**Summary: Part 2 of [Homemade Dinner](#). Han Semi is enjoying her hidden friends with benefits relationship with Jinwoo Sung. She is really enjoying showing her inexperienced lover different positions and techniques. What she is not enjoying is how tired and sore she is after their trysts. So reluctantly she asks fellow healer Park Heejin from White Tiger Guild to help her out by healing her soreness since healers can't heal themselves. When her friend finishes laughing she gives her price for healing... she wants to join in on the fun.**

“Ah... hello.”

Han Semi can't help but grin a little bit at Sung Jinwoo's slightly abashed reaction when he opens the door to them. He smiles at her, but the moment he sees Park Heejin beside her, he gets a little bit shy. Which is wild considering he's one of the most powerful men in the entire world.

“Jinwoo... may we come in?”

Nodding amicably, the S-Rank Hunter lets them into his apartment. It's a high rise place even more expensive than her own, but just at a glance Semi can tell he barely uses it. He's probably too busy with other things. Still, tonight... well, tonight she'd promised she would make him dinner at his place. That's why she and Heejin are both carrying bags of groceries in their hands.

Of course, Jinwoo likely expected Semi to come alone... and for them to have sex again, as they've been doing for weeks now. Not that they're anything more than sex friends at this point. Still, she's had a lot of fun teaching Jinwoo all

about sex and making the incredibly impressive man even more impressive... in bed.

However, what hasn't been quite so easy is recovering afterwards. The more her and Jinwoo have fucked, the better he's gotten... and the harder it's been for her to keep up. That was ultimately what led the purple haired A-Rank Healer to Park Heejin. The B-Rank wasn't as strong as she was, but they were still pretty good friends.

More importantly, Heejin wasn't in Semi's guild, so asking her for some help wouldn't prompt too many awkward questions that Semi simply didn't want to answer. Put simply... she'd needed someone else to heal her of the soreness that Jinwoo was causing. He was just too enthusiastic... but for obvious reasons, Semi wasn't about to ask him to slow down.

Of course, Heejin had turned out to be rather greedy! Her price for her help was too damn high... or so Semi had felt at first. After thinking about it a little longer though, she'd decided she could make it work... after all, she was still the highest ranking female hunter in the mix, on top of being the most sexually experienced.

And so, together, she and Heejin set about cooking Jinwoo a meal together. And then all three of them sit down to eat, making small talk about their work as hunters while they do so. Jinwoo makes appreciative noises about the food, even if his confusion about Heejin's presence is still blatantly obvious.

Finally though... the meal comes to an end and the time where Semi and Jinwoo usually retire to the bedroom on one of these nights comes to pass. Even so, Jinwoo is still caught off guard when Semi rises from her chair with a smile.

"Shall we retire to the bedroom? Tonight, I thought we might do something a little special... and have a threesome, if that's alright with you Jinwoo."

That's right. This was how Semi was handling things... by making Heejin's price for her help just another part of Jinwoo's sexual education. The S-Rank Hunter's

eyes widen as he looks between her and a blushing but smiling Heejin. After seeing nothing in the form of rejection or protest from the other woman, he slowly nods.

“Ah... yes, that would be... alright with me?”

He sounds uncertain, amusingly so. Frankly, it's rather cute how a man with such power can be so... uncertain in times like this. Regardless, Semi leads them all to the bedroom and begins to strip without another word, prompting Heejin and Jinwoo to do the same. Heejin gets a little distracted by Jinwoo's muscles though, and then finds herself staring at his cock once its been unveiled too.

With a derisive snort, Semi moves over and helps Heejin finish stripping naked, getting the green-eyed, raven haired woman fully nude for Jinwoo's viewing pleasure. Then, as Jinwoo sits down on the edge of the bed, she pushes Heejin to her knees in front of him, bringing her eye level with his cock.

“Suck it, Heejin. You wished to show Sung Jinwoo your gratitude, did you not?”

“Ah... y-yes.”

Blushing profusely, Heejin nevertheless leans forward, brushing a lock of hair out of her face so she can take Jinwoo's phallus into her mouth, past her lips. Watching this, Semi does feel a small sliver of jealousy at the sight. She would rather be in Heejin's place if she could.

However, she's also very aware that Jinwoo is a lot to handle. Maybe once Heejin gets a chance to experience him for herself, she'll understand that they're in this together... and they need one another more than she could ever know.

As Heejin bobs up and down on Jinwoo's cock hesitantly and tenderly, Semi sits down on the bed beside him and pulls his hand over to her crotch, having him touch her and finger her down there.

“In a threesome, you must always be splitting your focus. You don’t want either woman to feel neglected after all, Jinwoo~”

“Ah... right.”

Semi shivers as Jinwoo suddenly gets a serious and intense look in his eye. See, this was why he was such a scary pupil... he always knew how to ‘lock in’. The instant he processes her instructions, Jinwoo is moving. His fingers push deeper into her as he starts to properly drill her with his digits. At the same time, his other hand slides through Heejin’s hair, pushing her further down his cock.

The sounds of sucking, slurping, moaning, and groaning fill the room after that. Semi clutches at the bedding for dear life as Jinwoo fingers her, all while Heejin gags a little bit on his cock down between his legs. She pushes herself to take more and more of his impressive dick into her mouth and down her throat, choking slightly as she goes.

“Glughk... Glughk... Glughk...”

