A GIRL CALLED
SYPHILIS

TALES FROM THE TAVERN

Congratulations, Candy!

It's a girl!

Does ... does she look healthy?

Waaa!

Waaa!

She does!

Here!

She is so cute!

And I have the perfect name!

I will call her ...

... Syphilis!

What?!?

Like the disease that's killing you?!?

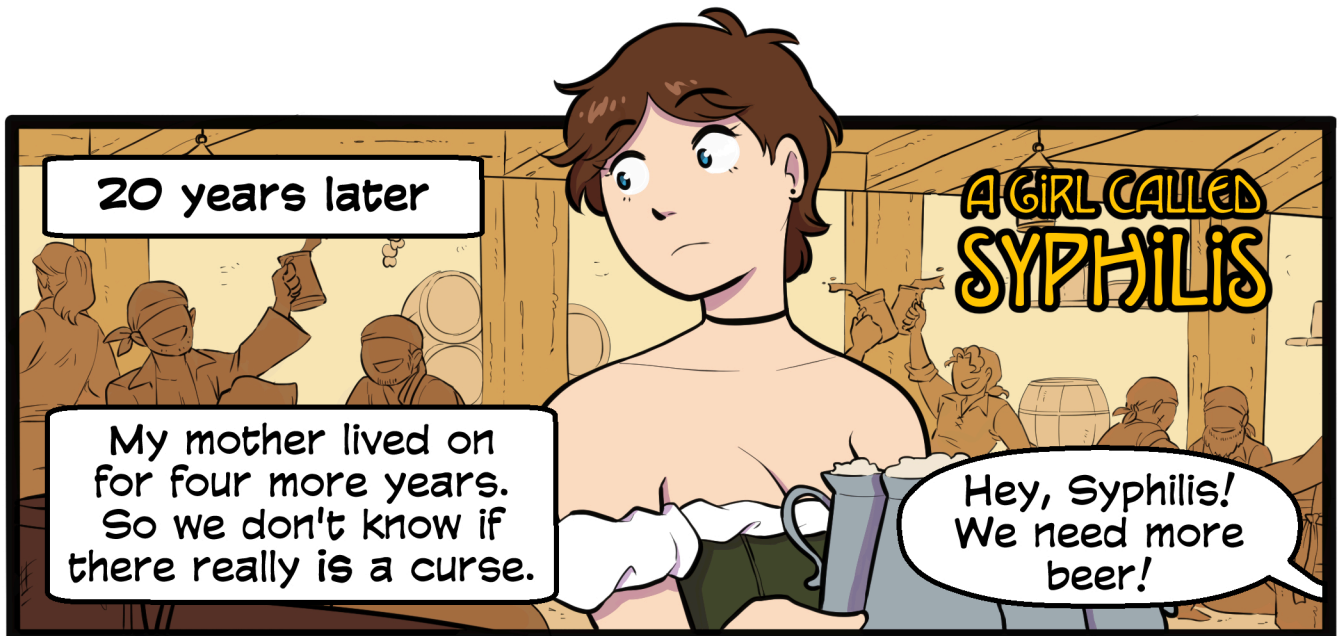

Yes!

So she won't end up in my profession! Who would touch a girl with that name?

She could change it ...

No!

Because with this, my final breath, I swear I will haunt anyone who calls her by a different name!

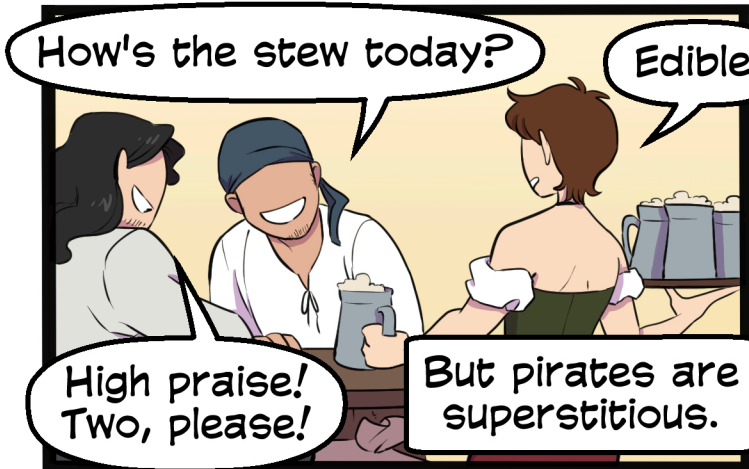

20 years later

A GIRL CALLED SYPHILIS

My mother lived on for four more years. So we don't know if there really is a curse.

