

# COLLEGE KINGS<sup>2</sup>

**EPISODE 1**

**WALKTHROUGH**

Monday, October 27

*Finally back home after that Europe trip, and finally we've gotten ridden of Charli. Riley wasn't a huge fan of him either, and with good reason. For all his sins, did he bring up some soul-searching within you? Either way, you've got other things to think about now. If you're in a relationship with Riley, she'll confide a bit on her feelings. She's a bit conflicted on how to feel about both you and Aubrey, it's something she might take some time to figure out.*

## Airport

1. With Riley:
  - a. He did [+1 Bro]
  - b. He didn't [+1 Troublemaker]
  
2. [Need FWB status with Riley] With Riley:
  - a. Like us both [+1 Bro]
  - b. Pick one of us [+1 Boyfriend] [+1 Troublemaker]

*Julia catches up with a quick call, just to let you know she'll be out of town for a while, though it's a bit unnerving that she won't tell you exactly what her job is. And just before getting some sleep and trying to combat the jet lag it's going to be nice to see some of the familiar faces back at the frat house (be it Grayson or Sebastian).*

Tuesday, October 28

*The time for sleeping is over, Chloe blows up your phone in the morning, she's freaking out about Lindsey? When you get on campus you finally see why, the whole place is plastered with Lindsey for President posters. Imre isn't too fazed, he'll be rooting for Chloe. Not necessarily because she's the best candidate, but because she's hot. Not that it's a bad way of picking a favorite.*

*Meanwhile, more drama is affecting the Chicks as Aubrey just came from a meeting with the Dean and it looks like the rules on the drugs and alcohol policy. Will this be affecting the frats as well? Ooof.*

### Campus entrance

3. With Aubrey/Riley
  - a. You can talk about it with us [+1 Bro]
  - b. We can give you some space
  - c. What about the fraternities? [+1 Troublemaker]
  - d. Are the Chicks in trouble? [+1 Boyfriend]

### Hallway

4. With Imre
  - a. It's genius [+1 Bro]
  - b. It's idiotic [+1 Troublemaker]

*The first major decision that shapes up how this Act will develop comes next, Chloe is going to need your help to have a chance at gaining everyone's support. If you decide to help her campaign, some actions will gain (or even lose) popularity. These are indicated in the menu choices as well. Even if you don't want Chloe to win, it can be an idea to join her campaign just to sabotage her...*

**Chloe path:** some sex scenes (and other achievements) will be locked behind supporting Chloe's campaign (and potentially locked behind her winning the presidency), so say you'll help to fully explore her path.

5. With Chloe
  - a. I'll help [+1 Boyfriend (with Chloe Girlfriend)] [+1 Troublemaker (with Lindsey FWB)] [+1 Bro (otherwise)] **[+5 Chloe Popularity]**
  - b. I don't have the time [+1 Troublemaker (with Chloe Girlfriend)] [+1 Boyfriend (with Lindsey FWB)]

*General note: Chloe starts with an incumbent advantage, of **55** to **45** points. As each candidate gains or loses popularity, that results in a simple swing. So here if you're backing her campaign, and she gains this **+5** boost, it turns Chloe's popularity score into **60** points (and therefore Lindsey will have **40**, as both numbers always add up to 100).*

*The ultimate winner will be the one with the highest popularity, Chloe wins if she has 50 points or higher, otherwise Lindsey wins.*

## Economics class

*At the first class back after the trip, you and Lauren will try to catch up on the TA notes and what you may have missed, but maybe the both of you have something to talk about over what happened in Europe (Lauren wants to move on if you've done her wrong).*

*Either way, by now you have a chance for your first campaign act, Lindsey has asked Lauren to help with a fundraising bake sale, and she's inclined to do it, but you may be able to persuade her not to.*

6. With Lauren
  - a. Joke [+1 Bro]
  - b. Compliment [+1 Boyfriend]
  - c. Make fun of her [+1 Troublemaker]
  - d. Compliment her [+1 Boyfriend]
  - e. Help Lindsey
  - f. Don't help Lindsey
    - i. Ask Lauren to sabotage Lindsey [+1 Troublemaker]
    - ii. Don't ask her [+1 Boyfriend]

*Here's how things work out: if Lauren is your Girlfriend, or you have Loyal reputation, she'll listen to you. Otherwise she'll just need some time to figure things out on her own. You can find all the possible outcomes below, and if you manage a sabotage, you'll earn the **Achievement: Beastie boy**.*

| <b>Choice</b>                 | <b>Lauren GF, or Loyal?</b> | <b>Outcome</b>                                                 |
|-------------------------------|-----------------------------|----------------------------------------------------------------|
| <i>Help Lindsey</i>           | Yes                         | <b>Lauren helps Lindsey,</b><br><i>Lindsey Popularity +3</i>   |
|                               | No                          | <i>Lauren thinks about it,</i><br><i>Lindsey Popularity +1</i> |
| <i>Ask lauren to sabotage</i> | Yes                         | <b>Lauren will sabotage,</b><br><i>Chloe Popularity +2</i>     |

|                         |                       |                                                          |
|-------------------------|-----------------------|----------------------------------------------------------|
|                         | No                    | <i>Lauren thinks about it,<br/>Lindsey Popularity +1</i> |
| <i>Don't ask Lauren</i> | <i>Doesn't matter</i> | <i>Lauren thinks about it,<br/>Lindsey Popularity +1</i> |

## Hallway

And finally we meet with the second candidate, Lindsey. Just like Chloe, she's also in need of your help, and just like Chloe she will reward you immensely if you help her win. You can pick up the achievement **Double agent** if you're helping (or saying you're helping) both campaigns at the same time.

**Lauren path:** helping out with Lindsey's campaign is going to take away some time from you, and will prevent two scenes with Lauren later on. These are not sexual in nature, but if you'd like to unlock all of them in the gallery, you'll need a playthrough where you don't help Lindsey.

7. With Lindsey
  - a. Help Lindsey [+1 Troublemaker (with Chloe Girlfriend)] [+1 Boyfriend (with Lindsey FWB)] [+1 Bro (otherwise)] **[Lindsey Popularity +5]**  
**[Achievement: Double agent (if you also help Chloe)]**
  - b. Don't help Lindsey [+1 Boyfriend (with Chloe Girlfriend)] [+1 Troublemaker (with Lindsey FWB)]

## Chloe's planning board (Phase 1)

If you're helping Chloe, now you're introduced to how the campaign mechanics will work. There are several phases during the campaign, and in each one you get to pick one main strategy, and one substrategy. During her first phase, Chloe wants to re-establish old loyalties, so choose if this should mean getting closer to the Wolves or the Apes. Some

*achievements depend on which partnership you choose here, so you may want to split the playthroughs.*

**Chloe path:** *there is one sex scene that is hidden behind the Wolves option. As for which strategy benefits the campaign the most, Grayson can cause damage later if you don't specifically get his support here (but if you're an Ape you might be able to convince him to stay quiet). If you go with the Wolves, Chris is more likely to show support if you go with a real wolf photoshoot.*

8. Chloe's planning board
  - a. Wolves partnership
    - i. Real wolf (-\$450)
    - ii. Plush wolf (-\$50)
  - b. Apes partnership
    - i. Cameron support
    - ii. Grayson support

*If you choose the Wolves strategy, the next step of the plan is going to have a chat with Chris, but if you're helping Lindsey as well, you may be worried you don't have enough time to be supporting both sides. For now it's fine, feel free to carry on with the plan.*

9. [If Chloe has the Wolves strategy, and if also helping Lindsey] With Chloe:
  - a. Talk to Chris [+1 Boyfriend]
  - b. Make an excuse [+1 Bro]

## School hallway

*A bit of non-political news for a change, you spot Autumn (totally not kidnapping people) handing out candy to the passersby, announcing the reopening of the dog shelter after a bit of renovation work. And they're almost ready, just some finishing touches remaining. You may have a chance to help out later before the big day.*

*And if you're dating Lauren, you can let the big sis know how great things are going between the two of you.*

10. With Autumn

- a. It was great [+1 Bro]
- b. It was alright [+1 Troublemaker]

11. [If Lauren is Girlfriend] With Autumn

- a. I love her [+1 Boyfriend]
- b. It's going great

12. With Autumn

- a. We should hang out more [+1 Troublemaker]
- b. It was nice catching up [+1 Boyfriend]

Outside school [If at least FWB with Chloe, and helping her with Chris]

**Chloe path:** *If you're helping Chloe's campaign with the Wolves strategy, and are on your way to have a chat with Chris to gain his support, why not start election season with a bang? If you're on a FWB or GF relationship with Chloe, she knows the parking lot is usually empty, so why not take advantage for some outdoor sex? Might be one of the last times she's going to have time for it. Or maybe you're just helping her campaign because you really want her to win and don't expect anything in return, it's your choice.*

*Over the course of the election different choices will earn **Popularity** points for either candidate, which is going to be crucial to determine the ultimate winner.*

13. With Chloe:

- a. That does kinda suck [+1 Troublemaker]
- b. Don't worry about it [+1 Boyfriend]
- c. Continue [+1 Boyfriend] [+1 Troublemaker] **[Scene: Right here right now]**
- d. Pull back [+1 Boyfriend]

### Lindsey's planning board (Phase 1)

*If you're (also) helping Lindsey, you'll get to meet her campaign headquarters, a.k.a. the janitor's closet (apparently after a deal with Mr. Rose they helped the janitor's kids into SVC, and he was happy to pay back the favor by letting Lindsey use the space. Anyway. It's a similar story to Chloe's, there's going to be several stages and in each one you get to pick an approach and a substrategy.*

*Phase 1 consists of gaining extra funds, which will be helpful later. Stealing money from Chloe is the most lucrative option, if you can pull it off. If you don't mind a small hit to your relationship with Chloe, you can even invite her on a dinner date and then ditch her. If you go with the other option, of selling a car, having Lindsey in the ad pictures will attract more demand, but you might want to go through all the options to see all the paths and the achievements that lay behind each one.*

- 14. Lindsey planning board
  - a. Sell car
    - i. Pics with Lindsey
    - ii. Pics without Lindsey
  - b. Steal from Chloe
    - iii. Distract with concert tickets (-\$100)
    - iv. Stand her up

## Wolves house [if supporting Chloe and heading to talk to Chris]

*If you're on your way to the Wolves house to get Chris' endorsement for Chloe's campaign, you'll find him chilling just outside (nice sunset, by the way). He shares an interesting take on life, that he lives by doing what is right and not what he prefers, even if helping Chloe means pissing off Nora (bonus points to anyone on her path).*

### 15. With Chris

- a. That's very selfless [+1 Bro]
- b. It sounds inconsiderate [+1 Troublemaker]

*When Chloe finally joins you, she details the plan that there's going to be a photoshoot. Remember that Chris supports doing what's right, so when he says proper photoshoots are expensive, agree with him to gain his favor. He'll have another side comment if you went with the cheaper, plush option, he doesn't really see the Wolves as "cute".*

### 16. With Chris/Chloe

- a. Agree [+1 Boyfriend]
- b. Disagree [+1 Bro] [+1 Troublemaker]

### 17. [If going with the plush wolf strategy] With Chris

- a. Agree with Chris [+1 Bro]
- b. Disagree with Chris [+1 Boyfriend]

*Depending on your choices here and also at the planning board, Chris will give some level of support, which you can see below:*

| <b>Strategy</b>   | <b>Dialogue 16</b> | <b>Dialogue 17</b> | <b>Outcome</b>                                     |
|-------------------|--------------------|--------------------|----------------------------------------------------|
| <i>Real wolf</i>  | <i>Agree</i>       | <i>n/a</i>         | <i>Chloe Popularity +5</i>                         |
|                   | <i>Disagree</i>    |                    | <i>Chloe Popularity +1</i>                         |
| <i>Plush wolf</i> | <i>Agree</i>       | <i>Agree</i>       | <i>Chloe Popularity +2</i>                         |
|                   |                    | <i>Disagree</i>    | <i>Chloe Popularity +1</i>                         |
|                   | <i>Disagree</i>    | <i>Agree</i>       | <i>Chloe Popularity +2</i>                         |
|                   |                    | <i>Disagree</i>    | <i>Chloe Popularity -3 (no support from Chris)</i> |

*If you had picked the plush wolf option, and disagreed with Chris both times, you could have earned the **Achievement: Agree to disagree**, but that comes with not getting his support at all and as you can see it's the worst possible outcome. But maybe you're secretly derailing the campaign from the inside...?*

## Gas station

### 18. Picking candy

- Tweezers **[Achievement: How did you know]**
- Gummy Fish

*Amber shoots a text shortly afterwards, she's been acting off for a few days and now is in need of a friend. You might as well get her some nice candy on the way there (and pick the right one for an achievement). Also, Grayson is having a part-time job there (like everyone else, he needs money to survive).*

*Note that if carrying on from CK1 you needed to have taken the wallet from the night gambler in Amsterdam to have enough cash to get Amber something.*

## Amber's house

*The door is open at Amber's place (we might need to talk about that later), and she seems to be relapsing into taking some pills. And you can't blame her, she's taken a knock after a friend of hers cut her off because Amber was a "bad influence".*

19. With Amber:

- a. Nice pills you got there [+1 Troublemaker]
- b. What are those, Amber? [+1 Boyfriend]
  
- c. I'm sorry [+1 Bofriend]
- d. What a dick [+1 Bro]
  
- e. Empathize with her [+1 Boyfriend]
- f. Stay quiet [+1 Bro]
  
- g. No more drugs, Amber [+1 Boyfriend] [+1 Bro] **[Amber clean path]**
- h. Let Amber be Amber **[Amber drug path]**

**Amber path:** *an important choice comes up here, that is going to influence Amber's storyline from now on. She's at a very vulnerable state, so she'll trust you and listen attentively to your advice. There's a sex scene coming if you just "let Amber be Amber" and have fun without thinking about the consequences, but that's going to have negative implications for how she approaches life choices.*

*If you encourage her to get clean, she will, and she'll make an effort at that (and you'll have more scenes with her in the future). So it's up to you, do you care more about a quick fuck or about helping a friend in times of true need?*

20. [On the Amber clean path] With Amber:
- a. That's a lot of pressure [+1 Troublemaker]
  - b. Of course [+1 Boyfriend]
21. [On the Amber drug path] With Amber:
- a. Yeah I fucking do [+1 Troublemaker] **[Sex scene: Fuck while fucked up]**
  - b. We really shouldn't... [+1 Boyfriend]

**Amber path:** *a drugged sex scene is up for grabs if you're encouraging Amber to get that way, so this is an opportunity to build a FWB relationship with her, if you haven't already (and you can tell she's feeling vulnerable, you don't even need to have Popular reputation to get it).*

22. With Amber:
- a. Let her stay [+1 Troublemaker]
  - b. Move away [+1 Boyfriend]

*Either way, spend the night at Amber's, and while you're not really used to being the first one to wake up, let's hope you were indeed able to have some sleep, and that you've made the right decisions so far.*

Wednesday, October 29

## Campus

23. [If Lauren helps the bake sale (conversation 6)] With Lindsey:
- Oh thanks
  - I'm not hungry

*Let's start the day back at campus, and Lindsey is busy on her first campaign action, her famous bake sale. And here we can also see the first impact of your influence over things, you may have persuaded Lauren to help (or even to sabotage) the event. If she is helping, then good for you, you get to have a nice slice of cake. But just like you, everyone else will enjoy them, and so Lindsey will make quite some extra money:*

| <b>Scenario<br/>(see conversation 6)</b> | <b>Funds raised for Lindsey</b> | <b>Lindsey Popularity</b> |
|------------------------------------------|---------------------------------|---------------------------|
| <i>Lauren helps Lindsey</i>              | \$450                           | + 2                       |
| <i>Lauren sabotages Lindsey</i>          | \$100                           | - 2                       |
| <i>Neither</i>                           | \$150                           | - 1                       |

*It's not all sweet news, Emily passes you on campus and has something important to share. She wants to keep this a bit private, so we head over to the gym locker rooms.*

**Emily path:** *if you're in a relationship with Emily, after all the backwards and forwards, she's adamant that she still loves you, and she hopes that you do too. Say you love her*

*to continue a relationship, but it's going to have to be a long-distance relationship, because she's actually going to move colleges. Or dismiss her to let go of her (for good?).*

*Note that if carrying over from CK1 you will need to have had her scene in Amsterdam.*

24. With Emily:

- a. Of course [+1 Boyfriend]
- b. Can't we speak here? [+1 Troublemaker]

25. [If FWB with Emily] With Emily:

- a. I love you too [+1 Boyfriend] **[Maintain relationship]**
- b. It'll never work between us **[Revert to Friend status]**

26. With Emily:

- a. Stay calm [+1 Boyfriend]
- b. Be angry [+1 Troublemaker]

Chloe photoshoot [if helping her with Wolves strategy]

*Chloe's campaign continues with a photoshoot in the woods. Something interesting happens if you went for the real wolf, as you get to meet it and the trainer. Turns out the trainer used to date someone named Jenny (could it be...?), but sadly that all fell apart after the "accident". Hmm, maybe we'll learn more later.*

*For now, just make a suggestion of which pose Chloe should adopt, and that's going to form the basis of a Kiwii post in a minute. It won't really matter which picture you choose, but it will matter which caption comes alongside, so suggest something more presidential to Chloe to gain that extra edge.*

27. [If helping Chloe with plush wolf] With Chloe
- Standing next to the wolf
  - High-fiving the wolf
28. [If helping Chloe with real wolf] With Chloe:
- Run [+1 Boyfriend]
  - Stay still [+1 Bro]
  - Standing next to the plush
  - Holding the plush and cheering
29. [If helping Chloe with wolves] With Chloe
- It's perfect [+1 Boyfriend] **[Chloe popularity +2 (or +1 if you lost Chris' support in conversation 17)]**
  - What about something else? [+1 Troublemaker] **[Chloe popularity +3 (or +2 if you lost Chris' support in conversation 17)]**

### Apes house

*On the other hand, if Chloe's campaign means you're trying to get the Apes support, we'll get a bit of insight into her state of mind. This is a tricky gamble because of her rocky past with Grayson of course, so you can decide how you feel about her taking so much time into the campaign (and not so much into your relationship).*

30. With Chloe
- I got this [+1 Boyfriend]
  - Relax [+1 Bro]
31. [If Girlfriend status with Chloe] With Chloe

- a. I'm glad she's focused [+1 Boyfriend]
- b. That's a turn-off [+1 Troublemaker]

*Depending on which member of the Apes you wanted to convince, you can have a chat with Cameron or Grayson about forming a strategic alliance. We learn that Cameron is ambitious, and may be interesting in running for president of the Apes himself one day (and when he does Chloe will be there to support him back). But to be honest he's not going to have much say as of right now. Do feel free to create a good rapport with him if you want (especially if you're a Wolf and haven't had much chance).*

32. [If chose Cameron's support] With Cameron

- a. Butter him up [+1 Boyfriend]
- b. Cut to the chase [+1 Bro]
- c. So Lindsey doesn't win [+1 Boyfriend]
- d. To strengthen the Apes [+1 Bro]
- e. Say Chloe is the hotter Chick [+1 Bro]
- f. Collaboration [+1 Boyfriend]

33. [If chose Cameron's support, and you're a Wolf] With Cameron

- a. She means what she says [+1 Boyfriend]
- b. She says what she needs to [+1 Bro] **[Bro level with Cameron]**

