

Galactic Wizardry

Chapter 34

Harry stepped outside and smiled. Eden certainly was a beautiful planet, especially during sunrise. He yawned and jumped into his landspeeder. He flew the short distance to the Command Center and went inside. He wasn't surprised to see Mace still awake and manning the computers. "Tired?" Harry asked him as a droid rolled up with a steaming cup of tea. Harry took the cup and thanked the small droid.

"I'm fine. I'll get some rest soon. I'm almost done here," Mace told him. "I found what Dooku had dropped off in the moon's orbit. It was a surveillance drone. I sent a parasite drone in and connected to it. I'm feeding his surveillance drone false data. We'll see what his next play is and adjust accordingly," he said.

"We need to set up an alternative to that moon. It's no longer safe for us to use," Harry told him. Mace nodded in agreement.

"I'm already working on it. There's a suitable dead planet one quadrant over. I'm routing builder drones, ships, and materials there now. It shouldn't take long for it to get set up. In the meantime, no one comes or goes until it's set up and ready to go," he said.

"Agreed. Let us know when it's ready," Harry said and sipped his tea.

Galactic Wizardry

Harry returned to their home and smiled when he heard excited squeals and the splashing of water. He went out back and leaned against the wall while watching Padme and Sabe jumping around in the pool and splashing each other with water. The fact that they were both completely nude added to his delight. They were lucky that they had arrived when they did. They had returned to Naboo for a brief visit to attend to some business and spend time with their families. They had returned last night after going through one of the many scanning stations they had set up throughout the galaxy. Their bare breasts were wet and glistening in the morning sun. Harry cleared his throat, and both of them looked at him and smiled prettily.

"Hi, Harry!" Padme chirped and turned toward him. She proudly displayed her breasts to him, and he could see that her nipples were stiff from the cold water. Sabe also turned to him and swam up to the edge of the pool.

"Join us," she said and teased him by shaking her chest. Harry didn't need to be told twice. He quickly stripped down and dove headfirst into the cold water. He broke the water's surface and slicked his wet hair back. Sabe immediately jumped onto his back and wrapped her legs around his waist. She kissed his cheek and giggled while rubbing her naked breasts against his back. Harry reached around back and gripped her bare bottom. He squeezed her cheeks, which made

her squirm. Her pussy was very hot, and he knew she was aroused. It didn't take much to turn Sabe on. Padme smiled seductively and strolled over to him. She pressed against his front and stood on her tip-toes. Padme pressed her lips to his and kissed him deeply. Harry played with her tongue with his and made her lightly moan. She broke the kiss and caressed his wet chest with her soft hands.

"Where are the other ladies?" Harry asked while playing with Sabe's bottom.

"They went to do their training," Padme told him. They had recently opened a new training center for the Jedi. It had state-of-the-art equipment provided by the Forge Core. "Too bad they're not here," she saucily said and reached down into the water. Her hand wrapped around his cock, and she slowly started tugging on it. "I guess that means we get you all to ourselves," she cheekily added.

"I guess so," Harry chuckled. Sabe leaned in and began kissing the side of his neck, and she was now full-on grinding her pussy against his lower back.

"As you can see, Sabe has some pent-up frustrations she needs to work out," Padme giggled while her other hand joined in. She cupped his balls and started playing with them while jerking him off.

"Every moment you're not inside of me is a moment wasted," Sabe stated and licked the side of his neck.

"I share that sentiment," Harry said with a smile. His fingers crept into the crack of her ass, and he found her puckered hole. He pressed his finger against it and started rubbing. Sabe gasped and then moaned. Her smooth legs squeezed him tighter, and he could feel her hole puckering as he played with it.

"As do I," Padme added and dropped down under the water. He moaned as she took him into her mouth and began furiously sucking him off.

"Wow!" Sabe said, looking at the ripples in the water where Padme had just gone under. They could both see Padme's visually distorted form bobbing her head under the water. "I hadn't even thought of doing that," she admitted, impressed with her friend.

"Padme's full of surprises," Harry said while Sabe laid kisses all over his cheek. She turned his head and kissed him hard while Padme continued her underwater fun. It was a few seconds later that she broke the water's surface and inhaled loudly, sucking in some much-needed air.