Hey, Syphilis! We need more beer!

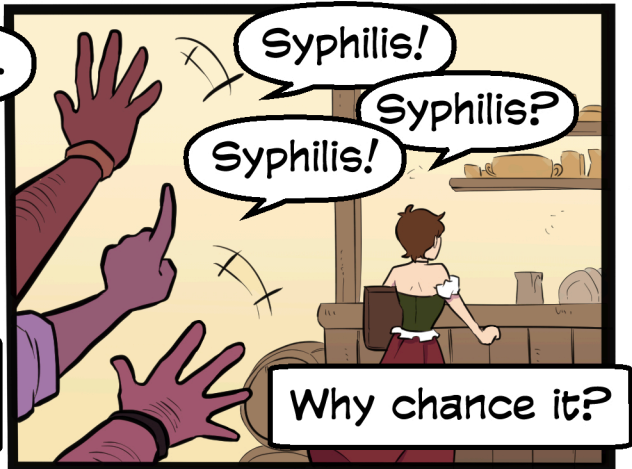

How's the stew today?

Edible.

High praise! Two, please!

But pirates are superstitious.

Syphilis!

Syphilis?

Syphilis!

Why chance it?

Looking good, Syph!

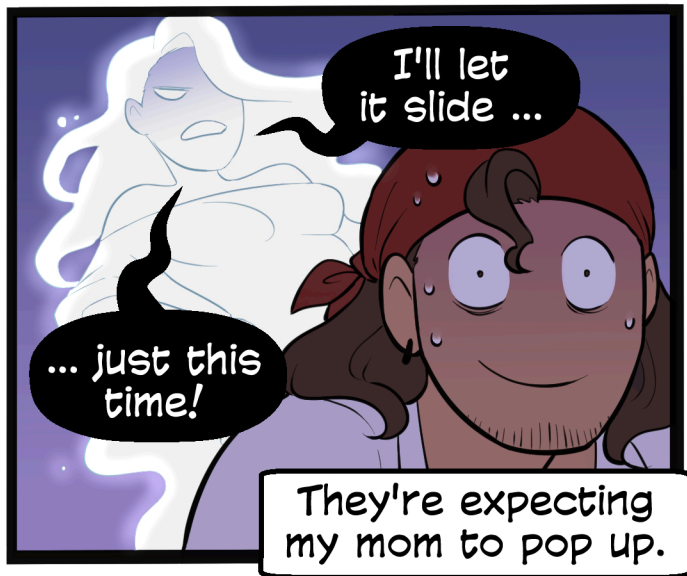

If anyone even abbreviates my name?

... ilis.

W h a a

oh no!