*If you're on the path of convincing Grayson, the best way of doing that is Chloe turning on the seduction on him. But it's going to work best if she does it on her own. So do you trust her alone with him (especially after he's been drinking)? This is probably the ultimate relationship test, and it's worth an achievement if you're on Girlfriend status with Chloe and let her go through with the plan. But it's also the one shot you get at taming Grayson.*

*Ultimately you won't know what happens when those two get alone, and perhaps it's best to leave it at that...*

- 34. [If chose Grayson's support] With Chloe:
  - a. Trust Chloe [+1 Boyfriend] [**Achievement: Built on trust (if Chloe Girlfriend)**]
  - b. Don't trust Chloe [+1 Bro]
  
- 35. With Grayson:
  - a. Don't think so
  - b. Not yet [+1 Boyfriend] [+1 Troublemaker]
  
- 36. [If you trusted Chloe] With Aubrey
  - a. Vape [+1 Troublemaker]
  - b. Pass [+1 Boyfriend]
  
  - c. Ask for details [+1 Troublemaker]
  - d. Leave it be [+1 Boyfriend]
  
- 37. [If you didn't trust Chloe] With Grayson:
  - a. Whatever
  - b. Apologize

*Just in case you're not helping Chloe, and you have a free afternoon, Imre will make sure you don't skip gym day. And meeting Rubee, who's quite the military type, will probably be a strong incentive to not miss them in the future.*

*Even if you're not helping Chloe in the campaign, you'll see that the candidates are still active, and she will be making a Kiwii post just about now. Just a small reminder that*

*you should always be on your toes, you never know what the opposition can come up with on their own.*

38. [If not helping Chloe] With Imre:
- a. Chris [+1 Troublemaker]
  - b. Ryan [+1 Bro]
  
  - c. You're right [+1 Bro]
  - d. Please just get along [+1 Boyfriend]

## Room

*Back at your room you'll be getting a call from Lauren, if she's your girlfriend. Looks like all the loosening up from Amber during the Europe trip has had an effect on her, and she's wanting to try to watch porn for the first time. So feel free to give her a little encouragement as she explores herself a bit.*

39. [If Lauren GF] With Lauren:
- a. Want me to come over? [+1 Bro]
  - b. I miss you too [+1 Boyfriend]
  
  - c. Laugh [+1 Boyfriend]
  - d. Get excited [+1 Bro] [+1 Troublemaker]

**Penelope path / Jenny path:** *Jenny texts you about a little lagoon she's found, the perfect place to have an evening swim. But if you're on Penelope's path and she likes you at this stage, you'll have an important decision of carrying on with a date night with*

*Penelope, or going with Jenny. And each door that you open will close the other one, so pick carefully.*

*Note that if carrying over from CK1, in addition to having started a relationship with Penelope in Europe, you'll also need to have suggested a date at the museum in London in order for this to be an option.*

- 40. [If Penelope likes you] With Jenny:
  - a. Accept Jenny's invite [+1 Bro] [+1 Troublemaker]
  - b. Decline Jenny's invite [+1 Boyfriend]
  
- 41. [If you decline Jenny and call Penelope instead] With Penelope:
  - a. Hey Princess [+1 Boyfriend]
  - b. Hey Penelope [+1 Bro]

Lagoon [if accepted Jenny's invite]

*Finally some alone time with Jenny where you can finally get to know her a bit better. The conversation turns to the Chicks election and Chloe, and hello... Jenny knows a Chloe. Moralez, even. Tall, blonde, badass, they used to do pageants together. Yep, same Chloe. What a small world.*

*Meanwhile, navigate the chatting with some mild flirting, and with the right answers (or if you're Popular) she'll be open for more. Let's just say she's not just going down, she's going underwater down.*

- 42. With Jenny:
  - a. Happy to help [+1 Boyfriend]
  - b. Ouch, that hurts [+1 Troublemaker]

- c. Yeah I am [+1 Bro] **[Jenny point]**
- d. Not really [+1 Boyfriend]

- e. Not fair [+1 Boyfriend] **[Jenny point]**
- f. You're a spy? [+1 Troublemaker]

- g. Yeah, or something... [+1 Boyfriend] **[Jenny point]**
- h. Just being a good friend [+1 Bro]

43. [If 3 Jenny points, or Popular] With Jenny:

- a. Kiss her **[sex scene]** [+1 Troublemaker (if Chloe GF, Lauren GF or Penelope Likes)] [+1 Boyfriend (otherwise)] **[Jenny FWB status]**
- b. Don't kiss her [+1 Boyfriend (if Chloe GF, Lauren GF or Penelope Likes)] [+1 Troublemaker (otherwise)]

44. [If having Girlfriend status with Lauren] With Lauren:

- a. What kind of things? [+1 Boyfriend]
- b. You watching porn sounds hot [+1 Bro]

*If Lauren is your girlfriend she can't help interrupting your casual date night with all the research she's been doing on porn. Did you know there's, like, hundreds of different positions? Fascinating stuff.*

45. With Jenny:

- a. Apologize [+1 Boyfriend]
- b. Compliment her [+1 Bro]

## Restaurant [if going on date with Penelope]

*The alternative to the Jenny outing is a restaurant date with Penelope (and you may have caught her a bit by surprise with your invitation, but she's more than keen to do it. While you're discussing her failed application for hall monitor (try not to laugh), there's a dysfunctional couple on another table causing a commotion.*

**Penelope path:** Choose to "focus on us" and ignore those guys, otherwise Penelope might snap and the date isn't going to end well.

### 46. With Penelope:

- a. Greet
- b. Greet with a compliment [+1 Boyfriend]
  
- c. Be serious [+1 Boyfriend]
- d. Laugh [+1 Troublemaker]
  
- e. Same here [+1 Bro]
- f. Focus on us [+1 Boyfriend]

*If you don't choose to "focus on us", and don't have Confident reputation, Penelope will make a scene at the restaurant and forcefully shut that couple up. Might be interesting to see what she's really capable of, and you'll earn the **Achievement: Wrath of Pen** in the process, but you'll be ruining your chances with Penelope later on.*

*At the end of the date, if the night went well, Penelope will invite you to stay over the night for a nice cuddling session...*

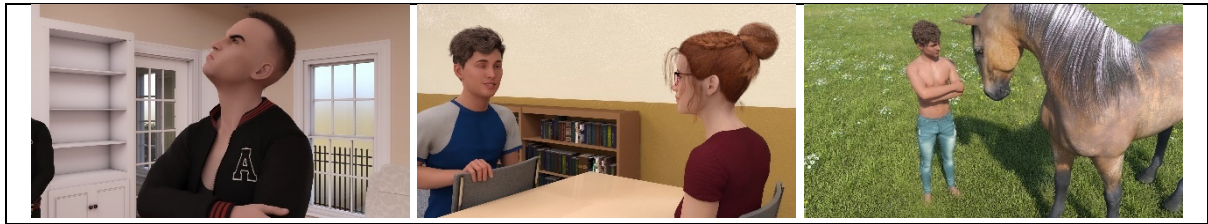

### 47. With Penelope

- a. I'd wait [+1 Boyfriend] [+1 Troublemaker]
- b. Hell yeah! [+1 Bro]

#### Late night call

- 48. [If Lauren is Girlfriend] With Lauren:
  - a. What'd I say? [+1 Troublemaker]
  - b. Yeah I'm tired [+1 Boyfriend]

Thursday, October 30

Wolves house [if not cuddling with Penelope]

49. With Sebastian:

- a. I don't hate it [+1 Boyfriend]
- b. Don't do it again [+1 Bro]
  
- c. I'm clean [+1 Boyfriend]
- d. I'm not clean [+1 Bro] [+1 Troublemaker]

*If you didn't finish last night at Penelope's place, it's back to the usual business of frat life. On the Wolves side, Sebastian will warn you about an upcoming drug test, so you may want to be careful. As for the Apes, there's a more interesting story, and we'll see if you've been able to influence Grayson.*

*In a meeting he calls up for the house, he's going to share a seductive picture of Chloe, and all the Apes are to share it, in order to derail her campaign. But you can still stop Grayson, if you say it's a bad look for the frat.*

Apes house [if not cuddling with Penelope]

50. With Apes:

- a. Stay quiet [+1 Troublemaker]
- b. Stand up for Chloe [+1 Boyfriend]
  - i. Bad look for Apes [+1 Bro] **[Stops Grayson]**
  - ii. Not fair to Chloe [+1 Boyfriend] **[Stops Grayson (if Confident, or Chloe got Cameron's support)]**

Penelope's room [if finished last night with her]

51. With Penelope:

- a. I wouldn't have changed a thing [+1 Boyfriend] **[Earn Penelope Loyal/Trust status]**
- b. Sex would have been nice [+1 Bro]

*On the other hand, a night with Penelope becomes a day, and she's feeling a bit guilty that you might have been expecting some sexual action. But this is actually a test. You'll remember she said she prefers guys who are comfortable with her being her own person and who will accept her.*

**Penelope path:** let's not jump into talks of sex too early, just say you wouldn't have changed a thing about last night and earn some long-term points with Penelope.

History Class

*Mr. Lee is very excited this morning (not as much as Emily was on the text, if you've been entertaining her company) and very proud to announce his new teaching assistant. Don't worry, it's not you. It's actually Riley. And her first task will be to help sort out a roleplay, everyone is going to be paired up to play medieval kings and queens.*

*Imre is embarrassed that everyone else has picked their partners already and he's going to be left with Riley (he's now regretting some drunken texts he's sent her), so you can bail him out. Keep Riley for yourself, or stick with Penelope. Either way it can be some romantic roleplaying.*

52. In class

- a. Work with Penelope [+1 Boyfriend (if Penelope like you)] [+1 Troublemaker (otherwise)]
- b. Work with Riley [+1 Bro]

*Except that at just this precise moment Grayson and the Apes unleash Chloe's sexy pic on Kiwii for all to see (unless you managed to stop him at the Apes meeting, or by having Chloe seduce him). This isn't good for her campaign (she loses 5 popularity points).*

### History roleplay

53. [If working with Penelope] With Penelope:
- a. Romantic scene [+1 Boyfriend] [+1 Bro]
  - b. Argument scene [+1 Bro] [+1 Troublemaker]

*Regardless of your partner choice, you'll have some moments to prepare and draw out a scene you'll be acting later. Riley's more inclined to have more improv and less guidance, Penelope is secretly hoping for something romantic.*

54. [If working with Riley] With Riley:
- a. I'm dominant [+1 Bro]
  - b. I'm submissive [+1 Boyfriend]

### Campus

*Walking down the sidewalk, you notice Team Chloe has earned at least one new fan in Elijah, and he's literally wearing the shirt. It's a very logical choice, he says, nothing to do with how attractive she is. You can either agree with him and reinforce his position or tell him you're with Team Lindsey instead. Doesn't look like it will change his mind too much though.*

55. With Elijah
- a. Chloe [+1 Boyfriend (if Chloe GF)] [+1 Troublemaker (if Lindsey FWB)]  
**[Chloe Popularity +2]**

- b. Lindsey [+1 Boyfriend (if Lindsey FWB)] [+1 Troublemaker (if Chloe GF)]  
**[Lindsey Popularity +1]**

*Elijah's mother shows up to pick him up, and she makes an impression on Imre, but is she your type as well? Decide for yourself. :)*

- 56. With Elijah's mother
  - a. Introduce yourself
  - b. I'm Eli's friend [+1 Bro]
- 57. With Imre
  - a. She was pretty hot [+1 Bro]
  - b. Meh, not my type [+1 Troublemaker]

*Walking home, Amber has some news to share and suggest to meet up at the park. This is going to be the direct outcome of your talk together at her house two days before.*

*If you let her carrying on doing drugs, she'll quit her job at Lew's and is going to join a nightclub as a dancer. Otherwise, she'll stick with Lew's (and she thinks she has a great career path ahead of her). You might as well be supportive of her, for her die is cast.*

- 58. [if Amber is on the drugged path] With Amber:
  - a. Not a bad idea [+1 Troublemaker]
  - b. Why a stripper? [+1 Boyfriend]
- 59. [if Amber is on the clean path] With Amber:
  - a. Make a joke [+1 Troublemaker]
  - b. Be supportive [+1 Boyfriend]

## Lauren's room [if not helping Lindsey]

*A special scene that triggers only if you're not helping Lindsey with her campaign, Lauren has recently learned about the theory of hypnosis, and can't wait to try this on someone. She'll make you fall into a deep relaxation, and it really looks like you're in a different setting. What that setting is depends on is how much Lauren likes you. If she's your Girlfriend, it will be a nice beach (dream) blowjob scene **[Good Dr. Lauren]** but if not, well, let's just say the scene is called **Bad Dr. Lauren** and it involves a horse and it's a bit painful.*

60. [if Lauren GF] With Lauren:

- a. Of course I do
- b. Even more [+1 Boyfriend]

*The Good Dr. Lauren scene also comes with the **Achievement: Your eyelids are heavy** so it's almost like a double win.*

## Parking lot [if helping Lindsey with car sale]

*Time to help Lindsey's campaign, if you're on her side. In case you went with the strategy of selling her old car, meet her at the parking lot. She's got a new outfit to show you, and it would be a shame if she's not in the pictures with it, but that's a decision you've made some time ago.*

*Take the time to take pictures from the four possible angles (hood, trunk, driver's side and passenger's seat), each one will increase the amount someone's willing to pay at the end.*

*When going through the passenger seat, you'll have a choice of which picture to take, and this one will also increase the value of the car in the ad (either keep her hands on*

*her hips, or keep the bird in the picture). The bird will also grant you an extra achievement.*

61. With Lindsey [if she's on the pictures]:
  - a. Hand on hips [+1 Boyfriend]
  - b. Stand there and look pretty [+1 Bro] [+1 Troublemaker]
  
62. With Lindsey [if she's not on the pictures]:
  - a. Scare bird away
  - b. Take photo with bird **[Achievement: Say chirp]**

*After all the pictures are taken, you'll be able to customize the listing for the ad on iBuy, and how much money you will ultimately make from it is basically down the following:*

- **\$400** by default
- + **\$200** if Lindsey is in the pictures
- + **\$25** per picture (can earn up to \$100)
- + **\$50** if you took the special picture (the hands on hips)

*So just add up the relevant lines and you'll see how much the buyer will be willing to pay. The absolute best scenario is \$750. In any case, if you price the car higher than what you can get for it, you'll miss the sale completely.*

*It also may be tempting to lie about the description to make the car sound nicer, but eventually you'll be found out, and you'll earn less money when the buyer ends up seeing the car. So honesty is the best policy here.*

Chicks house

*On the other hand, if you're helping Lindsey by stealing from Chloe, it's time to sneak in. Lindsey will head first and distract Aubrey. It just so happens that she manages to distract*

*her by asking about anal experiences. You'll have a few chances to keep listening, or to ditch this talk and head over to Chloe's room. The longer you stay, the less time you'll have to try to find the cash.*

- 63. By Aubrey's room [total 3 times]
  - a. Go to Chloe's room [+1 Boyfriend]
  - b. Keep listening [+1 Bro]

### Chloe's room

*Chloe's room is a small free room where you can check up to five locations (if you stayed to eavesdrop on Lindsey and Aubrey, this can go down to four or three).*

*The bedside table doesn't have a lot, just some lip balm, some hand lotion and a vibrator.*

*The desk drawer is a bit more interesting, even if it's not what you came for. It's a list of passwords (!), an old video game cartridge and a family photo of Chloe and her parents (and her pet pig).*

*The closet hides a mystery box, and this one has the biggest stack of cash. It could be \$900, but if Chloe has done a photoshoot with a real wolf, she has spent some of that money already, and you'll see only \$500.*

*Her purse is the obvious place to look next, and she does have \$300 in there, right for the taking.*

*Finally under the pillow is something else of interest, Chloe's secret diary. You don't really have the time to check what's written in it right now, so we'll leave it to Lindsey to go through it, if you decide to nick it.*

*It's up to you what to take, keep both wads of cash and the diary to earn **Achievement: Grand theft Chloe** (and to swing the election budgets as much as possible).*

64. Free roam

- a. Take the \$500/900 [+1 Troublemaker]
- b. Don't take the money [+1 Boyfriend]
  
- c. Take the \$300 [+1 Troublemaker]
- d. Don't take the money [+1 Boyfriend]
  
- e. Take Chloe's diary [+1 Troublemaker]
- f. Don't take the diary [+1 Boyfriend]

*Chloe might be getting very suspicious at this point, if you've used the excuse of asking her on a date in order to go through her room, and haven't showed up yet. So it's time to skedaddle before she's back (or maybe you've just heard some footsteps outside). Hand over whatever you've found to Lindsey then try to work around the house to sneak out (could even go the ninja route and head out the window) .*

65. Chicks house

- a. Return to the hallway
  - i. Front door
  - ii. Kitchen
  
  - iii. Back door
  - iv. Window
- b. Go out the window
  - i. Peek [+1 Troublemaker]
  - ii. Don't peek [+1 Boyfriend]

Wolves house

*It might have been a hectic moment just now at the Chicks house, it's just about time to finish the day at the Wolves house, Chris wants to talk to everyone, and let you guys know he and Nora are breaking up officially. He seems to be frustrated at finally recognizing he hasn't always been there for her, and you can't help wondering how Nora herself is doing. You can ask him about her, but he's not going to take that in the highest of spirits.*

66. [If you're on FWB level with Nora] With Chris
- a. Ask Chris about Nora [+1 Troublemaker]
  - b. Go to your room [+1 Bro]

*Anyway, you try to check on Nora on your own, and you send her a quick message, but it can't be delivered. Weird.*

*And depending on what Imre knows about your history between you and Nora (if carrying on from CK1, or using the path builder, he may have caught you kissing at the Japanese garden in Amsterdam), he'll be adamant that you need to come clean to Chris. But ultimately you both agree that's not going to bring any good.*

67. [If Imre has caught you and Nora] With Imre
- a. Blame Chris [+1 Boyfriend] [+1 Troublemaker]
  - b. Blame Nora [+1 Bro]
  - c. They were on a break [+1 Bro]
  - d. Who? [+1 Troublemaker]

68. [If Imre didn't catch you] With Imre
- a. Of course I know [+1 Bro]
  - b. A monkey? [+1 Troublemaker]

69. [Regardless] With Imre:
- a. Stick up for Nora [+1 Boyfriend] [+1 Troublemaker]
  - b. Say nothing [+1 Bro]

## Apes house

*Or if you're returning to the Apes house, you'll see Samantha downstairs singing (or trying to, at least, helped by some beer). She has been flirting a bit with the idea of relapsing and getting back on pills, because she's struggled with finding another source of happiness.*

70. With Samantha
- a. Make a joke [+1 Troublemaker]
  - b. Compliment her [+1 Boyfriend]
  - c. Help Samantha be clean [+1 Boyfriend] [+1 Bro] **[Samantha clean path] [Achievement: Clean it up (if also helped Amber get clean)]**
  - d. Let Samantha enjoy drugs [+1 Troublemaker] **[Samantha drugs path]**

*It's a similar situation to what we've had with Amber prior, you get to influence what outlook on life she will be having, and you can help her make one last push to stay clean, or just let her be herself.*

