
Paper Minis

Cold Crone by **Trash Mob Minis**

Trash Mob Minis creates flat, paper people. He does this by capturing live paper people, then smashing them with books. He's allergic to spiders, but only the venomous part, he can still eat as many as he wants.

Rudolph by **Paper Mage**

I create paperminis for tabletop RPGs (or just for fun!) with their corresponding tokens for Virtual Tabletop (VTT) platforms. I am creating a brand new figure - sometimes more than one - weekly and free of charge.

Music and Sound

A Frozen Fate by **Adventure Music**

Adventure Music creates original instrumental music for tabletop games. We cover a large range of styles and feels so that each of our tracks has multiple possible uses. We also have a monthly Patron Poll where patrons get to choose the music for the month. Besides the standard tracks we offer our base level patrons, there are also tiers for "looped tracks" and "expansion tracks". Join us to get instant access to our back catalog of over 70 original tracks and expansions.

Plot Hook Posters

Job: Break the Ice by **Of Metal and Magic**

A smith of words and images to suit your TTRPG needs - From game running tips to adventures, or maps to magic items. . . but everyone comes for the tavern posters. Which is fair; they are super fun printable (or VTT usable) props that up the immersion of your games and offer downtime activities, worldbuilding events, and plot inspiration. They're like bouillon cubes of flavor for your games.
