

69 in the Summer Heat

The sweltering heat of the ending summer season hits the body like a furnace. With dry air and suffocating temperatures, it's a mystery how anyone operates. Two women were moments away from answering that mystery with even hotter passion. Yuu and Erika, a cute married couple still as horny for each other since their high school days.

"Gah. This heat is unbearable. I'm sweating buckets." Lifting one arm Erika took a deep breath of her own armpit. Covered in a matt of white hair, the smell was a mouthwatering salty sour mix. She was a tall woman with a thick curvy body and white hair all over. Neck length messy hair, thick pubic hair, furry balls, and plenty of armpit hair. Beast like in more ways than one as her naked body would suggest. Sitting comfortably spread across the couch with Yuu under one arm. Her huge breasts sat freely on her midriff, the sweat making her pierced inverted nipples leak. Her blue eyes paired with her black fingernails and toenails contrasted with her pale white skin perfectly. Reflecting her playful teasing personality. However, her most defining feature was her beastly cock, a red rock with a knotted base. A cock worthy of such a tall and seductive woman. She looked down at Yuu licking her lips at the sight, running two fingers over her stomach. "Well. I guess it's not all bad. I get to see your body coated in delicious sweat~"

Yuu was a shy, introverted girl with a heavy burden from her assassination job. However, whenever she was with Erika, she felt light and feathery able to shake off the stress just by staring at her cock. She shivered lightly from Erika's seductive touch and nodded gently. "I agree. This heat is only good for one thing..." Staring up into Erika's eyes, then down at her cock, she lightly played with her inverted nipples. With wonderful dark skin and striking one piece swimsuit tan lines. Yuu was a very sexy and desirable lady. Understandable by her shoulder length black hair which had a purple streak to match her eyes, fingernails, and toenails. With her curvy body and large breasts, it was obvious why Erika loved her so much. "Aaah. But this summer has been nothing but hot days... I miss rain. Work was easier when everything was wet..."

They both sighed, sat messily watching TV on the couch waiting for something to happen. They needn't wait long as a sudden sour smell caught both their noses. An intoxicating aroma filled the room from their naked bodies, causing them both to salivate. The heavy smell of smegma hit the room like an avalanche.

With their noses hooked, soon followed their eyes as Erika looked down at Yuu's sweaty vulva. She ran her fingers over Yuu's body before gently spreading her labia to reveal her smegma. Her pussy smegma was warm and sticky, clinging to her lips like a web.

Watching closely, Yuu trailed her eyes off Erika's fingers towards her cock, which slowly began to unsheathe itself from the base of her beastly shaft. Smegma covered her cock like wrapping paper, clumping and separating as her member grew large. Throwing her hand onto Erika's crotch, Yuu grabbed her cock firmly with one hand. The smegma soaking into her skin, sticking to her palm. A deep shade of red covered Yuu's cheeks with a mixture of lust and embarrassment. "You know. Work has been super stressful recently. Wanna help me burn off some stress...?" Lightly stroking Erika's smegma covered cock, she looked up at her with doughy eyes. She struggled to hold back her hunger waiting for a reply.

The grin on Erika's face widened as she smiled from ear to ear with a playful expression. Moaning softly to Yuu's touch, she dug two fingers into Yuu's pussy. The smegma and pussy juice coated her fingers as they glided into her wet vaginal canal with ease. "Mmm~ Oh baby. I want to do a lot more than burn off stress." She giggled softly while fingering Yuu in time to her stroking her cock. Using her other hand, she lightly tugged on one of her nipple piercings. Which caused the nipple to peak out from the inverted space.

Both girls were covered in sweat and intoxicated by the other's smell of smegma. They were both horny and overflowing with lust. It didn't take long before the room reeked of sour salty sweat, smegma, and precum. The soft sounds of moaning soon drowned out the TV as both girls began to express their love. A burning passion under burning heat, which would soon escalate beyond their desires.

Yuu's hand slicked over Erika's cock with ease, the smegma and precum running down the back of her hand. She pulled her arm back from the throbbing shaft with one quick motion. Rolling her tongue out of her mouth as far as she could, she licked the salty mixture off her fingers. Slipping her fingers into her mouth, she moaned softly allowing the pleasure from Erika's fingers inside her pussy to overwhelm her. Her body trembled with excitement, the anticipation bubbling over as she became impatient for more.

Watching Yuu's reactions closely, Erika could see how hungry she was. Her smile turned wicked as she teasingly pressed her fingers into Yuu's pussy and her palm into her clitoris. Slowly releasing her hand, she trailed it off her body towards her own. A long trail of pussy juice stretched between the two girls. Giggling softly, Erika licked her fingers playfully. "You're so wet babe. I love how you taste. I want to taste every inch of you. Now let's see what deliciousness you can produce."

