**21st march,
2016.**
**This is by far the
WORST day of
my life!**
**Let me tell
you why.**

**It
began when
I was walking
in the hallway of
school when
the day was over.
Then I heard
some yelling
behind the
door.**

**For the last
time, I didn't slept
with her!**

**I
saw Dan
and his
girlfriend
having a
fight!**

**You're always full
of s### Dan!
You only cause me
more pain!**

**It is
always
about you
with your
emotions
b####!**

**You don't
have a slightest
idea about how a
girl feels!**

Don't threaten him! I didn't even know he was here!

And you also brought Matt here to humiliate me even more?!

What is that Dan?

She is joking right? That is impossible!

How would you like if you two were girls?!

Nothing is impossible with magic! Enjoy your school days as a woman!

At Matt's house

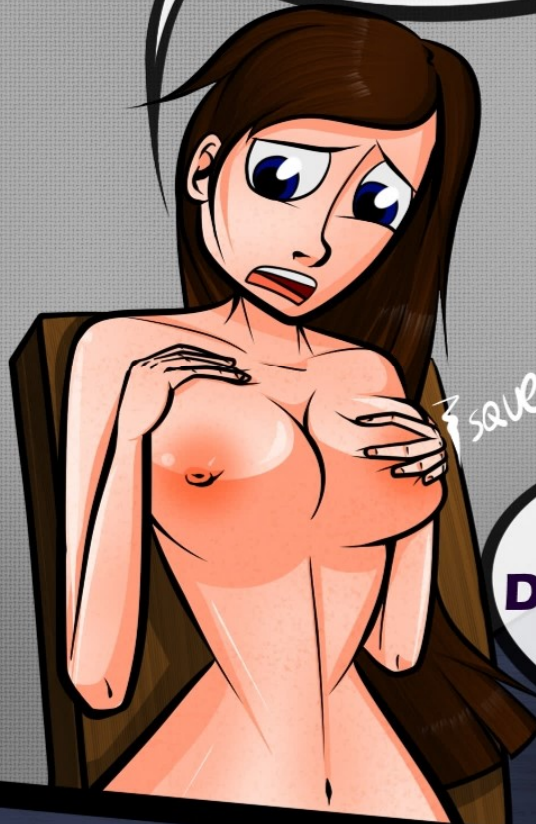

Damn these breasts! They are too huge!

Long story short: she turned me and Dan into **Girls....**

Luckilly my parents
aren't home for a while.
Sadly, we don't know
how long we will
stay like this,
maybe we stay like
this forever!

It is so weird having those
on my chest, they're
so soft and squishy!
I can't go to school
like this!

squeeze!

God
Damn
it!

These
breasts
won't fit
in the bra!
Being a
girl sucks
ass!

BOING!

Maybe
we don't have
to dress to
our gender,
we can always
hide it!

We can
just disguise
ourselves as
men!

**We
flatten
our
breasts,**

**We
expand
our bellies,
hide our
feminine
figures,**

**And we are
ready to go!**

Next day at school

**You
should have
worn more
clothes
you know?**

**I know,
that guy
is looking
funny at
me...**

And so, we disguised ourselves as men. Nobody suspects us luckily, but I can hardly breath with those bandages arround my chest.

You can do this...
urgh...

But Dan has got it worse! He has bigger breasts than mine. I don't think his girlfriend gave him natural boobs. I am surprised he hasn't fainted yet!

