into the girls' locker room as guys.**

Into the girls' locker room

Huh? I thought I saw someone. Did you see something, Ella?

Nope! I didn't see anyone.

Never mind. Why don't you wear a bra?

Bras are annoying! I always let them free!

Here it is, Anthony: The girls' locker room! Let's break in and set up the cameras!

Don't worry, Anthony. I have something special for this kind of case...

But James, how are we going to break in without the girls noticing us?

Marcus told me there's a spell we can use to get into the girls' locker room.

Here it is:
"Verander ons in vrouwen.
Dan kunnen we ons in de
meisjes kleedkamer
sjouwen!"

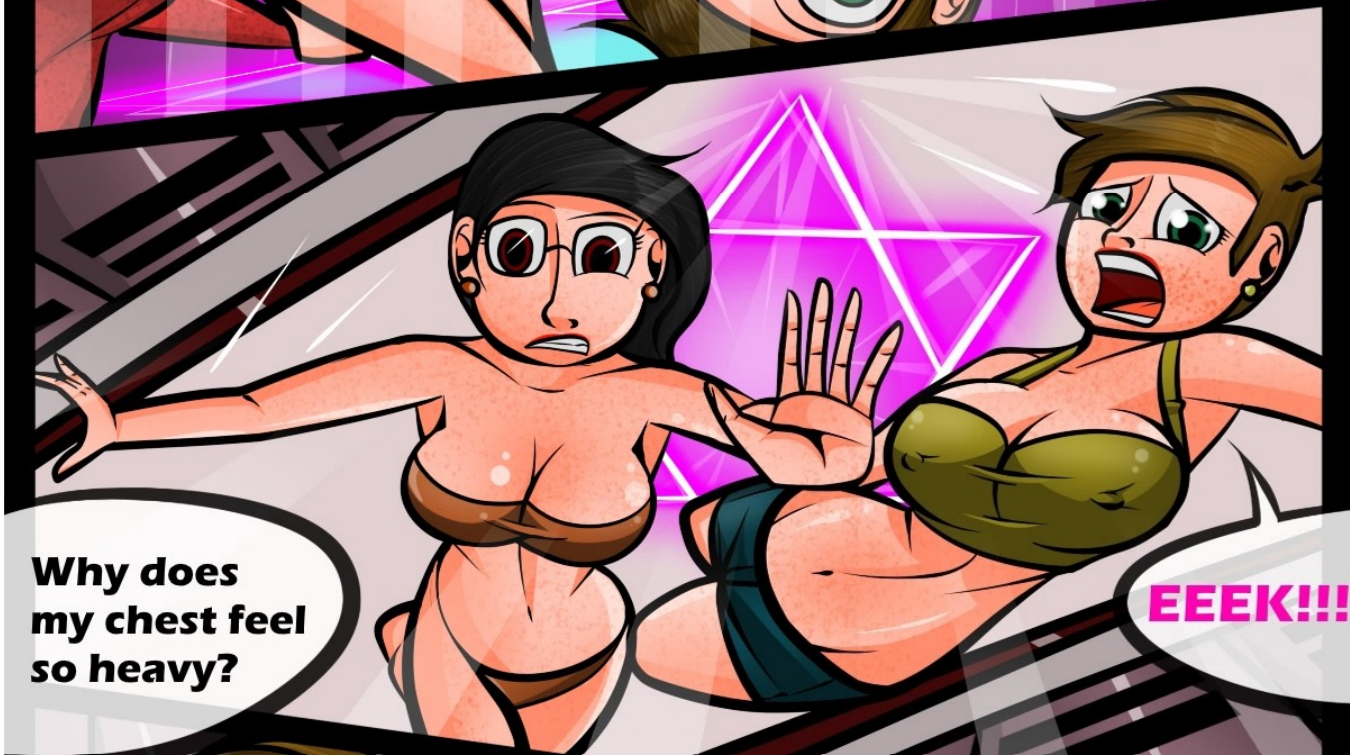

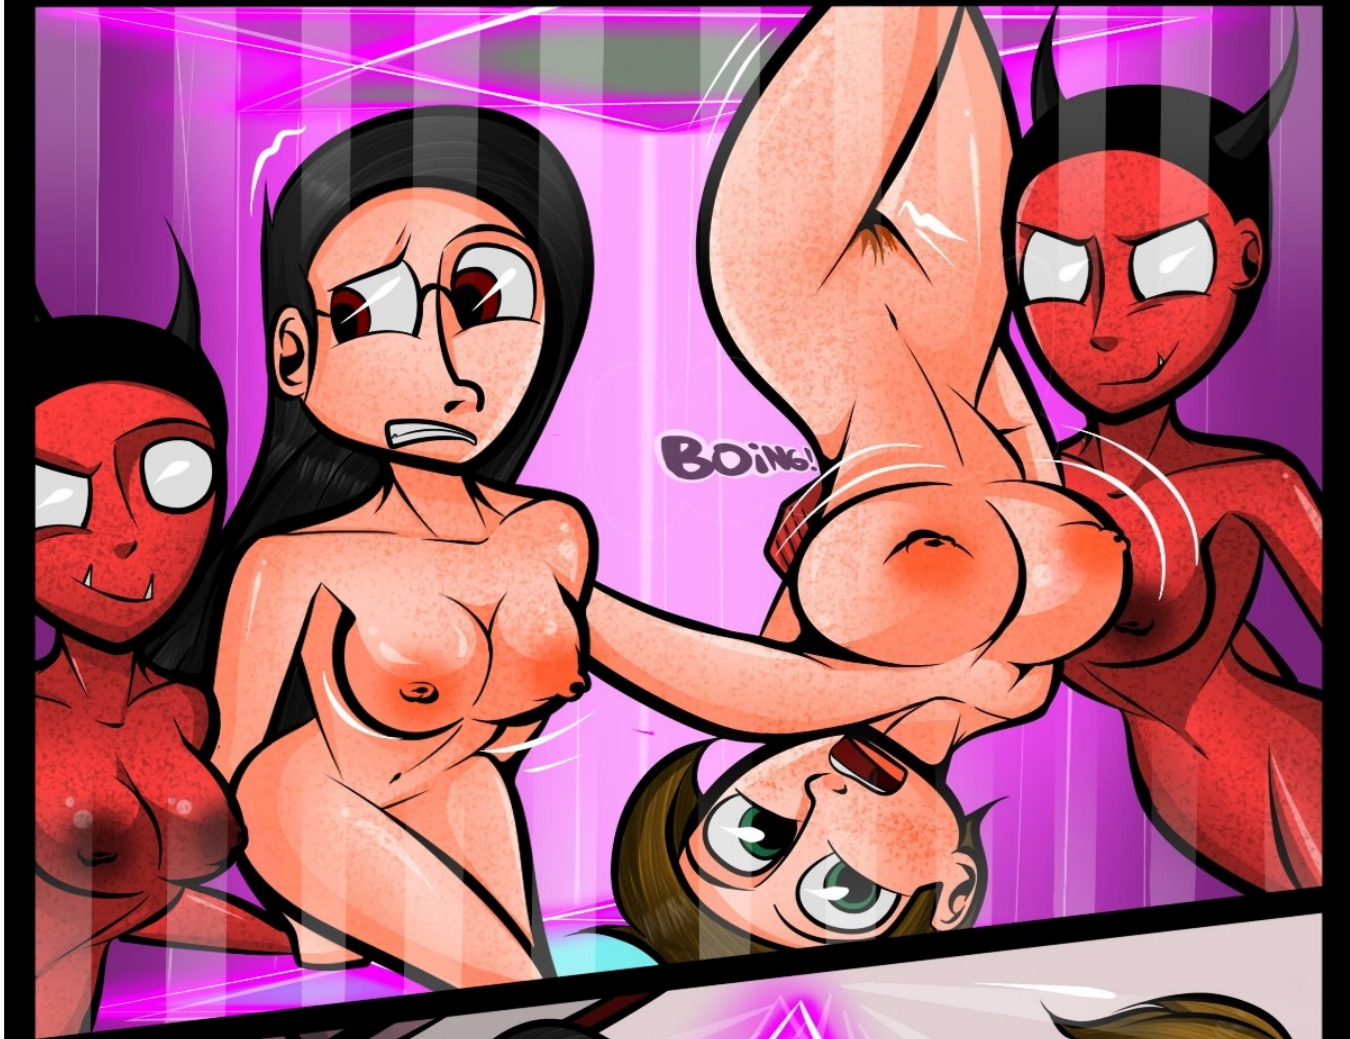

Hmm...
Why is
it pink?

