

Royal Sissy

Chapter 9

by Madafakir

Well, sissyboy. I hope you got some rest last night. The last few days have been tough for you, but we're on the right track.

Your body and mind have
already changed.
Permanently. Now it's time
to test your reactions.

I will do as you say,
Mistress...

Days of teasing your
sexuality must have left
you desperate for sexual
attention, right?

Mh...

Uuuh...
Mistress...

Don't worry, I have
the answer to your
needs here.

This is your
test today.

Oh...

It's... It's so
big... So long...

Yes it is... And you must accept it willingly.

Guuhpp...

Mmm...

Wonderful! Your throat is tolerating it better and better! You no longer have any gag reflexes!

And now... I'll put it
in even deeper!

Ghhhhh!!!

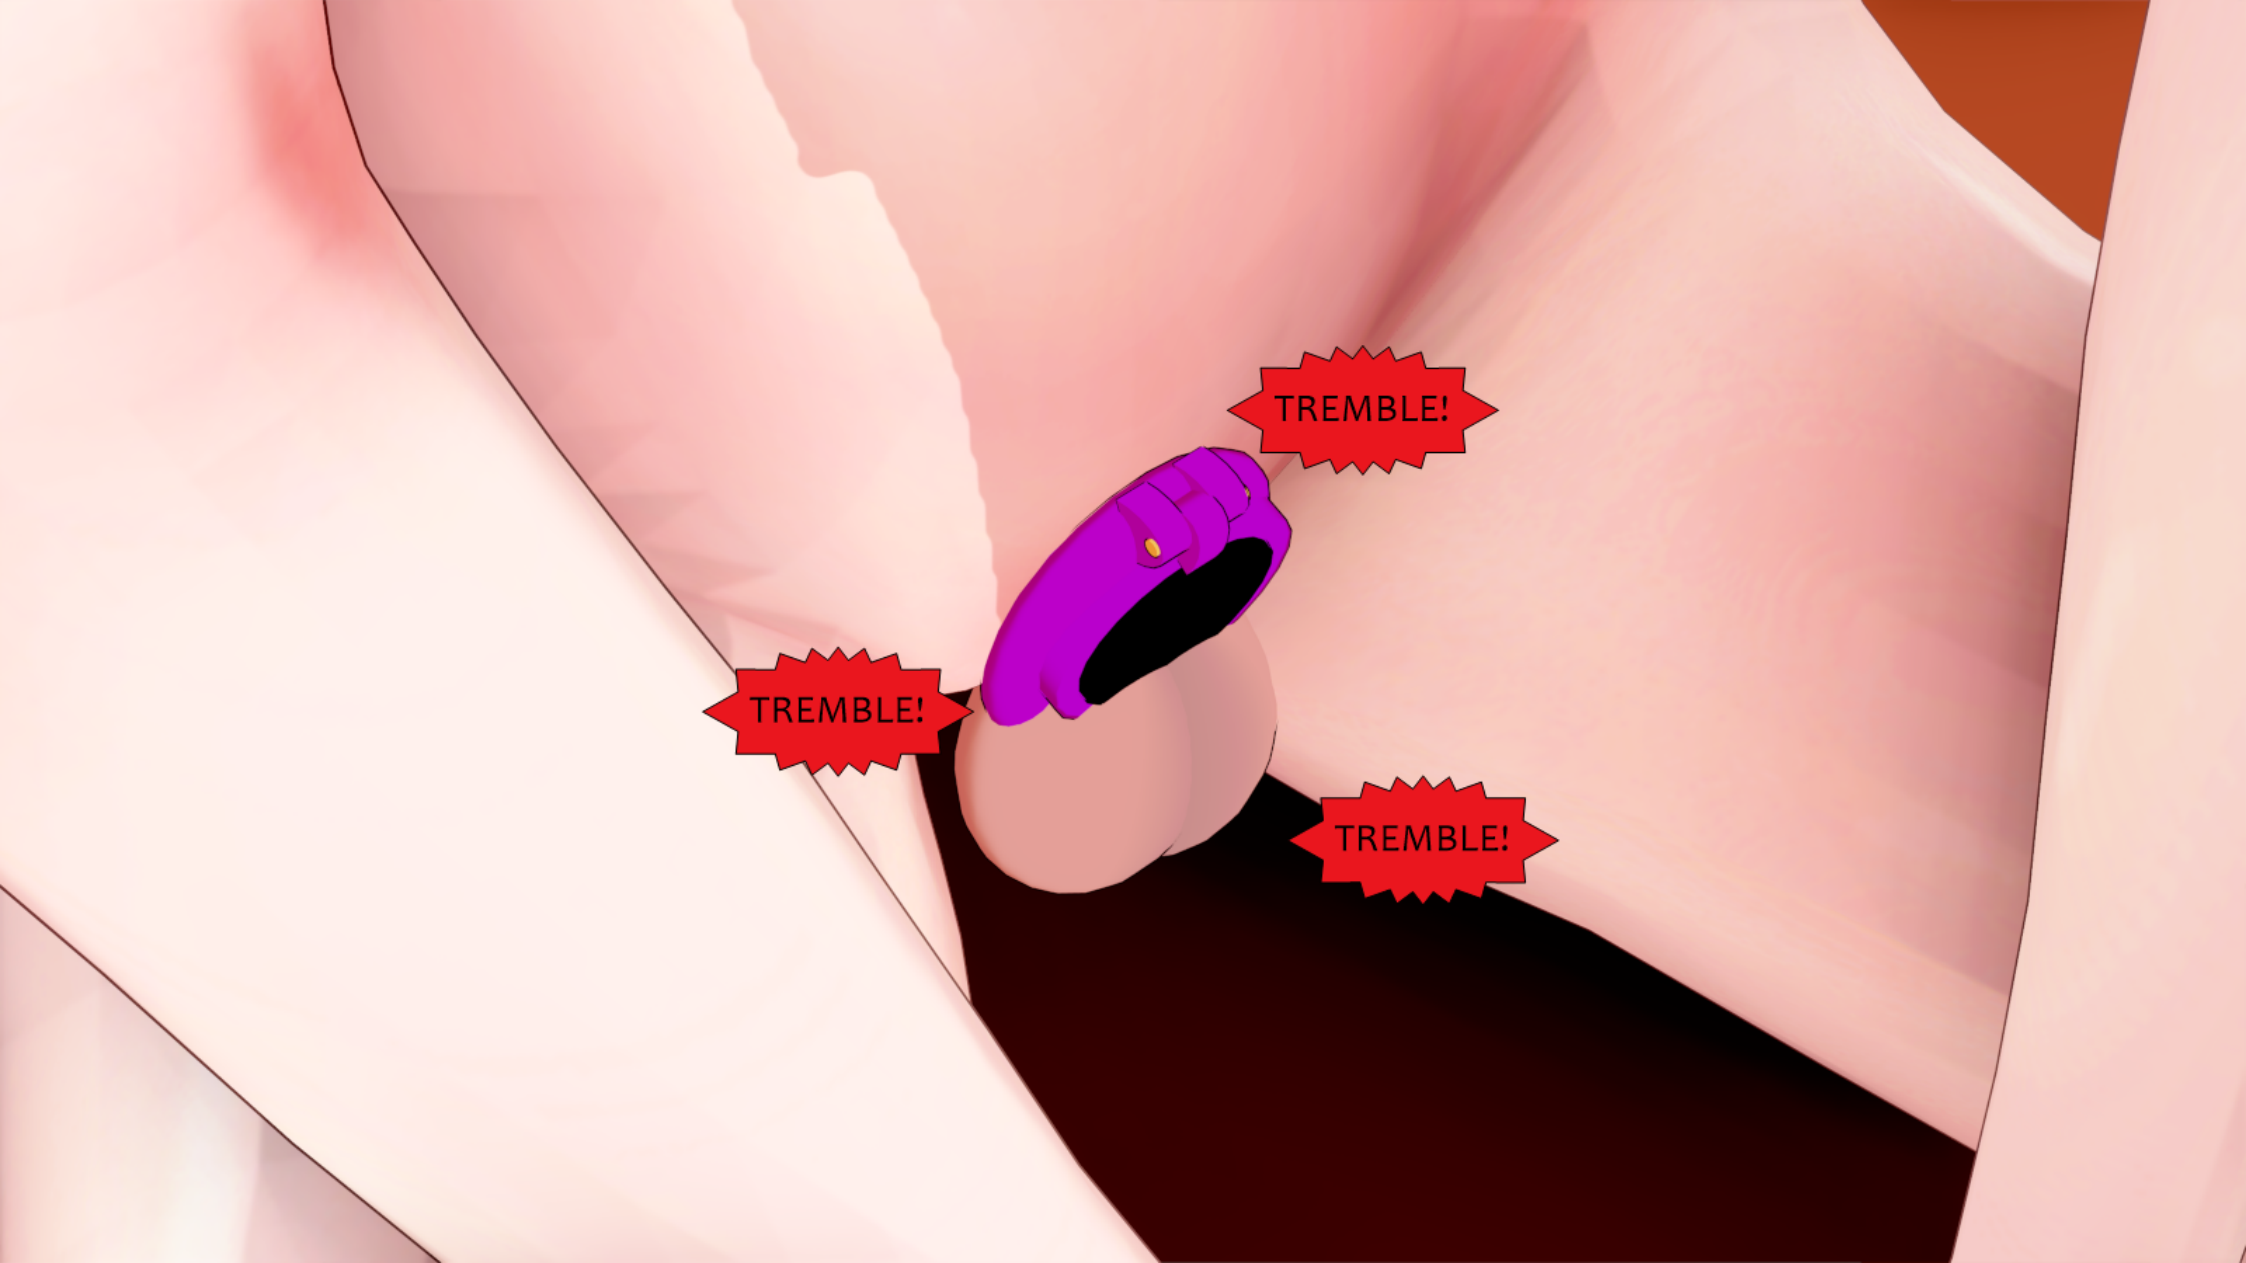

Mmmh...

Hold on! Just a
little longer!

Mmmhmmm!!!

TREMBLE!

TREMBLE!

TREMBLE!

Mmmmmhhh!!!