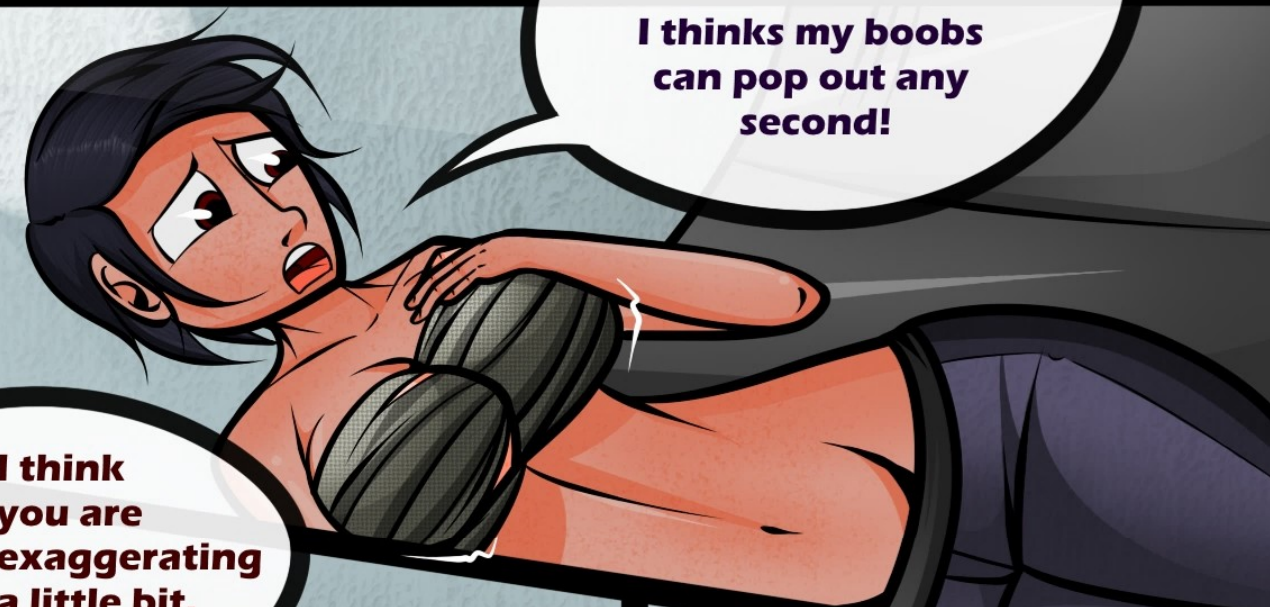

But then we had to change our clothes in the boys locker...