"That move might be a little too advanced for me," Padme admitted as she breathed heavily.

"Practice makes perfect," Harry wisely stated, which caused Sabe to giggle. Sabe then squirmed off his back and moved to his front. She wrapped her arms around the back of his

neck and kissed him again. She loved using her tongue, and within seconds, she was fully exploring his mouth. Padme pressed into her back and slid her hands up Sabe's slick sides. Sabe moaned into his mouth and rubbed her bottom against Padme's crotch. Padme kissed her friend's shoulder and reached around her body. One hand slipped between her legs, and her fingers found her wet slit. Her other hand drifted over her perky tits, where she squeezed and groped them. Sabe broke the kiss and gasped.

"That feels good," she moaned and spread her legs slightly. Padme dragged her fingers back and forth along her slit and made sure to bump into her clit along the way.

"She's so wet!" Padme giggled as she played with her pussy. She then slid two fingers inside of her, and Sabe's walls instantly contracted around them. "It's sucking on my fingers," Padme giggled again. Sabe was trembling under her touch and gasping from the naughty pleasure.

"Stop making fun of me!" Sabe whined cutely while Harry and Padme played with her body.

"Sorry," Padme chirped and pulled her fingers from her. Harry immediately took her place and wrapped his arms around Sabe's slim waist. He picked her up and shoved his hard cock between her thighs while carrying her to the shallow end of the pool, where the water only came up past his knees. Sabe gasped as the top of his shaft slid along her pussy lips, forcing them on either side of his cock. Her pussy was latched onto his shaft in an open-mouthed kiss as Harry slowly began fucking her thighs. Her wet, smooth skin glided along his shaft as Sabe held onto him for dear life. Padme joined his side and watched the pair having fun. She reached between her legs and played with herself while watching the erotic scene unfold. The sound of Sabe squealing as Harry used her body for pleasure aroused her greatly. Padme looked at Sabe's ass, and she could see several inches of Harry's shaft sticking out from between her cheeks. With a naughty look in her eyes, Padme moved behind Sabe and lowered herself onto her knees.

Pressing her face against Sabe's ass, she took Harry's cock back into her mouth and sucked on it hard as it pistoned against Sabe's thighs and pussy. She moaned as she tasted her friend's pussy on his hot skin. The scent of her arousal filled her nostrils and made her pussy tingle pleasantly. Sabe's eyes went wide with surprise, and she desperately looked over her shoulder and watched Padme act like a complete slut. Padme's eyes were closed, and her lips formed a tight seal around the few inches of shaft sticking out from just below her bottom. When Harry sucked one of her nipples into his mouth, she turned her attention back to him. Sabe's eyes fluttered when his tongue lapped at the hard tip and tickled her areola. His cock sawed back and forth along the length of her slit, and her pussy painted it with her juices. Luckily for him, Padme was down there to clean it up. Sabe cried out in surprise when she suddenly felt her cheeks being spread. She heard a wet pop behind her before a tongue touched her asshole. "Padme!" Sabe squealed and clenched her cheeks. Harry's strong hands kept her cheeks from snapping together, and she heard Padme giggle as her tongue wiggled all around her hole.

Sabe shuddered and gripped Harry's hair tightly. She pressed her face against the top of his and whimpered as Padme's tongue slithered around the rim of her hole, teasing it. Every time her tongue flicked over the hole itself, Sabe squeaked and bucked in Harry's arms. Harry had nothing to say about it. Instead, his mouth was full of her breast, which felt just as good. Harry finally let go of her breast and kissed his way up her chest. Sabe arched her back and mewled cutely when his lips reached her neck. "Mmm ... I've missed this," she moaned and squirmed in place. Harry's hips were sawing back and forth, and she could feel that his cock was slathered with her drippings.

"And I've missed you," Harry replied while nipping at the delicate skin of her neck. Sabe giggled and kissed the top of his head.

"What about me?" Padme whined cutely from behind Sabe's ass.

"I've missed you, too," Harry chuckled and set Sabe down on her feet. "Come over here and let me show you how much," Harry teased. Padme jumped to her feet and slid around Sabe's nude, dripping body. She looked at Sabe with a smirk.