It’s a lovely sight... but Semi already finds herself wanting more. And she promised Heejin would have a full go with Jinwoo before she got to go next, so at this point, the only way to get Jinwoo’s cock is to get Heejin’s turn over with first.

“I’d say he’s ready now, Heejin. Go ahead and get on the bed... so he can fuck you with that big fat cock of his~”

The B-Rank Hunter blinks at the order but can’t really hide her instruction. As Jinwoo loosens his grip on her hair, Heejin pulls back off of his cock with a pop and rises to her feet. Privately, Semi likes to think her body is a bit more bangin’ than Heejin’s is. She’s definitely got a more voluptuous figure.

But that doesn’t mean Heejin is anything to scoff at. Any Hunters of B-Rank and higher are going to have pretty good figures... and Heejin is no different.

Blushing up a storm as she goes, Heejin climbs onto the bed and then turns onto her back. Her hands hover up near her own chest as if she doesn't know what to do with them, even as she spreads her legs wide and offers up her pussy to Jinwoo.

He rises to his feet as well and then climbs on the bed also, sparing Semi only a glance before he slides himself into place and pushes his cock right into Heejin's cunt. The B-Rank moans wantonly, shuddering beneath him as she takes his member... while Semi crawls up behind Jinwoo and presses her breasts into his back with a giggle.

"Ah, listen to that melodic sound. She likes your dick, Jinwoo. She likes it a lot. Don't you, Heejin?"

"Y-Yes... thank you... thank you, thank you, thank you!"

It's not clear whether Heejin is profusely thanking her or Jinwoo, truth be told. Semi chooses to believe it's a mixture of both, even as she rubs her rock hard nipples into Jinwoo's broad, rippling back muscles.

"Fuck her, Jinwoo. Give her every last inch of your cock. Don't stop until she can't even think straight~"

This was what Heejin had wanted, after all. And Semi was going to make sure that she got everything she'd asked for... and more~

Jinwoo's entire frame tenses up as he once again enters that intense serious mode of his. The one where everything falls away and he focuses entirely on the task at hand. Only, this time the task at hand is Park Heejin and her pleasure.

PLAP! PLAP! PLAP!

The sounds of flesh slapping against flesh fill the room as Jinwoo rapidly ups his pace and begins fucking Heejin with every last inch of his cock, just as Semi ordered. He pounds away at Heejin's pussy, thrusting deeper into her with each pistoning moment of his prick and stretching her inner walls around his dick.

They clench and squeeze ineffectually along his shaft from what little Semi can see, but to no avail... he just continues to rail Heejin.

“Oh! Oh, oh, OOOOOOH~”

Heejin, meanwhile, gurgles helplessly as the pleasure rather rapidly overwhelms her. The sensations being visited upon her B-Rank body... well, luckily for them Jinwoo has so much self-control that he definitely won't hurt her, just like he's never truly hurt Semi. He'll just take Heejin to her limits and then some, leaving her incredibly sore in the morning.

The sight brings a smile to Semi's face... but frankly the A-Rank wants more. She's not content to simply watch... she wants to join in. Fortunately, she sees a way to do so... after all, this is supposed to be a threesome, is it not?

Crawling out from behind Jinwoo, Semi distracts him a bit with her body, which she knows probably looks like she's on the prowl. She's soon in position however, turning around to face him again... even as she straddles Heejin's head with her knees, her pussy hovering over her open mouth.

Reaching back behind herself, Semi grabs a fistful of Heejin's hair and gives it a solid tug to get the other woman's attention.

“You're having all this fun Heejin... why don't you spread the love a little bit, huh?”

Then, she promptly sits on the other hunter's face, planting her pussy mound right over Heejin's mouth. To her credit, Heejin doesn't hesitate to apply her tongue to Semi's cunt. She pushes in deep and wriggles it around, making Semi moan and arch her back in pleasure.

Jinwoo watches this, having stopped for a moment... but once Heejin reaches out and grabs hold of Semi's thighs with the express purpose of anchoring her in place rather than pushing her away, he gets back to work, fucking Heejin hard and fast down below.

With the B-Rank trapped under them, the two of them have their run of Heejin's body. Semi in particular plays with the other woman's tits for a moment, groping and squeezing them and flicking the nipples.

For a time, all three of them are moaning and groaning, shuddering and trembling, going at it like animals. It feels amazing having Heejin's tongue in her twat while watching Jinwoo fuck the other hunter hard and fast with every inch of his big fat cock.

But eventually, all good things come to an end. Leaning forward, Semi captures Jinwoo's lips with her own, one arm looped around his broad neck to pull him down to her level. At the same time, Semi reaches out with her free hand to rub at Heejin's clit upside down, going crazy as she frigs it as hard as she can.

This proves to be Heejin's undoing... and in turn tips Jinwoo over the edge. Heejin cums with a muffled shriek, squealing into Semi's cunt lips while her own pussy flexes and tightens and grips down on Jinwoo's cock. She milks him of his release, causing him to groan into Semi's mouth as he fills Heejin with his seed.

Finally, Semi tips over the edge too, her body shaking and shuddering as she squirts into Heejin's mouth, groaning into Jinwoo's lips all the while.

The three of them reach the heights of ecstasy together... before collapsing back down to earth a moment later, Semi and Heejin both panting heavily while Jinwoo... Jinwoo is barely winded.

But that's good. Better than good really... because Semi still hasn't had her turn. And she's very much ready to get pounded silly by Jinwoo, now that she and Heejin can just heal each other after every 'session'.

Oh yes... this arrangement was going to work *perfectly*~