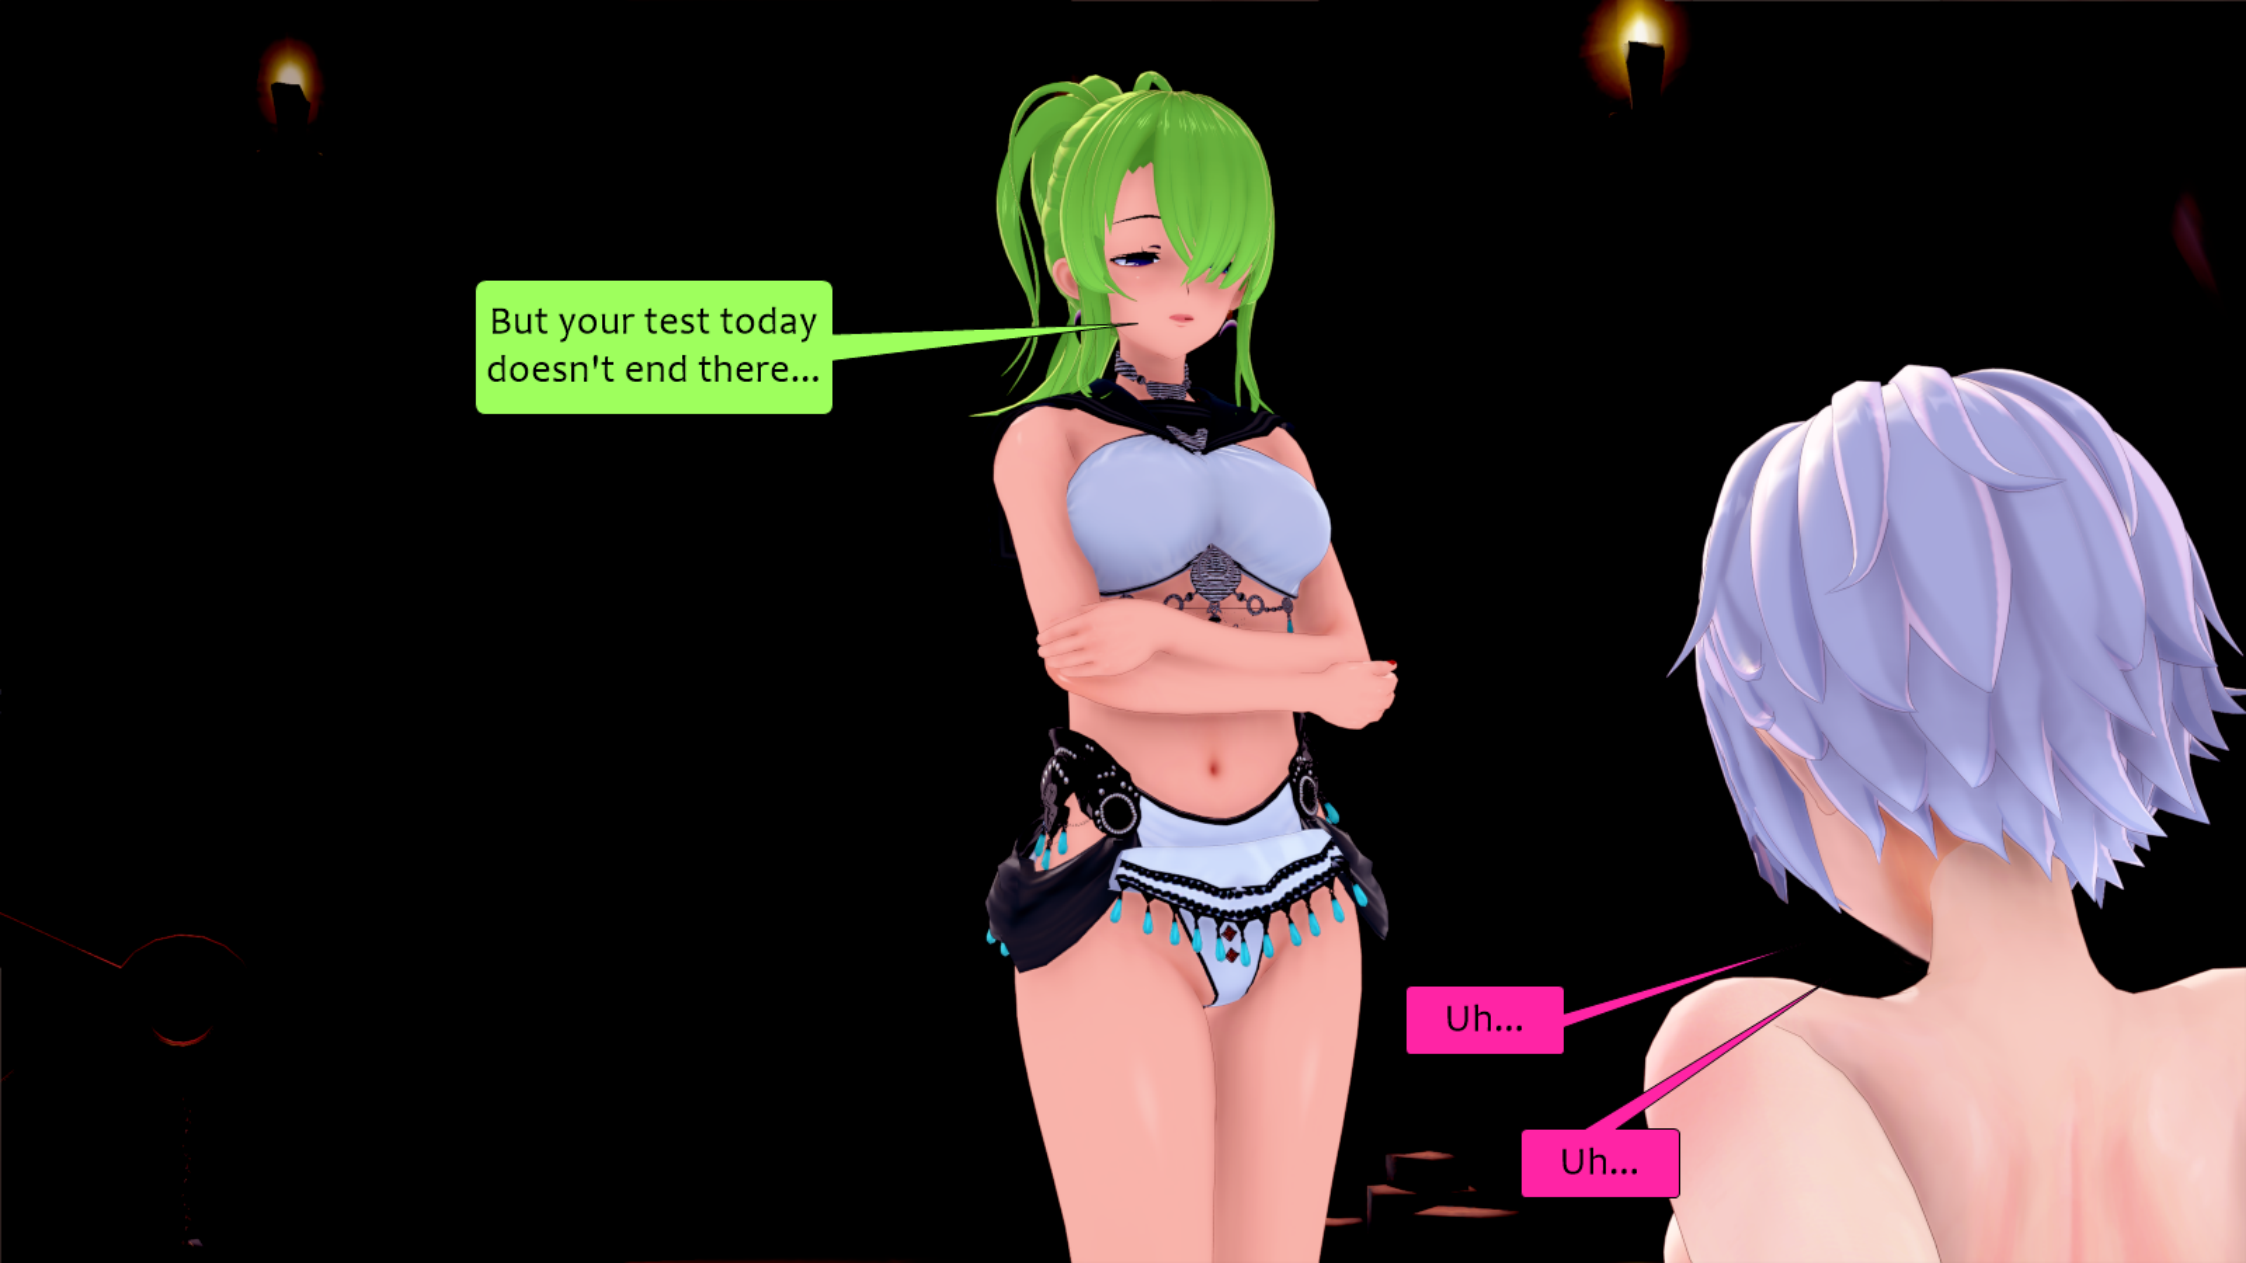

Mmmmmhhh!!!

Truly impressive! I
understand more and
more why the king
chose you...

Alright...

But your test today
doesn't end there...

Uh...

Uh...

What... what should
I do, Mistress?

We'll test your oral skills in a different way. In this area, you need to be the absolute best.

