

Huh? What're
you taking my
picture for?

It's a TS App. Whoever
I snap a pic of I can
turn into a girl.

Hey but, uh,
take a look at
your body.

A TS App? Dude,
that's obviously a
scam. You're such
an idiot!

Oh wow, you're super
cute! I think I'd like
your hair longer, though.

The hell?!
How do I have
breasts?!

Whoa! Now
even my hair
is growing?!

That's better, but
I think it'd be even
better if it was red.

Hell no! No way
I'm done yet!
Let's make your
tits bigger!

Ok I get it,
the app is real.
So cut this crap
out already...

Well if that ain't
just the most
beautiful thing I've
ever seen.

N000!
I can't take
this anymore!

They're
so heavy...

Hmm, what now? Oh I
know! How about Honolulu
from Azur Lane!

Hmm, those men's clothes
aren't really cute on
you. Let's get rid
of them for now.

Ok sure,
whatever.
What's next?

And finally, try wearing Honolulu's clothes. Then you'll really be cute!

Don't stare at me like that... It's really embarrassing...

Aww, cmon. What's the rush? Let me enjoy this just a little bit longer.

Ok you've had your fun. Now change me back!