**Samantha path:** *Keeping her on drugs will allow for immediate gratification, and an unhealthy sex scene right there at the Apes house basement. The long-term implications of this decision are less clear...*

71. With Samantha [if on the clean path, and higher than Friend status]
- a. Accept the kiss [+1 Bro]

- b. Reject the kiss [+1 Boyfriend]

72. With Samantha [if on the drugs path]

- a. Take your pants off [+1 Troublemaker] **[Sex with Samantha]**  
**[Samantha FWB status]**
- b. Don't take your pants off [+1 Boyfriend] [+1 Bro]

73. [If having sex with Samantha]

- a. Cum inside Samantha [+1 Troublemaker]
- b. Pull out [+1 Boyfriend]

*As you walk away, Cameron is in full sack-over-your-head interrogation mode, and demands to know what you've been up to with his sister. He just can't help being overprotective, and of course you're not making it out alive if you confess to actually having had sex with her, so just navigate how much you want to stand up to him for now.*

74. With Cameron

- a. We were just talking [+1 Bro]
- b. None of your business [+1 Troublemaker]

75. [If Samantha is on the clean path] With Cameron:

- a. Shrug it off [+1 Bro]
- b. Say nothing [+1 Boyfriend]

Friday, October 31

Apes House [if the Apes posted Chloe's picture]

*A surprise visit to the Apes house comes the next morning, if you couldn't prevent Grayson from posting Chloe's picture on Kiwii. The Dean is here to hand out a stern lecture on how that was unacceptable bullying, and demands that everyone deletes their posts. Good thing you didn't go through with that.*

76. With Ryan

- a. It's not my fault [+1 Boyfriend]
- b. I'm sorry [+1 Bro]

Dog shelter

*It's time to help out Autumn with the final stretch of the dog shelter renovations. By the time you get there she's carrying some boxes stacked on top of each other almost oblivious that you're at the entrance, so you can offer to help take some load off her.*

*It's a fun-filled scene, you can try to scare her by popping one of the many balloons you're trying to hang (or she might just do that back to you), and you get to know the latest addition to the shelter, the dog Blue. At least that's the name Autumn came up with. Keep the name for an achievement, or get creative. Some names trigger special easter eggs, like renaming Blue to Green.*

*An older acquaintance, Oscar, also makes an appearance. His former owner is giving him back, because he's moving upstate and can't keep him any longer (the fact that he had given him weed is incidental).*

77. With Autumn

- a. Offer to help [+1 Boyfriend] **[Unlocks lunch break]**
  - i. You think you're funny? [+1 Bro]
  - ii. I want one [+1 Boyfriend]
- b. Say hello [+1 Bro]
  - i. I'm sorry [+1 Boyfriend] **[Unlocks lunch break]**
  - ii. Just breathe [+1 Bro] [+1 Troublemaker]
- c. Agree [+1 Bro]
- d. Flirt [+1 Boyfriend] [+1 Troublemaker (if having Girlfriend status with Lauren)]
- e. Good luck [+1 Bro]
- f. We will [+1 Boyfriend]
- g. No, don't change it [+1 Boyfriend] **[Achievement: Da ba dee da ba dai]**
- h. Yeah, let's change it [+1 Troublemaker]
- i. Make a joke [+1 Boyfriend]
- j. Look at her ass [+1 Bro] [+1 Troublemaker] **[Prevents lunch break]**  
**[Achievement: Horn dog]**
- k. Pop a balloon [+1 Troublemaker]

- l. Keep working [+1 Boyfriend]
- m. Threaten Oscar's owner [+1 Troublemaker]
- n. Comfort Oscar [+1 Boyfriend]

**Autumn / Lauren path:** *treating Autumn nicely during this interaction (and not getting caught peeking at her ass while she's atop a ladder) will unlock an extra conversation at the end where you get to hang out, and also learn a little bit more about Lauren and her past relationships, which can be useful in the future. Especially as Lauren's birthday is coming up very soon.*

- 78. [If having a lunch break] With Autumn:
  - a. Smoke weed [+1 Troublemaker]
  - b. Don't smoke [+1 Boyfriend]

## Campus

**Ms. Rose path:** *If you had a drugged sex scene with Ms. Rose in Paris (back in CK1), she shows up outside the frat house. She's feeling guilty now that there's going to be drug tests before the next fighting tournament. You can accept her apology, or choose to get angry instead – and this way she will try extra hard to earn your forgiveness and this will bring a future sex scene shortly.*

- 79. [If had sex with Ms. Rose in Paris] With Ms. Rose
  - a. Be calm [+1 Bro]
  - b. Get angry [+1 Boyfriend] **[Angry at Ms. Rose]**
    - i. Agree [+1 Troublemaker]
    - ii. Disagree [+1 Boyfriend]

## School Hallway

*If you sneaked in and stole something from Chloe's room while helping Lindsey's campaign, we get to see the impact that has had on Chloe, she's sobbing by the hallway. Let's hope she doesn't become suspicious of your involvement in the whole ordeal.*

*If you didn't steal anything (or didn't even go there), she's actively campaigning and putting on the charm for support (earning **[Chloe Popularity +2]**). Only Chicks actually have the right to vote, but every Chick has friends outside the sorority. And every single one of them will be influenced by the opinion of the public. So the campaigning never stops.*

- 80. [If you stole Chloe's diary only] With Chloe:
  - a. You have a diary? [+1 Troublemaker]
  - b. Why your diary? [+1 Boyfriend]
  
- 81. [If you stole Chloe's diary + cash] With Chloe:
  - a. Sympathize [+1 Boyfriend]
  - b. Empathize [+1 Bro]

## Chloe's planning board (Phase 2)

*Phase 2 of Chloe's campaign efforts really is a "naughty or nice" decision. You can try to convince the Dean (with help from another professor) to reduce the tuition fees for the Chicks and gain a popularity boost, or go the opposite way and secretly record Lindsey saying something embarrassing to damage her reputation.*

*Realistically, unless you can maintain Popular reputation, you're only going to be able to sabotage Lindsey if you are also helping plan her campaign. We will see later how you can bring alcohol to an event she'll be hosting, and get her drunk in the process. And here a Kiwii post has the potential to go more viral, so it's the best option under this scenario.*

*The other alternative, with the reduced tuition, is safer, but has a smaller impact. If you are in a relationship with Ms. Rose, it will be easier to earn her endorsement, otherwise it will be easier with Mr. Lee, but either way is relatively straightforward.*

**Ms. Rose path:** *By choosing to talk to Ms. Rose in this phase, you will be able to confront her if you're sharing a relationship and she drugged you in Paris. You will then have the option to break up with Ms. Rose, if you want.*

- 82. With Chloe
  - a. Sabotage Lindsey
    - i. Kiwii post
    - ii. Dean's PA
  - b. Reduce tuition for the Chicks
    - i. Convince Mr. Lee
    - ii. Convince Ms. Rose

## Hallway

- 83. With Aubrey
  - a. As friends [+1 Troublemaker (if Canoeing as date)] [+1 Bro (otherwise)]  
**[Resets Aubrey status to Friend (if Canoeing as date)]**
  - b. As your date [+1 Boyfriend (if Canoeing as date)] [+1 Bro (otherwise)]  
**[Earn Loyal/Trust status with Aubrey (if Canoeing as date)]**

*Aubrey waves at you in the hallway, you're just the person she wanted to see. Her parents are going to hold a ceremony where they renew their wedding vows, and she'd like to invite you to come. As this is a family event thingy, we may even get a chance to bump into Naomi later (hmmm...). But for now you need to decide how to proceed your relationship with Aubrey.*

**Aubrey's path:** *If you've been romantic with Aubrey in the past (that is to say, if you treated the canoeing day out in Amsterdam as a date back in CK1, or if you chose the options for a romantic relationship when starting from CK2), she is going to expect to you maintain that trait here.*

*So if you're on her romantic path, you can choose to be her date to elevate the relationship a bit more. But if you friendzone her now, you lose everything.*

*If you're not on her romantic path, that is not something you can start now, you should have gone with the earlier steps to be in a better position by this point.*

### Lindsey's Car sale

*If you've helped Lindsey place a listing for her car and followed the notes properly, you'll be getting an offer and you'll be on your way to meet the buyer. It's going to be a male buyer if Lindsey was in the ad's pictures, and a female buyer otherwise.*

*There's really no negotiation at this stage, you put the car for sale for a price, and that's the amount you're going to get. Unless-- you lied in the ad, then you'll get found out and get up to a \$200 penalty. But if you're meeting the male buyer he'll be so excited to get to know Lindsey that he'll pay an extra \$50 just to get her number.*

- 84. With Lindsey
  - a. Refuse offer [+1 Troublemaker]
  - b. Accept offer [+1 Bro]

### Hallway

*Instead of going with the car sale you may have gone rummaging through Chloe's room, and if you did take her diary, by now Lindsey has had time to read through it. And she's found all the juicy entries. Like Chloe's plan to get her drunk and say something embarrassing. If that was actually the plan you had suggested Chloe to go through with, then congratulations, you earn the **Achievement: Counter intelligence** here.*

85. [If stole Chloe diary + Chloe Girlfriend status] With Lindsey:
- a. Tell me [+1 Troublemaker]
  - b. Not interested [+1 Boyfriend]

**Lindsey path:** *If Chloe is your girlfriend, Lindsey's insecurities are starting to catch up (and if she had just read Chloe's diary, that didn't help). If you insist that you and Chloe are pretty serious, Lindsey will break your relationship and go back to being a friend without the benefits.*

86. [If Chloe Girlfriend and Lindsey FWB status] With Lindsey:
- a. It's pretty serious [+1 Boyfriend] **[Revert to Lindsey Friend status]**
  - b. It's not that serious [+1 Troublemaker]

*Either way you can help the next stage of Lindsey's campaign. And the focus this time is going to be on making more allies, so a get-together is in order. If you earned (or stole) enough money during phase 1, maybe you'll be able to afford a VIP night out for massive popularity points. Otherwise a casual game night can be fun too.*

#### Lindsey planning board (Phase 2)

87. [If helping Lindsey] Planning board:
- a. Game night (-\$100)
    - i. Who's most likely
    - ii. Would you rather
  - b. VIP night (-\$800)
    - i. Sebastian
    - ii. Grayson

#### Wolves room

88. With Imre
- a. Agree with Imre [+1 Bro]

- b. Dismiss Imre [+1 Troublemaker]

*Lauren's party isn't for a while, so maybe you should get some studying in. It's not fun, but neither is failing. But there's just so many distractions. While you're at it, Riley reminds you that you don't have a costume yet. And if Imre/Grayson catch you trying to eat a donut they'll have some choice words on how that's not a proper breakfast of champions. But you can eat it (and then just even things out with an extra gym session or something).*

#### Apes room

- 89. With Grayson
  - a. A blueberry? [+1 Bro]
  - b. Chocolate factory movie? [+1 Troublemaker]
  - c. I will [+1 Bro]
  - d. You don't eat donuts [+1 Troublemaker]

#### Frat room (either frat)

- 90. With Imre/Grayson
  - a. Eat the donut [+1 Troublemaker] **[Achievement: Mmmm, donut]**
  - b. Don't eat the donut [+1 Bro]

#### Ms. Rose's place

*If you got angry at Ms. Rose when she came by yesterday (conversation 79) she'll try to make it up to you by making dinner. At least that's what you think it might be.*

91. With Ms. Rose
- a. Say nothing [+1 Bro]
  - b. I'm not happy [+1 Boyfriend]
  - c. Don't drug me [+1 Boyfriend]
  - d. Let's go [+1 Troublemaker]
  - e. Be polite [+1 Boyfriend]
  - f. Be impatient [+1 Bro]

**Ms. Rose path:** *She actually comes out with some red lingerie and a pearl necklace (which she especially loves), and she's decorating herself in honey for starters. Lick the honey to go further into a sex scene, or reject her to stay angry.*

92. With Ms. Rose
- a. Reject her [+1 Troublemaker]
  - b. Lick the honey **[Sex scene] [Achievement: Honey bear]**
93. [If having sex with Ms. Rose]
- a. Spank her [+1 Bro]
  - b. Degrade her [+1 Troublemaker]
  - c. Compliment [+1 Boyfriend] [+1 Bro]
  - d. Still angry [+1 Troublemaker]

*You still have a party to go through, and a costume to find, but not a lot of time. Luckily there's a department store nearby, and they have a few options available for Lauren's gift.*

**Lauren path:** A gift card is just a lazy option, you have to show more effort than that to impress her. Do you remember what Autumn told you during the lunch break? There was this brown toy horse that Lauren used to have, and she'll be very impressed if you buy something that looks just like that.

### Lauren's birthday party

When you arrive at the Deers house Lauren is ready to welcome you in her spidey outfit. But what you got at the store was the 'male stripper' costume (if we can call it that). No turning back now though, even if probably everyone will roast you for it.

Imre has also made it by now (in a cowboy costume that you may recognize), and more importantly he's got a challenge list he's been trying to complete at a few parties already. It ranges from having sex to oral to fingering. Might make this party even more fun if you take on the challenge. But it's really tricky to tick all of the options off in one go.

94. With Imre
- a. I'm not interested [+1 Boyfriend]
  - b. Sounds easy [+1 Troublemaker]

The party is organized in a free roam format, so plenty to explore in any order. When you're ready to end this portion, check on Lauren and Imre (a second time) to progress further.

### Lauren's birthday party – free roam 1 (counter)

Chris is with Amber by the counter, trying to flirt with her to get over Nora (and he seems to be over her already), but the guy really needs to work on his pickup skill.

**Amber path:** *If you encouraged Amber to stay on the drugged path and she's joined the strip club, she's not going to be doing anything with you tonight. But if she's staying with Lew's then she'll be in a more positive state of mind. Mention the list and if you're already on her path (with FWB status) or have a Popular reputation, tick off the blowjob.*

95. [If Amber is on the clean path] With Chris/Amber
- a. Don't mention the list [+1 Boyfriend]
  - b. Mention the list [+1 Troublemaker] **[Checklist #3: Get oral (if FWB status, or Popular reputation)]**

Lauren's birthday party – free roam 1 (kitchen)

*Turn right to find Riley in the kitchen area in her schoolgirl uniform. She's a bit unnerved because things between her and Aubrey have cooled off. Side-note: the fridge has some magnets, including a cute one of Lauren and Autumn which you can see more closely.*

**Riley path:** *While you're deciding whether to show off some sick stripper dance moves she's going to notice you dropping the list. If you say you need help with it she's going to be very happy to oblige with a handjob.*

96. With Riley
- a. Dance [+1 Troublemaker]
  - b. Don't dance [+1 Bro]
  - c. No, it's fine [+1 Boyfriend]
  - d. Yeah, I do [+1 Troublemaker] **[Checklist #4: Get a handjob]**

Lauren's birthday party – free roam 1 (living room)

*If you turn left from where Amber is, you'll see Lauren and Imre chatting by the living room. He's going on about how he saw someone shooting the head of a chicken in a movie, but Lauren isn't too impressed by that. She's also probably not going to be super impressed to know you're going on a sex tour during her birthday party, so you don't want to give her any details.*

97. With Imre/Lauren

- a. With reason [+1 Bro]
- b. No, I wouldn't [+1 Boyfriend]
- c. Be honest [+1 Boyfriend]
- d. Lie [+1 Troublemaker]

*Meanwhile, keep clicking on the pumpkin on the table to earn the hidden **Achievement: Pumpkin season***

Lauren's birthday party – free roam 1 (food table)

*Go down from where Imre and Lauren are sitting to find Aubrey having a drink. Right now she's just trying to forget about the upcoming wedding celebration. She knows it's going to be tough as Naomi will for sure be the center of attention, but as she distracts herself with some Kiwii posts, maybe she'll be in the mood to help you with the list later on in the party.*

98. With Aubrey

- a. We'll have fun [+1 Bro]
- b. I'll be there [+1 Boyfriend]
- c. Smile [+1 Boyfriend]

- d. Don't smile [+1 Troublemaker]
- e. Mention the list [+1 Troublemaker] **[Checklist #5: Finger a girl (when you meet her again later)]**
- f. Don't mention the list [+1 Boyfriend]

#### Lauren's birthday party – free roam 1 (bathroom)

*If you go down from where Amber or Riley are, you'll be able to reach the stairs to the upper level. The first door, on the left, is the bathroom, where Ryan is feeling sick from all the candy.*

- 99. With Ryan
  - a. Gag [+1 Boyfriend]
  - b. Hold it back [+1 Bro]

#### Lauren's birthday party – free roam 1 (upstairs room)

*The other room hides Penelope the Witch and Autumn the Mummy (no, not like that, like the Egyptian ones). Pen might come visit the shelter some time soon, she does love all sorts of animals (as you may have found out on homecoming night).*

**Penelope path:** *If you tell them about the challenges list, Autumn will actually reveal the story behind it. It's the "sexless checklist", supposed to turn virgins into naturals by forcing them to go all out on a single night (or to embarrass them for all eternity if they fail). But if you are dating Lauren, that will come up in conversation, and if you were on Penelope's path as well she won't be happy that you're not exclusive (and your relationship will deteriorate). So it's best to not show them the list just yet, find a place where Penelope will be alone.*

100. With Autumn/Penelope

- a. Good thing I'm a werewolf [+1 Troublemaker]
- b. Your secret is safe [+1 Boyfriend]
- c. Show the list [+1 Troublemaker] **[Goes down to Kissed status with Penelope, if it was higher]**
- d. Don't show the list [+1 Boyfriend]

#### Lauren's birthday party - gift opening

*Find Lauren and Imre again and click on them to head on to the gift opening. Imre bought a gift card, so let's hope you didn't get one either or you're going to look really stupid now. Amber brought some fluffy handcuffs, and she won't mind teaching Lauren how to best make use of them.*

*As for your gift, the **Achievement: Childhood memories** is up for grabs if you got the brown horse as that's really going to make Lauren thrilled. The other options will get a positive reaction as well, because they showed effort. Except the gift card, of course (you'll have some apologizing to do if that's what you got your girlfriend).*

101. [If Girlfriend status with Lauren and got her the gift card] With Lauren

- a. Apologize [+1 Boyfriend]
- b. Get offended [+1 Bro]

102. [If Girlfriend status with Lauren and got her the gift card] With Riley

- a. Sounds great [+1 Boyfriend]
- b. You can't shop for yourself [+1 Bro]

*Back to exploring the party, everyone has move around a fair bit. You can finish this section by finding Lauren twice (she's by the balcony upstairs).*

Lauren's birthday party – free roam 2 (counter)

**Aubrey path:** *After Aubrey is done scolding Imre for his poor taste in gifts, tell her about the list if you haven't already and you're in for some hot fingering, with your choice of how loud you're going to allow her to be (luckily there's some music and people won't notice you two). You can also steal some underwear at the end of the scene, and check off two items for the price of one.*

103. With Imre/Aubrey:

- a. Ask for help [+1 Bro] [+1 Troublemaker] **[Checklist #5: Finger a girl]**
- b. Don't mention it [+1 Boyfriend]

104. [If you asked Aubrey for help with the list] With Aubrey:

- a. Keep her quiet [+1 Boyfriend]
- b. Let her be loud [+1 Troublemaker]
- c. Steal the panties [+1 Bro] [+1 Troublemaker] **[Checklist #7: Steal someone's panties]**
- d. Don't steal the panties [+1 Boyfriend]

Lauren's birthday party – free roam 2 (living room)

*Ryan has passed out on the couch, but you see he's got a condom with him. Not sure if he really knows how to use it (maybe he just liked the gorilla picture on the front) so take it as you progress through the checklist.*

105. With Ryan

- a. Take the condom [+1 Troublemaker] **[Checklist #8: Find a condom]**
- b. Don't take it [+1 Bro]

#### Lauren's birthday party – free roam 2 (food table)

*You don't mean to interrupt Amber and Autumn discussing how different strains of weed compare to blends of coffee or something, but if you have a few more list items to cross, mention the list if you haven't already.*

**Autumn path:** Autumn will help you with the tamest one, to make out, but there's a fine balance. If you're dating Lauren then this is totally out of bounds, and if you cheated on her with Aubrey on the plane journey to Europe, then there's still too much drama and Autumn doesn't want to get involved. Otherwise, as long as you made it to the lunch break with Autumn, or have a Loyal reputation, you're golden.

