## FOLDABLE MAGIC ITEM CARD

**Instructions.** Print out this page on a heavy weight paper (Regular printer paper may work, but could easily bend). Cut the card out carefully but do not cut along the dotted fold line. Fold the card on the dotted fold line so that side A aligns with side B. You can use a glue stick on the back of each side to adhere the sides together.

TYPE: WONDROUS ITEM  
RARIETY: UNCOMMON

The humble mushroom can be a powerful ally if used in the right proportions. This hat is crafted from the oversized head of a bloomcap mushroom. These fungi are known to grow deep in boggy jungles where their root systems can stretch on for miles, warning them of intruders who might be approaching. So adept are they at detecting approaching threats, that someone saw fit to magically preserve and enchant one for their own purposes.

Once per day, you can place this cap on the ground for 10 minutes causing roots to grow through soil, stone, or any other suitable surface as determined by the GM. The roots grow out in a circle to a radius of 120 feet from the cap and remain there for the next 10 hours.

When you place the cap back upon your head after it has grown roots, you begin to be able to visually see the root network below you as a sprawling mass. While the roots remain, you are alerted to any creatures moving within the radius of the roots. You can tell their size as well as how many of them there are, but are unable to determine the exact nature of the creature. This ability resets daily at dawn.
