Sissy& Femboy: how to Become a Whore!

by Bex

The initial idea for what would become the **"Sissy&Femboy"** trilogy of stories came to me a few years ago, when I had planned to create a special-edition magazine featuring my comics. The story in question was only a few pages long (basically the beginning of the chapter titled **Limousine**).

Once I expanded it into a twenty-page comic, the characters began to evolve naturally, without any forced or contrived development.

Mark, drawn to the allure of Femboy **Jody**, finds himself the object of horny men's erotic advances, planting a seed of doubt within him: what would it be like to switch sides and reverse gender roles? Thus was born **Macy**, the cross-dresser who explores the brazen sexuality of whores!

Vic (stage name **Victoria**) faces the same fate, discovering she takes pleasure in acting like a slutóbut with one extra twist: to satisfy her perversions, she craves to be humiliated! With sheer audacity, she shows up at the office dressed as a **slut**, offering herself to her superiors (two absolute bastards, completely uninhibited!).

In the end, the three main characters are joined by Macy's neighbor and Victoria's coworker. I have to admit I thought about it for a while before humiliating them so thoroughly: was it fair to make them meet such an end? In the end, I decided it was! And who knows, maybe one day they'll cross the line too, becoming total **whore?**

THE *SISSY&FEMBOY*
SAGA CONSISTS OF
3 COMICS,
ONE MORE PORN THAN
THE OTHER.

DID YOU GET EXCITED,
LITTLE PIGGIES
AND *SISSIES*?
DON'T FORGET:
BEX'S STORIES ARE THE
BEST OF *TRANSGENDER*
COMICS!