- 106. [If you haven't shown Autumn the list yet] With Autumn/Amber
  - a. Mention the list [+1 Troublemaker]
  - b. Don't mention the list [+1 Boyfriend]
  
- 107. [If you have mentioned the list] With Autumn/Amber
  - a. Never mind [+1 Boyfriend]
  - b. Let's make out [+1 Troublemaker] **[Checklist #6: Make out (see conditions above)]**

#### Lauren's birthday party – free roam 2 (upstairs)

*Head back upstairs to find Chris trying his luck with Penelope. But you can send him away easily and you'll have a chance to complete another task.*

**Penelope path:** Penelope is also going to be a bit tricky to convince. If you showed her the list before and she heart from Autumn that you're dating Lauren, then she's not going

*to feel comfortable doing anything right now. But if you went out on a dinner date with Penelope and it finished well with status Loyal/Trust (see conversation 51), or you have Confident reputation, she's up for some oral.*

108. With Chris/Penelope:

- a. Don't interrupt [+1 Bro]
- b. Save Penelope [+1 Boyfriend]
  - i. Ask for her help [**Checklist #2: Give oral (see conditions above)**]
  - ii. Tell her the list is stupid

109. With Lauren

- a. The balcony is better [+1 Boyfriend]
- b. Bigger the better [+1 Bro]

*Lauren is in the room upstairs, just taking a moment of contemplation. After all the stress with the planning, it's all been perfect and everyone is having a great time.*

*As you're all preparing to leave, Imre checks on your progress so far with the list, but Lauren overhears you talking about sex. It's the one item you haven't had a chance to cross off tonight, so you can try for it.*

**Lauren path:** *If you got her the gift card then you're out of luck, that was just an unclassy move. If you got her something decent, then you can get a happy ending to the night if you're dating her (Girlfriend status), or if you've maintained at least Kissed status and Loyal reputation.*

110. With Lauren

- a. Try to have sex [+1 Bro] [+1 Boyfriend (if having Girlfriend status with Lauren)] [**Sex scene (see conditions above)**] [**Advances to Lauren FWB status (if it was lower)**]
- b. Don't try [+1 Boyfriend (if not having Girlfriend status with Lauren)]

111. [If having sex with Lauren] With Lauren

- a. Cum inside her [+1 Boyfriend] [+1 Troublemaker]
- b. Pull out [+1 Bro]

*And to cap it all off, if you manage to complete all elements of the checklist, then earn your **Achievement: Taskmaster** right here.*

Saturday, November 1

112. With Lauren

- a. Help clean up [+1 Boyfriend]
- b. Don't help [+1 Bro]

*It's the morning after, and Lauren let you stay the night, so you could be nice and help clean up to spend some more time together, or hurry on to deal with the rest of your day. If you're on the campaign trail then it's going to be busy.*

*If you're helping Chloe get reduced tuition for the Chicks, it's time for a prep session before meeting either Ms. Rose or Mr. Lee.*

## Library

113. [If Chloe Girlfriend status] With Chloe

- a. Ask for a kiss [+1 Boyfriend]
- b. Say nothing

114. With Chloe

- a. Take the notes [+1 Troublemaker]
- b. Don't take the notes [+1 Boyfriend]

*Head over to the meeting room that Chloe booked, and if you take the notes and check them five times during the conversation with the teacher then you will earn the*

**Achievement: Too much information.** So just don't say anything that will annoy them, and put the college under a good light, and you should be good.

Meeting with Mr. Lee or Ms. Rose

You will need a positive outcome from either meeting to get the teacher's signature, so you will need a net score of at least **1 point**. You start with zero and you can gain or lose depending on your answers (and past actions).

115. With Mr. Lee

- a. Lindsey's wasting paper **[-1 point]**
- b. Stay quiet
- c. They just have to ask **[+1 point]**
- d. This is Chloe's idea **[-1 point]**
- e. Make SVC more money **[-1 point]**
- f. Improve students' livelihoods **[+1 point]**
- g. Defend the Dean's decision **[-1 point]**
- h. Defend Mr. Lee's opinion **[+1 point]**

If you have *Loyal* reputation you will get **+1 point** at this stage. You can also earn another point if you bought Mr. Lee a bonsai tree in Amsterdam (i.e. you didn't get a perfume for Ms. Rose) and another if you went with him on a car journey in London (leaving Ryan and Imre behind). These last two options carry over from College Kings 1, or you can use the advanced options in the Path Builder when starting from CK2.

116. With Ms. Rose

- a. Mention Nora [-1 point]
- b. Stay quiet
- c. You understand sorority life [+1 point]
- d. Mr. Lee doesn't listen [-1 point]
- e. They'll be motivated [+1 point]
- f. They'll get over it [-1 point]
- g. She shouldn't do that [-1 point]
- h. Consider it [+1 point]

*If you have Confident reputation you will earn +1 point with Ms. Rose at this stage. Another one if you got her a perfume in Amsterdam (from CK1). And being in a FWB relationship with her gets you an additional +2 points.*

*If you finish the meeting with at least 1 point you will get that teacher's signature to support your proposal, but there is a compromise: Chloe must give up her scholarship to free up some funds for the other Chicks. She agrees to it, but if you're with Ms. Rose there may be a way to change her mind.*

**Ms. Rose path:** *You'll need to be dating Chloe or have Popular reputation for her to trust you on this, but if you have FWB status with Ms. Rose you can use that to your advantage. You can seduce Ms. Rose and promise her "anything she wants" (let's hope she keeps it within reason). Or you can threaten to expose your relationship. Either way works to get Ms. Rose to endorse an improved proposal, but the latter option will derail your relationship completely.*

117. [If FWB status with Ms. Rose, and ended meeting with at least 1 point] With Chloe

- a. Ask Chloe for privacy [+1 Boyfriend] [+1 Bro]
- b. Don't mention it [+1 Bro]

118. [If you asked Chloe for Privacy, and Chloe is your Girlfriend (or you have Popular reputation)] With Ms. Rose

- a. Seduce Ms. Rose [+1 Bro] [+1 Troublemaker (if Chloe Girlfriend status)] [+1 Boyfriend (otherwise)]
- b. Threaten Ms. Rose [+1 Troublemaker] **[Achievement: Emotional blackmail] [Relationship status becomes Awkward]**

*Hopefully you have a teacher's signature by now, but either way you'll attend your scheduled meeting with the Dean. You can check Chloe's notes but this time you can't bring them in with you. Just stick to a simple game plan, treat her with respect do as she says. As you gain and lose points throughout the meeting, if you finish with at least **1 point** then congratulations, you've got her on board. You will earn a further **1 point** if you have Popular reputation, and another one if you successfully defended Penelope at her hearing previously (in CK1).*

### Meeting with the Dean

119. [If you seduced or threatened Ms. Rose] With Chloe:

- a. Change the subject [+1 Boyfriend (if Chloe GF)] [+1 Bro (otherwise)]
- b. Lie [+1 Troublemaker (if Chloe GF)] [+1 Bro (otherwise)]

120. [If you didn't seduce or threaten Ms Rose, or met with Mr. Lee instead] With Chloe:

- a. Be supportive [+1 Boyfriend]
- b. Be brutally honest [+1 Bro]

121. With Dean

- a. Say hello to the Dean **[-1 point]**
- b. Just sit down

122. [If you have a teacher's support] With Dean

- a. Explain why the teacher signed **[+1 point]**
- b. Sarcastic joke **[-1 point]**

123. [If you didn't get a teacher's support] With Dean

- a. The teacher was unfair **[-1 point]**
- b. We could've done better **[+1 point]**

124. With Dean

- a. Be thorough **[-1 point]**
- b. Your time is important **[+1 point]**

125. [If you have a teacher's support] With Dean

- a. Summarize the plan **[+1 point]**
- b. Stress the teacher's support **[-1 point]**
  - i. Agree **[+1 point]**
  - ii. Disagree **[-1 point]**

126. With Dean

- a. Quickly run through everything **[-1 point]**
- b. Emphasize each main point **[+1 point]**

*If you manage to convince the Dean that the fees can be reduced for the Chicks, this is going to translate into a boost of **[Chloe Popularity +3]** as she spreads the news to the sorority sisters.*

127. [If you were not successful with the Dean] With Chloe
- a. Call after her [+1 Boyfriend]
  - b. Say nothing

*A quick return to the frat house to have a shower (and maybe draw something on the steamed mirror, just for fun). And maybe you're helping Lindsey with her campaign, so you've got some more tasks to do.*

#### Frat house

128. Shower
- a. Draw a happy face [+1 Boyfriend]
  - b. Draw a dick [+1 Bro] [+1 Troublemaker]

#### Convenience store

*If you've decided to host a game night, it's going to look much better with some alcohol, so let's drop by the convenience store to grab some. Of course, IDs are an issue, but Lindsey got you covered... sort of. You have two options to pick from: one with the name Nancy, or one which shows the age of 29.*

*Either way the cashier will see right through it, but if you act offended and make a scene you'll succeed in this task. If you do this under the name of Nancy you'll earn a special "Karen" achievement.*

129. With Lindsey
- a. Nancy Dick [+1 Bro]

b. Andrew King [+1 Troublemaker]

130. [If you're "Nancy Dick"] With cashier:

- a. Act offended [+1 Troublemaker] **[Achievement: Karen] [Get alcohol]**
- b. Come clean [+1 Boyfriend] **[Get alcohol (if Popular)]**

131. [If you're "Andrew King"] With cashier:

- a. Lawyer
- b. Astronaut

- c. Act offended [+1 Troublemaker] **[Get alcohol]**
- d. Come clean [+1 Boyfriend] **[Get alcohol (if Popular)]**

132. [If you got alcohol] With Lindsey

- a. That sounds amazing
- b. Is that a good thing?

*The alternative when helping Lindsey is, of course, trying to book a VIP room. And of course they have a strict policy of not selling alcohol to the underaged. If you just disagree with the policy you're not going anywhere. But if you tell the salesperson how important this event is, and throw in a sob story about Lindsey's mother you might just change their minds.*

### Calling the VIP lounge

133. With sales rep

- a. Be honest [+1 Boyfriend]
- b. Lie [+1 Troublemaker]

- c. It's important for us [+1 Boyfriend]
  - i. She deserves to be president
  - ii. Her mom passed away recently **[Get alcohol]**
- d. Disagree with the policy [+1 Troublemaker]

134. [If you got alcohol] With sales rep

- a. Accept the price [+1 Boyfriend] **[Cost = \$800]**
- b. Negotiate [+1 Bro]
  - i. Be honest [+1 Boyfriend] **[Cost = \$400]**
  - ii. Lie [+1 Troublemaker] **[Cost = \$800]**

135. [If you didn't get alcohol] With sales rep

- a. Accept the price [+1 Boyfriend] **[Cost = \$700]**
- b. Negotiate [+1 Bro]
  - i. Lindsey's mom passed away recently [+1 Boyfriend] **[Cost = \$500]**
  - ii. Ask about student discounts [+1 Troublemaker] **[Cost = \$700]**

## Chicks house

*Meanwhile Aubrey has texted you, she's got a surprise to showcase. Contrary to popular belief it's not a naked surprise. But you are going to be allowed into the "secret place" (that's what the Chicks call their movie theater room).*

**Aubrey path:** *the movie that you do watch is The Poly Dilemma, and it triggers a conversation over polygamous relationships. Riley is really intrigued by the concept, Aubrey just can't see how that could possibly work in the real world. And it's a bit of a catch-22 in terms of what position to take because you're bound to upset someone regardless of your opinion. But if you were on the Aubrey path and had earned some Loyal/Trust status, you will lose it if you now support Riley and her poly views.*

136. With Riley/Aubrey

- a. Yeah, let's watch [+1 Boyfriend]
- b. Do we have to? [+1 Bro]
- c. Side with Riley [+1 Troublemaker] **[Achievement: Polycurious] [Lose anything higher than FWB status with Aubrey]**
- d. Side with Aubrey [+1 Boyfriend]

137. [If you've had a threesome in Amsterdam] With Riley/Aubrey:

- a. Polygamy isn't healthy [+1 Bro]
- b. I only want one partner [+1 Boyfriend]

*It was a long-ish movie that got people tired and emotional, and only served to remind you that you can't make everyone happy all the time, and you hope they're feeling better next time you see them. Jenny wants to make you feel better, she's inviting you over to a drink (and Penelope will be there too).*

138. With Jenny/Pen

- a. You are my favorite girls... [+1 Boyfriend] [+1 Troublemaker (if Girlfriend status with Chloe or Lauren)]
- b. Favorite? I'm not so sure [+1 Troublemaker]

Underground bar

*As if you didn't know already, Penelope and Jenny are best friends and all your sordid secrets are out, so if you're involved with either of them, they'll just tease you about it (heck, they'll tease you even if you're not).*

*Anyway, who's that sitting on one of the stools? It's Samantha, and it's going to be one of the few opportunities you'll have to chat with her as a Wolf. Or if you're an Ape you*

*can check on how she's been doing since a couple nights ago. At least it's an alcohol-free beer she's having.*

139. [If you're a Wolf] With Samantha
- a. Say nothing
  - b. Ask why [+1 Troublemaker]

**Penelope/Jenny path:** *If you're pursuing either Penelope or Jenny, those girls sure know how to loosen up with a few shots, so you'll be able to cap off the night out with some kisses. And it's really endearing how they support each other.*

140. [If Loyal/Trust status with Penelope] With Penelope:
- a. Kiss Penelope [+1 Troublemaker]
  - b. Don't kiss her [+1 Boyfriend]

141. [Alternatively, if having FWB status with Jenny] With Jenny:
- a. Kiss Jenny [+1 Troublemaker]
  - b. Don't kiss her [+1 Boyfriend]

142. With Jenny/Penelope
- a. Sing a silly song [+1 Troublemaker]
  - b. Whistle instead [+1 Bro]

#### Frat room

143. [If you maintained a relationship with Emily (conversation 25)] With Emily:
- a. Sext Emily [+1 Bro] [+1 Troublemaker] [**"Late night sexting" scene**]
  - b. Don't sext her [+1 Boyfriend]

**Emily path:** *If you decided to keep a long-distance relationship with Emily, she'll be texting you now as she prepares for a late bath, so you can exchange a few quick nude images between the two of you. You'll need to go through this one scene to unlock future long-distance sequences with her.*

Sunday, November 2

### Frat house

*Let's wake up and dress up to take Aubrey to her parents' ceremony, and dressing up means putting on your homecoming dress. This might bring you some flashbacks from that night (or even from high school, if you're still thinking about Emily).*

144. [If maintained a relationship with Emily in conversation 25] Alone
- a. Send Emily a selfie [+1 Boyfriend]
  - b. Don't contact Emily [+1 Bro]

### Chicks House

*Anyway, coming into the Chicks house, you could just knock on the door, or try something more romantic. If you go all out Romeo, Aubrey's window is the one on the right. The one on the left is Chloe's, and she's not going to find it that amusing that you're devoting attention to Aubrey.*

145. Chicks House
- a. Simple approach [+1 Bro]
  - b. Be her Romeo [+1 Boyfriend]
    - i. Left window
    - ii. Right window

## Vows ceremony

*Aubrey is looking fabulous in her dress, and we get a slow-motion fade showcasing all of that beauty. But once you get to the venue, she's starting to look a bit concerned, and worried about all the favoritism that her parents will show to Naomi. Do you know what it's like to live under that kind of pressure?*

146. With Aubrey

- a. Not really, I'm an only child [+1 Troublemaker]
- b. Reassure her [+1 Boyfriend]

*We hadn't seen Naomi in a while, and she's loosened up after a couple of shots. She invites you to do the same but that sambuca thing tastes dreadful.*

147. With Naomi

- a. Take the shot [+1 Troublemaker]
- b. Pretend to take it [+1 Boyfriend]
  
- c. Flirt [+1 Troublemaker]
- d. Don't flirt [+1 Boyfriend]

148. With Aubrey

- a. Take it [+1 Boyfriend]
- b. Pretend to take it [+1 Troublemaker]

*We meet Aubrey's other family members. Uncle Rick also made it to the party, a portly gentleman obsessed with blue cheese. Add a slice of it to a shot of sambuca for probably*

*the most disgusting achievement on the list. Eating the cheese will also endear you to Uncle Rick, and he'll reveal some family stories. Turns out Naomi was a planned child, Aubrey wasn't. Because their parents couldn't afford to live the pretty life they pictured after Aubrey was born, there looks like there is some subconscious resentment going on.*

149. With Uncle Rick:

- a. Blue cheese? [+1 Troublemaker]
- b. Blue cheese is great! [+1 Bro]
- c. Eat it [+1 Bro] [**Achievement: Blue cheese and sambuca (if also took a shot earlier)**]
- d. Don't eat it [+1 Troublemaker]

*The gong sounds to announce lunch is being served, but Naomi is more interested in flirting. And not in a subtle way, but by rubbing her bare foot on you. You try to get away for a moment and escape into the bathroom, but she follows right back.*

150. With Naomi, at lunch table:

- a. Push it away [+1 Boyfriend]
- b. Let her continue [+1 Troublemaker]

**Naomi/Aubrey path:** *Naomi gets really horny after shots, and it doesn't matter that it's their parents' stupid second wedding day. Are you picking up what she's putting down? Because she will go down if you don't stop her now. You do get a blowjob, but Aubrey will burst in and catch you both in the act (literally). At this point forget any future relationship with Aubrey.*

*You can't help feeling sorry for her in this case, but there's some poetic justice (and an achievement) if you had previously gone through the airplane scene in CK1.*

151. With Naomi, in the bathroom:

- a. Refuse [+1 Boyfriend]
- b. Let her continue [+1 Troublemaker] **[Sex scene] [Naomi FWB status]**  
**[Achievement: What goes around (if had airplane sex with Aubrey)]**  
**[Breaks all relationships with Aubrey]**

*The rest of the party is going to be incredibly awkward if you let Naomi please you, and Aubrey is just going to want to avoid you for a long time.*

*Even if you didn't, it looks like Aubrey is being avoided by her family as well. They ask her to take a family photo, but not to actually be in the photo itself. As if we needed any more drama. Of course, the gentleman thing to do is to offer to take the picture yourself.*

152. [If you accepted Naomi's blowjob] With Naomi:

- a. Stay silent
- b. Agree [+1 Boyfriend]