"My turn," she cheekily told her friend and wrapped her arms around Harry's neck. Harry's arms slid around her waist, and Padme took Sabe's place in his arms when he lifted her. Padme moaned when Harry's cock pushed its way between her wet thighs. The head mashed into her hard clit, making her squeal and jump. His long, thick shaft slid down the length of her slit, massaging it with his hot skin. She teased him by rubbing her perky tits all over his face. Harry teased her by treating her exactly how he had just treated Sabe. His hands gripped her cheeks, and he slowly spread them apart.

Sabe saw this and smirked. 'It's time for a little payback,' she wickedly told herself. Padme's tight hole winked at her, and she couldn't help but giggle. She grabbed Harry's cock, which was sticking out from the junction of Padme's thighs, and rubbed her hand and fingers all over it. Once her finger was properly lubricated, Sabe took aim and pressed against her back door. Padme squealed and looked over her shoulder with a wild look in her eyes. Sabe looked up at her and smirked as she added a bit more pressure. Padme's eyes fluttered as her finger sank down to the first knuckle. Sabe loved hearing her friend whimper in pleasure. The sound always aroused her for some reason.

She kept pushing, and her finger sank further. When she reached the second knuckle, Padme was trembling in his arms. Wanting to tease her further, Sabe pulled her finger out and slowly inserted it again. This time, she didn't stop until the entire finger was in. Sabe giggled madly when she felt Padme's ass squeezing and gripping her thin finger. She wiggled her finger, which made Padme squeal loudly. "What's going on back there?" Harry asked with a chuckle.

"Just testing a few things," Sabe cheekily answered while giggling. "How does it feel, Padme?" she asked, slowly penetrating her hole.

“Strange ... but good,” Padme honestly answered her. That was all Sabe needed to hear. She slightly sped up the pace, and soon, she was full-on finger-fucking her tight ass. Padme’s squeaks and squeals were music to her ears.

Padme was squirming badly in his grasp. The pleasure was so good, and she didn’t think she could hold on much longer. When Harry kissed her hard nipple and then licked it, that was all it took to send her over the edge. She cried out and flooded his cock with her juices. Down below, Sabe giggled loudly while continuing to finger her ass throughout the duration of her orgasm. Eventually, Harry let her go, and Sabe pulled her finger out. Padme sank to her knees, and the water was barely past her breasts. She breathed heavily while her pussy tingled badly. Harry lovingly played with her wet hair, and when she blindly reached out for him, she accidentally grabbed his shaft. Looking up, she saw that it was completely soaked with her juices. Instinctively, her hand began moving, slowly jerking it in her direction. Sabe quickly joined her and dropped to her knees. She leaned in and kissed the tip. It jumped in Padme’s hand. Sabe also grabbed his shaft, and there was more than enough room for both of their hands. Not content with just kissing the tip, Sabe angled the shaft upward and licked the bottom of his head. Harry moaned in response, which only egged her to go further. Sabe pressed her tongue against the bottom of his head and licked it hard, and when she reached the end, she wiggled her tongue around the tip. Harry threaded his fingers through Sabe’s wet hair and lightly gripped it.

“Oh,” Harry moaned while her tongue swirled around his domed head. “Your tongue is amazing!” he declared. Sabe smiled happily and began sucking on the bottom of the head as a reward. Padme felt a tinge of jealousy that Sabe was the one bringing him all the pleasure. She wanted to make him feel good, too! Leaning in, she pulled Harry’s cock toward her mouth and popped the entire head into her mouth. Sucking on it hard, she pressed the tip of her tongue against his tip and flicked it over and over. A surge of satisfaction flooded her body when she felt him begin to squirm. Not to be outdone, Sabe lowered her head even further and pressed her mouth against his sack. She opened it wide, letting her tongue out. She then dragged her tongue along his balls, tasting his salty skin. She leaned in further, latched on, and began sucking on them while Padme started bobbing her head.

Harry looked down and smiled. He felt fortunate to have two such sexy women worshipping his cock and doing their best to make him cum. Their mouths and hands were all over him, but he wanted more.

“Why don’t we take this to the room?” he asked them. Padme pulled away from his cock but kept stroking it with her hand. She smiled up at him while Sabe continued to slurp on his balls.

