VOICELIKECANDY'S AUDIO SCRIPT CONTEST

Get those creative juices flowing!

If you've ever wanted to hear me narrate your NSFW script but my [Commission Rates](#) weren't within your budget, this is your chance! Submit it to the contest and if your script wins, I'll record it for FREE!

PHASE 1 - WRITE A SCRIPT

Anyone can submit a script to my contests, whether you are a patron or simply a fan. The deadline to submit a script is the **10th of April** at 11:59pm UTC. However, I only accept a maximum of 8 scripts per contest, so submit sooner than later before all entry slots are filled! Email your script to candy@voicelikecandy.com and be sure to include a Discord, Reddit or Twitter handle (or your Patreon username) so I know how to credit you in the announcement if you're the winner!

***Scripts should be between 1000-1500 words in length (spoken words, instructions aren't counted), and must be your own creation (no plagiarism). Content must not violate [Patreon Adult Guidelines](#) (all characters must be 18+, no incest, no forced sex/non-con, and no bestiality.) By submitting a script to the contest, you acknowledge that if your script wins, I have your permission to record it and resell the resulting audio. I will most happily credit you as the writer (unless you ask to be anonymous), but no compensation will occur between writer & VoiceLikeCandy.*

PHASE 2 - READ THE SCRIPTS

On the **11th of April**, I will post a link where you can read the scripts that have been submitted. Writer's names will not be revealed to avoid any favoritism for a particular writer, as I want the scripts judged simply on their merits, not the writer's popularity. I will post a link on [Patreon](#), [Twitter](#), and my [subReddit](#). Read all of the scripts and Patrons can vote for your favorite! Remember to base your choice on which script you think would make the best audio recording (because even if it features a kink or topic that you like the most, that doesn't mean it's well written).

PHASE 3 - CAST YOUR VOTE

Patreon voting poll will be open from **April 11th-16th** at 11:59pm UTC, then the winning script will be announced! In order to cast a vote, you do need to be a Patron this month. I'm sorry, but it's too easy for voter fraud to occur on most online poll sites, so this way I can guarantee there is no fraud because votes are tied to your registered Patron username.

HOW CAN I RECEIVE THE AUDIO FOR FREE?

Once I record the winning script, it will be released for free to anyone who entered the contest, and to all members of my Loyalty Rewards, New Release Club, and DaddyWarbucks tiers on Patreon! Everyone else will be able to purchase the audio at my [Gumroad](#) page.
