

In the walkthrough, I will describe the best path through Taboo University to get the hottest and lewdest content possible! I will also describe how to avoid fetishes and how to get other miscellaneous content that you might like.

Legend:

- ❖ Anything in **bold** is a choice in the game that you will have to choose to get to the best path.
- ❖ Anything underlined indicates different scenes and paths in the story where the game has, had, or will have different alternative content.
- ❖ Anything in **magenta** are actions or content that are related to certain fetishes.
- ❖ Anything in **green** are actions or content that are related to or give points for the "green group".
- ❖ Anything in **red** are actions or content that are related to or give points for the "red group".
- ❖ Anything in **blue** are actions or content that are related to or give points for the "blue group".
- ❖ Anything in **orange** are actions or content that are related to Josie and Lara.

Prologue:

At the beginning of the game, unless you are loading from a completed book 1 save, you will be asked which 2 of the 3 main game factions your character will be investigating.

There is no option to investigate all 3 at once - and occasionally the story branches will overlap in unique ways depending on the combination - Winners/Cult, Winners/Syndicate, Syndicate/Cult - including primarily your polyamorous relationship with Silvia, Zemfira, or Nia respectively.

You will also be asked what characters you "like" from each faction you pick. Each character you choose will be set as you being on their "Path", meaning you are currently in, at the very least, a sexual relationship with them.

Winners Choices:

Brigitta, Iona, Monika, Olesya, Tiana - Set their Paths to true or not.

Isa vs Sam - Which girl did you decide to investigate? Either character locks the other one out of their Path for the save.

Did you have sex with Isa/Sam - Changes the respective girls Path to true.

Children of Narrura Choices:

Delphia, Irene, Lumi - Set their Paths to true or not.

Ezra vs Sally - Which girl did you decide to investigate? Either character locks the other one out of their Path for the save.

Did you have sex with Sally/Ezra - Changes the respective girls Path to true.

Delphia Watersports - Changes certain dialogue. May be set to false and still have the opportunity for Watersports content later.

Pressure Lumi to get a Tattoo - Changes certain dialogue.

Sally or Ezra sex?

Syndicate Choices:

Asami, Fluer, Foxy, Nirmala - Set their Paths to true or not.

Morgan vs Corinne - Which sister did you decide to investigate? Either character locks the other one out of their Path for the save.

Did you have sex with Morgan/Corrine? - Changes the respective girls Path to true.

Did you ask Lilith to stay when Foxy solicited you? - Changes certain dialogue.

Did you Dom Helena? - Changes certain dialogue

Did you behave aggressively with Xasan? - Changes certain dialogue.

Non-Faction Choices:

Josie, Diana, Ronja - Set their Paths to true or not. Diana and Ronja are mutually exclusive to each other.

Is Josie Trans - Changes if Josie has a dick or not.

Did you ask for Lara to go to the party with Josie - Changes certain dialogue

Did you let Diana dominate you - Choice only available if you are on Diana's Path. Changes certain dialogue. May be set to false and still have the opportunity for Domination content later.

Ronja Watersports - Choice only available if you are on Ronja's Path. Changes certain dialogue. May be set to false and still have the opportunity for Watersports content later.

Did you let Ronja talk about her husband - Choice only available if you are on Ronja's Path.

Changes certain dialogue. May be set to false and still have the opportunity for Cuckoldry content later.

Chapter 10:

Non-Faction Scene 01:

You wake up and get ready for the day

If you're on Josie's path, you have an extra meeting with her outside your dorm, in the garden, to flirt.

Non-Faction Scene 02:

You are approached by either Ronja or Diana to be invited to a staff dinner party that night. If you are not in a relationship with either of them, the scene defaults to Diana, and some of the flirtier dialogue is gone.

Winners Club Scene 01:

You show up at the winners mansion in the morning, which is the aftermath of the party from the end of the first game.

At the end of the scene, as the Winners are finding their bearings, Isa discovers a campus newscast is suddenly reporting about alleged drug use among the club - and particularly the volleyball team.

Brigetta, furious, storms off, leaving everyone else to be exasperated on their own.

- ❖ Let Iona make you a drink or not - Only changes dialogue.

Winners Club Scene 02:

You follow Brigetta back to her room to talk to her about the drug scandal. After she talks about Professor Harlan for a bit, you two agree to an uneasy alliance to bury this together.

Winners Club Scene 03:

This scene only happens if you are on Sam's path. You go to her dorm after your talk with Brigitta to find out if she knows anything. She doesn't, and is just as pissed as Brigitta about the fact that it happened.