Without a second of delay, Yuu hungrily dropped her head over Erika's shaft. Her soft lips wrapped around the tip with a gentle kiss. The pointed head slowly pushed its way into her mouth, resting on her tongue. Yuu paused her advances, as she used her upper body weight and flexibility from her job to throw her legs over Erika's shoulders. Still sat on the couch, Yuu was now in the '69' position. Her pussy pressed against Erika's face and her head hovered just above Erika's thick matt of pubic hair.

Erika's eyes widened from the bold move, dilated by the beautiful sight in front of her. Yuu's smegma covered, precum dripping pussy was mere centimetres away from her nose. The smell caught her like an addictive drug, the spike of oxytocin causing her to drool. She grabbed Yuu's ass cheeks with both hands and pushed her face into her sticky messy vulva. Yuu let out a sharp moan as Erika's nose buried into her anus. Her lips pressed against Yuu's lips as she slowly pushed her tongue into the creases between her wet labia.

The pleasure coursing through her veins was pure joy. Yuu's body quickly became like putty, melting over Erika. She pulled her head back allowing Erika's shaft to slip out and slap her cheek. She moaned loudly focusing on her own pleasure before returning to lick Erika's member. Her throbbing cock pulsed and twitched as her tongue glided over it. Yuu cleaned her shaft with her tongue, gathering every last piece of smegma on her tongue. She lifted her head taking a deep breath with the smegma balled on her tongue before swallowing it with a satisfied sigh. Her own body was trembling with pleasure as Erika worked Yuu's vaginal canal hard. She wasn't ready to let Erika have it easy and bit her lip playfully. Dropping her head over Erika's members once again, she took the shaft as deep as she could. The tip tickled her uvula as it scrapped down her throat causing her to gag. The extra saliva in her mouth only acted as lubricant as she edged closer to Erika's knot.

Erika's movements became sporadic and shaky as she struggled to compose herself from such desirable pleasure. She moaned into Yuu's pussy as her tongue pushed deeper into her cavernous space. Eager to feel more, she lifted her hips to push the rest of her cock into Yuu's mouth. With an overwhelming burst of pleasure, she forced her large, knotted base into Yuu's mouth. Which filled her cheeks as she gagged again.

Her nose pressed against Erika's furry balls and her chin buried into her matt of pubic hair. Erika's scent soaked into Yuu's face as she savoured the feeling and taste of her cock in her mouth. Slowly as steadily, she began to lift her head, bobbing up and down on Erika's shaft with small fast motions. The stuffy smell of Erika's balls paired perfectly with the tight feeling in her throat, enough to have Yuu close to an orgasm.

Even with her face buried in Yuu's pussy, it was clear to see the menacing expression on Erika's face. She could sense Yuu was close to an orgasm and wanted to tease her more before reaching that climax. Using her nose, she pushed it deep into Yuu's anus, causing it to wink. Pulling her mouth back from her pussy with a long string of pussy juice, she quickly slipped it into Yuu's winking ass hole. While she rimmed her ass, Erika slid a hand up her stomach and pushed two fingers against Yuu's clitoris. She giggled softly before pushing one finger against her tight urethra entrance. The tiny pee hole reacted to every touch, winking and stretching. Eventually, she slipped a finger inside and began to thrust back and forth in time with her tongue movements in Yuu's ass.

This new combination of pleasure was the last push Yuu needed to send her over the edge. She violently climaxed, squirting a hot watery jet of juices directly at Erika's face. Who quickly adjusted her position to drink as much as she could. Yuu's body trembled and shook wildly, her legs clamped down on Erika's head like a vice. Her moans vibrated through Erika's cock like the strongest sex toy. Despite this, she refused to stop pleasuring Erika's beastly red rocket, continuing to bob up and down on it.

With the enduring pleasure increasing more with every passing second. Erika could feel her own orgasm just around the corner. Throwing her head back, she lifted one leg and wrapped it over Yuu's head, forcing her cock deeper into her mouth. Erika's pulsing knotted base swelled up in Yuu's cheeks like a balloon creating a near impossible space to move in. With her tip halfway down Yuu's throat, she began to cum violently. Shooting her hot thick load straight down her throat and into her stomach.

Yuu tried to keep the cum down, gulping as much as possible. However, her efforts weren't enough as cum spilled out the side of her cheeks. Once she felt the explosive orgasm come to an end, she tried to take her head back but found herself bound the Erika's cock. The knotted base of Erika's beastly member stopped her from removing it, stuck tightly in her cheeks until the swelling stopped.