**Aubrey path:** *If all's well between you and Aubrey, on the other hand, she will crack a smile looking at her parents, looking in awe at their happiness. One day it will be her in that situation. Will it be "us"? Here is where you can make another push from FWB to Loyal/Trust status with Aubrey, by seeing the two of you together.*

153. [If you refused Naomi's blowjob] With Aubrey:

- a. Hopefully [+1 Troublemaker]
- b. It'll be us [+1 Boyfriend] **[Gain Loyal/Trust relationship with Aubrey (in case it's only FWB status)]**

154. With Aubrey's family:

- a. Stay out of it [+1 Bro]
- b. Take the photo [+1 Troublemaker]

155. [If you accepted Naomi's blowjob] With Aubrey:

- a. Give her space [+1 Bro]
- b. Try to talk [+1 Troublemaker]

156. [If you refused Naomi's blowjob] With Aubrey:

- a. Science joke
- b. Monkey joke

*Finish off the event with Aubrey, where you can showcase your corny joke repertoire if she's still in a good mood. And you'll end up reflecting on just how comfortable she seems to share so much of her life, and how she sees you as someone she can trust.*

*Or you can try to talk it over what she witnessed in the bathroom. Spoiler: there's no magic words that can fix what you've done.*

#### Limo ride

*The second half of the day is reserved to a Lindsey campaign event. Maybe you've helped her earn enough money that she could afford the VIP night. In that case buckle up, the limo is about to pick you up.*

157. [If you've invited Grayson]

- a. Stay quiet [+1 Bro]
- b. Change the subject [+1 Boyfriend]
  
- c. Raise your hands [+1 Bro]
- d. Don't raise them [+1 Boyfriend]

*You can have your first few drinks during the ride already (well done if you managed to secure the alcohol pack). Grayson decides that Autumn is his victim for the night, or Sebastian is excited to get away from the Wolves, he hasn't gotten a break yet (depending on who you've invited).*

*In fact this is where your hard work pays off, hosting this VIP night translates into a bonus of **[Lindsey Popularity +6]** (or +4 if you couldn't arrange the alcohol package).*

158. [If you've invited Sebastian]
- a. Be encouraging [+1 Boyfriend]
  - b. Make a joke [+1 Bro]

**Autumn path:** *The conversation leads into how Autumn never has gotten laid. Grayson might make some virgin jokes, Sebastian is kinda surprised but he respects it and asks if she's ever been in a relationship. Autumn states she's never wanted to be in one, because of her asexuality. You have the opportunity to comfort Autumn into not sharing more stuff if she doesn't want to, and if you've been keeping respectful towards her, she's going to reward you in the future.*

## VIP Club

159. With Autumn
- a. Stop the questioning [+1 Boyfriend] **[Gain Autumn's trust (if you went on the political protest, or the lunch break during the shelter renovations)]**
  - b. Ask a question [+1 Troublemaker]

*Lindsey will try to do some campaigning while the others attempt to tell stories and joke around with some cocktails/mocktails. They all come to the realization that Lindsey worked really hard for this night, and she gains significant support.*

*Of course, as a double agent, you can't let that happen. If you're also supporting Chloe's campaign and chose to sabotage Lindsey, turn on the recorder on your phone, she might just say something juicy. You'll need to offer shots and then just let the conversation flow (or you'll need to be Popular to be able to trick her if this is an alcohol-free party).*

160. [If there's alcohol, and you're trying to sabotage Lindsey] With Lindsey:

- a. Shots! [+1 Troublemaker]
- b. Don't mention it [+1 Boyfriend]

161. [If you offer shots] With group:

- a. Change subject [+1 Boyfriend] [default timed response]
- b. Stay on topic [+1 Troublemaker] **[Lindsey Popularity -4]**
  - i. Stop Lindsey [+1 Boyfriend] **[Gets recording] [Lindsey Popularity +2]**
  - ii. Say nothing [+1 Troublemaker] **[Gets extended recording] [Lindsey Popularity -2]**

162. [If you're trying to sabotage Lindsey without alcohol] With Lindsey:

- a. Try to trick her [+1 Troublemaker] **[Gets recording, Lindsey Popularity -2 (if Popular reputation)]**
- b. Don't risk it [+1 Boyfriend]

## Limo ride

163. [If you've earned Autumn's trust in conversation 159] With Autumn

- a. I'd like that [+1 Bro] **[Start relationship with Autumn (if not Lauren Girlfriend Status)]**
- b. It's not a great idea [+1 Boyfriend]

**Autumn path:** Everyone except Autumn is asleep by the time you're riding the limo back home, except for Autumn. If you've gained her trust by stopping the earlier questioning about her, she'll open up on that topic. She might even be interested in starting a relationship with you, if you're willing (and you're not already dating Lauren, that would be a big no-no). For now things can start slowly, with a kiss.

### Lindsey's game night

If you're not organizing a VIP night, you'll be attending Lindsey's game night (even if you're not helping Lindsey's campaign). Things are about to get started as everyone is enjoying their virgin sangrias (or liquid marijuanas?). Aubrey is there (as is Autumn) and she'll try to be civil tonight even if you've messed about at the wedding, but that's not going to always go as planned.

Still the party is popping and everyone is in a good mood which results in an increase of **[Lindsey Popularity +4]** (or +2 if you couldn't get the alcohol from the convenience store).

#### 164. With Lindsey

- a. Be polite [+1 Boyfriend]
- b. Be funny [+1 Troublemaker]

#### 165. [If you're not helping Lindsey's campaign] With Lindsey

- a. Would you rather
- b. Most likely to

If you're helping Lindsey's campaign, you've already decided which game we're playing tonight, otherwise it's a choice between "Would you rather", where you have to choose between two (not always desirable) outcomes, or "Most likely to", where a situation is presented and you have to vote on who's most likely to be in that scenario.

It's all for fun, but there is one achievement behind "Would you rather" specifically.

*The game progresses as normal, Lindsey sends you an invite in the app and you can start answering. Banter ensues surrounding the questions. For "Would you rather", have a think on whether you'd prefer to kill Santa Claus and earn **Achievement: Christmas is dead** or kill the Easter Bunny, for example. For "Most likely to", to help you get the flavor, one of the questions is "who's most likely to become a super sexy spy". Have some fun imagining that.*

166. [After game] With Autumn:

- a. Stop the questions [+1 Bro] [+1 Boyfriend] **[Gain Autumn's trust (if you went on the political protest, or the lunch break during the shelter renovations)]**
- b. Ask one more [+1 Troublemaker]

**Autumn path:** Eventually as the conversation turns into y'all's sexual past, Autumn comes out as asexual. People can get weirdly insensitive around that topic so stop the questions now to protect her, and Autumn might reward you later.

*At the same time you may be trying to undermine Lindsey by recording her saying something embarrassing. Of course it's much easier if you've helped Lindsey get alcohol for the party.*

167. [If trying to sabotage Lindsey with alcohol] With Lindsey:

- a. Stay quiet [+1 Boyfriend]
- b. Offer shots [+1 Troublemaker]

168. [If you offer shots]

- a. Let it happen naturally [+1 Boyfriend]
- b. Bring up Chloe [+1 Troublemaker] **[Lindsey Popularity -4]**

- iii. Stop Lindsey [+1 Boyfriend] **[Gets recording] [Lindsey Popularity +2]**
- iv. Say nothing [+1 Troublemaker] **[Gets extended recording] [Lindsey Popularity -2]**

169. [If trying to sabotage Lindsey without alcohol] With Lindsey:

- a. Say nothing [+1 Boyfriend]
- b. Try to trick her [+1 Troublemaker] **[Gets recording, Lindsey Popularity -2 (if Popular reputation)]**

170. With Autumn

- a. Oh no, I wasn't [+1 Bro]
- b. I'm really curious [+1 Boyfriend]

**Autumn path:** *Just like what happens in the VIP night, if you've gained her trust by stopping the earlier questioning about her, she'll open up on that topic. She might even be interested in starting a relationship with you, if you're willing (and you're not already dating Lauren, that would be a big no-no). For now things can start slowly, with a kiss.*

171. [If you've earned Autumn's trust in conversation 166] With Autumn

- a. I'd like that [+1 Bro] **[Start relationship with Autumn (if not Lauren Girlfriend Status)]**
- b. It's not a good idea [+1 Boyfriend]

## Monday, November 3

*Time to get your ass out of bed, we need to talk about Nora. The "we" is you and Amber, the "where" is an unused room on campus, and the "why" is because she's been missing for a long time of course. Amber is in full detective gear and the room has a pinboard and everything. Very serious stuff, no doubt. Just play along, will you?*

*Over the next few scenes we'll interrogate some suspects to try to find who's behind Nora's disappearance. Start by picking a detective type between Professional, Psychologist or Loose Cannon. It doesn't make a difference in that you can still solve the case with any type, but will change which dialogue options are available to you.*

### SVC meeting room

172. With Amber:

- a. Ask about the room [+1 Troublemaker]

179. [If Loose cannon]

- b. Don't kick table [+1 Boyfriend]

## Pinboard

*You've interviewed your first suspect and collected the first clues. Have a look at the pinboard and hover over the icons to see Amber's comments. She's not going to believe 100% of what she's heard from Chris. You definitely don't have all of the information yet.*

180. With Amber:

- a. I'm ready to guess [+1 Bro]
- b. Not enough clues [+1 Boyfriend]
- c. Take the coffee [+1 Boyfriend]
- d. Leave it [+1 Bro]

*We're introduced to the third member of the detective team, Techie (or Penelope to you and me). She's been looking through Nora's social media to find some more information. Ask about her posts and we'll learn a bit more from her past relationship history.*

181. With Penelope:

- a. Ask about Nora's family [+1 Boyfriend]

- b. Ask about Nora's posts [+1 Bro] **[Clue/Location unlocked: Nora's still friends with her ex]**

182. With Amber:

- a. No idea [+1 Boyfriend]
- b. I think I know [+1 Bro]

### Chicks house

*Chloe is next on your detective tour. It's true that she and Nora hate each other, but they've hated each other for so long that Chloe is bound to know something useful.*

183. With Chloe

- a. Be polite [+1 Boyfriend]
- b. Be impatient [+1 Bro]
- c. State the facts [if Professional]
- d. Analyze Chloe [if Psychologist]

- b. Refer to a past clue [+1 Bro] [**Clue unlocked: Nora hates camping**]
- c. Use your logic [if Professional] [**Clue unlocked: Nora hates camping**]
- d. Extract relationship info [if Psychologist] [**Clue/Location unlocked: Nora's still friends with her ex**]
- e. Angry mode [if Loose cannon]

## Pinboard

*Alright, so you've heard everyone by now, and the pinboard is looking crowded. Some clues conflict with each other though, and obviously Nora couldn't be in all those locations at the same time. Do you know where she is?*

*She's actually by her father's cabin. Don't worry if you got it wrong, Amber will help you solve the case regardless. But if you got it right and collected all the clues and locations along the way, then you can earn the **Achievement: Just one more thing** (inspired by a famous detective series that you may have heard of)*

187. With Amber

- a. Nope, no idea [+1 Bro]
- b. Yeah, of course
  - i. To ask for her advice [+1 Bro]
  - ii. To pick up something [+1 Troublemaker]
    - 1. Food supplies [+1 Bro]
    - 2. The key [+1 Boyfriend]

## Going to the cabin

*Penelope found Mr. Rose's property records and she's got an address, it's up to you to complete the mission and go find Nora. You probably don't want to arrive unannounced, so you could try calling her, but she's not going to pick up at the moment.*

### 188. Alone

- a. Call Nora [+1 Boyfriend]
- b. Don't call Nora [+1 Bro]

## Cabin

*Mystery solved, and then there was Nora. She's shocked to see you and asks what you're doing there – you feel like you could ask her the same thing. She just thought she could turn off her phone and run away from it all for a few days.*

### 189. With Nora

- a. I came to find you [+1 Bro]
- b. Hug her [+1 Boyfriend]
- c. Cool off [+1 Troublemaker]
- d. Heal [+1 Bro]
- e. Stay quiet [+1 Boyfriend]

*She explains that she feels incomplete without a partner, that people have been telling her to find herself but that she doesn't need to because she knows who she is - a long term committed person. It's just that Chris wasn't the right person for her.*

**Nora path:** *Nora starts describing what she needs in a man, what her father was and wasn't, and what she knows you to be based on your previous actions. Impress her by letting her speak her mind and telling her to go with her heart. Not strictly necessary if you're already on FWB status since Paris, or if you're maintaining Confident reputation.*

190. With Nora

- a. You're not stupid [+1 Boyfriend]
- b. Don't interrupt [+1 Bro] **[Correct answer]**
- c. And me [+1 Boyfriend]
- d. You're pretty great to have [+1 Bro]

191. With Nora

- a. Follow your heart [+1 Boyfriend] **[Correct answer]**
- b. Listen to your head [+1 Bro]
- c. You're not hurting anyone [+1 Boyfriend]
- d. Don't worry about hurting Chris [+1 Troublemaker]

**Nora path:** *If you've been making the right calls, you can tell Nora wants a relationship with you, but she doesn't want to play second fiddle. Unless you have Confident reputation, she's not going to elevate the relationship if you're already having Girlfriend status with someone else (either Lauren or Chloe; luckily she's been away and doesn't know what may have been happening between you and Aubrey).*

192. [If you don't have Girlfriend status with anyone, or if you have Confident reputation] With Nora:

- a. We should just be friends [+1 Bro]
- b. I want you too **[Sex scene] [Nora Girlfriend status]**

*Nora admits she's falling for you, and if you reciprocate it leads to a really passionate, loving sex scene with the romantic fire in the background. Quite possibly some of the best scenery that you don't want to miss.*

193. [If having sex with Nora] With Nora:

- a. You are wanted [+1 Boyfriend]
- b. Just kiss her [+1 Bro]

194. With Nora

- a. You deserve it
- b. Get used to it
  
- c. Cum inside Nora
- d. Pull out

195. [If not having sex with Nora] With Nora:

- a. It's not shit [+1 Boyfriend]
- b. You're welcome [+1 Troublemaker]

*Regardless of how the conversation went, Mr. Rose is coming to pick Nora up, so you actually leave and take a cab back into town. It's raining heavily by the time you're back (it is the fall by now after all, we had been missing some rain).*

*But who's there that you spot? It's Riley arguing and you recognize Tom, even if he seems to have a lot more muscle since you met him at the start of the year. Thanks to your little revenge on Charli, he's not doing exams on other people's behalf, so now she has to pay.*

*You can't let a damsel in distress so put your dukes up and prepare to fight (or just skip and autowin, we won't tell anyone 😊).*

## Parking lot

196. With Riley/Tom

- a. Attack Tom [+1 Troublemaker]
- b. Check on Riley [+1 Boyfriend]
  
- c. Stay calm [+1 Bro]
- d. Get angry [+1 Troublemaker]
  
- e. Antagonize Tom [+1 Troublemaker]
- f. Try to calm Tom [+1 Boyfriend]
  
- g. Nobody's walking away [+1 Troublemaker]
- h. I wish we could [+1 Bro]

197. [If you lost the fight]

- a. I'm fine [+1 Bro]
- b. It hurts like hell [+1 Boyfriend]
  
- c. Go home alone [+1 Bro]
- d. Go home with Riley [+1 Boyfriend]

**Riley path:** Regardless of the outcome of the fight, Riley goes to check on you. She's very appreciative that you stood up for her, but this encounter has gotten her scared. Either scared that something could happen to her, or scared that something has happened to you and you may have some injuries. If you go back to her dorm and you have FWB status with her, you will have a chance at a sex scene. Lay back and enjoy the blow, she's happy with that arrangement.

198. [If you won the fight] With Riley:
- a. We got lucky [+1 Bro]
  - b. Always count on me [+1 Boyfriend]
  - c. Go home alone [+1 Bro]
  - d. Go home with Riley [+1 Boyfriend]

- a. Kiss her [+1 Boyfriend] **[Sex scene]**
  - b. Too tired [+1 Bro]
200. [If not having FWB status with Riley] With Riley:
- a. Ask about her roommate [+1 Bro]
  - b. Mention the weather
201. [If you had sex with Riley] With Riley:
- a. I like pleasing you [+1 Boyfriend]
  - b. I like being pleased [+1 Troublemaker]
202. [If you didn't have sex Riley] With Riley:
- a. Reassure her [+1 Boyfriend]
  - b. Don't bring it up

#### Wolves house

*If you have a relationship with Ms. Rose (or you did until you threatened to expose her after meeting her with Chloe), she'll pay you a visit. It's definitely been weird so far, so this is a moment to set everything straight. Even though it's very risky, she shouldn't be there.*

**Ms. Rose path:** *On a path where you got angry at Ms. Rose after she confessed to drugging you, and you have been refusing sex since, you'll have a choice to break the relationship. Alternatively, if you're keeping it friendly, or want to bring it back in that direction, she'll extend you an invitation to go to the opera later in the week.*

203. [If you got angry at Ms. Rose in conversation 79 and didn't have sex in conversation 92] With Ms. Rose
- a. Of course I do [+1 Boyfriend] **[Opera invitation]**
  - b. It's over [+1 Bro] **[Breaks relationship with Ms. Rose]**
204. [If you threatened Ms. Rose when you met her with Chloe in conversation 118]  
With Ms. Rose:
- a. Say sorry [+1 Bro]
  - b. Insult her [+1 Troublemaker]
205. [If you didn't threaten Ms. Rose] With Ms. Rose: **[Opera invitation]**
- a. Sounds exciting [+1 Boyfriend]
  - b. Um... opera? [+1 Troublemaker]

Tuesday, November 4

School hallway

*If you've sent Chloe some juicy recordings of Lindsey acting all bitchy, then finally the world (well, San Vallejo College at least) can hear what kind of person Lindsey truly is – or at least the kind of person Chloe wants people to think Lindsey is. There's either an announcement coming from the PA system, or a viral Kiwii post making the rounds, and here we see the impact.*

| <b>Method</b>     | <b>Simple recording</b>    | <b>Extended recording</b>  |
|-------------------|----------------------------|----------------------------|
| <i>Kiwii post</i> | +3 <i>Chloe Popularity</i> | +6 <i>Chloe Popularity</i> |
| <i>PA system</i>  | +2 <i>Chloe Popularity</i> | +4 <i>Chloe Popularity</i> |

*Clearly Autumn isn't the only one surprised to hear this, she distinctly remembers that Lindsey didn't really mean what she said.*

206. [If you managed to get a recording of Lindsey] With Autumn:

- a. Defend Lindsey **[+1 Lindsey Popularity]**
- b. Defend Chloe

207. [If you didn't get a recording of Lindsey] With Autumn:

- a. Ask about the dog [+1 Boyfriend]
- b. Get to class [+1 Bro]

Outside school [if you managed to get a recording of Lindsey]

*We then find Chloe crying on a bench, trying her best to purposefully play up the shenanigans so it looks like she wasn't the one behind it. But then Lindsey comes up and she's not happy that her privacy was breached. Things get heated, and you can interject or let them fight for a bit, but Mr. Lee will come by to put an end to all this (and take the two blondes to his office for some Bonsai Therapy).*

208. With Chloe

- a. Play along [+1 Troublemaker]
- b. Just listen for now [+1 Boyfriend]

209. With Chloe/Lindsey:

- a. Stop the argument [+1 Boyfriend]
- b. Let it continue [+1 Troublemaker]

