A person wearing a grey hoodie and dark pants stands next to a black and white gaming chair. The chair has a distinctive face-like design on the backrest with two large, white, oval-shaped cutouts for eyes. The person's right arm is resting on the chair's backrest. In the background, there are two framed anime posters on the wall. One poster shows a character with pink hair, and the other shows a character with orange hair. To the right, there is a desk with a black keyboard, a glowing green and yellow light bar, and a small black and white figurine. The room has a modern, tech-oriented aesthetic.