O-okay, Mistress Layla...
I'll do whatever you
want...

I'm glad you're such
an obedient dog,
Sporus...

Now... stick out
your tongue...

Hoh!?

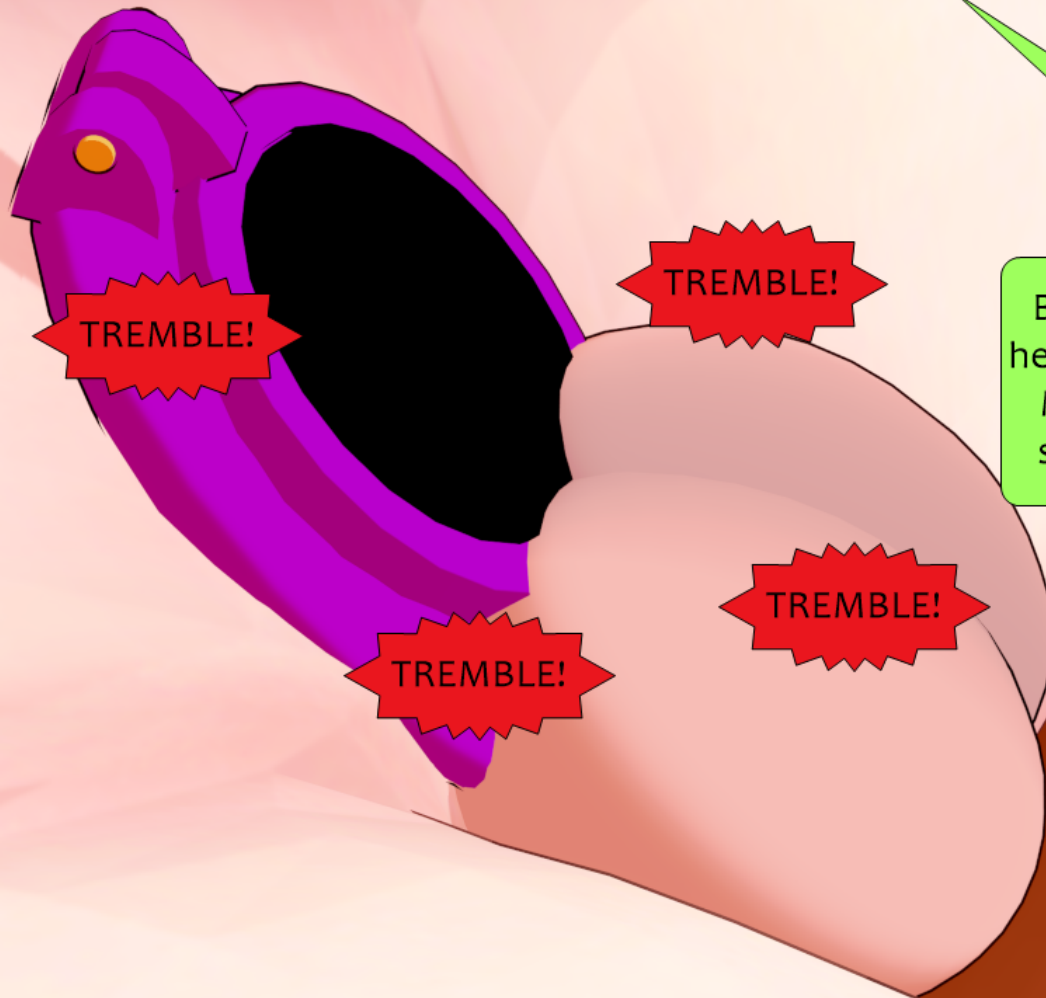

You like this sight, don't you? It makes your body tremble and your heart pound...

