

WH-WHAT'S
HAPPENING TO
ME?

IT LOOKS
LIKE JAE IS
COVERING YOU IN
HER NANO-
MATRIX!

I'd say
you're just about
right!

but don't
worry, Kriss - I'm
not going to hurt
you!

JAE? IS
THAT YOU? HOW -
WHERE ARE YOU TALKING
TO ME FROM? WHAT
ARE YOU DOING?

I'm *right*
here! it turns out
I don't need a humanoid
body to talk to
you - neat,
huh?

A man in a white lab coat with a black visor covering his eyes is looking upwards. He is in a server room with green glowing screens in the background. Three speech bubbles are overlaid on the image.

as for
what I'm *doing* -
it's a little *test* I wanted
to run, to see how well
I can *handle* my
'bots...

I DON'T
APPRECIATE BEING
YOUR *TEST DUMMY*, JAE! I
THOUGHT WE WERE
FRIENDS!

but we
are friends -
I wouldn't do a *favor*
like *this* for just
anyone!

just relax
and let me take care
of everything...

SHE - KRISS,
YOU'RE ENTIRELY COVERED
IN...WELL, IN JAE!

very astute,
Nord ... you have a
real eye for the
obvious!

JAE! WHAT
THE HELL KIND OF
FAVOR IS THIS?!

well, I
just thought you
might like...

...a bit
of a wardrobe
upgrade!

WOW...
I CAN SEE IT
FORMING...

GASP
IT'S SO...TIGHT!
MMMMM...

I think
you're going to
enjoy it...

there, see?
that wasn't so bad,
was it?

AMAZING...
IT LOOKS LIKE IT
FITS PERFECTLY! A BIT OF
A STYLE CHANGE,
THOUGH...

YEAH, UM...
JAE, DID YOU TURN
YOURSELF INTO THIS SUIT?
AM I...WEARING
YOU?

mhm!
more or less,
anyway.

but I'm not
sure you have
the figure to fill,
well, me out...

WHAT THE
HELL IS *THAT* SUPPOSED
TO MEAN, JAE? WHAT ARE
YOU DOING *NOW*?

just making
a few...*additions*, and
a couple other *changes*...
don't *worry*, they're
only to the
outside!

I THINK
I CAN *SEE* A COUPLE
OF THOSE "*ADDITIONS*"
ALREADY....

so, what
do you *think*? I dig
this look on you,
myself!

THAT'S
NOT ALL THAT'S
CHANGED, KRISS - I THINK
YOU MIGHT WANT A
MIRROR!

HOLY *SHIT*!
MY...MY *BUTT*! AND...
MY *BOOBS*! AND
HAIR...

like I said,
kriss, it's *purely*
superficial!

you're still
you underneath...

...I just
turned myself into
a full-body...disguise
if you like.

...AND - OH
GOD, MY *VOICE*!
JAE!

meanwhile,
I'm still working on
the other new trick I wanted
to show to you...

SCHLÖP

beep
beep

ACKNOWLEDGED.
I'M NEARLY THERE...GOING
TO DECLOAK AND INVESTIGATE
ON FOOT...

beep
beep

NICE JOB,
THREE...I THINK WE
MAY BE BACK ON
TRACK!

PAYDAY
CAN'T BE FAR
AWAY...