With a teasing laugh, Erika wiped the cum off her face and licked her fingers. "Sorry darling. Looks like we're stuck like this for a few minutes. Guess there's nothing better to do than enjoy myself." With a wide menacing grin, Erika grabbed one of Yuu's feet and brought it closer to her face. She traced her sole like a line of cocaine, savoring the smell. She audibly sighed with satisfaction of the sour smell Yuu's foot gave. "Aaah. How delicious. Yuu's feet are always so tasty when they're hot and stuffy. Mmm~" She brought Yuu's heel up to her lips before sliding her tongue across the wrinkles on her sole all the way to the tip of her big toe. Savouring the taste, she slipped Yuu's big toe into her mouth, sucking on it as

her knotted cock finally shrunk enough to slip out of her mouth. Sliding out with an audible squelch and a flood of cum, which allowed Yuu to catch her breath, panting uncontrollably.

With a shaky hand, Yuu lifted herself off from Erika's legs, dropping her own legs back down onto the couch. She shuffled her weight such that her head was on Erika's lap. Her cock resting on her face with a heavy touch, leaking cum over her cheek. She sighed with content looking up at Erika periodically kissing her shaft softly. "That was amazing. The heat really makes it more intense."

"I'm glad you enjoyed it as much as I did. Fucking you feels just as good as the first time... So. My darling wife. Did I clear your stress?" Erika looked down at Yuu with doughy eyes, panting softly. She grinned, shuffling her hips from side to side to make her cock slide over Yuu's face.

"U-Um. No... I want more. I need more of you. Fuck me hard my love~" Rolling onto her knees, Yuu lifted on leg and mounted Erika, facing towards her. She sat down on Erika's lap with her cock between her legs and stared up at her, hungry for more. She slowly grinded Erika's still hard cock between her labia, moaning softly.

Giggling gently, Erika looked down at Yuu with one eye closed, still raw from her orgasm. She licked her lips looking down at Yuu's tanned body with lust in her eyes. She was hungry too, like a predator about to devour its prey. "You know I can't get enough of you. I want to enjoy my sweaty wife all night long~" Wrapping her hands around Yuu's head, she buried her fingers in her hair. Yuu's soft silky hair stuck to her fingers from the sweat running down her neck. She pulled her face closer to herself and planted her lips against hers, kissing her passionately.

The sound of moaning was accompanied by soft squelching sounds as their tongues rolled around one another. Saliva ran down their cheeks the longer they locked lips. With their eyes closed they focused on touch, allowing their hands to explore the other's body. Erika slid her hands down Yuu's back and slapped her ass before grabbing it playfully. Yuu jumped from the sudden slap before trailing her hands up Erika's body, cupping her breasts. Pushing two fingers into her inverted nipple, she teased and toyed with them. The two girls were filled with excitement and lust once again and yearned for more.

Lifting her hips, Yuu positioned herself over Erika's cock. The tip pressing against her clitoris while her labia hugged it. Rubbing gently, Yuu moaned with the electrifying pleasure.

She pushed the head towards her vaginal opening and began to tease the tip, enjoying the wave of pleasure which came with it.

Erika however, got impatient, hungry for more extreme pleasure. She grabbed Yuu's hips with a firm grip and forced her down onto her shaft. The long thick member buried its way into Yuu's tight pussy. It filled the space with a vacuum tight hold. Her tip poking against Yuu's cervix even before the entire length was inside.

Yuu soon gave in to the Erika's evasive thirst for her body and dropped her entire weight onto her cock. With a loud piercing moan, Yuu now sat with her hips against Erika's legs. Greedily swallowing her entire length in her tight pussy. She could feel the tip of Erika's beastly cock pushing her cervix back to accommodate her length. The shocking pleasure overwhelmed her brain with an overdose of oxytocin. She drooled down her chin as she fixed her position to begin moving. She placed one hand on Erika's shoulder and the other on her own breast. Once her legs had stopped shaking from the initial penetration, she started to bounce.

Throwing her head back impulsively, Erika moaned loudly as her cock was being tightly constricted. She teased and toyed Yuu a lot, but now that she was buried inside her. She was powerless, reduced to putty from the intense pleasure from Yuu's uterus. She grabbed Yuu's ass with a firm grip hungry for more, pushing her cock up further into her soaking wet hole.