Y-yes,
Mistress...

Okay. Enjoy this view,
because this might be the
last time you see a
woman's pussy...

TREMBLE!

TREMBLE!

TREMBLE!

TREMBLE!

But you're not allowed to touch her, Sporus. Pussies aren't for you. My ass is for you, so you better stick your tongue in there now!

O-ok, Mistress...
Ammm...

Oh, stick it in
deeper, you idiot!

Aaaaamm...

It has to go all the way in! Taste my
asshole!

Mmmghh...

Oh yes! Great! You're moving that tongue so smoothly!

Mmmm...

Oh yes! Move it faster!
But remember, you
can't touch my pussy!

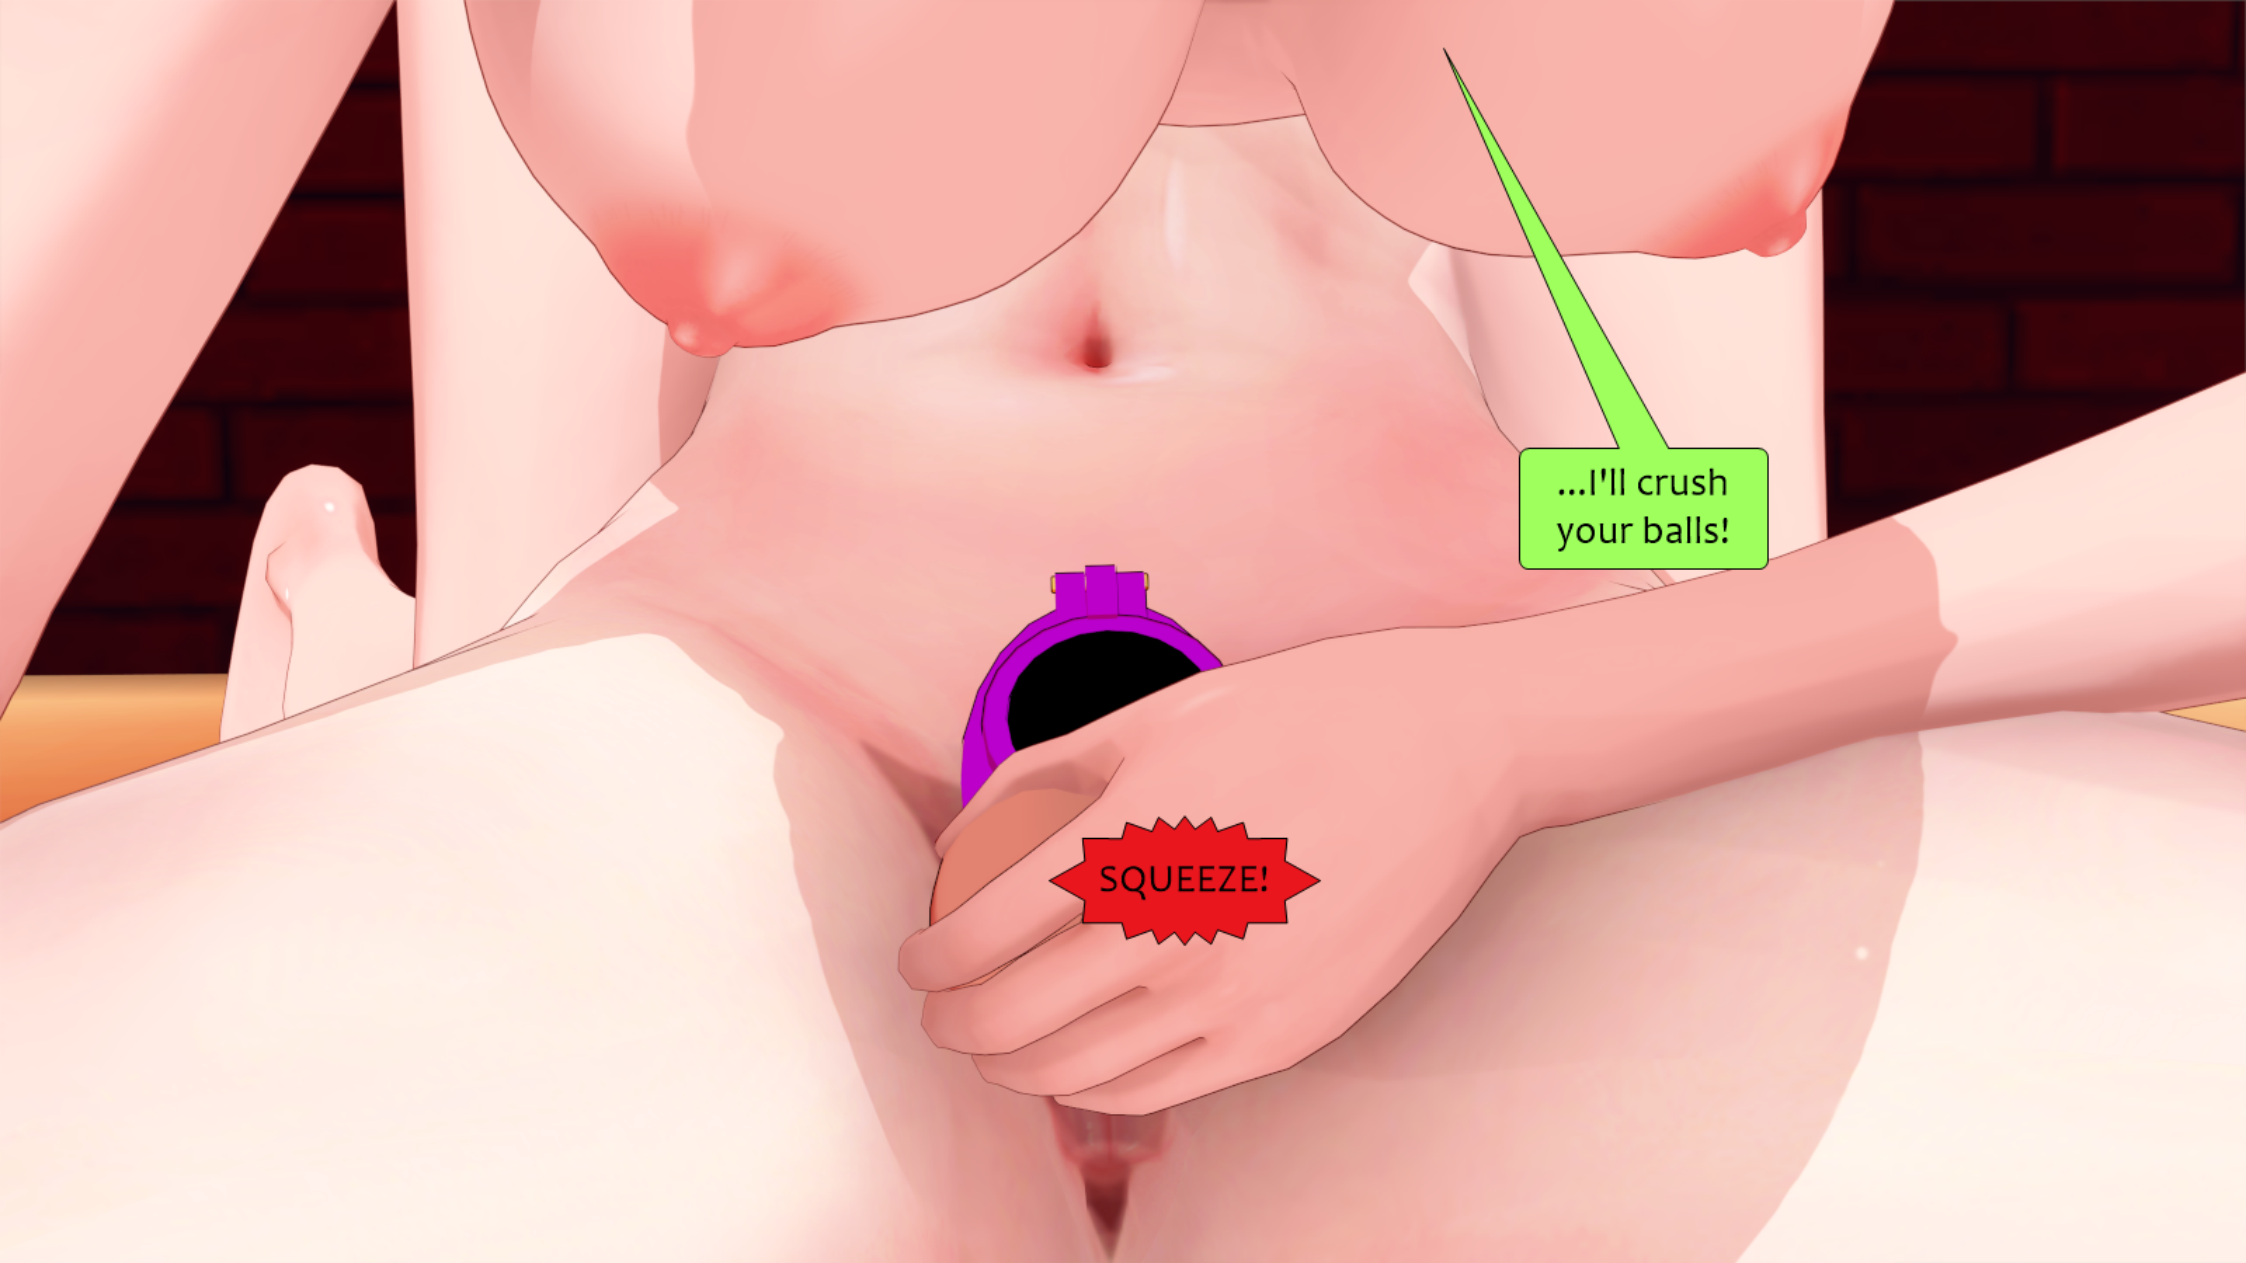

Mmmh!

Mmmh!

If you touch it...

...I'll crush
your balls!

SQUEEZE!

Mmmmmmm!!!

Mmm...

Stop whining. Hang in there. The king likes to play rough sometimes... And since you're going to remain a virgin until marriage, for now, only your mouth will be the subject of enjoyment!

Mmh...

Mmh...

Okay, time for a break...
Although my ass will miss
your tongue...

Now we will check
the reflexes of your
lower body...

Mhm...

As you know... the king
has some specific
preferences...

A 3D rendered female figure, shown from the waist down, stands on a dark grey, angular platform. She has a light skin tone and is wearing red nail polish. The background is a dark red, textured surface. A bright green speech bubble points from the right side of the image towards the figure.

Using this device, we will
check whether the effects
of our training are
satisfactory...

Now come over
here and sit on this.

Y-yes,
Mistress...

L-like that?

Exactly,
sissyboy!

Now give yourself a relief
and rub your swollen balls
against the rim.

A 3D rendered scene showing a person's legs and hands. The person is positioned on a dark, flat surface, possibly a table. Their hands are resting on the surface, with fingers slightly spread. The legs are bent at the knees, and the person is wearing a small, purple, ring-like device around the upper thigh area. The background is dark, with a brick wall visible on the left and some mechanical structures with chains on the right. The floor is a reddish-brown color. A pink speech bubble points to the text "O-ok...".