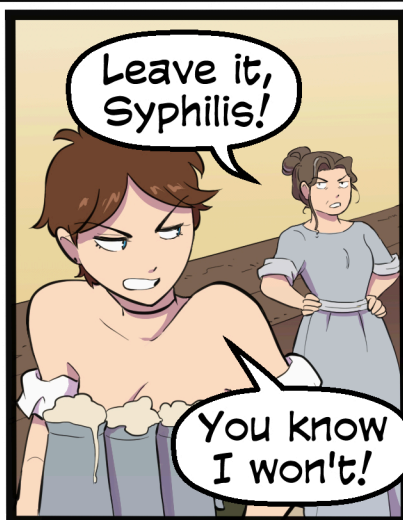

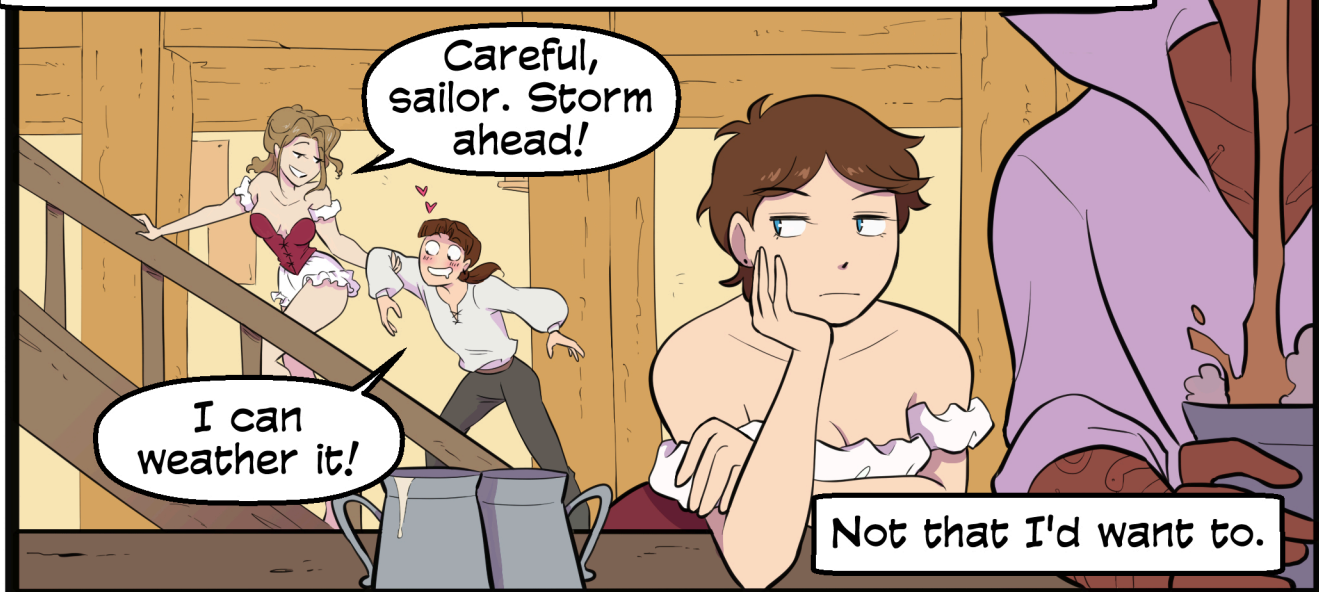

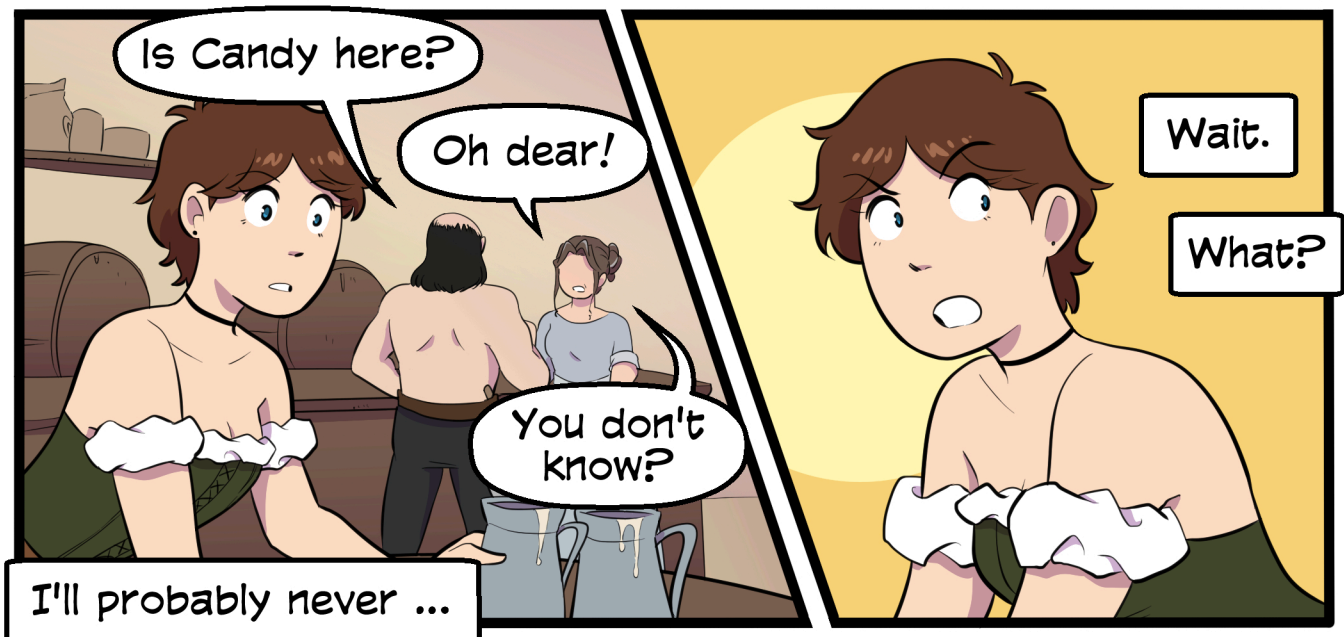

