Summary: Part 2 of [Tender Loving](#). Being a Dragonoid, Rimuru is far more greedy after the mess with Hinata and the ten Great Saints is settled. Luminous has a very enticing suggestion that he decides to go with and in the end she and Hinata are added to Rimuru's growing 'hoard'.

-x-X-x-

Rimuru had to admit, when this idea was first suggested to him, he hadn't been too sure about it. Not because the Reincarnated Dragonoid didn't see the appeal, he very much did, but rather because he wasn't sure if he was allowed to want something like this...

In the end though, Shizu had made it clear that she supported him all the way and wanted him to do as he liked... especially in matters such as these. She'd told him to go ahead and say yes... and then to let himself run wild and hold back none of his desires. Inhibitions? What are those?

And ultimately, he'd been assured that this was what both women in question wanted as well. Hinata Sakaguchi and Luminous Twilight Valentine. One of them was the leader of the Western Holy Church's Ten Great Saints as well as another Japanese Otherworlder just like Rimuru and Shizu. The other was a Twenty-Thousand Year Old Vampire, a Demon Lord, and the true ruler of the Holy Empire of Lubelius... specifically, the real direct superior of Hinata.

When all was said and done and Luminous had stepped in to settle things before anymore fighting could occur, Rimuru would have been willing to let things lie with maybe just an apology and some tribute added on top... but Luminous had been the one to come up with another idea... an idea he'd ultimately accepted.

“Welcome, Master. Please, have a seat and let us tend to you.”

Rimuru can't help but be a little flushed at the sight of Luminous and Hinata in matching maid outfits. Ironical that he and Hinata were the ones who were actually from Japan, but it was Luminous who had insisted upon reenacting an experience close to a Maid Café in order to show how sorry she and Hinata were for their parts in the whole mess.

Still, Rimuru does as he's told, sitting down in the chair Luminous directs him to... and then watching as she and Hinata both drop to their knees in front of him and begin washing and cleaning his clawed feet. The Dragonoid can't help but groan a little bit in appreciation of their efforts, even as they work diligently.

Smiling up at him, Luminous' mismatched eyes twinkle.

“Heh. Do you like that, Master?”

Rumbling a bit, Rimuru nods.

“Yes... yes, I do.”

“I'm glad. Hinata and I want to give you full service, Master. Isn't that right, Hinata?”

Hinata looks more flushed than even Rimuru is, her face red as she focuses diligently on her work, tending to one set of his claws.

“... Yes. As... a-as maids, it is our duty to take care of our M-Master...”

Her nervousness and embarrassment only heighten the experience for Rimuru. This is all just roleplay of course, but he can almost imagine that this was the real cost of their defeat, that he'd conquered them and turned them into his maids in truth, rather than it simply being Luminous' idea for paying him back.

Giggling, Luminous licks her lips as she glances up at Rimuru... her eyes lingering on his crotch.

“Hm... our Master is not stimulated enough yet, Hinata. Tops off.”

Rimuru blinks... but he supposes he shouldn't be surprised. There was a reason he'd gotten Shizu's permission before doing this, after all. Hinata, meanwhile, freezes for a moment before slowly nodding with an ever-growing blush.

“... Tops off.”

The swordswoman reaches up and unbuttons the top of her maid uniform, even as Luminous does the same beside her. The clothing comes away as if made to do so, revealing that neither of them are wearing bras at the moment. Their breasts bounce free, not too large or anything like that, but still noticeably feminine and supple as their nipples harden rapidly in open air.

Luminous makes a show of groping her own chest, a move that Hinata copies hesitantly as the former smiles up at Rimuru.

“These are for your viewing pleasure, Master. After all, what's the point of a maid who can't show their Master a good time, right?”

Rimuru snorts in amusement, but nevertheless finds himself enjoying the show immensely. Indeed, his cock is already twitching and growing harder by the moment, and the two of them exposing their chests like this is making that growth all the more rapid.

Perhaps that's why he doesn't bother with foreplay. Sure, Luminous probably intends to move things in an oral direction since she and Hinata are already on their knees for him... but Rimuru has another idea.

“Inspection.”

Luminous and Hinata pause and blink up at him in unison.

“Excuse me, Master?”

“... It's time for me to give you two an inspection. Up against the wall, now.”

For the first time, a flicker of uncertainty appears in Luminous' mismatched eyes... but its rapidly overtaken by excitement and lust as she smiles at him beatifically.

“Of course. As our Master wishes~”

She rises to her feet and Hinata follows her lead. Both of them step back to the wall until they're up against it facing his direction, waiting for him to approach.

Rising from the chair, his clawed feet feeling quite good, the Dragonoid moves in closer to them. He considers where to start... but really, where else? His hands come up and each latch onto a respective chest, groping Luminous and Hinata at the same time and feeling the two women up right then and there.

Hinata gasps while Luminous lets out an exaggerated moan, his experimental fondling definitely not feeling as good as the silver-haired Demon Lord makes it out to be. Still, Rimuru enjoys the noises she's making as well as the less certain but more honest noises coming from Hinata's mouth. Playing with the Swordswoman and Vampire's chests is quite pleasurable as he 'inspects' them for 'defects'.

Obviously, he doesn't find any... but eventually, Rimuru grabs them by the arms and spins them both around so that they're facing the wall. Gasping, they both push themselves up against the wall while thrusting out their hips almost instinctively, jutting out their asses for him.