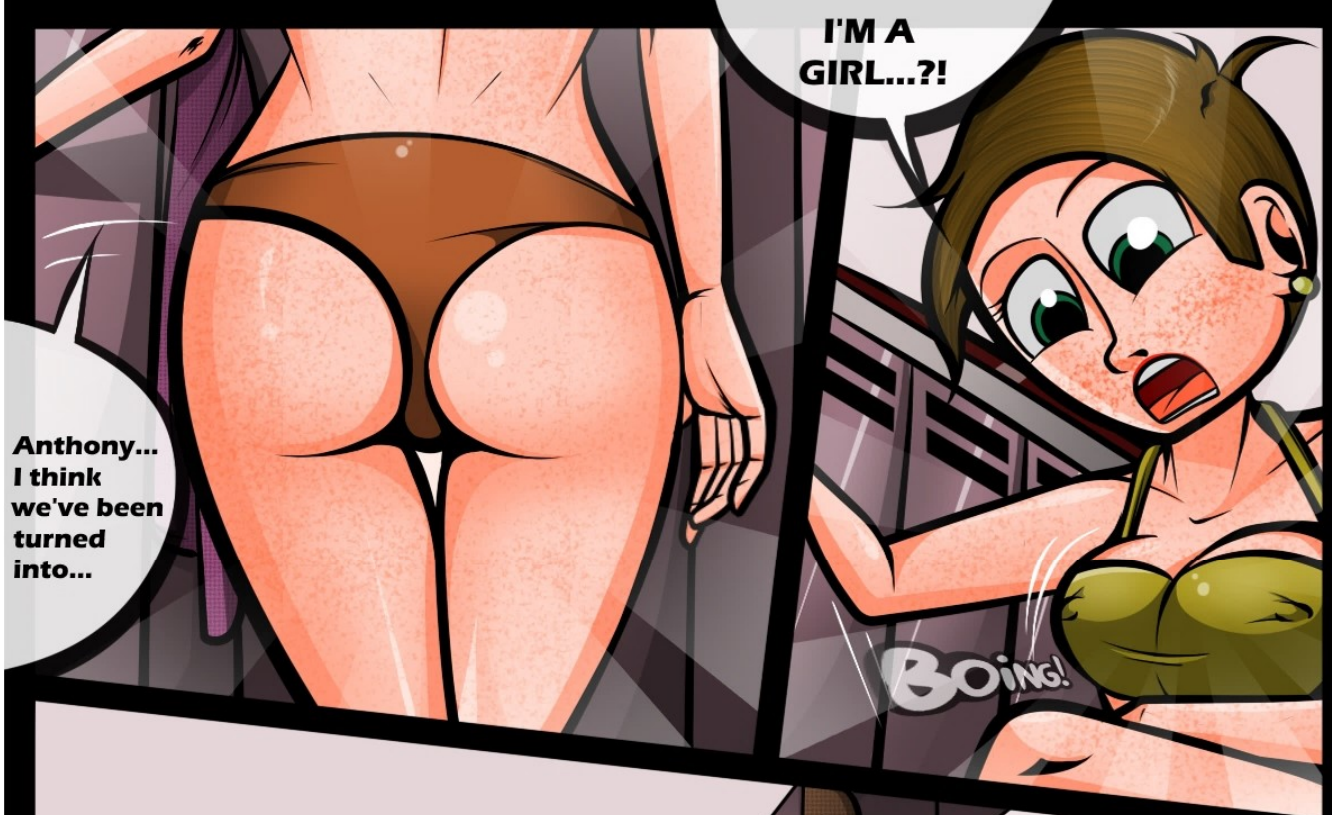

You had
to summon
some strange
demonic
entity, didn't
you?

Aah!!!
Let go of
ME!!!

Anthony...
I think
we've been
turned
into...

No, no NO!
I can't be a
girl... oh god.
I have breasts,
I have a booty,
I can bear
children, I am
a woman...
sob

This is all your fucking fault! Because of your demonic book, we've been turned into hot chicks!

Don't call me Antonia, even if I am a babe because of you! Even if my tits are bigger than yours!

What are you doing, Antonia?

squeezing...

You're going to change me back into a dude, JANE!

Okay, Antonia, but don't squeeze my breasts so hard.

SQUEEZE...

Whoa!

SLIP!

Oh man... This is so weird.
My tits rubbing against
his... hers.

It's so
unreal...
but also
so good!