Sam quickly goes from being erratic to trying to flirt with you to cope. [There is an optional sex scene with her.](#)

Choice:

- ❖ Play Along - Have sex with Sam

- During the sex scene, Sam will ask for some Watersports. This is optional and skippable with no consequence.

- ❖ Stop Her - Do not have sex with Sam

Children of Narrura Scene 01:

You attend a morning meditation with the other girls at the rooftop garden, during which you are invited to some event going on afterwards underneath the library, in the caverns underneath the school.

Children of Narrura Scene 02:

You meet up with Nia and Delphia to head into the caverns.

(If you're also on the Winners path - meaning you're in a relationship with Silvia as well - you get to speculate about the fact that these tunnels had something to do with the family that lived here during the civil war. But otherwise, you enter without any fanfare.)

There is a ritual in the scene with optional Watersports content, but no sex. There is no consequence for avoiding the content.

Choice:

- ❖ Express Hesitation - You avoid the Watersports content yourself, and there is no on-screen depiction.
- ❖ Show Excitement - You engage in the drinking from the shared chalice.

Children of Narrura Scene 03:

You follow Kara and Andrejz after the meeting secretly, to try and find out what their apparent tension is about.

Syndicate Scene 01:

You show up to Guns n' Rosette that afternoon and meet up with the members of the gang and catch up/refresh after the events of book one.

If you are on Fleur's Path, you have a small aside with her about the state of your tryst in light of you and Zemfira seemingly getting more serious.

Syndicate Scene 02:

You show up in the inner circle of the bar, meeting up with Xasan and Morgan to discuss your prior plans to start fighting and debt collecting to reduce the debts of the people you're ingratiating yourself to.

Afterward, Morgan ticks off another to-do by asking you to pick a Fighter Name for yourself. Two options are premade, with a third to enter a custom one yourself.

- If you attempt to enter Mad Dog, Xasan, or Calamity Carnage, Morgan will stop you and tell you that none of that will fly in different ways.

- If your custom name involves the word Dick, Cock or Pussy, Morgan will tell you you're not funny, but still allow it.

- Otherwise, there are no special reactions.

Syndicate Scene 03:

After going to and talking with Morgan a bit in the park - the conversation differs a bit if you're on Corrine's Path instead - the debtor you're supposed to collect from shows up. He's light, and starts acting like a punk about it.

Choice:

- ❖ Kick Him - You pressure the debtor without going overboard. He ends up paying. No lasting consequences.
- ❖ Help Him Up - The debtor ends up getting away. No lasting consequence.
- ❖ Beat the Living Shit Out of Him - You go overboard and Morgan is forced to stop you. No lasting consequence.

Syndicate Scene 04:

Later that night, it's time for your first fight. There's some banter among all your friends, but the important moment is when Hellena shows up by surprise.

Syndicate Scene 05:

After you get dressed for a fight - with some flirting from Foxy if you are on her path - you step into the ring with one Rapid Viper

Choice:

- ❖ Punch Again + Run at Her - Xasan and Zemfira comment on how good a fighter you are.
- ❖ Otherwise - Xasan and Zemfira aren't so impressed with you.

Afterwards, everyone congratulates you and pats you on the back.

If you are on Morgan's Path, you're given the option to go to a celebration dinner date with the two of them on a different day.

Choice:

- ❖ I'd love to hang out - Leads to an optional scene later with Morgan and Rory, followed by a Morgan sex scene. Opens the door for a possible Rory scene as well.
- ❖ That's okay - You skip the Morgan and Rory content.

Syndicate Scene 06:

Fleur is the one to lead you away after the fight to help patch you up. As she is, you two are pulled aside by Gabbie, the secret leader of the Syndicate and Xasan's boss.

If you're on Fleur's path, you have a more meaningful conversation with her about how she feels about the cam work, with an optional sex scene with her.

Choice:

- ❖ Let her Massage You - Fleur sex scene
- ❖ Gently Turn her Down - You skip the Fleur content.

Non-Faction Scene 03:

Mc attends that late-night dinner party he was invited to by either Diana or Ronja at the beginning of the chapter.

If you are on Diana or Ronja's path, after some sneaking around, they will re-find you in one of the bedrooms and you two have sex.

(If on Diana's Path) Choice:

- ❖ Take Control of Diana - Leads to Ass and Throat fucking..
- ❖ Let Diana keep control - Leads to optional Foot Fetish worship.

If you are on Ronjas' path, there are no particular choices to make during the sex scene, but if you let her talk about her husband before, then there is a lot more filthy dialogue about that included.

Non-Faction Scene 04:

You make plans with the 2 of the 3 main girls - Silvia, Nia or Zemfira - to get together the next day and talk about the state of your relationships following the threesome at the end of book one.

Non-Faction Scene 05:

You go back to your dorm to find Josie and Lara playing a board game.