Gasping sharply, Yuu winced as Erika's movements forced the tip of her cock to push into the centre of her cervix. A sharp jolt of pain and pleasure sparked off her womb entrance like ecstasy filling her veins. Eager to keep this high, she lifted her hips higher before slamming down on the beastly cock. The leg shaking movements caused the tip of Erika's red lipstick to slap against her cervix again and again. Divine pleasure overwhelmed both ladies as they moved in time with each other, maximising their orgasmic enjoyment. Pushing herself away from Erika's body, Yuu trailed her hand up her midriff and cupped her own breast. She drew small circles around her dark areola before pushing two fingers into her inverted nipple.

Watching closely with dour eyes, Erika bit her lip in anticipation as Yuu tried to push her nipples out of the folded areola. The sight caused the tip of her cock to become swollen, throbbing heavily within Yuu's pussy. She sensed her climax closing in but wanted to hold on longer. Just before she came, she held Yuu's ass down against her legs and edged. Her moans showed just how hard she was trying to hold back the orgasm. Wanting to muffle her moans, she wrapped her arms around Yuu's back and buried her face in her

breast. She pressed her lips against her areola and pushed her tongue into her inverted nipple, continuing to moan sporadically.

Another sharp gasp escaped Yuu's mouth, the feeling and sight of Erika using her nipple was the push she needed. Her inverted nipples slowly pushed out from the areola, revealing her hard eraser nipples. Erected and aroused, she was beyond horny and couldn't control her movements anymore. The love, sex, and passion were overwhelming and sent her over the edge, cumming for a second time. With an explosive eruption, Yuu squirted over Erika's legs, soaking her white pubic hair with her sticky juices. Throwing her head back she screamed into the air, which echoed around the room. Her pelvic muscles tightened, her cervix dilated slightly, and her legs shook heavily. "A-Aah. I C-Can't move. Oh love. Oh god. Oh fuck~ So good..."

Losing her strength, Yuu collapsed on top of Erika, who raised her head from her breast like a diver, gasping for air. The intense orgasm Yuu was experiencing clamped down on her cock with a vice like grip. Her attempts to thrust were now harder and much more sensitive. Yuu's vaginal walls were tight, pinching her cock. Erika increased her movement speed to force her way up through the now tighter space. With deep fast thrusts, she was now knocking at the door to Yuu's womb. As her cervix had dilated just enough for her tip to enter. Slapping her furry balls against Yuu's ass the more she thrust, she soon forced an opening into her womb. An overwhelming shot of pleasure caused her voice to break momentarily. "Ahh... I-I... I went... So deep. Mmm~"

"F-Fuck... Don't stop. Keep going baby. Cum in my womb. Impregnate me my love." Clutching onto Erika's shoulder as if she was at the edge of a cliff. She looked deeply into Erika's eyes longing for her cum.

Gulping loudly, Erika looked passionately into Yuu's eyes before nodding her head in agreement. She wrapped her arms around Yuu's back and held her tightly while burying her mouth into her shoulder, biting her. Continuing to bite and hold her, she thrust heavy and hard, exploring Yuu's womb further. The knotted base of her cock buried itself into Yuu's vaginal canal as the tip swelled up inside her womb. Feeling close to finishing, she sped up one last time, slicking in and out of Yuu's dilated cervix. The overwhelming pleasure was an addictive feeling which forced her over the edge with an overdose of oxytocin. She fired her hot thick load deep into her womb, coating her walls. Her sticky seed filled Yuu's uterus, flowing down her fallopian tubes and trickling down her vaginal canal. However, not a single drop left Yuu's body as Erika's swollen knot cock had expanded like a balloon once more. It sealed her pussy closed with a sharp painful hold.

Yuu laid on top of Erika who collapsed backwards into the couch with a heavy thud. Unable to move from the overwhelming pleasure and Erika's beastly cock knotted inside her pussy. She contently laid on top of her with a soft smile. Their breathing heavy as they began to come down from such an extreme high. Yuu closed her eyes with a satisfied sigh gently caressing Erika's breast. "Wow. That felt amazing... Let's stay like this for a while."

Their sweat-soaked bodies melted into one another, glazed in the fruit of their passion. Erika ran her fingers over Yuu's body playfully with a teasing smile. "After that sex. We'll be staying like this for a long time. Long enough for my cock to calm down. But with such a sexy babe on top of me. That's not happening any time soon..."

Both girls giggled softly returning their focus back to the TV as the peaceful sound returned to the room. The smell of sweat, cum, and smegma still filled the air. A satisfying reminder of the passion they shared. The heat was still suffocating and the air dry. But now both girls were hotter and wetter, successfully beating the summer weather. Just as the season ended the passionate sex was just beginning.