College lawn

*In a parallel universe where you didn't secretly record Lindsey (this kind of multiple timelines thing happens all the time here at College Kings), you'll carry on your conversation with Autumn a little bit. For example, Blue might be getting a new owner soon, they'll come check him out at the shelter.*

*And if you've earned her trust during VIP/Game night, and she's starting to feel more comfortable, she'll expand on what asexuality means (for her and in general). Some asexuals find sex gross, she finds it an intellectual adventure more than something she thinks of trying.*

**Autumn path:** *She's not thinking of trying sex, but if she would, it might be with you at this stage. There's a choice to keep the options open, although if you have them too open (like you're dating Lauren), it's not going to work out that well.*

210. With Autumn:

- a. Oh yeah, I need it!
- b. Will we get in trouble? **[Achievement: You a cop or something?]**
  - i. Yes please!
  - ii. Nah, I'm good

211. With Autumn

- a. Ever think you'll try?
- b. I can't imagine
- c. Sure, as long as you want to **[Keep options open]**
- d. I don't want to make things weird **[Friendzone Autumn]**

## Economics classroom

*You sit next to Lauren for the Economics class, how it goes depends on how you're dealing with Lauren so far. Friends or thereabouts, and she'll just absent-mindedly pass a note under the table to pass the time. And she'll get you distracted as well, to the point that you won't know what the question Ms. Rose asked you was (when in doubt, the answer is always 42 – for everything).*

**Lauren path:** *If you have FWB/Girlfriend status with Lauren, by now she has entered full rebel mode, she's feeling horny in plain class. Let her throw her frisky hand up there under the table if you want.*

212. [If you don't have FWB or Girlfriend status with Lauren] With Lauren:

- a. Hooked up with each other
- b. Hooked up with the Dean

213. With Ms. Rose

- a. 42? **[Achievement: The answer to everything]**
- b. Venezuela?
- c. I don't know [+1 Boyfriend]

214. [If you have FWB or Girlfriend status with Lauren] With Lauren:

- a. Stop her [+1 Bro]
- b. Let her continue [+1 Troublemaker] **[Handjob scene with Lauren]**

## Hallway

*You haven't even eaten today, so you hope you don't have to do something more active as you see Lindsey putting up campaign posters. Turns out she's just secured Nora as her vice-president nominee (doesn't seem like it was a very difficult pick). Badmouth Chloe a little bit if you want (or don't, especially if you're dating her) and just navigate out of there.*

215. With Lindsey/Nora

- a. Yup, it was all me [+1 Troublemaker]
- b. I had some help [+1 Bro]
- c. Democracy! I'm there! [+1 Bro]
- d. Do I haaaave to?
- e. Aubrey actually told Riley and me
- f. (Don't throw Aubrey under the bus) [+1 Bro]

- g. Oh yeah, take Chloe down [+1 Troublemaker]
- h. It might make you look mean

*As you walk down the hallways with Riley, she's glad she hasn't gotten any shit from Tom since, even if she's still not 100% certain it's all over. Anyway, there's a sign-up sheet for the new college newspaper. Elijah is the editor and he's looking for new staff. Riley signs up almost immediately. You can do the same (and you earn an achievement) but you won't be getting accepted. Elijah must really not like you or something.*

216. [If you won the fight against Tom] With Riley:

- a. It was fun [+1 Troublemaker]
- b. Don't think about it [+1 Bro]

217. With Riley:

- a. Be nice [+1 Bro]
- b. Get grossed out [+1 Troublemaker]

- c. Support her [+1 Boyfriend]
- d. Elijah sucks though [+1 Troublemaker]

- e. Sign up [+1 Bro] [+1 Boyfriend] **[Achievement: Extra extra]**
- f. Don't sign up

218. With Chloe

- a. You look great [+1 Boyfriend]
- b. Not your best photo [+1 Troublemaker]

### Chloe planning board (Phase 3)

*Chloe may not be feeling very enthusiastic about her own campaign posters, but at least she's got them on campus now. And it's Phase 3 of the campaign. The new newspaper might be a good idea for a campaign moment, if you can influence Elijah to give you a favorable cover (though he might ask for a lot). A safer option is to organize a small event that's like a mixture of a spa with a party. So, a sparty. Get it? Ha ha. Anyway.*

**Nora / Lindsey path:** *hindsight is 20/20, and you know what – a spa night with many girls can turn out advantageous, there's a couple of scenes to be earned with Nora or Lindsey if you choose this option.*

#### 219. With Chloe

- a. Newspaper
  - i. Promote Chloe
  - ii. Embarrass Lindsey
- b. Sparty **(-\$100)**
  - i. Professional masseuse **(-\$300)**
  - ii. You do massages

#### 220. With Chloe

- c. Always do [+1 Boyfriend]
- d. I'll try... [+1 Troublemaker]

### Park

*Ms. Rose has been teaching Nora some basic yoga (it has tremendous health and mind benefits), and there's actually a session at the park (you couldn't resist the invitation). There's somewhat different dialogue depending on your relationship with Ms. Rose,*

*though she tries to act normal in front of Nora. Enjoy the view (or stay focused) until Penelope calls you from the pier.*

221. With Nora/Ms. Rose [twice]:

- a. Stare at Nora
- b. Stay focused [**Achievement: Must resist temptation**]
- c. Stare at Ms. Rose

222. With Nora

- a. It was relaxing [+1 Boyfriend]
- b. It was painful [+1 Troublemaker]

*You just have to come to the pier. Remember Karen from the Deers event? She had a "win a date" raffle going on, and guess what, Imre won. Penelope got dragged in for moral support (or maybe Karen was just a bit overcautious) and she has no intention of third wheeling.*

*The pier is hosting a carnival, which you can explore as a free roam. Straight ahead you see the hotdog stand, but head over to the side first, to the wheel of chance. You might win a coupon for a free hotdog (exciting, no doubt). In any case you need to go through the three different activities before ending the free roam at the shooting range.*

Carnival free roam (wheel of chance)

*This is supposed to be a "everyone's a winner" type of game, and you don't even pay attention to some random guy complaining that the whole thing is rigged. Imre goes up first, and wins some candy. From the woman's pocket. Karen is super grossed out, Imre swallows the thing whole.*

223. With Imre

- a. Back him up [+1 Bro]
- b. It's the opposite [+1 Boyfriend]

*When it's your turn, if you give it a strong spin you'll end up breaking the whole thing. With a gentle spin you'll land on the hotdog coupon slot. At least it's something edible.*

224. Wheel

- a. Gentle spin [+1 Bro] **[Hotdog coupon]**
- b. Strong spin [+1 Troublemaker]

Carnival free roam (carousel)

*On the opposite side you find the carousel. Imre sits next to Karen, of course. You can choose to sit with Penelope (why wouldn't you), although it's not the most amusing of rides because they had it too fast once and an old lady broke her hip, so nowadays it just runs super slow.*

225. With Penelope

- a. Sit alone [+1 Bro] [+1 Troublemaker (if Penelope LOYAL)]
  - i. Laugh [+1 Troublemaker]
  - ii. Be polite [+1 Bro]
- b. Sit with Penelope [+1 Boyfriend]

Carnival free roam (hot dog stand)

*Finally by the hotdog stand, Karen doesn't take anything because she's a vegan while Imre makes fun of the concept (that's not going to end well). If you're on Penelope's path you'll volunteer to give her the coupon, if you've earned it (otherwise it's a choice).*

226. With Imre

- a. How could she not? [+1 Bro]
- b. No way she does [+1 Troublemaker]

227. [If you got the coupon in conversation 224 and do not have Trust/Loyal relationship with Penelope] With Penelope

- a. Give her the coupon [+1 Boyfriend]
- b. Keep the coupon [+1 Bro]

228. With Karen

- a. Respect veganism [+1 Boyfriend]
- b. Defend meat-eaters [+1 Bro] [+1 Troublemaker]

## Shooting range

*After you try your luck at the shooting range (it's random whether you win or not), Karen has gone away to the bathroom, but when we see her again she's making out with the hot dog vendor. Poor Imre, who was trying to get things back together by winning her a big prize.*

229. With Imre

- a. Nah, it's fine [+1 Bro]
- b. Definitely [+1 Troublemaker]
  - i. It's not over yet [+1 Bro]
  - ii. Yeah, it's over [+1 Troublemaker]

230. With Imre

- a. Try to calm Imre [+1 Bro]
- b. Blame Karen, not him [+1 Troublemaker]

### Bridge

*It's heartbreaking, but Imre brushes it off. He tries to say he doesn't even care about her anymore, but deep down it hurts him that no matter what he does, things don't go his way. He's not actually going to jump off a bridge, but you can try to calm him down.*

231. With Imre

- a. Support Imre [+1 Bro]
- b. Support Karen [+1 Boyfriend]
- c. She wasn't even hot [+1 Troublemaker]
- d. There's tons of girls [+1 Bro]

### Amber's house

232. In room

- a. Take the Twazzlers
- b. Leave them

*Amber texts, she's at a late night shift for work but she forgot her phone charger at home, would you mind picking it up?*

*Her house is either all tidied up if you've encouraged her to go on the clean path (and then you'll meet her at Lew's) or a complete mess if she's still doing drugs (and then you'll rendezvous at her club).*

*Pick up the charger to end this mini free roam, but you can check other things before. You can take some candy and snoop on some photos (including little Amber playing the violin), an erotica novel she's writing on her laptop, and some unpaid bills.*

## Club

233. With sleazy
- a. We're talking [+1 Troublemaker]
  - b. Stay quiet

*If you go see her at the club, she's initially happy that you could get the charger (extra happy if you get the candy too) but you get rudely interrupted by a drunk guy sitting on the other side of Amber (you may recognize him as the dude you sold Lindsey's car to).*

## Lew's / Club

234. [If you saw the unpaid bills] With Amber:
- a. Ask about bills
  - b. Don't mention them

235. [If you saw the laptop] With Amber:
- a. Mention her laptop
  - b. Keep it a secret

236. [If you saw the photos] With Amber:
- a. Ask about photos
  - b. Leave it alone

*Ask about all three and you'll get **Achievement: Just curious about you**. Even though it's very rude of you to do so, invading other people's privacy like that.*

*In any case we get to see how Amber is adapting to her work, and you can discuss your detective adventures and general struggles to find a life path. If you're on Amber's path, this might lead to either some cute kissing in the staff room of Lew's, or a private dance at the club.*

## Club

237. [If having FWB status with Amber] With Amber:

- a. Appreciate it [+1 Boyfriend]

- a. Support her [+1 Boyfriend]
- b. Tell her to quit

239. With Sleazy

- a. Punch him [+1 Troublemaker]
- b. Give him a break

## Frat room

**Emily path:** *If you had some late night sexting with Emily (back in conversation 143), she's going to up the ante this time, and you'll do some video calling. Go find a laptop (or reject her to go straight to sleep).*

240. With Emily

- a. Find a laptop [+1 Boyfriend] **[Video call scene]**
- b. I'm too tired [+1 Troublemaker]
  - i. I love you, too [+1 Boyfriend]

ii. Hang up [+1 Troublemaker]

242. With Emily [twice]

- a. Like it [+1 Bro]
- b. Love it [+1 Boyfriend]
- c. Not my favorite / Not a fan [+1 Troublemaker]

Wednesday, November 5

### School hallway

*The day starts with the good news that Riley was accepted into the newspaper. But despite your best efforts, you didn't make the cut. In less welcoming news, there's been some power outages in the area recently. Luckily you haven't been affected yet, but who knows?*

**Aubrey path:** *If you're progressing really well with Aubrey and have reached Loyal/Trust status by now, she's up for a date tonight. But it has to be something serious. Something real. She's this close to becoming your full girlfriend by now. Let's sort out the details in a bit.*

*Walking the hallways of SVC (there's always something exciting happening every new day there too), Lindsey has heard about the reopening of the dog shelter. She can't make it to the actual opening that day, so can you deliver a \$50 donation on her behalf? We'll see what temptations come along...*

243. With Lindsey

- a. Yeah, it's great [+1 Bro]
- b. Yeah, she's great [+1 Boyfriend]

*In even more exciting news, Polly (remember her from Amsterdam?) is going to perform an acoustic concert on campus tomorrow. Penelope can't wait to attend of course.*

244. With Penelope

- a. The music majors
- b. No idea, who? [+1 Troublemaker]

Sex ed event

*You're supposed to be attending History class, but there's lots of new people in the room, what's going on? There's a sexual education event, that's what. A nurse presents a short seminar on the responsibilities of taking care of a newborn, which you're going to co-parent. Don't worry, it's only a doll. A doll that cries loudly though.*

245. Event

- a. Parent with Chloe [default timed choice]
- b. Parent with Nora

*Pick a partner that will be your co-parent (be quick to switch if you don't want Chloe), and pick a name for your sweet little child. Chloe doesn't give a fuck and wants to call it "Plastic" and be done with it. Nora, you can see she's very thoughtful and respectful, you can already notice she'd be a great mother.*

*You need to figure out a schedule between the two of you. For the next three nights, one of them you'll be taking care of the baby together. For the other two nights you'll each be on your own for one of them. We'll deal with the annoying details of how to deal with the baby as they occur.*

*Maybe you already have plans for this week. Polly's concert always happens on Thursday, and you may have a date with Aubrey today and another one with Ms. Rose on Friday. (you'll get the **Achievement: Busy schedule** in that case). But you might have to cut those nights short to fulfil any baby duty.*

**Penelope path:** you shouldn't leave "baby duty with partner" for Thursday night if you're on the Penelope playthrough, as that will ultimately prevent a scene with Penelope later on.

*A hint to fill in the schedule is as follows*

|                                |                                                                                                                                                                                                                                                                                                                                                                                                        |
|--------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Have Wednesday and Friday free | This one is straightforward, you place "baby duty with partner" and "baby duty alone" on Wednesday and Friday (the order doesn't really matter)                                                                                                                                                                                                                                                        |
| Have only Wednesday free       | "Baby duty with partner" goes on your free day (Wednesday). Then you have to decide when to have "baby duty alone". If you put it on Friday you a small romantic scene with Ms. Rose. If you put it on Thursday it will be a disturbance while you're trying to have a small romantic scene with Penelope (only if you're on her path)                                                                 |
| Have only Friday free          | "Baby duty with partner" goes on your free day (Friday). Then "baby duty alone" can go on Wednesday (your date night finishes early enough in the night anyway).                                                                                                                                                                                                                                       |
| Busy both Wednesday and Friday | You can place "Baby duty with partner" on Wednesday, it doesn't actually stop anything because your date ends early in the night (though of course you don't know this in advance). If you put it on Friday you a small romantic scene with Ms. Rose. If you put it on Thursday it will be a disturbance while you're trying to have a small romantic scene with Penelope (only if you're on her path) |

246. [If parenting with Chloe]

- a. Say something [+1 Troublemaker]
- b. Keep quiet

- c. Plastic it is [+1 Bro]
- d. A different name

247. [If parenting with Nora]

- a. Talk to her [+1 Troublemaker]
- b. Say nothing

- c. Scarlet or Henry? [+1 Boyfriend]
- d. Something else

#### Lindsey planning board (Phase 3)

*It must be a popular idea, to get your campaign message across the newspaper. Lindsey's also wanting to do that for Phase 3. Now we've hit a conundrum because the newspaper can't benefit both candidates at once (just in case you already selected this approach for Chloe). Elijah is the editor, so it's going to be the high-risk-high-reward approach. If you impress him (either positively or negatively) it's going to have a big impact.*

*Alternatively, getting Polly to endorse Lindsey can still give a significant boost, just not as much as the potential that the newspaper has.*

248. Lindsey planning board (Phase 3)

- a. Newspaper interview
  - i. With Elijah
  - ii. With Riley
- b. Get Polly's endorsement
  - i. Pretend to be room service
  - ii. Show up as yourself

249. With Lindsey

- a. Stay positive [+1 Boyfriend]
- b. It might be tough [+1 Troublemaker]

### Wolves house

*There's a power outage when you return to the frat house, so everyone's forced to talk with each other. And having nothing else to do is probably getting on Chris' nerve, so he shares his deepest darkest secret: a year ago he had a one night stand, and he never told Nora he cheated on her. He's ashamed of it and he's just glad he has friends that he can share this with and get it off his chest. After all, the Wolves are all about being bros, right?*

*Well, Imre doesn't think so. Wolves are about loyalty above all else. And Chris betraying Nora is the worst scumbag move, that's totally over the line. When Imre starts saying things like Nora doesn't deserve such a dirtbag, Chris snaps and punches Imre after a heated argument*

250. With Chris/Imre

- a. Push Chris [+2 Troublemaker]
- b. Stop Imre [+1 Bro]

### Apes house

*The Apes house is similarly affected by the power outage (even if they don't all seem to understand what's going on at first). Grayson seems to be lowkey afraid of the dark, while Samantha takes the piss out of him. Why is Samantha here if she isn't an Ape anyway? You have the chance to defend her presence, or just agree with the frat leader.*

251. With Grayson/Samantha

- a. Agree with Grayson [+1 Bro]
- b. Defend Samantha [+1 Boyfriend]

### Planning the date with Aubrey

*If you're having a date with Aubrey later tonight, you can pretend it's her birthday and the restaurant will hand out a cake and sing, but Aubrey isn't really going to enjoy being the center of attention, so if you do this it's definitely not going to be a perfect date. There's a metric for how well the date goes, and we'll see that shortly, but a birthday reservation is going to cost you 2 "date points", and you can follow these scores in the choices below.*

*You can also book her a cab, and she's going to appreciate you paying for it, but that's really cutting into your budget. You know, you do have those \$50 that Lindsey gave you to donate to the shelter, so do you want to take some of that? There's going to be an achievement later if you are on Lindsey's campaign path with the newspaper and spend all of it.*

252. Planning date:

- a. Standard reservation **[+1 date point]**
- b. Birthday reservation **[-2 date points]**

253. Planning date

- a. Book her a cab **[+1 date point]**
  - i. Just the cab **[Take \$20 from Lindsey's donation]**
  - ii. Cab/flower combo **[Take \$40 from Lindsey's donation]**
- b. She can manage

254. Planning date

- a. Use the money
- b. Cancel the booking [**Reverts the effect of conversation 253**]

## Shower

### 255. Shower

- a. Draw a cat [+1 Boyfriend]
- b. Draw a dick [+1 Troublemaker]

## Meeting Elijah with Chloe

*Chloe's strategy may be to influence the cover of the newspaper, and given that Elijah is simping for Chloe, he should be easy to convince. But actually he knows how important this campaign is for her. So he's willing to help, but under one condition: if he loses her virginity to Chloe. You can laugh (or get angry, especially if you're dating Chloe), but she's not too upset. She's sure she can make him cum just a with a kiss.*

### 256. With Chloe

- a. Knock [+1 Bro]
- b. Just walk in [+1 Troublemaker]

### 257. With Chloe/Elijah

- a. Joke about Elijah [+1 Troublemaker]
- b. Compliment the idea [+1 Boyfriend]

### 258. With Elijah

- a. Laugh hysterically
- b. Get aggressive [+1 Troublemaker]

*Maybe even a kiss is too much for you to handle, or you want to punish Elijah for his hubris. Accept Elijah's demands and he will write a nice piece, or tell him to fuck off (but his revenge will be served cold).*

259. With Chloe

- a. It's just a kiss [+1 Troublemaker] **[Nice newspaper cover]**
- b. Tell him to fuck off [+1 Boyfriend] **[Negative newspaper cover]**