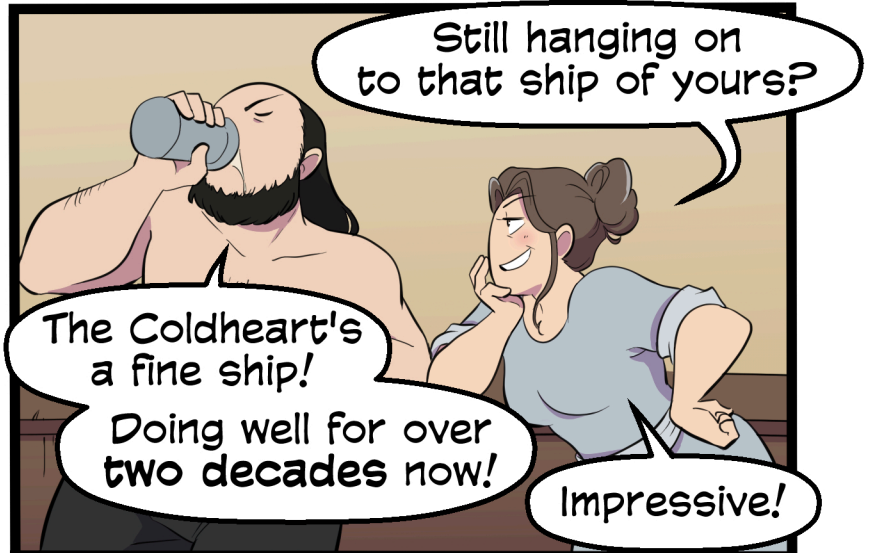

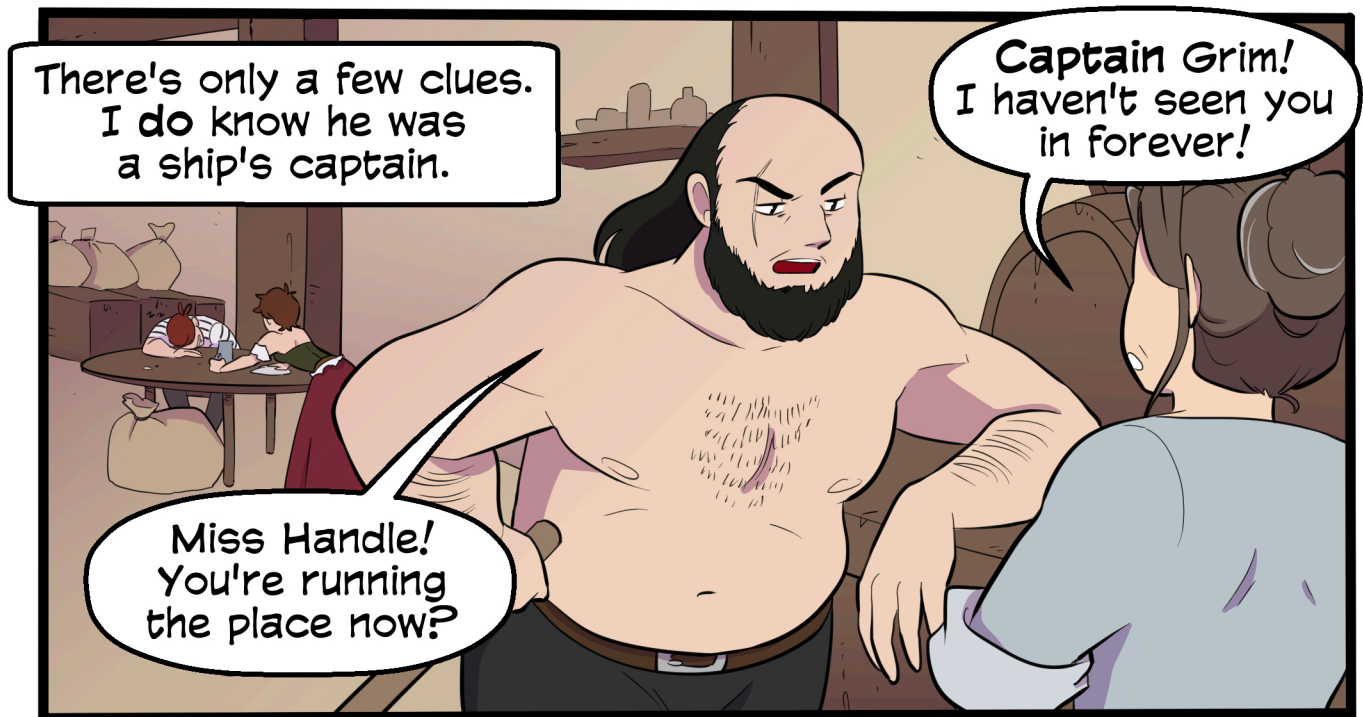

I'll let it slide ...