“That sounds good,” she happily said and tapped Sabe on the shoulder. Sabe reluctantly pulled away from his sack but fondled it one last time before they got to their feet. Harry wrapped an arm around each of their waists, and they all disappeared.

They reappeared in their bedroom, dripping wet. Harry waved his hand, and all three were enveloped in a warm breeze. The girls' long hair whipped around in the breeze, and their bodies steamed as they were dried. When all three were dry, Harry led them to the bed with his hands on their asses. As they climbed on, he squeezed their naked bottoms and slid his fingers down for a quick rub of their wet pussies. On all fours, they crawled onto the bed, their bare asses tantalizingly swaying from side to side. Harry stroked his cock a few times before joining them. Both women rolled onto their backs and spread their legs. Harry almost laughed at how similarly they acted. Their hands simultaneously slid down their stomachs and onto their pussies. They each began playing with themselves while hungrily staring at his bouncing shaft. Harry crawled between Padme's legs first, and before Sabe could look disappointed, he pulled her body over and positioned her right on top of Padme, face to face. Their tits were mashed together, and their bald mounds touched. Harry wasted no time. He immediately penetrated Padme's incredibly tight and wet pussy. He slid all the way in, groaning from her incredible tightness. He heard her moan, and he could feel her pussy squeezing him, not wanting to let go. He pulled back and moaned as her pussy latched onto him, trying to keep him in. Her silky walls clung to his skin and slid down his shaft as he pulled out. He then immediately slid it into Sabe.

Sabe's pussy was equally incredible, and he rubbed her lower back as he slowly began fucking her. The suction sounds coming from her wet cunt were very perverse, and it fueled him to go faster.

Padme looked at her friend, who lay directly on top of her. Sabe had a desperate look in her eyes as her body was repeatedly jerked forward. Padme could hear the clapping of skin, and she knew that Sabe was getting fucked. Her perky tits rubbed against hers, and every time their hard nipples brushed together, it sent a jolt of pleasure racing down her spine. Padme moved her hands around Sabe's body, and she squeezed her ass. Sabe squealed and buried her face in the crook of Padme's neck. Padme lovingly caressed her ass and lower back as her friend was getting mercilessly pounded by the man they loved. As her body was being pushed back and forth, Sabe's clit kept hitting hers, making her pussy tingle badly. Sabe was chittering and mewling while squirming, and Padme could tell she was close to cumming. Unfortunately, Harry pulled out of her and instead began fucking Padme.

"Harry," Sabe whined cutely. "I was almost there!" she said, breathing heavily while Padme moaned and cried out as her pussy was being pounded.

"Now, now, don't be greedy. It's Padme's turn," Harry smirked and smacked her bottom. Sabe squealed as the slight sting made her pussy tingle with need. Harry cupped her mound and began massaging her wet slit with his thumb, making Sabe mewl cutely.

Padme's eyes rolled to the back of her head as Harry pounded her poor g-spot. Her wet pussy was fluttering wildly and clenching his fat cock. She held onto her friend for dear life while squealing and squeaking through the unstoppable pleasure. Her back arched, and her toes curled as another orgasm quickly approached. On top of her, Sabe was breathing raggedly and squirming uncontrollably. Harry then pulled out of Padme and shoved his cock right between

their mashed mounds. Both women gasped in delight as Harry began fucking their clits. His massive rod slid back and forth over their sensitive beads, causing them both to buck and spasm. "I'm almost there!" Padme cried out and hugged her moaning friend.

"Meeeeeee too!" Sabe squealed, and Padme could feel her shaking badly. Both cried out at exactly the same time, shaking and trembling together. Harry grunted and then moaned, and they felt a warm, sticky wetness wash over their bellies. Harry continued to fuck their swollen clits until he had completely emptied their balls. He pulled back, and Sabe rolled off Padme. They both looked down and saw their bellies smeared with cum. Harry, however, wasn't done with them yet. He pulled Sabe to him and draped her legs over his shoulders. Padme watched as Harry folded her body in half and brutally pounded her like there was no tomorrow. Even though she was still cumming, Padme couldn't help but reach down and rub her pussy while watching and waiting for her turn. In her opinion, her turn couldn't come fast enough.
