FLATTER RING

Crafted by the ancient artificer Halofon, this ring is part of a larger set of rings known as the Rings of Five Influences, which have been scattered across the realm centuries ago.

This ring is set with a diamond and almost entrances you with its beauty.

Flattering Foes. While wearing this ring, you can magically charm a creature with kind words. As an action, choose a creature within 30 feet that can hear you. It must succeed on a DC 13 Wisdom saving throw or be charmed by you until the end of your next turn, or until it takes damage.

Once a creature succeeds on this save, it is immune to this ability for the next 24 hours.