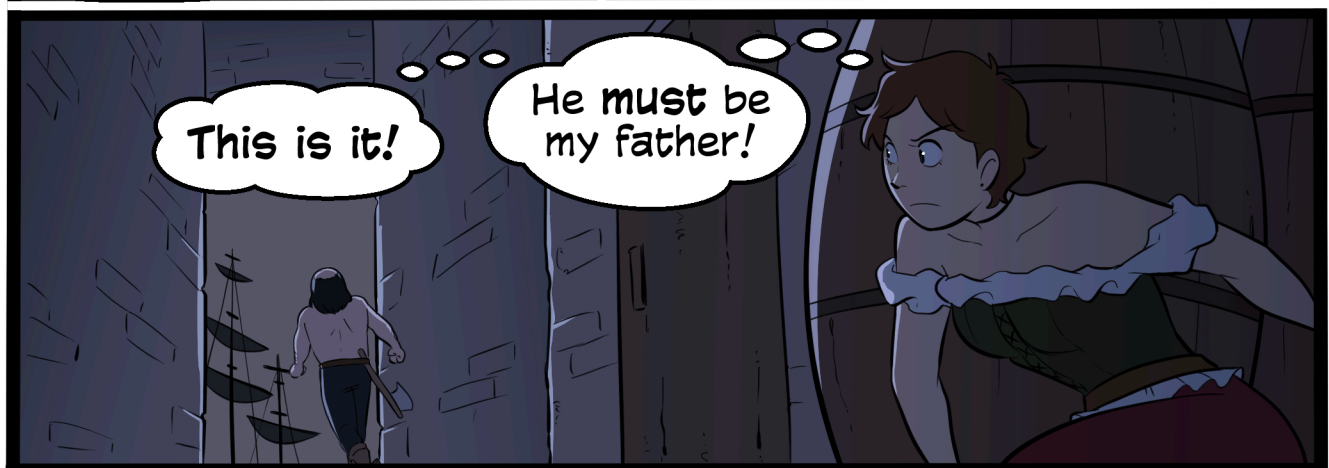

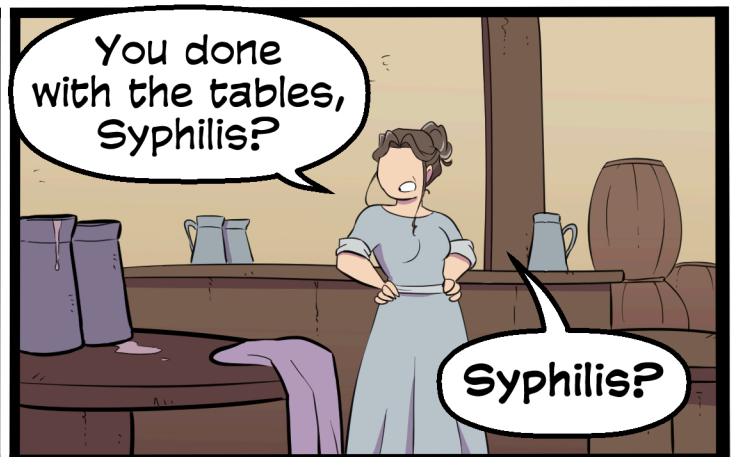

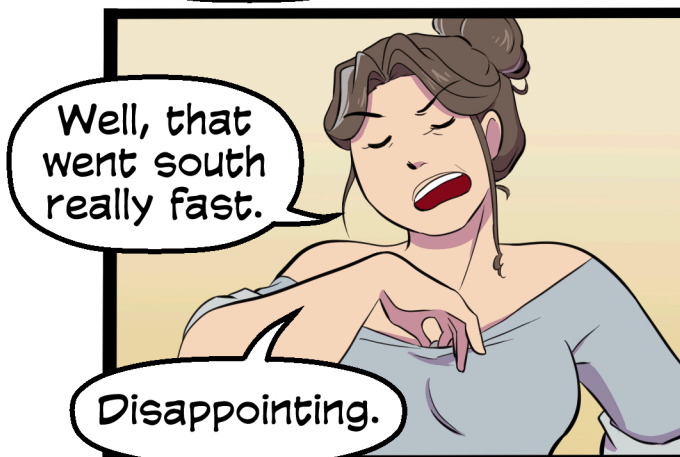