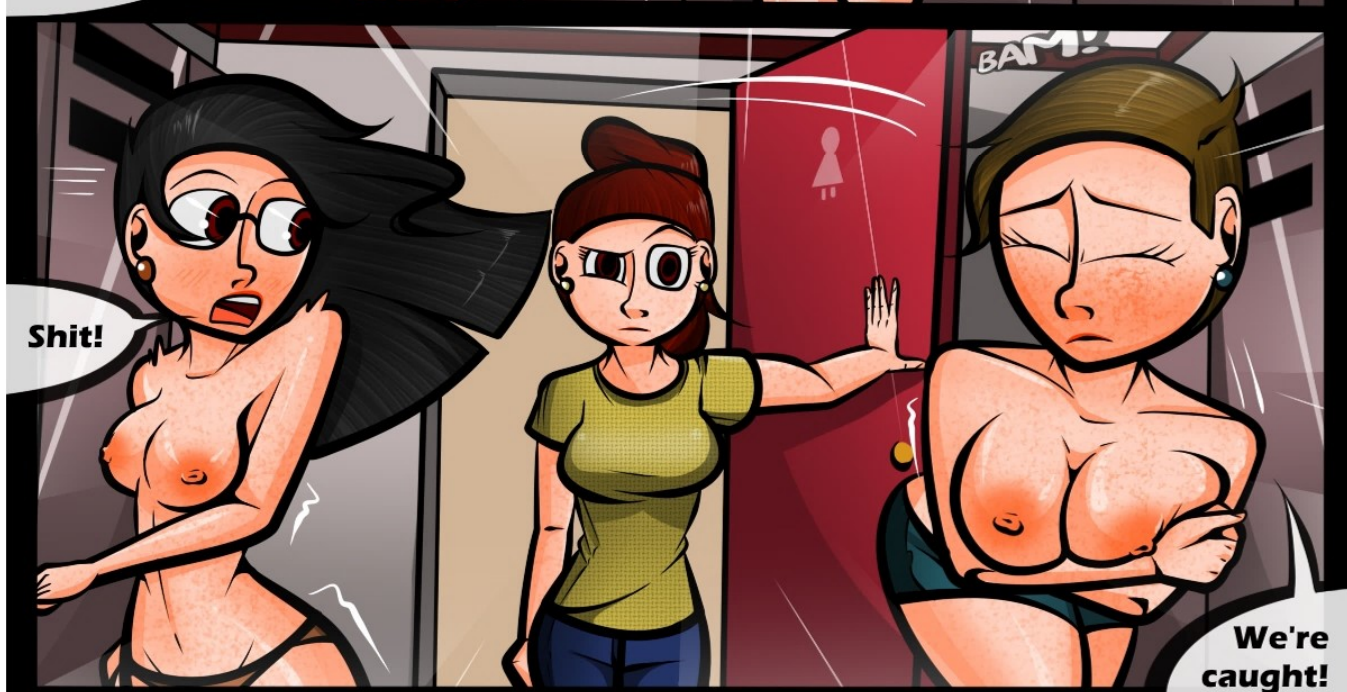

I don't know,
Antonia...
tell me.

Hey, Jane.
I've got a boob joke:
What did one boob
say to the other
boob?

You are
my breast
friend!

