

PROLOGUE

Here...
SOMETHING IS
STILL LACKING
IN THIS WORLD...

The Goddess watched over
countless worlds, each one
complete in its own way

But Earth...
Earth felt unfinished... Something
essential was missing...

She had given it life, beauty, and
peace, yet the emptiness
remained

“Why does this world alone feel
incomplete?” she wondered

PROLOGUE

After careful thought, she finally realized what Earth was lacking... **Entertainment!**

The long era of peace had made the world far too dull for the gods to watch. Then, a brilliant idea struck her.

Goblins! Yes... she would transform all the males into horny goblins and let them live freely among the females. And to make sure everything ran smoothly, she also rewrote the common sense of every Earthling

A new era of goblins begins now!

THIS WORLD
IS TOO BORING!

LET'S SPICE
THINGS UP!

プロローグ

Here...
SOMETHING IS
STILL LACKING
IN THIS WORLD...

女神は数え切れないほどの世界を見守っていた。どの世界も、それぞれの形で完成されていた。

だが、地球だけは違った……。どこか未完成で、大切な何かが欠けているように感じられた。

命も、美しさも、平和も与えた。それでもなお、その空虚さは埋まらなかった。

どうしてこの世界だけ、こんなにも不完全に感じるのだろうか……？

しばらく考えた末、女神はついに地球に足りなかったものに気づいた——娯楽だ。

長すぎる平和の時代は、神々にとってあまりにも退屈な世界になってしまっていた。そんな時、一つの名案がひらめく。

——ゴブリンだ！

そう、すべての男性を性欲旺盛なゴブリンへと変え、女性たちの間で自由に暮らさせよう。そして、すべてが自然に受け入れられるよう、地球人全員の「常識」も書き換えた。

——さあ、新たなるゴブリンの時代の幕開けだ！