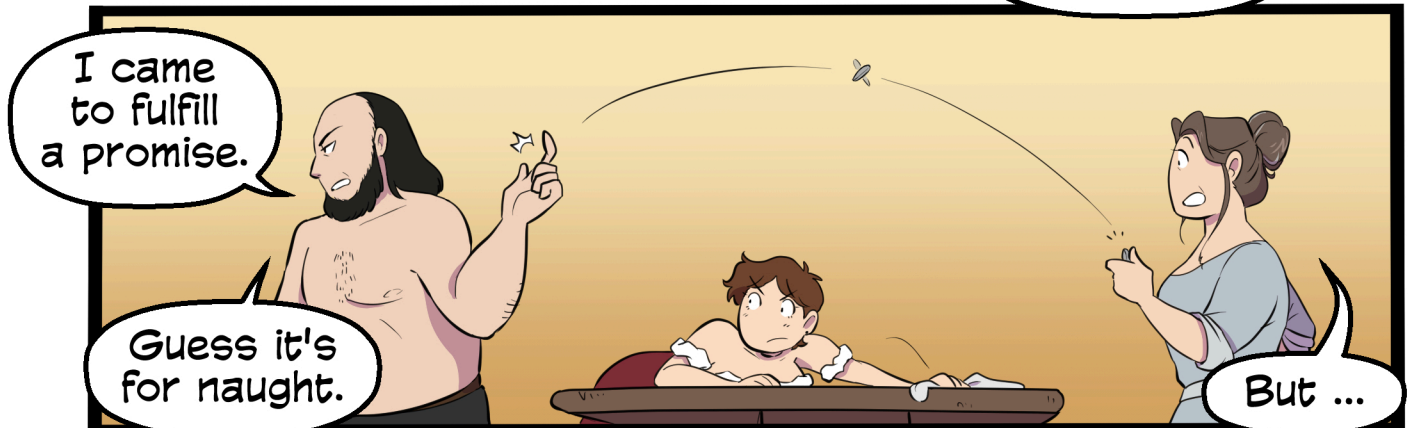

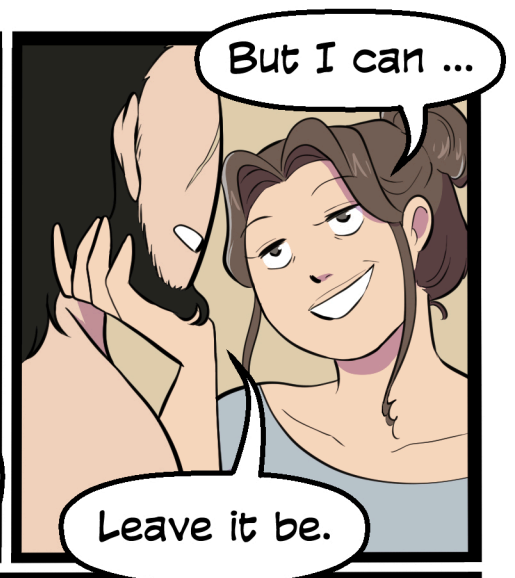

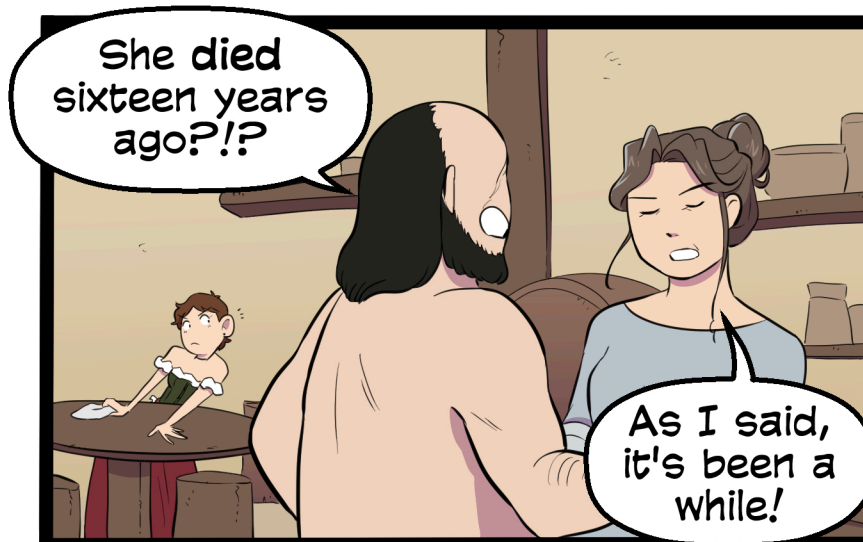

... just this time!