O-ok...

A 3D rendered character, possibly a woman, is shown from the waist down. She is standing on a dark grey rectangular platform. Her right hand is resting on the edge of the platform. She is wearing a small purple ring on her right index finger. The background is dark with a brick wall on the left and a wooden floor. To the right, there is a black metal stand with chains and a red object hanging from it. A pink speech bubble points to the character's hand.

I'll try...

A 3D-rendered anime-style female character is shown from the waist down, leaning forward with her hands resting on a dark grey surface. She has pale skin and is wearing a small purple thong. The background is dark, featuring a brick wall on the left and a wooden floor. To the right, there is a black metal stand with chains and a red cloth hanging from it. A pink speech bubble points to the character's hand.

Uuh, that...

That hurts...

...but...

...but...

...but in a weird,
minimal way, it's
nice, right?

Uuuh...

RUB!

...yes...

RUB!

RUB!

Hah, no wonder. After such a long period of sexual abstinence, even rubbing your swollen balls against a sharp edge can be pleasurable.

Uuuuh!

Ahahahaha,
great!

Oooh!

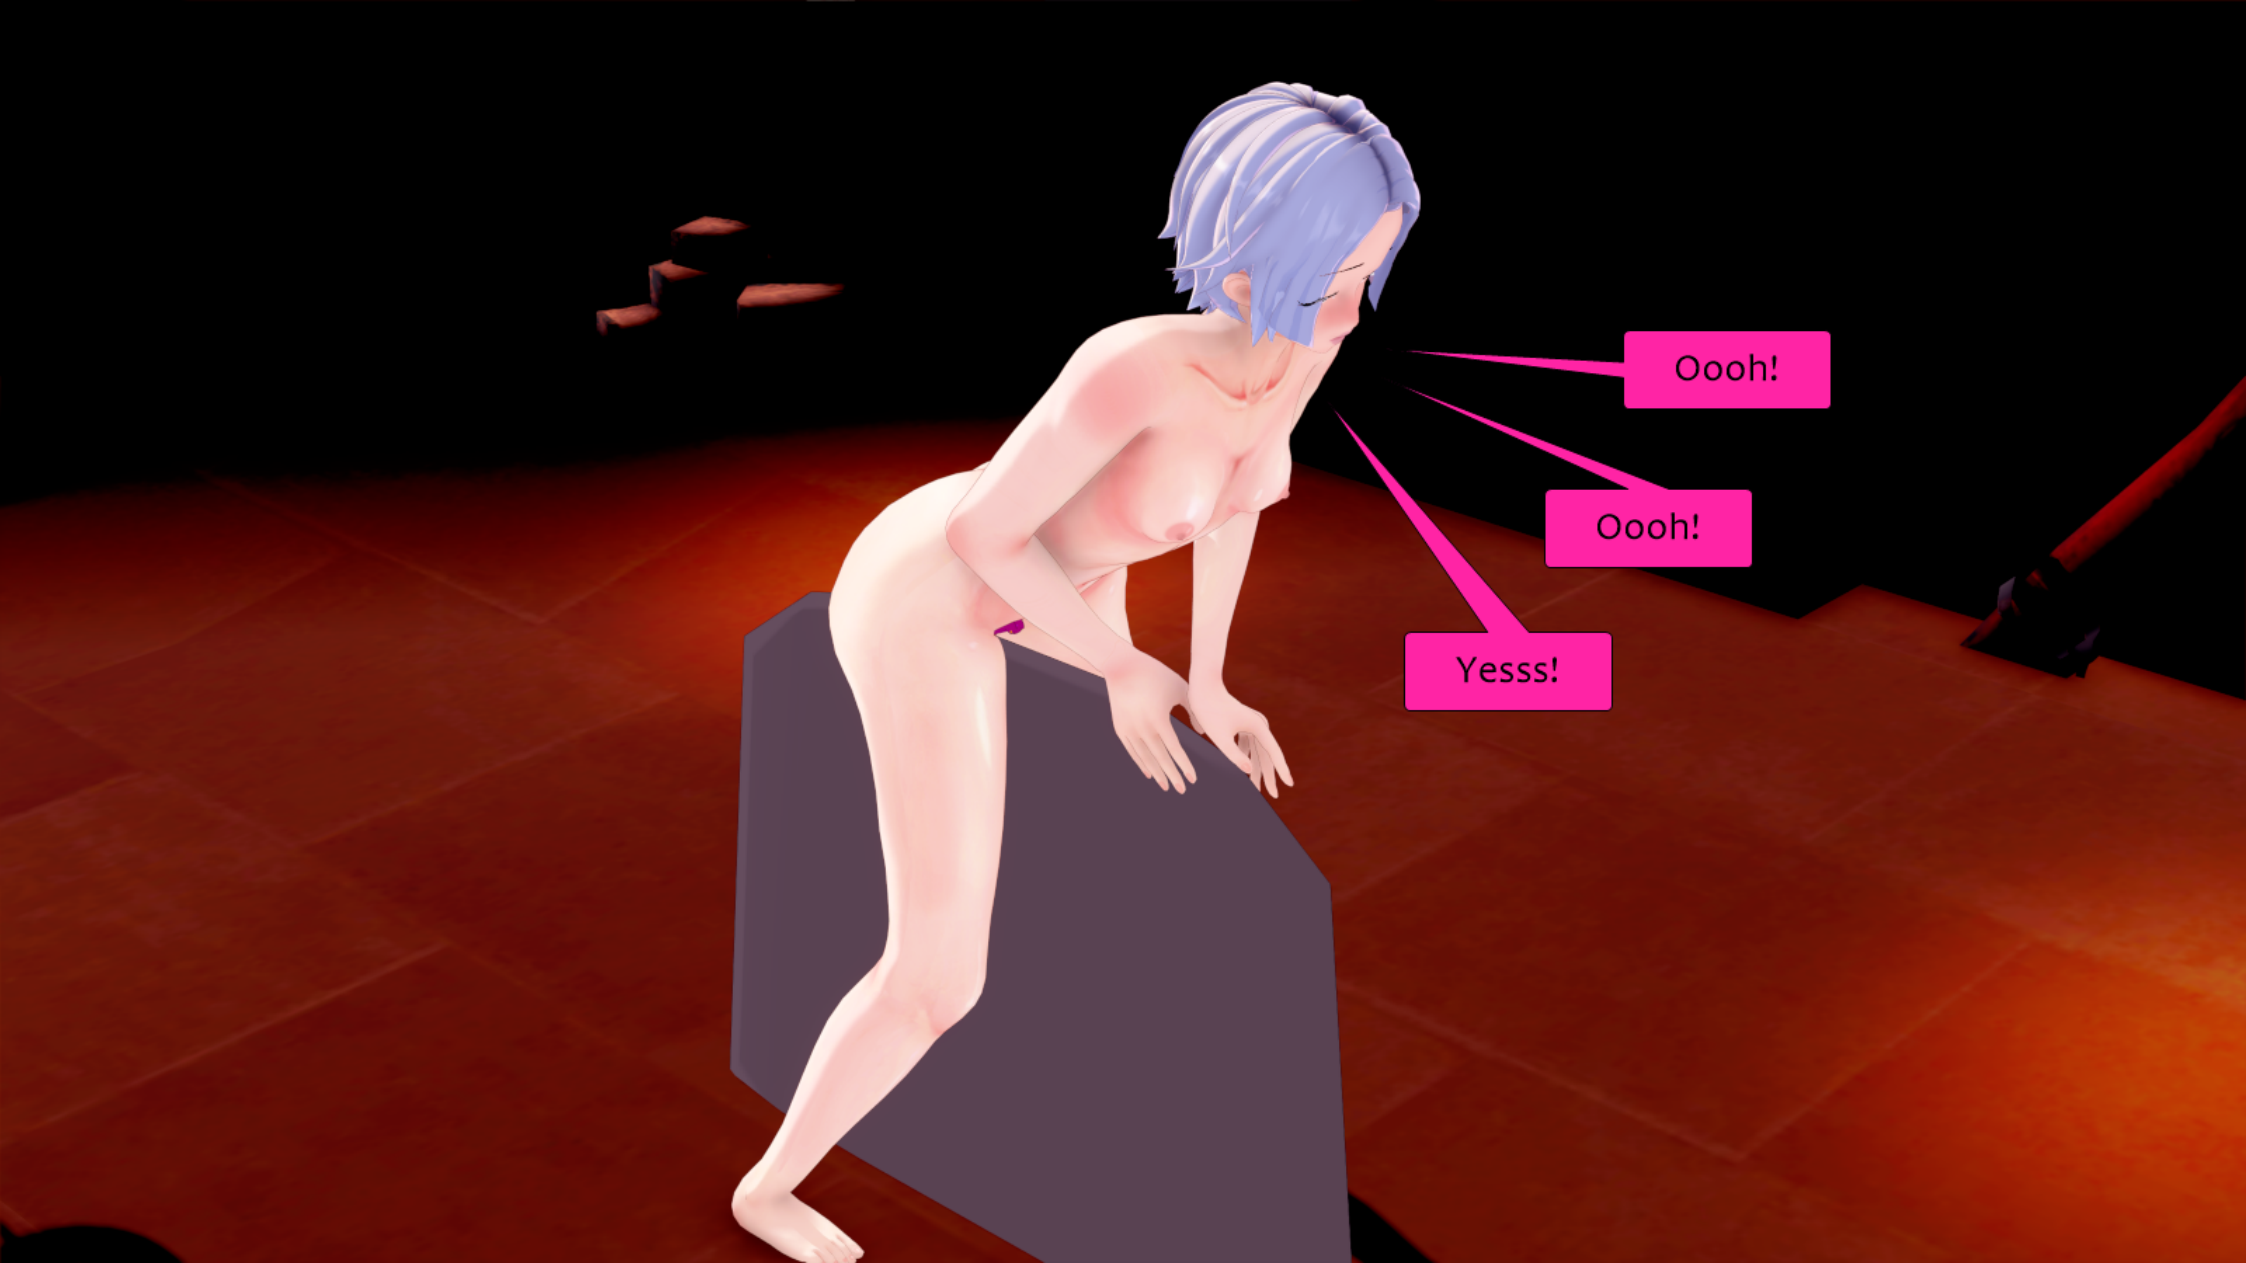

Aaah!

Uuuu!

Haha, wow! You're doing
this with such desperation!
You really needed this, huh?

Oooh!

Oooh!

Yesss!

I needed
that!

I...

I needed that
soooo muuuuch!

Ooooooooooh...

An illustration showing a person's legs and hands. The person is standing on a dark, reflective surface. A liquid spill is visible on the surface near their feet. A pink speech bubble points to the person's leg, and a red speech bubble is near their hands.

Ooooooh...

SLOOOSH!

Holy shit! You pissed yourself all over with pleasure! Just perfect!

Ooooooh...

Ooooooh...

Oh yes... The King will
be very pleased...

Some time later...

Well then, Sporus...
Your training is over...

I did everything I could to
make you the perfect
bride for our king.

I gave you a beautiful body...
I trained your mind... and I
gave you the most beautiful
outfit in the world...

Oh yes, you are perfect...
But now it's all in your
hands...

You will no longer
be just a servant to
our king...

You will not only
be a lover...

Now you will be
his wife...

Oh my, this is so beautiful! You must be so happy!

Y-yes, Mistress
Layla...

I am s-so...
happy...