## Beauty store

*If you're helping Chloe organize a sparty night, head over to a beauty store to get some supplies. Make sure you get the premium face masks for optimal effect (if you really want to help her, that is).*

260. At store

- a. Tingling mint
- b. Calming citrus
- c. Premium line
- d. Basic line

## Outside restaurant (Date with Aubrey)

*Aubrey arrives at the restaurant for your fancy date. If you've booked her a cab go ahead and pay the driver. You can even leave a \$10 tip, which might well be the last of the cash Lindsey had given you. If you ordered the flowers, a bee came along with them, but it wasn't your fault.*

261. With Aubrey

- a. Reassure her [+1 Boyfriend] [+1 Bro]
- b. Offer your jacket [+1 Boyfriend]

262. [If you organised a cab for Aubrey]] With driver:

- a. Tip ten dollars [+1 Bro]
- b. Save your money [+1 Troublemaker]

## Restaurant

263. Drink

- a. Have the same [+1 Boyfriend] **[+1 date point]**
- b. Order a beer [+1 Bro]

*The dinner starts with your choice of drinks, but don't go ordering a beer because you won't have ID to show and it will be slightly embarrassing.*

*The date then progresses into a free roam format, where you will have the chance to choose different conversation topics depending on the areas you interact with. Click on the menu to finish this section, but before then make some pleasantries by complimenting her and the environment, you don't want to be negative in these occasions.*

264. Click on Aubrey

- a. Compliment her [+1 Boyfriend] **[+1 date point]**
- b. Compliment the restaurant [+1 Bro]

265. Click on clock

- a. Complain about wait [+1 Troublemaker]

- b. Plenty of time left [+1 Boyfriend] **[+1 date point]**

266. Click on self

- a. Compliment yourself [+1 Bro] [+1 Troublemaker]
- b. Joke about yourself [+1 Boyfriend] [+1 Bro] **[+1 date point]**

267. Click on menu

- a. Order for Aubrey [+1 Troublemaker]
- b. Order for yourself [+1 Boyfriend] **[+1 date point]**

*Another free roam section (and again the menu is the way out), and you don't want to create drama by talking about the Chicks; but you do want to be a food critic that is overly impressed with tonight's dinner.*

268. Click on Aubrey

- a. Discuss her parents [+1 Boyfriend] [+1 Bro] **[+1 date point]**
- b. Discuss the Chicks [+1 Troublemaker]

269. Click on Aubrey's food

- a. Critique her food [+1 Troublemaker]
- b. Compliment her food [+1 Boyfriend] [+1 Bro] **[+1 date point]**

270. Click own food

- a. Critique your food [+1 Bro] [+1 Troublemaker]
- b. Compliment your food [+1 Boyfriend] [+1 Bro] **[+1 date point]**

271. Click dessert menu

- a. Order dessert [+1 Boyfriend] **[+1 date point]**

- b. Let her decide [+1 Bro] [+1 Troublemaker]

*There's nothing sweeter than finishing off with dessert. Unless you made the mistake of picking the special birthday package where the waiter starts singing Happy Birthday. It's extremely cringey and Aubrey doesn't like it in the slightest. You can try to blame the restaurant but the damage is done.*

272. [If you ordered the birthday package]

- a. Confess your mistake [+1 Bro] [+1 Troublemaker]
- b. Blame restaurant [+1 Boyfriend] [+1 Troublemaker]

**Aubrey path:** *At the end of the date, Aubrey's reaction depends on the number of "points" you've added up. She's not super fussy, as long as you've ended with a total of 4 points she'll accept to being your girlfriend. The more points you have, the better the dialogue she will have in this scene, and if you got the maximum possible 11 points by picking all the right answers, you earn the **Achievement: Perfect date***

*Moreover, if by this point you're still maintaining Girlfriend status with Chloe, Lindsey and Nora, a fourth girlfriend brings the **Achievement: Four's a crowd***

## Park

*If you weren't busy going on a date with Aubrey tonight, you'll come to the rescue of Lauren, who's sitting one of the shelter dogs, Rubius. And that fella is huge (not to mention he just dragged Lauren across the park while chasing a squirrel).*

*You can stay in the park and he'll be well behaved and even impress a jogger who's training in the park – he might even drop by the shelter to adopt Rubius. If you let him loose, however, he'll just run away and make a mess by rummaging in the rubbish, and when he's startled by a cat Lauren falls on a puddle of water (way to soak her new top).*

273. With Lauren

- a. Greet Rubius [+1 Bro]
- b. Don't greet Rubius

274. With Lauren

- a. Stay in the park
  - i. Focus on Lauren [+1 Boyfriend]
  - ii. Joke about the jogger [+1 Troublemaker]
- b. Follow Rubius
  - i. Seize the moment [+1 Troublemaker]
  - ii. Don't seize the moment [+1 Bro] [+1 Boyfriend (if Lauren GF)]  
[+1 Troublemaker (if Chloe GF or Aubrey GF)]

*At this point of the night you may have some baby duty. They all look the same regardless of when you have them (except if you have solo baby duty on Thursday when Penelope is around it will look slightly different), so for this guide's purpose we'll detail both options here below.*

#### Baby duty: Solo baby duty

*If you're spending the night alone with the baby, it will (of course) start crying randomly in the middle of the night. This is especially worrisome if you're with the Apes as everyone else wakes up, and Cameron shouts that you should just feed the baby the brown key. There isn't one, so what does he know? Anyway, it's a diaper change, so pick up the orange key to stop the shouting.*

275. [If you're an Ape] With Samantha

- a. I'm sorry [+1 Bro]
- b. Don't you think I'm trying?! [+1 Troublemaker]

276. Baby duty

- a. Blue
- b. Green
- c. Orange **[Correct]**

Baby duty: Baby night with Chloe

*At some point you'll also be having baby duty with your partner, this next section details how that will go if you're sharing the responsibility with Chloe (and it's the same regardless of which day of the week it happens at).*

277. Baby duty

- a. Blue **[Correct]**
- b. Green
- c. Orange

*This night takes place at the Chicks house, and Chloe has already picked up baby Plastic, but at the same time she's achieved a whole new level of not giving a fuck (the doll is just face down somewhere on the couch). Talk about child neglect.*

278. With Chloe

- a. Care for the baby
- b. Complain about the baby [+1 Troublemaker] **[Achievement: Defenestrated]**

**Chloe path:** *a crying baby doesn't seem like it's going to teach anything useful. You can agree with Chloe and complain about the baby, and then when it cries again she'll just throw him out the window. More importantly, with the plastic doll out of the picture, laugh about it and you can get an angry sex scene if you already have Girlfriend status with Chloe.*

279. Baby duty (2<sup>nd</sup> time)

- a. Blue
- b. Green **[Correct]**
- c. Orange

280. [If you complained about the baby] With Chloe:

- a. Freak out
- b. Laugh [+1 Troublemaker]

281. [If you laughed and have Chloe Girlfriend relationship status] With Chloe:

- a. Hell yes [+1 Boyfriend] **[Sex scene]**
- b. I'm too tired

#### Baby duty: Baby night with Nora

*Nora is definitely more on the responsible side, and when you go meet her at the Chicks house for your joint night she's already in what she describes "mom mode". But of course the baby will start crying right in the middle of the movie you're watching. Luckily Nora is not the kind of person who would just chuck the doll out the window.*

282. Baby duty

- a. Blue
- b. Green
- c. Orange **[Correct]**

283. With Nora

- a. Grab the keys [+1 Boyfriend]
- b. Cover your ears [+1 Troublemaker]

**Nora path:** *if you've progressed through Nora's path and gained Girlfriend status during the cabin scene, you can keep impressing her by rushing to grab the baby keys when the screaming arrives for a kiss.*

284. [If you grabbed the keys and have Girlfriend status with Nora]

- a. Kiss her
- b. Keep it PG

Baby duty: night when partner is alone with baby

*And finally there's going to be one night when your co-parent will be alone with the baby, but you'll still have a call to check up on the progress (or lack thereof).*

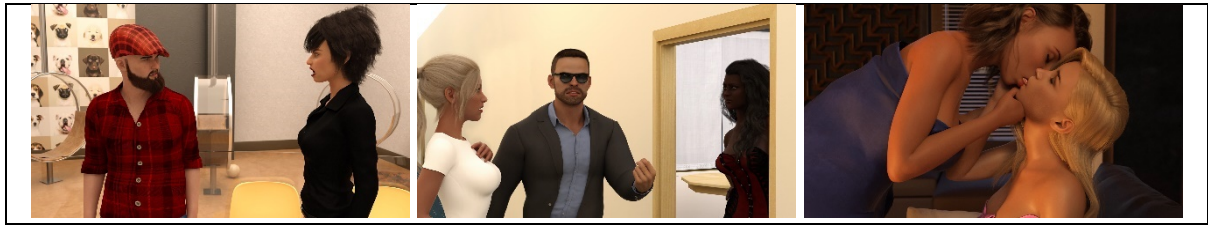

285. [If partnering with Chloe] With Chloe

- a. Just relax... [+1 Boyfriend]
- b. Stop yelling, Chloe! [+1 Troublemaker]

286. [If partnering with Nora] With Nora

- a. Blue **[Correct]**
- b. Green
- c. Orange

Dog shelter

Meet Autumn (and Lauren) by the shelter, Blue and Rubius have new owners by now, so that's worked out great for them. You'll hand over Lindsey's donation money at this stage (if you still have some of it) and help earn **Lindsey popularity +3** (if you give the whole \$50) or **Lindsey popularity +1** (with a smaller nonzero amount).

But what the shelter really needs today is some extra publicity. With her newly found modelling fame, Aubrey is in a perfect position to create a Kiwii post celebrating the opening, so you can try contacting her. Unless you've just come off a bad date with her (scored less than 4 points), then you'll have to make the post on your own. Or, you know, you could just turn into a sandwich board and hang outside the street.

287. With Autumn

- a. Kiwii post
- b. Spin sign
  - i. I'm unemployed
  - ii. Fuck off [+1 Troublemaker]

College library

*If you're helping Lindsey prep for her upcoming newspaper interview, meet with her by the library. And let's hope she's had enough coffee to keep her awake for a while, because this is important.*

*There's a few questions that you can expect will be asked, so choose a couple ones to see how she reacts. Her answers are going to be a little raw, so it's best if you keep her in check and always make suggestions on how to improve, otherwise things can go south quickly during the real interview.*

288. With Lindsey

- a. Name 3 positive things about your opponent
  - i. Sounds great
  - ii. Make a suggestion **[Positive response]**
- b. The most important quality of a good president
  - i. That'll do
  - ii. Expand on that **[Positive response]**
- c. What was your last random act of kindness?
  - i. That's good to mention
  - ii. Ask her why **[Positive response]**

*You can also earn the **Achievement: Caught red handed** at this stage if you spent all of Lindsey's money during the date with Aubrey, as some confusion starts to spread on Kiwi.*

289. With Lindsey

- a. More advice [+1 Boyfriend] **[Positive response]**
- b. Let's finish up

290. [If you have FWB status with Lindsey] With Lindsey:

- a. Absolutely [+1 Boyfriend]
- b. I have bad breath [+1 Troublemaker]

## Wolves house

291. With Chris

- a. Accept apology [+1 Bro]
- b. Hold a grudge [+1 Troublemaker]

*Checking up on some frat drama before you're allowed to go on with the rest of your day. Chris tries to apologise to Imre and all of the Wolves for his previous outburst, which you can accept. And Grayson doesn't really want to keep a junkie in the house (but perhaps you have been keeping Samantha clean after all).*

## Apes house

292. With Grayson/Samantha

- a. Agree with Samantha [+1 Boyfriend]
- b. Agree with Cameron [+1 Bro]
- c. Stay out of it

## Polly's hotel

*You may be sneaking in to Polly's hotel room (luckily one of Lindsey's contacts could figure out which one it was, or maybe there aren't that many hotels in San Vallejo anyway). Linds is super excited as she's a great fan, so you'll have to keep her cool throughout all this and let's not ruin things with fan girling. Bonus storyline points if you've gone to her concert in Amsterdam in CK1 and Polly remembers you.*

293. With Lindsey:

- a. Calm Lindsey down [+1 Boyfriend] [+1 Bro]
- b. Just knock [+1 Troublemaker]

294. [If you went backstage to Polly's concert in CK1] With Polly:

- a. Coincidence [+1 Bro]
- b. Came to find you [+1 Troublemaker]

*Now it's just a question of not appearing to be weird to Polly. If you're pretending to be room service, the plan of attack is to go deliver her a meal. Which is odd because Polly didn't order one. But if you say it's from the hotel, she'll swallow it (both literally and figuratively). If you're just showing up normally, the best solution is to just shut Lindsey up before she starts changing Polly's set list.*

*Either way, once you're here there's no way back. You'll either get Polly's endorsement (it comes with an achievement) or else she'll become so weirded out that she's actually going to denounce Lindsey during the concert.*

295. [If you're pretending to be room service] With Polly:

- a. The hotel [+1 Bro] **[Achievement: Singing praises]**
- b. A fan [+1 Troublemaker]

296. [If you're showing up as yourselves] With Polly;

- a. Interrupt Lindsey [+1 Bro] [+1 Troublemaker] **[Achievement: Singing praises]**
- b. Let her talk [+1 Boyfriend]

*If you annoy Polly then her bodyguard might just show up, and if you fail, some paparazzi photo will find its way onto Chloe's Kiwii feed, if you and Lindsey being, let's say, escorted out of the hotel. [-2 Lindsey popularity]*

*If Lindsey is doing an interview for the paper, it's just about getting started when you arrive. It doesn't matter if it's with Elijah or Riley, the same three questions will come up, but you've only prepared for two of them of course. The outcome in terms of immediate popularity is as follows (there will be a further boost when the newspaper comes out):*

*Prepared for the "three positives" question and then made a suggestion?*

- *If so, gain **Lindsey popularity +2 (with Elijah) or +1 (with Riley)***
- *If not, lose **Lindsey popularity -2 (with Elijah) or -1 (with Riley)***

*Prepared for the "important quality" question and then expanded on that?*

- *If so, gain **Lindsey popularity +2 (with Elijah) or +1 (with Riley)***
- *If not, lose **Lindsey popularity -1***

*Prepared for the "random act of kindness" question and then asked why?*

- *If so, gain **Lindsey popularity +1***
- *If not, lose **Lindsey popularity -1***

*If you gave Lindsey "more advice", gain **Lindsey popularity +2***

297. With Lindsey

- Knock on door [+1 Bro]
- Shout through door [+1 Troublemaker]

Frat room

298. [If you're not helping Chloe's campaign] With Chloe:

- Be the masseuse [+1 Troublemaker]
- Be a helper [+1 Bro]

*Maybe you're helping Chloe with her sparty, in which case you'd better make your way to the Chicks house. Maybe you're not involved in Chloe's campaign, but she's still hosting a sparty anyway, in which case she'll ask you if you want to give out some massages to the girls or just help out with the masks and stuff.*

## Chicks house

299. With Aubrey:

- a. Maybe later [+1 Bro]
- b. I'm expensive [+1 Troublemaker]

*You may be surprised to find Jenny in there, but it's also a bit of a "Chloe's friends" event more than just a Chicks event. Not that you're complaining. Jenny, Chloe, Nora, Aubrey and Lindsey are already donning their colored towels. Might be a little bit awkward at first if you're dating many of them at the same time. It's also awkward between Chloe and Lindsey who seem to be trying to be as fake friendly as possible.*

300. Suggestion box

- a. Compliment Chloe [+1 Boyfriend]
- b. Suggest a breast reduction [+1 Troublemaker] **[nasty suggestion]**
- c. Don't add a suggestion

*There's also a suggestion box where you can write something. It's anonymous, unless you write something nasty and then they can tell from your handwriting. So if you want to keep the party in good mood don't write anything evil.*

301. With girls

- a. Apply mask

- b. Don't mask

*You can apply some masks to the girls, it turns out that if you've bought the cheap ones earlier they're actually a bad batch and they'll cause some burns (immediately lose **Chloe Popularity -2**). But with good masks then there's a gain of **Chloe Popularity +1**.*

*This next scene happens if you chose to hand out some massages, as Aubrey, Nora and Lindsey will each come to the candlelit massage table.*

*When talking with Aubrey you have a decisive moment to influence the election, which is to praise one of the candidates. Aubrey hasn't made up her mind yet so she'll listen attentively to what you say.*

302. With Aubrey

- a. Praise Chloe
- b. Praise Lindsey
- c. Praise nobody

**Nora path:** *Nora's turn, and did you know the girls have been making out in the other room while you've been busy here? I guess that's what you miss when you volunteer to give out massages. But anyway, Nora would like to spice up the talks even further, so there's an option for some fingering.*

303. [If you have FWB or Girlfriend status with Nora] With Nora

- a. Keep it friendly [+1 Bro]
- b. Spice things up [+1 Troublemaker]
  - i. Let me show you **[sex scene]**
  - ii. Cool things down

304. [Otherwise, if you're only on Friends status] With Nora:

- a. You seem different [+1 Boyfriend]
- b. Ask about Chris [+1 Bro]

**Lindsey path:** *Nora leaves, in comes Lindsey. She's been so busy with this election thing, she hasn't even masturbated in a week. If you're in her path you can satisfy her craving, even if you may hit a moral doubt along the way if you have some other, official, girlfriend (you know these girls start talking to each other at some point, right?)*

305. [If you have FWB status with Lindsey] With Lindsey:

- a. Keep it friendly
- b. Turn up the heat [+1 Troublemaker]

306. [If you turn up the heat and have another girlfriend] With Lindsey:

- a. We both want this [+1 Troublemaker] **[sex scene]**
- b. I was just playing along [+1 Boyfriend]

307. [If you turn up the heat and no other girlfriend] With Lindsey:

- a. Satisfy her craving [+1 Boyfriend] **[sex scene]**
- b. Cool off [+1 Bro]

*The alternative to the massages (and the Nora and Lindsey scenes) is all the girls together, not really knowing what to talk about. So they just try making out. Some of it more passionate than the rest. Still it all feels like a strange dream you don't want to wake up from. You'll have a chance to add another comment to the suggestion box if you want.*

308. With girls

- a. Applaud [+1 Bro]
- b. Keep quiet

- c. Suggest a do-over [+1 Boyfriend]
- d. I'm the winner [+1 Bro]

309. Suggestion box

- a. Add a compliment [+1 Boyfriend]
- b. Suggest a breath mint [+1 Troublemaker] **[nasty suggestion]**

## Bonfire

*The event ends with some marshmallows by a bonfire, which you're welcome to join in on. And everyone will stay in a good mood (and gain Chloe +1 **Popularity**) unless you've made a nasty suggestion. Then all hell will break loose because of course Chloe can tell it was you, even if you try denying it.*

310. With girls

- a. Take one [+1 Bro]
- b. I'm not hungry [+1 Troublemaker]

311. [If you've made a nasty suggestion] With Chloe

- a. Tell the truth [+1 Bro]
- b. Deny it [+1 Troublemaker]

## Chloe's room

312. [If you let Chloe kiss Elijah] With Chloe

- a. Mention their kiss [+1 Troublemaker]
- b. Don't bring it up

*If Chloe's strategy for Phase 3 is to use the newspaper you can try to mock up a cover which she'll send to Elijah (no guarantees he'll end up using it though). By embarrassing Lindsey and using her DMV photo you can earn the **Achievement: Bad hair day***