If you're on Josie's path, she sneaks into your bed after the lights are out to fool around.

Chapter 11:

Non-Faction Scene 01:

You wake up the next morning to start the day/chapter.

If you are on Josie's path, then Lara is moody over discovering you two are hooking up under her nose, having heard you last night.

Choice:

- ❖ Check on her - Dialogue Change
- ❖ Focus on Josie - Dialogue Change

Winners Scene 01:

You turn up to the gym early in the morning only to find Brigetta hogging it. Meanwhile you sneak off to the side and end up eavesdropping on Olesya and Silvia about the scandal.

Winners Scene 02:

After the gym, Mc finds himself at the Winner's mansion for lunch, thinking about the investigation. He ends up witnessing a fight between Olesya and another Winners member.

Winners Scene 03:

Silvia has decided she wants a haircut! And it turns out, Iona has the schooling to help her (for some reason).

If you're on Iona's path, there is an optional sex scene afterwards.

Choice:

- ❖ Slow Iona Down - Avoids the sex scene without consequence.
- ❖ See where this goes - Moves forward with the sex scene.

Winners Scene 04:

Later in the evening, after classes, Mc breaks into the journalism club classroom with Brigitta, and inadvertently gets trapped in a closet with her.

If you are on Brigitta's Path, you have the option to "spice up" your confinement a bit, playing off Brigitta's spiteful desire.

Choice:

- ❖ Keep your hands to yourself - Avoids the sex scene without consequence.
- ❖ That's okay - Moves forward with the sex scene.

Children of Narrura Scene 01:

Mc visits the Communers staying under the library to try and tease some information about the catacombs out of them.

If you're on Irene's path, you have the option to participate in a sex ritual with her.

Choice:

- ❖ Sounds Good - Move forward with the Irene Sex scene
 - "Choose 69" - Adds an extra 69 scene to the total event.
- ❖ I'll have to pass - Avoids the sex scene without consequence.

Children of Narrura Scene 02:

After a brief planning during Kara's class, Mc Nia and Lumi finally meet up at Nia's tattoo shop to give her her tattoo.

If you're on Lumi's path, there is an optional sex scene.

Choice:

- ❖ Try another story - Avoids the sex scene without consequence.
- ❖ Volunteer to "help" - Moves forward with the sex scene.

Afterwards, there is a following Nia sex scene.

Syndicate Scene 01:

If you're on Fleur's path, she finds you while you're having lunch one day to get your help installing a server rack. While she flirts heavily with you, your potential sex is interrupted by the cam girls bothering you for sport.

Syndicate Scene 02:

If you are on Nirmala's path, she, Sabrina and Q find you before another fight at the club to proposition you for some fun.

You can either go with Just Nirmala, All three, or pass on all of them.

Additionally, if you go with all 3 of them, you have the option of kissing Q during the scene to make your intentions known.

Choice:

- ❖ Just Nirmala - Only have sex with Nirmala
- ❖ All Three of Them- Have a 4some with the cam sluts.
 - Kiss him - Adds gay content to the 4some
- ❖ Turn them all down - Avoids the sex scene without consequence.

Syndicate Scene 03:

If you are on Corrine's path, you then take the time to visit her in prison to make a deal with her. Bail in exchange for being your spy with Gabbie.

Syndicate Scene 04:

If you are on Morgan's path, AND you took Morgan and Rory up on the post-fight offer to go to dinner in the last chapter, that happens now.

Near the end of the night, after Rory gets too high for her own good, Morgan makes a move on you for an optional sex scene

Choice:

- ❖ Move Rory out of the room first - Removes the possibility for Rory to spy, and locks out her future potential content.
- ❖ Don't worry about it - Rory is able to spy on you while you fuck Morgan, possibly leading to a Rory scene later.
- ❖ Rain Check - Avoid the sex scene. No consequence for Morgan, but still locks out Rory's potential content.

Syndicate Scene 05:

You chase down Zemfira at the gun range, trying to get to the bottom of why she's been a bit distant the past few days. Near the end you make plans with her to go to a raging nightclub that night to let off some steam.

Syndicate Scene 06:

The raging nightclub scene. There is a small choice at the beginning that only affects the dialogue, but otherwise flows directly into a sex scene with Zemfira.

Chapter 12:

Non-Faction Scene 01:

If you're on Josie's path, it's several days later now. When you and Lara start to bicker again, Josie stomps out angry and Lara laments that she fucked up. You and Lara end up heading to the rooftop garden to chase after her, leading to Josie and Lara kissing.

Winners Scene 01:

You head to a volleyball practice with the rest of the team, but it's tense. You try to be nice and keep the team together, but only Olesya is in a mindspace to appreciate the effort - everyone else is too burnt.

