in her own pussy juices from masturbating earlier.

“Oh I think you may be the biggest I’ve had” Bella pants while leaning heavier onto the desk. “FUCK ME! YESSS!!” she screams blissfully as you bottom out inside of her, ready to show her the world.