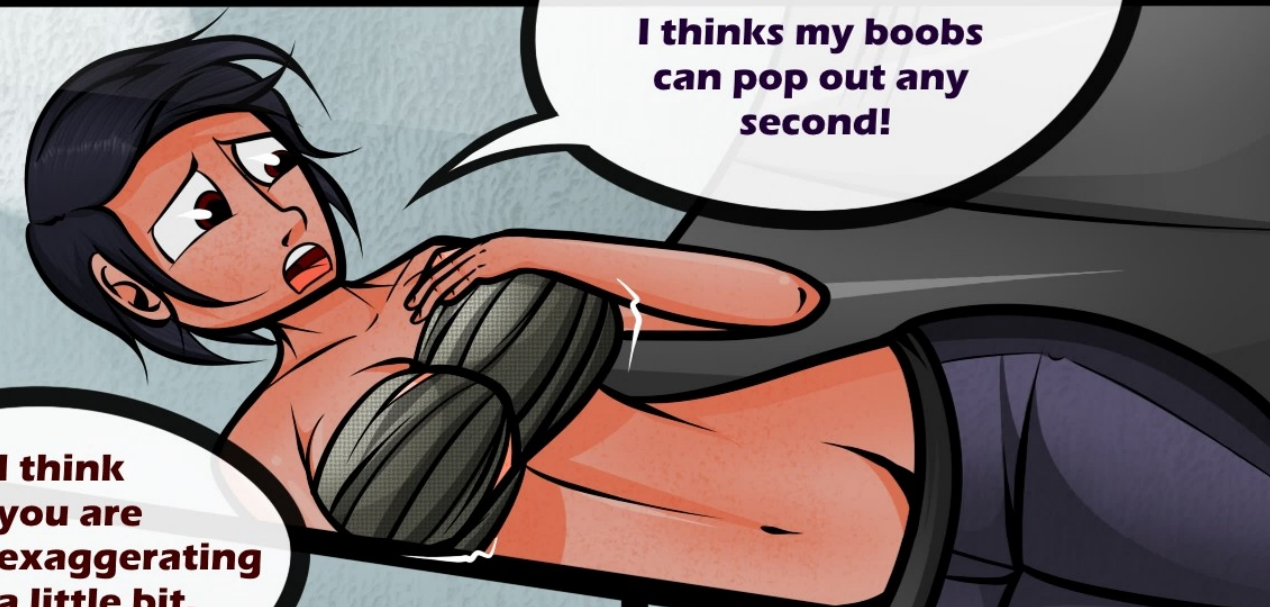

Sigh!

I can finally breath again! I think these bandages are beginning to tear apart!

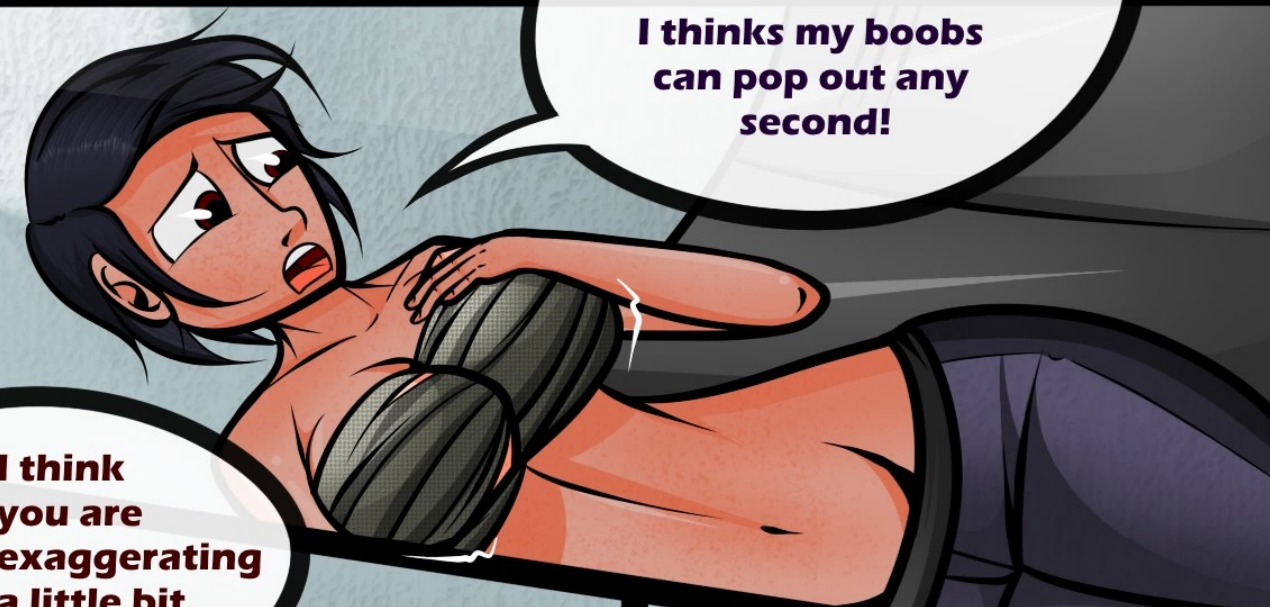

We need to change back! I can't hold this out any longer!