### Polly concert

*Polly's acoustic concert is at the college campus next, and it looks like you made it right on time. There's also a weird hater in attendance but we don't have time for him. Would you like to watch the concert sitting next to Autumn or Riley?*

313. With Kobe

- a. Keep talking to him [+1 Bro]
- b. Walk away [+1 Troublemaker]

314. With Autumn/Riley

- a. Sit with Autumn
- b. Sit with Riley

315. [If sitting with Autumn and you have kissed her before after the game/VIP night] With Autumn

- a. Yeah, I am [+1 Boyfriend]
- b. Not anymore [**Revert to Autumn Friend**]

**Autumn path:** *you will have to either exit out of the Autumn path or double down if you sit with her, as she asks if you're still interested in being her first. Saying no will bring you back to Friend status.*

*In other news, if you've been able to win Polly's endorsement back at her hotel room, collect the **Achievement: Singing praises** as well as a massive boost of **Lindsey Popularity +6**. But if you met with Polly and failed, she's going to publicly trash talk Lindsey, and she'll lose **Popularity -3**.*

### Penelope's room

*Someone who has definitely enjoyed the night was Penelope, Polly's official #1 fan. And as long as you don't have baby duty with your partner tonight and have Loyal status with Penelope, she's going to enjoy it even further as she'll take you to her room. You may or may not have to deal with a crying baby but don't let that distract you from the cuddling and the kissing.*

#### 316. With Penelope

- a. Kiss her neck [+1 Boyfriend] [+1 Troublemaker]
- b. Whisper in her ear [+1 Boyfriend]

#### 317. [If you are on baby duty alone on Thursday] With Penelope

- a. Agree with her [+1 Boyfriend]
- b. Make a joke [+1 Bro]

- c. Blue
- d. Green
- e. Orange **[correct]**

Friday, November 7

### Dean's office

*You will be joining Penelope at the Dean's office, even if you didn't spend last night with her, as she's got to take care of Oscar for a while. It's a bit weird seeing the Dean so friendly, but that's the joy this little fella brings.*

**Penelope path:** *If you spent last night with Penelope, you didn't get the chance to do anything fun before falling asleep, so here's a chance to set the record straight. Here. In the Dean's office. Maybe even on her desk. With Oscar watching. And if the Dean returns don't get too startled.*

318. With Penelope [if you spent last night with Penelope]

- a. Kiss her [+1 Boyfriend] [+1 Troublemaker]
  - i. Kiss her [+1 Boyfriend] [+1 Troublemaker] **[sex scene]**
  - ii. Look after Oscar [+1 Bro]
- b. Don't kiss her [+1 Bro]

319. [If you didn't have sex with Penelope]

- a. Squeaky toy
- b. Ball
- c. Taste it [+1 Bro]
- d. Fuck no [+1 Troublemaker]

*If you were having fun with Penelope you'll have some explanation to give to the Dean, because obviously you weren't concentrating on the dog. Or maybe you did give him a squeaky toy or something to play around, that would keep everyone happy. And the school newspaper may just have been published, but we'll see about that later.*

320. [If you did have sex with Penelope] With Dean

- a. Lie
- b. Be honest [default timed]

Park

*We witness Lauren's continuous transformation process, she has just sent a pic of her going down on a popsicle, and these days she certainly seems less reserved to say the least. I guess the college experience has been really getting to her. And while she's definitely book learned in the arts of relationships, it's time to step out of the comfort zone and try things for herself. Bully for her.*

*Also she's thinking of exploring other hobbies besides sex, she's always been into drawing clothes. Maybe we'll see her as a fashion designer one day.*

321. With Lauren

- a. You seem less reserved... [+1 Bro]
- b. You're not a nun anymore! [+1 Troublemaker] **[Achievement: In nomine patris... amen!]**
- c. As in sexually active? [+1 Boyfriend]
- d. As in more playful? [+1 Bro]
- e. These are incredible! [+1 Boyfriend]

f. I've done some horny sketching [+1 Bro]

### College hallways

*Catch up with Nora as she lets you know about the school newspaper. How you've decided to navigate this part of the campaign will influence the outcome here.*

| Decision                                                           | Outcome                                                                                     |

*In other news, the college seems to be investigating the frats? What does this mean? And why now? Are they threatening to shut them down like they did with the Chicks? That's kinda messed up.*

322. With Nora

- a. Must be about the frats [+1 Bro]
- b. Vandalism... so sad [+1 Troublemaker]
- c. It doesn't sound like a big deal [+1 Troublemaker]
- d. That's kinda messed up [+1 Bro]

## Opera

*Anyway, you may have an opera invitation to attend, so time to get dressed up and cultured (hopefully it's a fun experience). You've got brilliant balcony seats, don't forget to thank Ms. Rose (or maybe Lorraine by this point) for them.*

*There's a guy singing in Italian, you can't make much sense of what he says. But you can understand some old woman who seems to think Ms. Rose is old enough to be your mother. No need to cause a scene by correcting her, but you might want to put her in line anyway.*

323. With Ms. Rose

- a. Compliment her [+1 Boyfriend]
- b. Mention the long ride [+1 Troublemaker]
- c. Talk about it [+1 Troublemaker]
- d. Say nothing
- e. What's he saying? [+1 Troublemaker]
- f. Don't ask
- g. If we want to [+1 Troublemaker] **[continues date if no baby duty]**

- h. Probably not

## Park

*In any case you may want to continue the night with Ms. Rose (although really she's really become affected by that old lady mentioning the age gap between you two). If you're actually free tonight (if you don't have any baby duty to attend to), go grab some ice cream. And guess who's there, your old (in the literal sense of the word) nemesis, who just can't seem to get her mouth shut.*

324. With Ms. Rose

- a. You should [+1 Boyfriend]
- b. You shouldn't
- c. Angrily correct her [+1 Troublemaker]
- d. Politely correct her [+1 Boyfriend]
- e. Say nothing

## Wolves house

325. With Imre

- a. Keep it civil [+1 Bro]
- b. Say nothing

326. With Chris/Imre

- a. Talk to Chris
- b. Talk to Imre

327. With Imre

- a. Sympathize with Imre [+1 Bro]
- b. Tell Imre to cut it out [+1 Troublemaker]

*Looks like the frats aren't going to have any quiet time in the future, going by that newspaper article. Actually scratch that, they're not having quiet time now, Imre is still reeling in from that punch to the nose. But more importantly, Chris has been thinking about what he's done, and he's going to be calling a vote for the leadership (another election to deal with, really?).*

*On the Apes side, Samantha is moving out, and it looks like it's a happy solution for everyone. She was getting tired of Cameron breathing down her neck and Grayson's bullshit, so she'll be crashing out at a friend for the time being. But for sure we'll keep seeing her around.*

#### Apes house

328. With Grayson

- a. That's good! [+1 Bro]
- b. Bad idea [+1 Troublemaker]

329. With Samantha/Cameron

- a. Talk to Samantha
  - i. Of course [+1 Boyfriend]
  - ii. Maybe [+1 Bro]
- b. Talk to Cameron
  - i. She'll be fine [+1 Boyfriend]
  - ii. It's a risk [+1 Bro]

#### Sex ed evaluation

*Now, we all know parenthood isn't about winning, and this baby exercise was just to help you understand the responsibilities of having to deal with an actual child. But it's still nice to see how you've done. The doll keeps track of how often you've inserted the right or wrong key, and you may be in the raffle for a gift card in the future if you got it right every time.*

*Chloe's definitely done with this whole ordeal, those midnight air-raid sirens aren't her idea of fun. Nora is glad to have done well herself, even if she seems a bit overcompetitive at times.*

330. With nurse

- a. I enjoyed it [+1 Boyfriend]
- b. It kinda sucked [+1 Troublemaker]
  
- c. Say goodbye to baby [+1 Boyfriend]
- d. Just leave

### Chicks house

*The time has come for the big conclusion of the episode, we get to go to the Chicks house to see the result of the election. There's a lot of Chicks in attendance, even if they don't all live at the house.*

*Aubrey is having some last minute deep thoughts. After all, Chloe is her friend and works hard for the sorority, but Aubrey's not sure she's the best leader. And Lindsey seems organized, but is she doing this just to get revenge? Chat with Aubrey about it to help her decide, this can be a huge opportunity to give a big boost to your preferred candidate.*

331. With Aubrey

- a. That's on Chloe, not you [**Lindsey Popularity +3**]
- b. You could do better

- c. Vote for Lindsey [**Lindsey Popularity +6**]
- d. Make up your own mind
- e. Vote for Chloe [**Chloe Popularity +6**]

*Riley's around too, she may have been thinking of joining the Chicks, even though she's into it for the community part and not really the drama.*

332. With Riley

- a. Still thinking of pledging?
  - i. Of course I would
  - ii. As if they'd let me
- b. Cheering for anyone?
  - i. Definitely Chloe
  - ii. I really don't care
  - iii. Lindsey for Prez

*Anyway, we're down to the final stretch where the candidates answer questions from moderator Aubrey. Lindsey might be on a happy-go-lucky sunshine-and-rainbow speech, Chloe is on the political offensive promising more affordable campus living (which you may have helped achieve after meeting with the Dean).*

*Things get a bit heated from now on, Lindsey accusing Chloe of not being there for the new chicks at the start of the school year, and Chloe accusing Lindsey of just throwing a tantrum when things don't go her way. You can skip ahead the debate and just get to the vote.*

333. Debate

- a. Let's get back on topic [+1 Boyfriend]
- b. Stay out of it
  - i. Move on to the last question
  - ii. Just get to the vote

*Everyone's voted, Riley is tallying up the final count. Both girls are understandably nervous about the whole thing, you can choose to spend a few minutes with one of them to reassure them that it's gong to be all right.*

334. With Chloe/Lindsey

- a. I should see how Lindsey's doing
  - i. You're gonna win this thing [+1 Boyfriend]
  - ii. Even if not, you gave it your all [+1 Bro]
- b. I'll make sure Chloe's all right
  - i. Are you really worried [+1 Bro]
  - ii. Nah, it's going to President Chloe [+1 Boyfriend]

*The result is announced, and it all comes down to the popularity both candidates have been amassing throughout this episode. Remember that the winner is the candidate with the most popularity points; Chloe wins if she's got 50 points or higher, otherwise Lindsey wins.*

*Not much to say at this stage, you should probably just congratulate the new (remaining?) president. It may be Chloe who's going to feel energized and galvanized by the vote in her favor. Or it could be Lindsey, who may not yet quite understand what task she's going to have in front of her. By the way, do collect the achievement for supporting the winning candidate, either **Achievement: Don't cry for me San Vallejo** (for Chloe) or **Achievement: Don't blame me, I voted for Lindos** (for Lindsey).*

*The losing candidate is probably not taking the news so well, you can leave her alone, or at least offer some sympathy words, at least if you've been involved in the campaign.*

335. [If Chloe won the election] With Lindsey

- a. I'll see how she's doing [+1 Boyfriend]
- b. She probably wants to be alone

336. [If Lindsey won the election] With Chloe

- a. Yeah, I'll go see [+1 Boyfriend]
- b. Let's leave her be

337. [If having Girlfriend status with Nora] With Nora

- a. Well, I'm a romantic guy! [+1 Boyfriend]
- b. Chris wasn't into that? [+1 Troublemaker]

338. With Nora

- a. How are you feeling about the election? [+1 Bro]
- b. How are you and Chloe doing? [+1 Troublemaker]

*Anyway, the future of the Chicks remains to be seen, whether with Lindsey at the helm or a "new" Chloe, and either way this rivalry doesn't seem like it's going to end right here.*

*Talk it over with Nora as she seems to be a quiet voice of reason among all this. It may look like everything is going to change, but at least if you're on Girlfriend status with her, you two have got each other for now. And that's something you can count on for the next Episode. See you there! :)*

## Lauren

### Good Dr. Lauren / Bad Dr. Lauren

#### **Tuesday October 28 – Hallway, with Lindsey (conversation 7)**

- Don't help [unlocks either "Good Dr. Lauren" or "Bad Dr. Lauren" later on]
- 

### Birthday treat

For Lauren's scene during her birthday party, you need to have Girlfriend status with her, or a combination of Kissed status plus Loyal reputation. Also you cannot have given her the gift card as a present.

#### **Friday October 31 – Lauren's birthday party, with Lauren (conversation 110):**

- Try to have sex
- 

### Classroom distraction

For this scene you need FWB or Girlfriend status with Lauren

#### **Tuesday November 4 – Economics class, with Lauren (conversation 214):**

- Let her continue
- 

## Lindsey

### Lindsey's craving

This scene requires attending the sparty. So if you're helping Chloe's campaign, do not select the newspaper strategy for Phase 3. Then you must select to be a masseur, either on the planning board or when Chloe calls.

You must also have FWB status with Lindsey.

#### **Tuesday November 4 – Chloe planning board (phase 3) (conversation 219):**

- You do massages

#### **Ms. Rose's place, with Ms. Rose (conversation 92):**

#### **Saturday November 2 – Vows ceremony, with Naomi (conversation 151):**

- Let her continue [unlocks "Fun at the wedding"]
-

# Nora

## Choosing Nora

For the first scene it can help to already have FWB status with Nora. Otherwise you need to answer her questions correctly at the cabin:

### **Monday November 3 – Cabin, with Nora (conversations 190 and 191):**

- Don't interrupt
- Follow your heart

Then if you have Girlfriend status with either Chloe or Lauren, you will need Confident reputation to unlock this scene.

### **With Nora (conversation 192):**

- I want you too [unlocks "Choosing Nora"]
- 

## Let me show you

This scene requires attending the sparty. So if you're helping Chloe's campaign, do not select the newspaper strategy for Phase 3. Then you must select to be a masseur, either on the planning board or when Chloe calls.

You must also have FWB or Girlfriend status with Nora

**Tuesday November 4 – Chloe planning board (phase 3) (conversation 219):**

- You do massages

- Be the masseuse

**Chicks house, with Nora (conversation 303):**

- Spice things up
  - Let me show you [unlocks "Let me show you"]
- 

## Penelope

The way to establish yourself in Penelope's path is to start with a successful date. If carrying over from CK1, in addition to having started a relationship with Penelope in Europe, you'll also need to have suggested a date at the museum in London in order for this to be an option. Otherwise you can start with at least "Likes" status. Then decline Jenny to meet with Penelope.

**Wednesday October 29 – Room (conversation 40):**

- Decline Jenny's invite

**Restaurant (conversation 46):**

- Focus on us

### **Thursday October 30 – Penelope’s room (conversation 51):**

### **Friday October 31 – Lauren’s birthday party – free roam 1 (upstairs room) (conversation 100):**

- Don’t show the list

### **Lauren’s birthday party – free roam 2 (upstairs) (conversation 108):**

  - Ask for her help **[unlocks “The list (Penelope)”]**
- 

### **First time with Penelope**

- Don’t choose “baby duty with partner” for Thursday (after Polly’s concert)

### **Friday November 7 – Dean’s office**

- Kiss her (twice) **[unlocks “First time with Penelope”]**
-

## Riley

You will need to carry over FWB status with Riley to earn the second scene (it's not required for the first one).

### The List (Riley)

**Friday October 31 – Lauren's birthday party – free roam 1 (kitchen) (conversation 96):**

- Yeah, I do [unlocks "The list (Riley)"]
-

- 

## Samantha

### Messy with Samantha

**Thursday October 30 – Apes house, with Samantha (conversations 70 and 72):**

- Let Samantha enjoy drugs

- Take your pants off [**unlocks “Messy with Samantha”**]

# Achievements

Help Chloe's campaign. During Phase 1, choose to partner with the Wolves with a plush photoshoot, but disagree twice with Chris so he won't end up helping.

### **Tuesday October 28 – Hallway, with Chloe (conversation 5)**

### **“Juggle a busy schedule” (Wolves exclusive)**

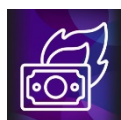

Need to have plans for all three nights before the sex ed event, including a date with Aubrey and opera with Ms. Rose.

The requirements for this are to have a restaurant date with Aubrey and an opera night with Ms. Rose. See the start of the guide for the achievement **“Perfect date”** to secure the Aubrey part.

To get the Ms. Rose part, carry over a FWB status at the start of the game. Then the easiest way is to not get angry at her when she comes to the frat house (Friday October 31, conversation 79), and don't threaten her (if you're meeting her with Chloe to get her support for the reduced tuition).

The achievement is earned during the class that introduced the sex ed event (Wednesday November 5).

## Caught red handed

### **“Not donating comes back to haunt you”**

Help Lindsey's campaign and spend all of her donation money on the date with Aubrey. Fail the date and make a Kiwii post for the shelter reopening. This stirs up drama when you later help Lindsey with her interview prep.

### Hallway, with Lindsey (conversation 7):

- Help Lindsey

You must go through the restaurant date with Aubrey. See the achievement **“Perfect Date”** for how to get there. Then:

- Book her a cab
- Cab/flower combo
- Use the money

### Thursday November 6 – Shelter (conversation 287)

- Kiwii post

The achievement is earned during the interview prep with Lindsey.

## Childhood memories

### **“Surprise the birthday girl”**

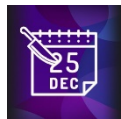

Buy Lauren the brown horse for her birthday.

## Friday October 31 – Department store

- Buy the brown horse

The achievement will unlock during the gift opening section at the party.

## Christmas is dead

### **“Kill Santa Claus”**

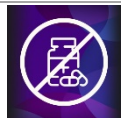

Play “Would you rather” during Lindsey’s game night, then kill Santa Claus over the Easter Bunny.

If you’re helping Lindsey’s campaign, you must choose the “Would you rather” game night during Phase 2. Otherwise, you will have to confirm this is the game you want to play when she invites you regardless.

## Sunday November 2 – Game Night, Would you rather

- Kill Santa Claus

## Clean it up

- Reduce tuition for the Chicks

### **Saturday November 1 – Meeting with Ms. Rose (conversation 116):**

Just need to do enough to earn her signature, but the ideal path is:

- Stay quiet
- You understand sorority life
- They’ll be motivated
- Consider it

*You will need Girlfriend status with Chloe, or else Popular reputation to go through the next steps.*

**With Chloe (conversation 117):**

- Ask Chloe for privacy

**With Ms. Rose (conversation 118):**

- Threaten Ms. Rose

## Extra extra

**“Apply for the Newspaper Squad”**

Sign up for the school newspaper when Riley mentions it to you.

**Tuesday November 4 – Hallway, with Riley (conversation 217):**

- Sign up

While in a relationship with Ms. Rose, get angry when she comes visit in the middle of the night. At her place for dinner, lick the honey.

Find all six locations and nine clues, then pick the cabin to solve the case of Nora’s disappearance.

During the detective sequence with Amber, you will need to find all possible locations and clues. Some of them you will always earn no matter what. For the other ones, this is the default path that works with all detective types:

## **Monday November 3 – Wolves house, with Chris (conversations 177 and 178):**

- She’s not with Mr. Rose?

## **Pinboard, with Penelope (conversation 181):**

To get the date, you need to have Loyal/Trust relationship status with Aubrey at the end of her parents’ ceremony (which means not doing anything with Naomi).