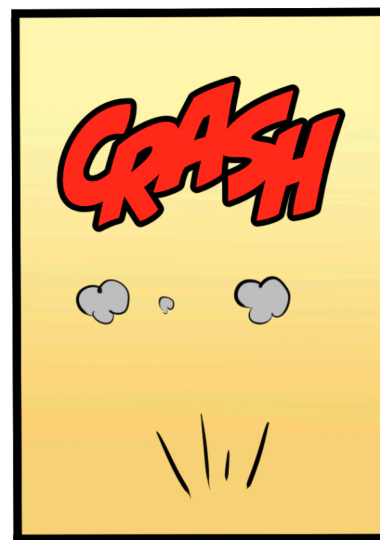

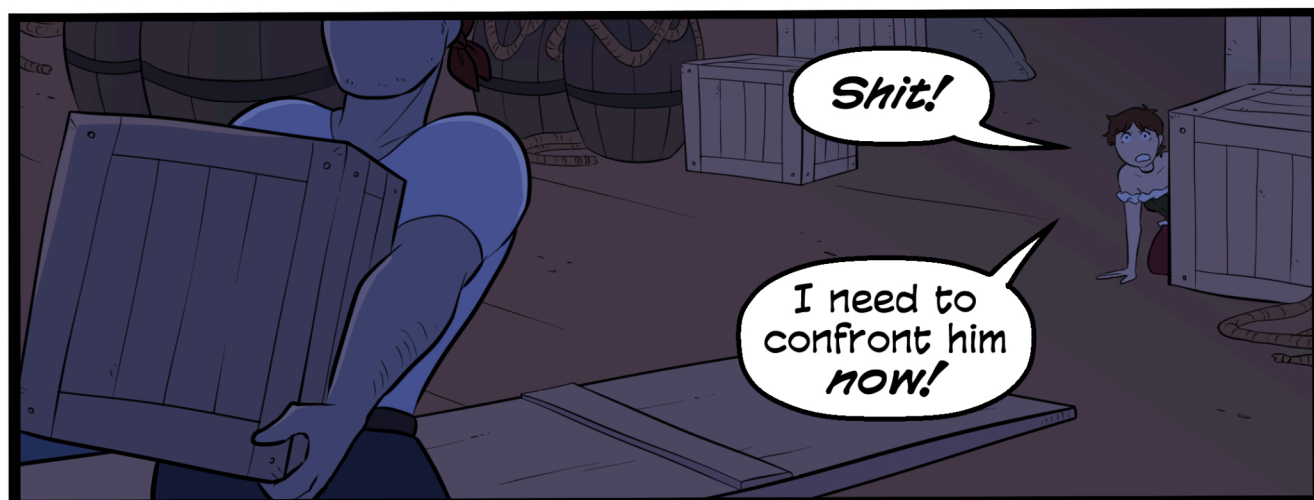

They're expecting my mom to pop up.

