A first-person perspective shot from a video game. A hand in a dark red, textured sleeve points towards a man on the right. The man has a shocked expression, with wide eyes and an open mouth, and is touching his forehead. He is wearing a light-colored, short-sleeved button-down shirt and dark trousers. The setting is a cave with rough, grey rock walls. On the floor, there are scattered gold coins and a small, ornate golden bowl. To the right, a wooden treasure chest is partially visible, containing a string of pearls and other valuables. A speech bubble from the hand reads "STOP STARING...".

STOP
STARING...

AT MY
BIG...

The image is a 3D rendered scene set in a treasure-filled cave. A man with a shaved head, wearing a white long-sleeved button-down shirt and dark trousers, stands on the right side of the frame. He has a shocked expression, with wide eyes and an open mouth, and his right hand is raised to his forehead. A massive, pale, human-like arm enters from the left, its index finger pointing directly at the man. The arm is wearing a dark red, textured sleeve with light-colored patches. A speech bubble originates from the arm, containing the text 'AT MY BIG...'. The background consists of dark, jagged rock walls. On the floor, which is covered in sand and small stones, are various treasures: gold coins, a small pink worm-like creature, and a golden helmet. To the right, a wooden treasure chest is partially visible, containing a string of pearls and a green gemstone.