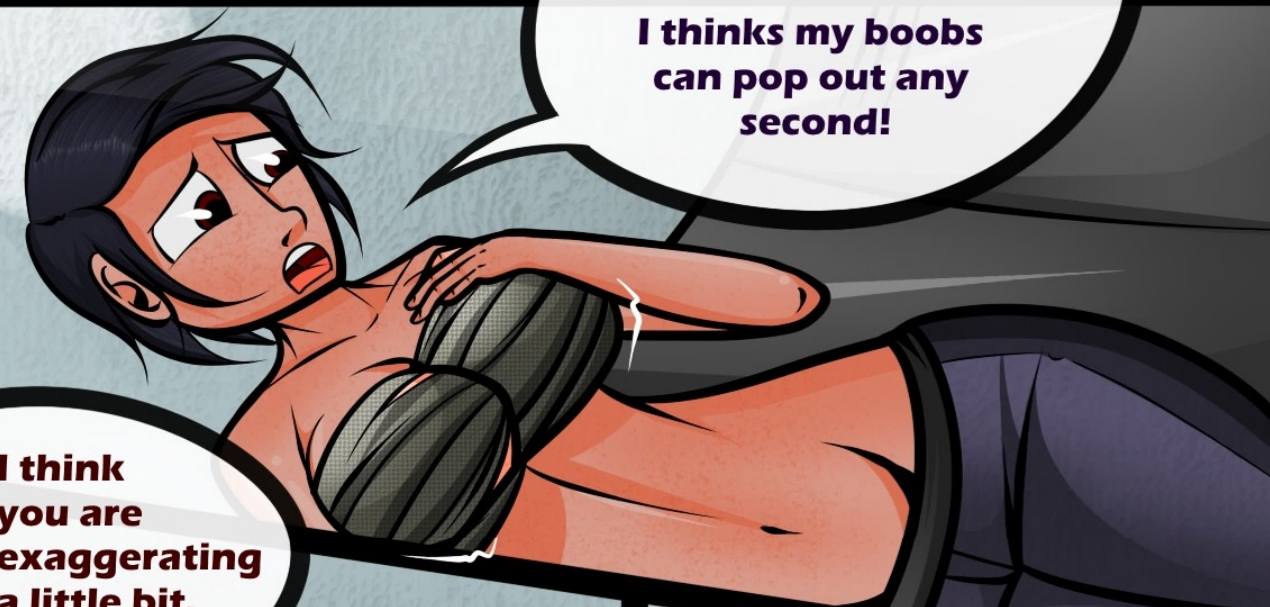

I think my boobs
can pop out any
second!