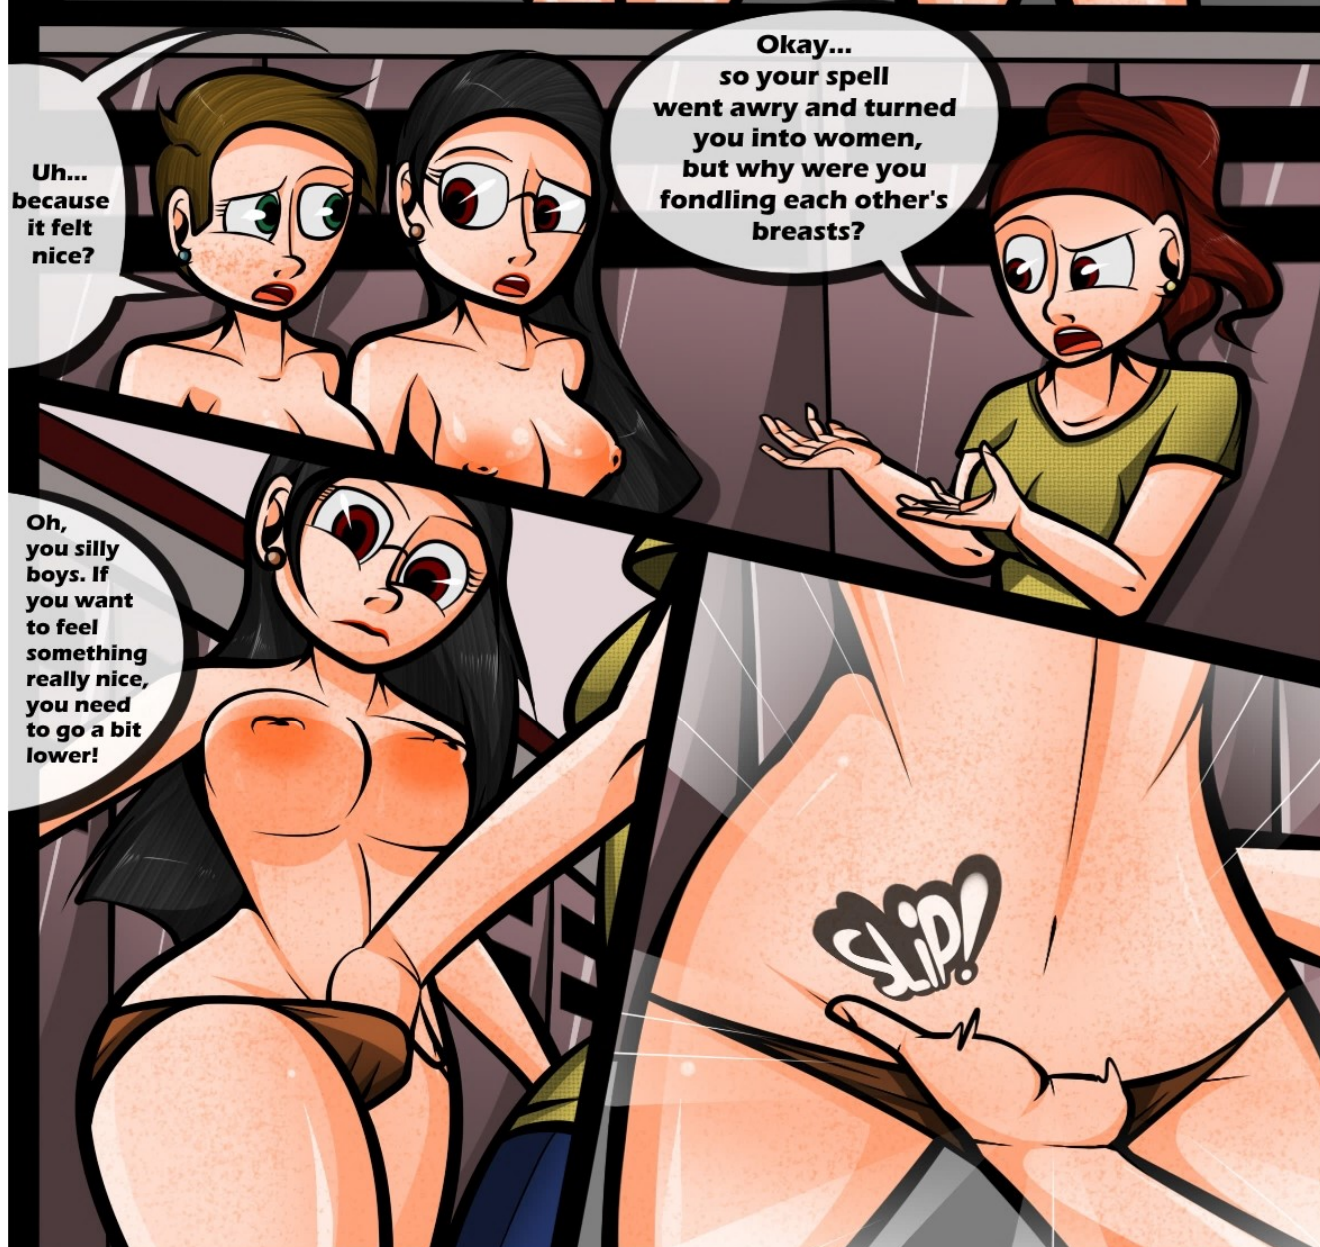

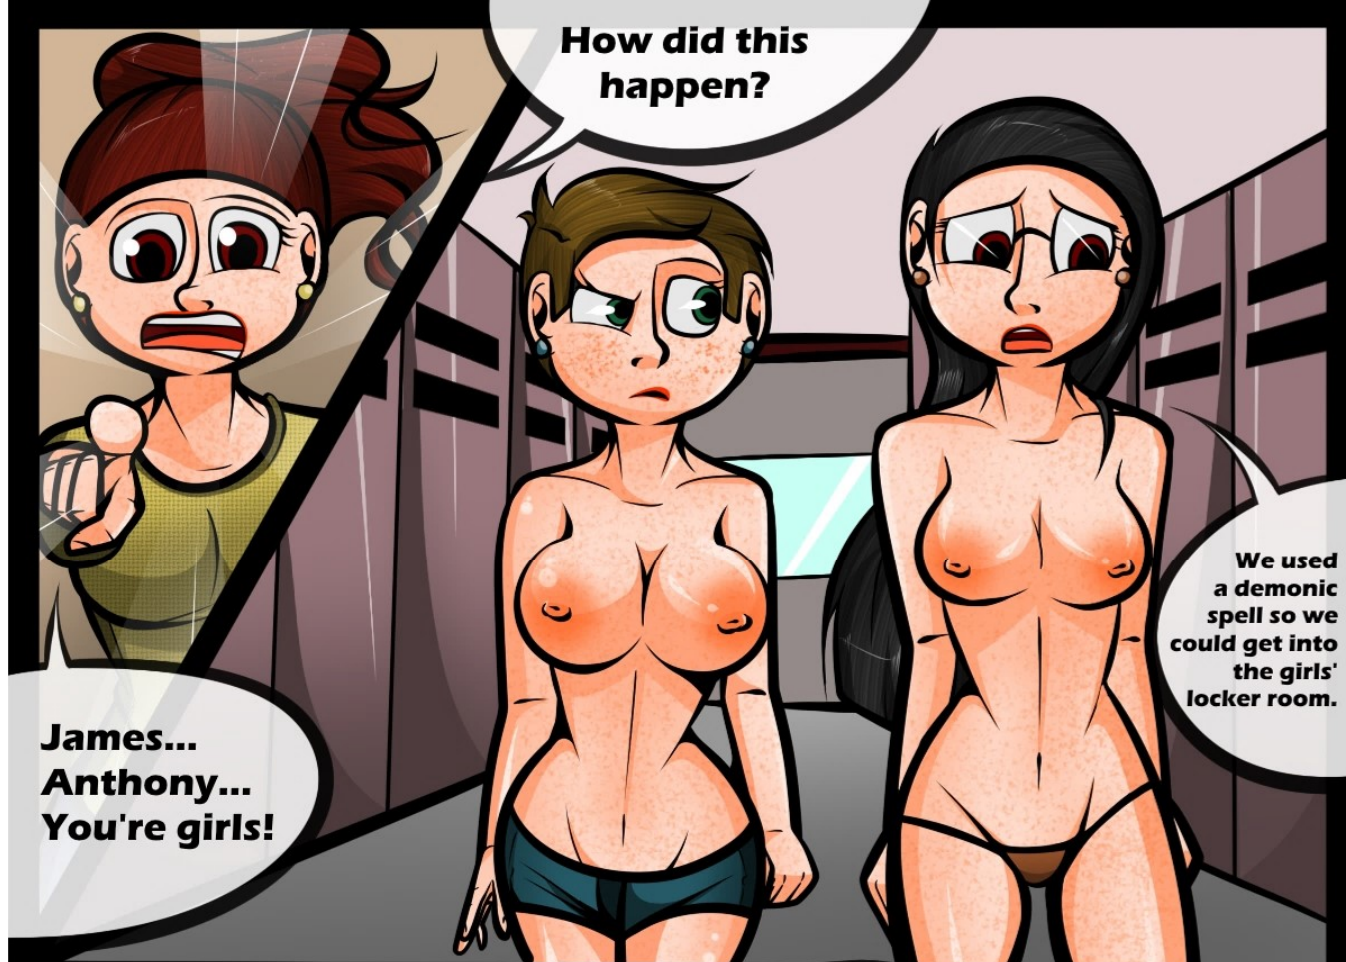

Oh god...
That is such
a bad pun.

surprise...

Shit!

We're
caught!

MMN....!

Please... **AHHH!**
We just want to be
guys again... **EEK...!**
won't you help us
get out of here?

Wow...
she certainly
seems to know
what she's
doing!

BAM!

I'll help
you leave,
but you
need to get
dressed first.
Here, you
can wear
some of
my
clothes!

Just put
them on,
we need to
get that
book and
change
back, before
it's too
late!

These
clothes are
too small
for me...

**I never imagined
I'd be inside the
girls' locker room
this way... as a
woman!
So strange!**

**Once
we change
back into guys,
we'll forget about
this weird day
and never talk
of it again!**

BAM!

**We'll
make
those
demons
change
us
back!**

**Good
luck,
guys!**