Whether or not you're on Monika's path, she takes issue with your budding friendship with Olesya by cornering you after the match and trying to prove she's better than her by fucking the lights out of you.

Choice:

- ❖ Shove her off - Avoids the sex scene without consequence.
- ❖ Let her work herself out - Moves forward with the sex scene. Sets Monika's path to true if it wasn't already.

Winners Scene 02:

Mc is walking back to his dorm after practice to change, but is stalked out by Isa, desperate for his help maintaining her place in the club.

If you're on Isa's path, there's an optional sex scene.

Choice:

- ❖ Give her a break - Avoids the sex scene without consequence.
- ❖ Ask for a down payment - Moves forward with the sex scene.

Winners Scene 03:

Mc makes a phone call to either Isa or Sam, depending on which path you're on. Either way, he finds out from either of them where he's going next, and then calls Phoebe for help in tailing him.

Winners Scene 04:

Mc and Phoebe meet up after her tail so she can tell you how it went, and what Harlan is up to meeting with student parents.

Winners Scene 05:

It's time for the next volleyball game. Mc and Brigetta talk on the bus for a while, but then everyone goes their separate ways to cope in their own ways before the game.

Winners Scene 06:

Just before the game, the team meets up again to discuss taking the drugs again - and Mc does his best to argue against it. Everyone else is inspired by Mc's faith in them, but it falls flat as they prove to actually lose the next game.

Mc returns to a room with Silvia to sleep for the night. The next morning, Silvia wakes up Mc with a blowjob which escalates into full sex.

Winners Scene 07:

After the game, everyone heads back via bus the next morning. Your attention is caught by a sudden news broadcast, featuring Harlan mysteriously giving you credit for solving the scandal.

Children of Narrura Scene 01:

Mc attends another self help meeting with Nia and the others. The girls start talking about a picnic to celebrate Lumi about her finally getting her tattoo - and Mc, seeing an opportunity, sets himself up to explore the catacombs more safely while everyone is busy.

Children of Narrura Scene 02:

Mc investigates the catacombs that night while the girls are off having fun and keeping Andrejz busy, planting a bug on Kara's staff. However, Delphia gets a bug about your excuse and figures out what you're doing - confronting you in the Catacombs.

If you're on Delphia's Path, there is an optional Sex scene.

Choice:

- ❖ You're too high for this - Avoids the sex scene without consequence.
- ❖ I feel it - Moves forward with the sex scene.

Children of Narrura Scene 03:

Another day, Ivy finds Mc while he's hanging out with Nia and Lumi to kidnap him for another Fertility Ritual with Yvonne - However things are cut short when Mc accidentally - and finally - induces Yvonne to go into labor afterwards.

Children of Narrura Scene 04:

It's the next day - and everyone is meeting in the main chamber to celebrate Yvonne's birth. Mc collects a recording from Kara's staff that captured her and Andrejz talking about trying to convince Lumi to have a child - and Mc swears not to let that happen.

Syndicate Scene 01:

Corrine scene

Syndicate Scene 02:

Mc, Zemfira and Foxy meet up to finally test this weird drug deal Hellena is offering them. Unfortunately, Cade is also there.

If you're on Foxys path, there is an optional Sex scene where you fuck her and Zem watches after Cade leaves.

Choice:

- ❖ Don't wake Zemfira - Avoids the sex scene without consequence.
- ❖ Wake up Zemfira - Moves forward with the sex scene.

Syndicate Scene 03:

The next morning, most of the gang meets up to talk about the deal, and how it - strangely - seems to check out from every angle. However when Gabbie finds out its *Hellena* offering the deal, something she hadn't heard yet, she doesn't react too well.

Non-Faction Scene 02:

Mc goes on a date in the park with 2 of the 3 girls - Silvia, Nia and Zemfira - depending on which two factions he is investigating. Mc keeps getting hounded by a surprising amount of "fans" from either faction, though.

This, along with hearing the girls gush about his kindness and honesty, sets something off in Mc - making him queasily end the date to escape. He goes straight home to sleep.

Non-Faction Scene 03:

Mc has a nightmare following his date - centering around the conflict in his mind regarding the investigation and his altruism vs his desire and selfishness.

This dream sequence ends with a very important choice - to embrace or reject the indulgence that has been building this entire investigation. This will flavor most scenes going forward, and how Mc acts for the rest of the investigation. It will determine whether you get the "Savior" or "Sinner" ending.

Choice:

- ❖ Reach up to Integrity - Leads you towards the "Savior" ending for the factions.
- ❖ Fall down into Indulgence - Leads you towards the "Sinner" ending for the factions.