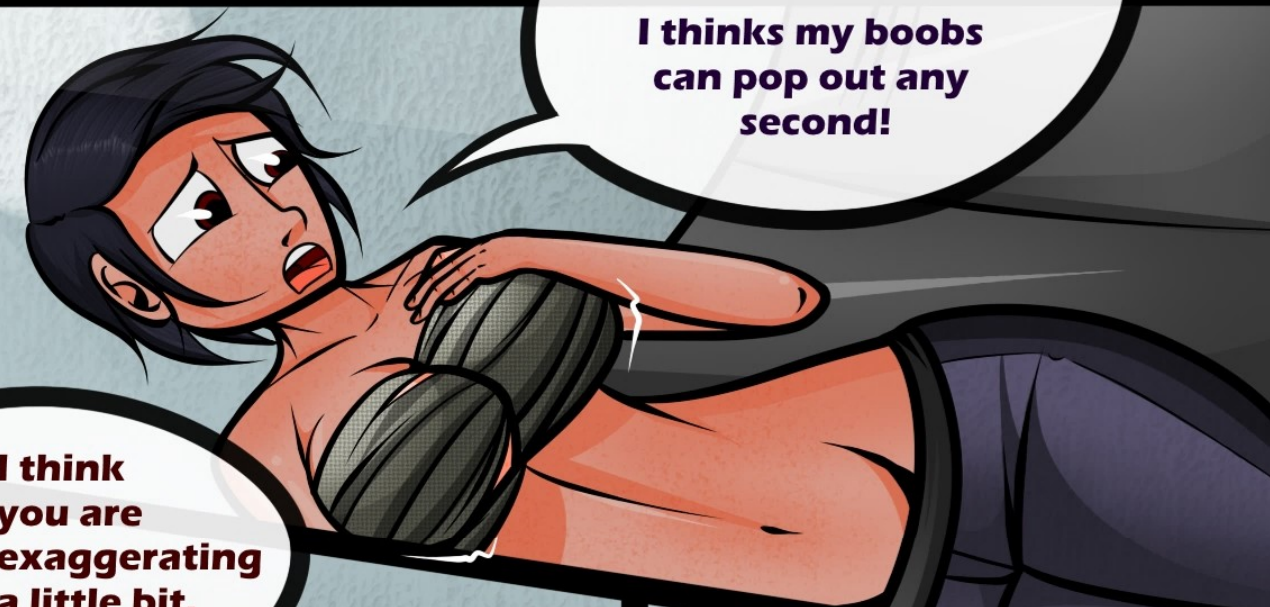

I think
you are
exaggerating
a little bit.

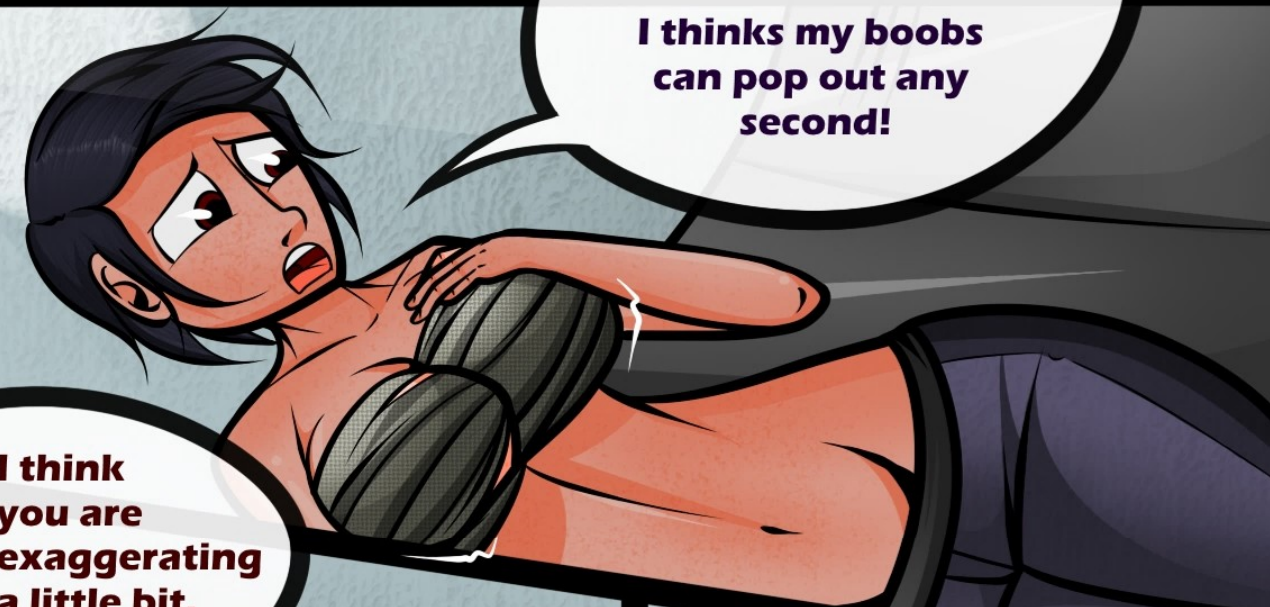

SNAP!

Or
not.

Hey Matt and Dan
... WHAT THE...?!
You two.... are babes?

This
isn't what
you think
it is!

Well, you see,
my girlfriend
turns out to
be a witch and
she turned me
and Matt into
girls abd...

Oh my god!
You have some nice tits!
Bram! You need to see
Matt and Dan!
They are chicks!

Squeeze...

Ah!....
Stop it!
They are
really
sensitive!