Smirking, Rimuru slides his hands under their skirts and past their panties, his fingers finding purchase in their cunts a moment later so he can begin to drill them with his digits. Hinata joins Luminous in moaning up a storm then, the swordswoman shuddering and quivering in her maid uniform as she clings to the wall.

Luminous, meanwhile, is all wanton mewling, looking back over her shoulder at him with 'fuck me' eyes that all but beg for him to escalate things further. She needn't have worried about that though... Rimuru always intended to give his maids a more thorough 'inspection'.

Dragging his fingers out of their cunts, Rimuru reaches down and frees his throbbing cock from its confines. The Dragonoid tilts his head to the side consideringly for a moment, looking between the two women in front of him. On the one hand, it was pretty hot to fuck and ruin a subordinate in front of their superior, especially when that superior knew they would be getting fucked next.

On the other hand... the exact opposite was also true, wasn't it?

Making his decision, Rimuru moves into place behind Luminous, hoping that either his cock will be enough to rock her world, or at the very least the twenty-thousand year old woman will play along. Either way, he hikes up her skirts, yanks down her panties, and slams his dick up inside of her pussy right there on the spot, all part of his 'maid inspection'.

Luminous squeals as he penetrates her, her eyes threatening to roll back in her head even as she tosses said head back at the same time. Her fingers claw at the wall even as her rock hard nipples rake against the surface while her breasts are compressed further into it at the same time. Rimuru grunts and groans, the tightness of Luminous' cunt out of this world even as he immediately sets a harsh pace, fucking her hard and fast.

CLAP! CLAP! CLAP!

Meanwhile, Hinata is watching all of this. The swordswoman and leader of the Ten Great Saints gazes on with a conflicted gaze, as though she's torn between not knowing how to feel upon watching her superior get railed, and wishing she was in Luminous place getting railed herself.

Taking 'pity' on Hinata, Rimuru reaches over again once he's set a steady pace fucking Luminous' brains out and promptly shoves two fingers back up inside of

Hinata from behind. The swordswoman moans and arches her back once more while spreading her legs wider for him at the same time.

The sounds of flesh slapping against flesh and both cock and fingers squelching in and out of sopping wet, juicy cunts fills the room as Rimuru pounds into Luminous while also fingerbanging Hinata. He takes them both for quite the ride, making sure to match the pace of his fingers to the pace of his thrusting cock.

Luminous and Hinata both moan up a storm as a result, shuddering and quivering all the while. Until finally, Luminous lets out a low, solid moan and cums all over his cock, while Hinata squeals and climaxes all over his fingers. The extreme tightness of Luminous' pussy along his mast is almost enough to send Rimuru over the edge right then and there, but the Dragonoid manages to hold back a for a bit longer, fucking her all the way through her orgasm before finally tipping himself.

He spills his seed inside of the ancient vampire, causing her to moan all over again, albeit a bit more softly. Then, without missing a beat, Rimuru pulls out of Luminous and moves over to her subordinate, leaving her to rest against the wall and watch on as he drags his fingers free of Hinata's clenching snatch and hikes up her skirt.

Hinata's panties are pulled down to her knees just like Luminous was and her maid skirt is flipped up over her back as she bends over further than the other woman did. Her backside is fully in his hands as Rimuru gropes and squeezes for a moment before bringing his cock to bear on her cunt.

He's inside of her a moment later, making Hinata cry out and shudder from the sudden fullness. He stuffs her to the brim and then some, making her moan and mewl all the while as she quivers before him. Rimuru can't help but feel a certain sort of pride at that. His Dragonoid instincts demand that he take his satisfaction from this former enemy, even if they've managed to come to terms with one another.

There's no bad blood between them at this point, but he still remembers Hinata's enmity and that's more than enough for him to take her to pound town and give her the hardest, fullest fucking of her life.

PLAP! PLAP! PLAP!

Even as the sounds of their debauched coupling fill the air, Luminous is watching on... and fingering herself, one hand lifting up the front of her maid skirt so she can use the other to drag her digits along her pussy lips. She hooks his cum out of herself one dollop at a time and then brings it up to her mouth, sucking her fingers dry in a truly lewd fashion that only drives Rimuru to fuck her subordinate all the harder.

Hinata cries out again and again, cumming for him repeatedly as he fucks her. The more she cums, the more sensitive she gets, the more she cums in a never-ending loop, while Rimuru has already cum once and is able to hold out plenty long even with how hard her inner walls are trying to milk him of his load. Again and again he drives into Hinata, making sure to fuck her brains out until she can't take it anymore.

Then, after an eternity and more orgasms than any of them can be bothered to keep track of, Rimuru slams forward one final time and lets loose in Hinata's twat, filling the swordswoman with a nice, hot load of his seed right there on the spot.

She shudders and quivers as she takes his cum, whimpering and mewling all the while. And then she lets out a gasp as he draws himself out of her, his cock slipping free. Though it's not free for long because the instant she sees it out in the open, Luminous drops to her knees and takes him in her mouth, beginning to clean him of the combined fluids of all three of them while staring up at Rimuru with those mismatched eyes of hers.

Letting out a shuddering breath, Rimuru smiles and places a hand atop the woman's head. His Dragonoid Instincts were pleased with these new additions to his hoard...