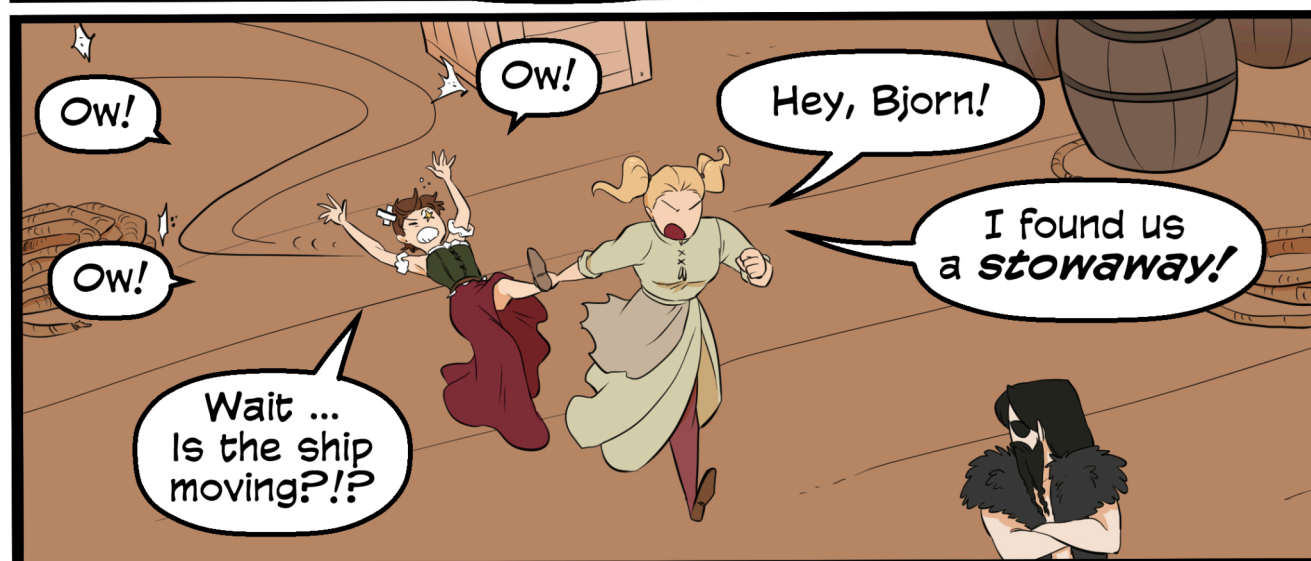

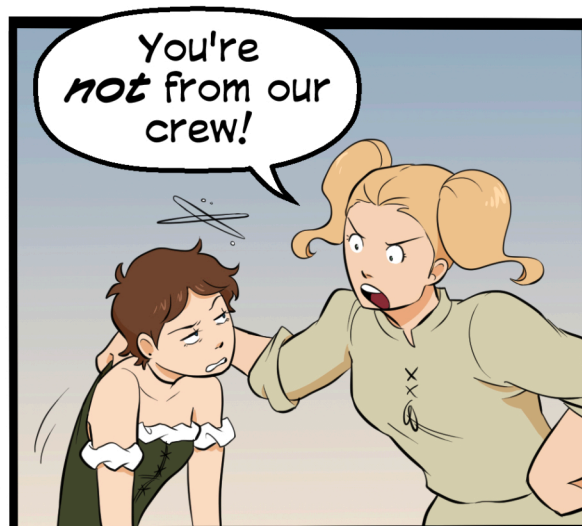

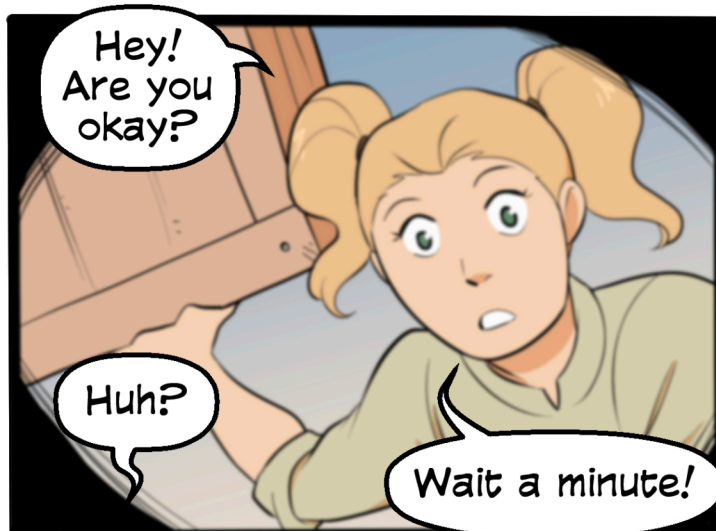

Mother got her wish. I never took on her profession.
