

00:00:03

Yeah, I can't really sleep.

00:00:11

What about you?

00:00:12

I'm sorry.

00:00:21

I didn't mean to move around so much.

00:00:23

I'm just thinking.

00:00:36

I could, but it's it's a little bit weird.

00:00:48

No, it's like the you might want to sleep with the lights on.

00:00:54

Kind of weird, although not not really that level.

00:01:01

No, no, I'm not, I'm not going to murder you.

00:01:04

OK, You're fine.

00:01:06

You're fine.

00:01:09

Yeah, it's not.

00:01:12

My God.

00:01:13

OK, now it's officially weird.

00:01:18

No, I was just OK.

00:01:26

So for quite some time now, I've been having this reoccurring dream.

00:01:35

Not like every single night, but at least a couple of times a week.

00:01:43

And every single time there's more and more detail to it and like the ending gets extended changes.

00:02:03

So in this dream, I'm, I'm in a house.

00:02:11

It's not our house.

00:02:12

It's not the house of a family member or anything.

00:02:19

I, I can't really describe it because I swear I've seen it before.

00:02:25

I just, I don't know, maybe like, I don't know, maybe I went too crazy on one of those websites, you know, because it seems so familiar, like like I've been there time and time again, or maybe even that I used to live there, but but the house is completely empty.

00:03:01

It's, you know, that feeling when there's not a single piece of furniture in the house, like it has no soul to it.

00:03:12

It's kind of hollow in a way, and it's missing something.

00:03:25

Yes, the furniture.

00:03:27

But in here it feels like I don't know something, something bigger is missing.

00:03:36

Like it should be there, you know?

00:03:45

And so I'm walking through the house and there's this hallway that's really narrow and all the doors on each sides are always open, but but I never enter them.

00:04:08

I just, I walk past them.

00:04:12

And I know I've walked in that hallway so many times before.

00:04:19

It's like I could probably do it blindly and know exactly where I'm at.

00:04:28

And then I turn the corner and there is this window and you're standing right, right outside of it.

00:05:07

You don't turn around, you, you never look at me.

00:05:10

But like, I know you.

00:05:14

I know it's you.

00:05:15

And you keep looking out over.

00:05:22

Well, the other day it was a Big Lake.

00:05:29

It's been a forest before, like it keeps changing and you never turn around or say something.

00:05:48

I never say something.

00:05:51

I just walk outside.

00:05:58

I stand beside you.

00:06:09

And then I wake up.

00:06:14

It's weird, right?

00:06:21

But you know, even stranger, as as weird as that dream is, I feel sort of at ease when I wake up.

00:06:44

And I think it's because when I was walking through the house, something was so obviously missing.

00:06:54

And then I found it and suddenly all those other things don't matter, like the house being empty, whatever was in those rooms, whatever is outside, it doesn't matter.

00:07:25

All I needed was you.

00:07:35

I told you.

00:07:38

No, I'm not.

00:07:39

I'm just... OK a little bit but.

00:07:54

I'm scared sometimes that I'm going to have a version of that dream when you're not there, or that I'm going to wake up one day and none of this is real.

00:08:20

Like this were us.

00:08:28

Then I won't be able to reach out for you feel you warthm.

00:08:40

that I'm just stuck in that house.

00:09:07

Yeah, it scares me because I love you.

00:09:25

I don't even know what I would do if you weren't there.

00:09:36

Yeah, I need a hug.

00:09:49

Promise me you're going to be there.

00:09:56

Just somehow.

00:10:07

Yeah.

00:10:15

When I wake up.

00:10:23

I need you.

00:10:39

No.

00:10:39

Tell me, what does it mean?

00:10:47

I don't know.

00:10:50

Am I romantic or just a little bit nuts?

00:10:57

Both.

00:10:58

Yeah, you know what, that that actually makes sense.

00:11:07

Yeah.

00:11:12

No, I'm not even offended.

00:11:18

You know, I think those words like nuts or a little bit weird or, you know, whatever.

00:11:25

It's just kind of in a way, almost a compliment because I always take it as not boring.

00:11:39

It's how I choose to see it.

00:11:41

Maybe that is what actually makes me nuts.

00:11:47

And I don't know, maybe you tell me if I'm nuts.

00:11:56

You're nuts.

00:11:59

Well, I guess you'd have to be a little bit nuts to be with someone who is nuts, but if you are, then you are in the best possible way.

00:12:11

I love you too.

00:12:32

I think so, As long as you hold me close I can sleep.

00:12:50

No, it will be salty kisses.

00:13:06

I love you most.

00:13:14

The mostest.