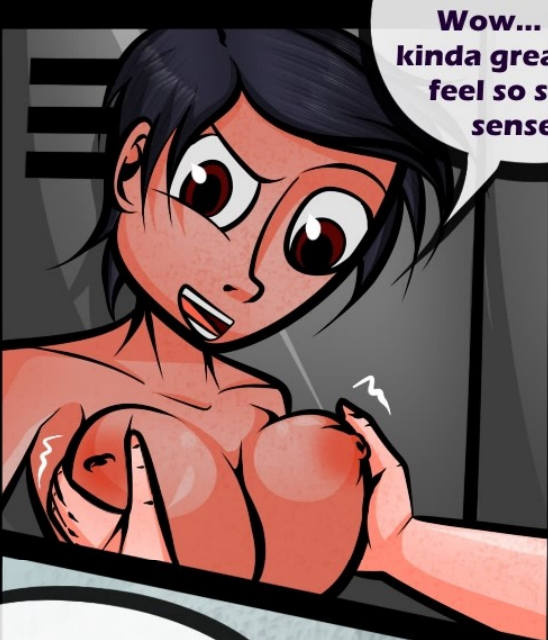

Matt? Is that you?
You are a girl...
and you are hot!
Mind if I touch
them?

Okay,
I can get away from
this, he's polite.
I just don't have
to invite him!

You have to
kidding me!

BOING!

BOING!

Wow... it feels
kinda great! My tits
feel so soft and
sensitive!

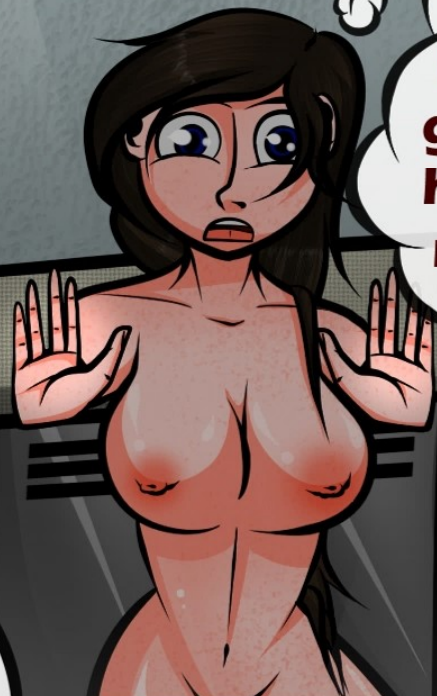

AAAH!
Don't pinch
them!

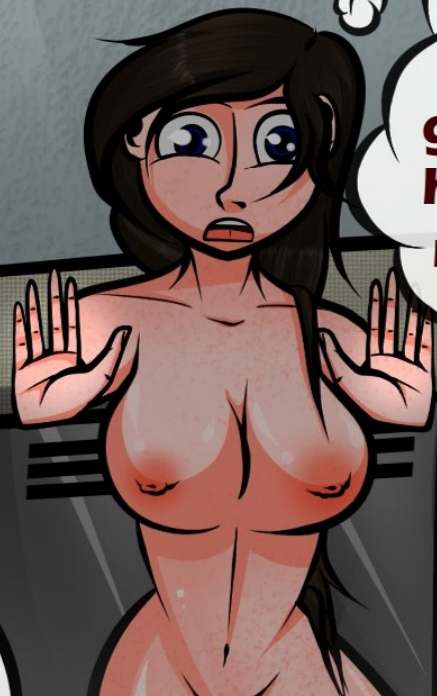

**Lets Have
a look down
here! Damn!
You have a
nice booty!**

**Uhhmm...
Thank you...
I think?**

**Oh
god,
help
me!**

**Matt,
your skin feels soft!
Your womanhood
must feel even softer!**

**We
can't live
anymore
as girls!**

**I'm sorry,
I used the last
of my power
to turn you
guys into
women,**

2 Years?!

**it'll
take 2
years to
turn you
back.**

10 days later.

**Here
goes nothing!
Are you ready to
go to the class
with our new
identities?**

End.
